Committee discussion on this matter included the following:

- Clarification regarding eligibility criteria
- Advised that the program is not a funding allocation on a running permanent basis
- Question relating to how staff foresees the Committee being of input to either the evaluation of the applications received or with regards to prioritizing the elements.
- Staff advised that they welcomed input from the Committee as the program is to open on the December 10th and advised If the committee has a desire to assess possible focus areas it would be ideal to have it done by December 3rd.

- Clarification provided regarding the difference between an unincorporated non-profit organization and a registered non-profit organization
- Staff clarified that subcommittees are welcomed to meet to discuss and review priority areas and in December the ideas can be put forward to Council for consider at that time
- Clarified the evaluation process
- Questions regarding Provincial and Federal funding.
- Staff clarified there are different streams at the different levels of government. Committee needs to nail down what the main focus or priorities are and then determine where to go from there. There are different efforts at play regarding access to funding for the city or regionally.
- Explained that the evaluation process was not political in nature and that all decisions would be made at the staff level in addition to organization in partnership with the program.
- The report that was approved does not contemplate a specific role for the committee. The entire decision making process is in the hands of the Culture team.

THE STAR

By **Jason Miller** Local Journalism Initiative Reporter
Sat., Oct. 10, 2020

Jotvinder Sodhi of the Homeowners Welfare Association and Concerned Residents of Brampton said public concern has been elevated since the horrific death of elementary teacher Karolina Ciasullo and her three young daughters on June 8.

Sodhi raised the residents concerns about armed carjackings, deadly collisions, speeding and stunt driving to the Peel police services board on Sept. 25.

"The numbers of fatalities are high, and we're concerned about that," Sodhi told the Star. "We need to attack this from all angles including education and enforcement."

"Youth engagement is a problem too," Sodhi said. "Our youth are getting drawn to stunt driving and street racing."

THE STAR

By **Jason Miller** Local Journalism Initiative Reporter
Mon., Sept. 28, 2020

Jotvinder Sodhi and other members of the Homeowners Welfare Association and Concerned Residents of Brampton raised concerns about armed carjackings, deadly collisions, speeding and stunt driving in a deputation to the Peel board.

"People are being killed and injured every day on our roads," Sodhi told the Star Monday. "This is a problem for the entire GTA."

Sodhi said public concern has been elevated since the horrific death of elementary teacher Karolina Ciasullo and her three young daughters.

"We need better response and police presence on the roads," Sodhi said. "Youth engagement is also something that we have to work on."

Brady Robertson, 20, of Caledon, has since been charged with four counts of dangerous driving causing death and impaired driving causing death in connection with the collision that killed Ciasullo.

Brampton Mayor Patrick Brown said Sodhi raised some legitimate concerns, adding that whether it's street racing or brazen car thefts, "we have to stem that."

Crime and public safety top of mind in Brampton Centre with federal election looming

By [Graeme Frisque](#)  Brampton Guardian

Tuesday, October 15, 2019

A series of homicides and violent crimes leading up to the federal election has brought public safety back to the campaign forefront for residents in Brampton Centre.

In addition to a spike in shootings, break and enters and car thefts in recent years, the riding has seen a pair of high-profile homicides in the month leading up to the 2019 campaign writ drop, and Concerned Residents of Brampton executive team member [Jotvinder Sodhi](#) says residents are scared.

The [first incident occurred on Aug. 16](#) after a father killed his wife and son before taking his own life by jumping off the Williams Parkway overpass on Highway 410. The [second incident occurred exactly one month later](#) on Sept. 16 and involved two victims, one of them a teen. They were Peel Region's 18th and 19th homicides of 2019.

Concerned Residents of Brampton held a town hall at Terry Miller Recreation Centre last month. The meeting was attended by approximately 200 residents and focused primarily on public safety.

"People have raised a flag that they are scared and concerned," said Sodhi. "Irrespective of their political, social and religious differences, the same blood runs through everyone and we all have the same concerns."

ROAD & PUBLIC SAFETY

WE WOULD REQUEST A SEPARATE MEETING TO INITIATE NEW PROPOSALS TO ELIMINATE PUBLIC CONCERNS OF ROAD SAFETY & SAFETY OF LOVED ONES.

RECENT INCIDENTS:

1. Four angels lost their lives due to careless driving

- reform the guidelines to avoid these incidents
- dangerous driving should be taken more seriously

2. Ejaz Choudry, who was suffering from Schizophrenia was shot dead by the police.

- The situation was not handled well which resulted in the loss of human life.
- We ask for an independent public inquiry in this situation and other similar ones.

3. Daylight robbery at gunpoint in Brampton East

- A car was robbed from a woman at gunpoint
- There should be an increase of police force in the peel region and possibly a police station in Brampton East and West area

4. Heavy traffic on Mayfield Rd/Hwy 50/Steeles are causing accidents almost daily (traffic guidelines should be upgraded- willing to provide suggestions)

- Traffic signals at major intersections for left turn, pedestrian signal, timers

LETTER to residents during Tough Times - COVID-19

Honourable Justin Trudeau, Prime Minister of Canada,
Honourable Doug Ford, Premier of Ontario,
Mayor of Brampton, Patrick Brown
Mayor of Mississauga, Bonnie Crombie
Mayor of Caledon, Allan Thompson

We are pleased with how Premier Ford & Federal government are working collaboratively during this difficult time (COVID-19). Everyone should sink their political differences & should work for humanity!

Salute to our front-line medical professionals, front-line workers, trucking industry, and many others who are working around the clock for the wellbeing/safety of others.

This is very tough time for businesses due to the current circumstances caused by COVID-19.

We request that the government should provide the incentives of stimulus package **directly** for vulnerable working class & small business for their losses due to COVID-19, there should not be a bureaucratic layers which cause further delay.

Municipal government in Peel region should immediately exempt property tax for home/small businesses for the year 2020.

Federal government should immediately ask the banks to defer all mortgages across the board for six months instead of case by case unless been requested otherwise.

Federal/Provincial government should supply a special package for small businesses along with their part-time and full-time employment immediately (without a middleman).

Provincial should ask the insurance companies to defer the payments of auto insurance which is one of the highest in Canada. Companies are making billions of dollars in profit, and now it is time for them to give back to the community. Defer the utilities bills for all residents.

Special provisions should be taken for the homeless to provide a safe/health cautious clean environment and should provide food and other necessities.

PS: Residents should listen to the advice provided by the government and follow all precautions for our safety/wellbeing.

We will work together to fight and overcome COVID-19.

Thank you,
Home Owners Welfare Association
