CW073-2025

Whereas, municipalities across the Province of Ontario, including Hamilton, London, and the Region of Waterloo, with populations smaller than the City of Brampton, are equipped with three or more hospitals to effectively deliver critical healthcare services to their residents;

Whereas, the City of Brampton, now the third-largest city in Ontario, is experiencing rapid population growth and a significant increase in demand for healthcare services, resulting in overcrowded hospital beds even after the construction of the second hospital, which is unable to meet the current and future demand;

Whereas, Brampton's healthcare infrastructure is significantly strained, with hospital bed availability per 100,000 residents markedly below the provincial average, and the city has approximately 56% fewer hospital beds per person than the provincial average. Specifically, the provincial average is 220 hospital beds per 100,000 residents, while Brampton only has 96 beds per 100,000 residents, less than half the provincial figure, highlighting a pressing need for increased healthcare capacity;

Whereas, Brampton's population is projected to grow by 300,000 to 400,000 new residents due to new housing targets, which will necessitate a proportional increase in healthcare services, including at least 660 new hospital beds to meet the rising demand;

Whereas, securing a provincial planning grant for a third hospital would send a strong signal to Brampton residents that their healthcare needs are a priority, helping to address the current strain on hospital capacity;

Therefore, be it resolved that:

1. Council advocate to the provincial government for the identification and acquisition of lands necessary for the establishment of a third hospital in Brampton;
2. Council requests that the provincial government prioritize the planning and funding for a third hospital, ensuring timely delivery of healthcare services to meet the needs of Brampton's residents and address the current strain on hospital capacity.

The motion, as amended, was considered as follows.

C053-2025

Moved by Mayor Patrick Brown

Seconded by Regional Councillor Santos

WHEREAS, the United States has announced its intent to impose tariffs on all Canadian goods destined for the U.S.;

WHEREAS, these proposed tariffs threaten the stability of local industries and businesses, particularly those in Brampton, and could severely impact our economy, workers, and trade relations with the U.S.;

WHEREAS the City of Brampton is committed to protecting its local businesses, ensuring fair trade practices, and maintaining a competitive environment for all industries;

WHEREAS, on January 29, a motion was passed regarding a “Made in Canada” procurement policy exception in response to tariff threats from the US, should they be implemented;

WHEREAS, KPMG's recent survey to Canadian Business leaders shares that 9 in 10 Canadian business leaders "wholeheartedly believe" that Canadian governments "must stand firm in protecting Canada's sovereignty and values" and that includes fighting tariffs with tariffs, and over 80% want a targeted, dollar-for-dollar retaliatory response;

WHEREAS the City of Brampton needs to send a clear message that Canada is committed to ensuring balanced and fair-trade relationships, ensuring that businesses in Brampton and across Canada are not unfairly impacted by U.S. tariffs.

THEREFORE, BE IT RESOLVED

That staff be directed to advocate for reciprocal tariffs to protect Brampton and Canadian industries,

That the City of Brampton collaborates with federal and provincial governments in championing policies that prioritize Brampton's businesses and workers and ensure that Canada's trade interests are effectively represented.

That City staff work with federal and provincial partners to ensure necessary support systems are in place for Canadian businesses to remain competitive in the global market and mitigate the impact of tariffs on key sectors.

That City staff advocate for federal financial support to help Canadian businesses offset shipping costs and access new markets

That City staff create the Mayor's Tariff Task Force to address the challenges and opportunities of the tariffs and strengthening the city's economy by:

- Developing a City to City strategy to engage local stakeholders in the U.S. market, including reaching out to U.S. businesses operating in Brampton; and US municipalities with common interest in protecting and strengthening our supply chain and exploring new opportunities.
- Exploring the diversification of Brampton's trade relationships and removing inter-provincial trade barriers to prioritize Canadian supply chain opportunities.
- That the City of Brampton Economic Development Office support ongoing efforts and plan to build and strengthen market opportunities outside the USA.
- That staff engage in public consultation and report back to Council with a business case study for the creation of a municipal services corporation

(MSC) to build relationships in new international markets and support the diversification of export markets for goods and services from Brampton.

C059-2025

Moved by Mayor Patrick Brown

Seconded by Regional Councillor Vicente

That Recommendation CW085-2025, from Item 7.2 of the Committee of Council meeting of March 19, 2025, as follows, be approved:

CW085-2025

Whereas the dissolution of provincial parliament on January 28, 2025, and the issuance of writs for a general election on February 27, 2025, terminated all parliamentary business, including consideration of The Peel Transition Implementation Act, 2024 (Bill 240);

Whereas sections 188-193 of the Municipal Act, 2001 (the “Act”) contain provisions permitting transfers of certain powers from upper-tier to lower-tier municipalities;

Whereas one such power that can be transferred is with respect to waste collection; and;

Whereas the process to transfer the Region of Peel’s powers in relation to waste collection to the City of Brampton under sections 191 and 192 of the Act involves the following processes:

- The City of Brampton must pass a by-law to provide for the transfer of Peel Region’s powers with respect to waste collection to Brampton;
- at least half of the lower-tier municipalities of the Region of Peel (either the Town of Caledon or the City of Mississauga), but excluding the City of Brampton have passed resolutions giving their consent to the by-law;
- the total number of electors in the lower-tier municipalities which have passed resolutions (Caledon and/or Mississauga) and Brampton form a majority of all the electors in the Region of Peel;
- the council of the Region of Peel has passed a resolution giving its consent to the assumption of the power by Brampton and a majority of all the votes on the council were cast in favour of the resolution;
- Brampton shall enter into discussions with the Region to provide for transitional matters involved with the transfer;

- Brampton shall enter into discussion with Caledon regarding a shared service agreement for waste collection.

Therefore, be it resolved that:

1. In accordance with sections 188-193 of the Municipal Act, 2001 Brampton Council shall pass a by-law to consent to the transfer of the waste collection powers from the Region of Peel to its local municipalities directly, without awaiting provincial legislation. The by-law shall give effect to the transfer of waste collection powers from the Region to Brampton and transitional matters to facilitate the assumption of the powers, excluding powers with respect to the community recycling centres located in Brampton;
2. Brampton shall enter into discussions with the Region to provide for transitional matters involved with the transfer, including a staff transition plan that shall include rights of first offer of employment from Brampton to qualified Regional staff impacted by the transfer;
3. Brampton, Mississauga and Caledon agree to honour the existing contract for waste collection services that is in place until the end of Sept 2027 and continue to contribute under the current agreement where required;
4. Brampton and Caledon shall develop a contract to jointly deliver waste collection services where Caledon provides Brampton the waste collection levy that it currently pays to the Region of Peel, including growth and CPI increases, to maintain its current waste collection services, with work following the Region of Peel's existing timeframe for contract development to vendor start date (Mar 2025-Oct 1, 2027);
5. Brampton passes a motion in support of the transfer of the waste collection from the Region of Peel to the City of Mississauga;
6. Brampton passes a motion in support of the transfer of the waste collection from the Region of Peel to the Town of Caledon;
7. This motion be presented to the Region of Peel at the Council meeting of March 20, 2025 in relation to the transfer of waste collection from the Region of Peel to Brampton, Mississauga and Caledon;
8. All necessary by-laws be enacted;

9. Staff from the Region of Peel, City of Brampton, City of Mississauga, and Town of Caledon strike a group to immediately begin work and report back with a detailed breakdown of the current and future forecasted Regional Planning Waste budget by municipality, including:

Code of Conduct for Members of Council

(Adopted by Brampton City Council at its January 27, 2016 meeting)

Introduction

Democracy is an active process – one that requires ongoing engagement between citizens and their elected officials. Ethics and integrity are at the core of public confidence in government and in the political process.

There has been a general trend at the municipal level of government in Ontario, to develop rules around ethical conduct for elected officials so that they may carry out their duties with impartiality and equality of service to all, recognizing that as leaders of the community, they are held to a higher standard of behaviour and conduct.

It is the purpose of this Code of Conduct for Members of Council (the “Code”) to establish rules that guide Members of Council in performing their diverse roles in representing their constituents and recognize Members’ accountability for managing City resources allocated to them.

Preamble

Whereas the City of Brampton first instituted a Code 2011 and after the election of 2014, the Council has reviewed the same and approved extensive revisions;

And Whereas elected officials of the City of Brampton have and recognize their obligation to not only obey the law, but to go beyond the minimum standards of behaviour and act in a manner that is of the highest ethical ideals so that their conduct will bear the closest public scrutiny;

And whereas the private interest of elected officials of the City of Brampton must not provide the potential for, or the appearance of, an opportunity for benefit, wrongdoing, or unethical conduct;

The Council of the City of Brampton will adopt certain rules that further underscore a Councillor’s belief in his/her responsibility as a public trustee;

Commentary

The operation of democratic municipal government requires that elected officials be independent, impartial and duly responsible to the people. To this end, it is imperative that

- The City of Brampton decisions and policy be made through the proper processes of municipal government structure.
- Public office not be used for personal gain.
- The public have confidence in the integrity of its municipal government.

A written Code of Conduct protects the public interest and helps to ensure that the Members of Council share a common basis for acceptable conduct. These standards are designed to provide a reference guide and a supplement to the legislative parameters within which the members must operate.

The public is entitled to expect the highest standards of conduct from the members that it elects to local government. In turn, adherence to these standards will protect and enhance the City of Brampton's reputation and integrity.

Commentary

This Code of Conduct does not prohibit the activities in which Members of Council normally engage on behalf of constituents in accordance with applicable laws.

The *Municipal Act* is the primary source of regulation for municipalities and provides the basis for good governance within municipal government. There are other important documents that regulate the behaviour and conduct of Members. Clear and consistent written rules provide elected officials with confirmation that their actions adhere to the highest ideals of integrity during their term of office. This Code of Conduct operates together with and as a supplement to the following existing statutes, documents and policies governing the conduct of Members.

Legislation:

- The *Municipal Act*, 2001. S.O. Chapter 25 and amendments;
- The *Municipal Conflict of Interest Act*;

- ***Provincial Offences Act*;**
- ***Public Inquiries Act*;**
- ***Occupational Health and Safety Act*;**

Key Principles

The key principles that underline the rules in this Code of Conduct are as follows:

Commentary

This underscores that Members' carry out their official City activities in a way that will foster and enhance respect for government and above all, demonstrate respect for members of the public.

- b. Members of Council should be committed to performing their functions with integrity and transparency.

Commentary

As public officials, Members of Council recognize the public's right to reasonable access to information in relation to how decisions are made. This right of access includes the right of the public to receive complete and understandable information which must be balanced against the requirement to protect the legitimate interests of the City and the respect for approved policies of the City.

- c. Members of Council shall perform official duties and arrange their public affairs in a manner that promotes public confidence and respect and will bear close public scrutiny.

Rule No. 1 ~~General~~ Conflict of Interest

1. ~~a.~~ Members of Council shall avoid the improper use of the influence of their office, and conflicts of interest, both apparent and real. Members of Council shall not extend, in their discharge of their official duties, preferential treatment to family members, organizations or groups in which they or their family member have a pecuniary interest.

Commentary

As a result, Members of Council will have a common understanding that they will not participate in activities that grant, or appear to grant, any special consideration, treatment, or advantage to an individual which is not available to every other individual;(Paragraph deleted as per Resolution C173-2022 / CW261-2022)

- c. ~~3.~~ The Integrity Commissioner has given the Member his or her approval and has specified the manner in which the Member of Council may remedy the situation.
- d. ~~4.~~ The Member remedies the situation in the manner specified by the Integrity Commissioner

Commentary

Members of Council must adhere to the City's purchasing policies and pay careful attention to the Councillors' expense policies. Examples of exceptions include, hospital boards and other not-for-profit organizations and charities.

Commentary

Members of Council shall not participate in activities that grant, or appear to grant, any special consideration, treatment, or advantage to an individual which is not available to every other individual member of the public.

5. e. Members of Council shall seek to serve the public interest by upholding both the letter and the spirit of the laws and policies established by the Federal Parliament, Ontario Legislature, and the City Council.

Commentary

A number of the provisions of this *Code* incorporate policies, procedures and provisions adopted by Council and contained in various statutes. The provisions of this *Code* are intended to be applied in concert with existing legislation and go beyond the minimum standards of behaviour.

6. f. Members of Council shall fulfill their roles as set out in the *Municipal Act* and respect the role of staff in the administration of the business affairs of the City.

Commentary

Members of Council recognize that the decision-making authority for the municipality lies with Council, not an individual Councillor and that it is the role of the officers and employees of the municipality to implement council's decisions and establish administrative practices and procedures to carry out council's decisions. Members of Council recognize and respect the role of City staff and affirm that only Council as a whole has the capacity to direct staff members. Council as a whole must be able to access information, on a need to know basis, in order to fulfill its decision-making duties and oversight responsibilities.

Individual Members also recognize that the information that they receive as members of the decision-making body of Council is subject to the confidentiality and disclosure rules of Provincial and Federal statutes and City of Brampton bylaws. (See Rule No. 3 on Confidential Information and Rule No. 16 on Conduct Respecting Staff).

Rule No. 2 Gifts and Benefits

1. No member shall accept a fee, advance, gift, loan, or personal benefit that is connected directly or indirectly with the performance of his or her duties of Office, except as specifically permitted by the exceptions listed below.

For these purposes, a fee or advance paid to or a gift or benefit provided with the member's knowledge to a member's spouse, child, or parent, or to a member's staff that is connected directly or indirectly to the performance of the member's duties is deemed to be a gift to that member. The following are recognized as exceptions:

- a. compensation authorized by law;
- b. such gifts or benefits that normally accompany the responsibilities of office and are received as an incident of protocol or social obligation;
- c. a political contribution otherwise reported by law;
- d. services provided without compensation by persons volunteering their time to a Member;
- e. a suitable memento of a function honouring the Member (i.e. a trinket or favour of relatively little monetary value such as pen, notepad, t-shirts);
- f. food, lodging, transportation and entertainment provided by provincial, regional and local governments or political subdivisions of them, by the Federal government or by a foreign government within a foreign country or by a conference, seminar or event organizer where the Member is either speaking or attending in an official capacity at an official event;

Commentary

(for greater certainty of item f, where Council has authorized or endorsed an initiative or event, this would be considered an official event.)

- g. food and beverages consumed at banquets, receptions or similar events, for charitable, not for profit and community purposes, if:
 1. attendance serves a legitimate public duty purpose; and
 2. the value is reasonable and the invitations infrequent; and
- h. business meals;
- i. communication to the offices of a Member, including subscriptions to newspapers and periodicals related to the duties of Office.
- j. Sponsorships and donations for community events or initiatives organized or run by a member or a third party on behalf of a Member where Council has authorized or endorsed the event or initiative.

Commentary

(for greater certainty of item j, for Member-organized community events or initiatives, Members should be transparent in their dealings with the public and should not handle any funds on behalf of any organizations and should remain at arms length from the financial aspects of these events and initiatives.)

Rule #2 Part 1(j) does not affect the entitlement of a Member of Council to:

- i. Use her or his office expense budget to run or support community events subject to the terms of the Councillor Expense Policy;
 - ii. Urge constituents, businesses and other groups to support community events put on by others in the Member's Ward or elsewhere in the City;
 - iii. Play an advisory or membership role in any organization that holds community events in the Member's Ward; and
 - iv. Collaborate with the City of Brampton and its agencies to hold community events.
2. Each Member shall disclose in a Gift Registry to be maintained in the Clerks department all gifts, benefits and hospitality received with an individual value of \$50 CAD or more from one source in a calendar year.
- The member of Council shall specify for each gift, in a Gift Disclosure Statement to be maintained in the Gift Registry:
1. The nature of the gift, benefit or hospitality
 2. The donor of the gift, benefit or hospitality and date of receipt
 3. The circumstances under which the gift or benefit was given and received
 4. The estimated value of the gift, benefit or hospitality, and
 5. The intended use of the gift or benefit.

The Clerk shall post quarterly, all Gift Disclosure Statements received, beginning with March 31, 2016, on brampton.ca

Commentary

Gifts and benefits are often received by Members in the course of their duties, and attendance at public functions is expected and considered part of their role. The object of this rule is to provide transparency around the receipt of incidental gifts and benefits, where the total value may be perceived as potentially influencing decision making.

Personal integrity and sound business practices require that relationships with vendors, contractors, or others doing business with the City, be such that no Member of Council is perceived as showing favouritism or bias toward the vendor, contractor or other. Each Member of Council is accountable to the public and should keep a list of all gifts received from individuals, firms or associations (with estimated values) in their constituency offices for review

by Integrity Commissioner, as he/she deems appropriate. However, those gifts or benefits that exceed \$50 or the annual limit of \$50 for one source, shall be kept on a form prescribed by the Integrity Commissioner and filed with the office of the City Clerk on a quarterly basis.

Gifts that are subject to listing on the Member of Council information statement can be many types of things, and may include:

1. property (i.e. a book, flowers, a gift basket, a painting or sculpture, furniture, wine);
2. use of property or facilities (i.e. a vehicle, an office, a cottage) at a reduced rate or at no cost;
3. membership in a club or other organization (i.e. a golf club) at a reduced rate or at no cost;
4. an invitation to and/or tickets to attend an event (i.e. an athletic commercial event, concert, a play) at a reduced rate or at no cost;
5. an invitation to attend a gala or fund-raising event at a reduced rate or at no cost.

An invitation to attend a function where the invitation is connected directly or indirectly with the performance of the Member's duties of Office (i.e. for which the public office holder has a ceremonial, presentational or representational official role) is not considered to be a gift. Attendance is considered to be the fulfillment of an official function or duty.

There are a range of expenses that support a Councillors' role in community development and engagement activities in their ward.

For MPPs, these expenses are generally paid for by caucus funds. This is not the case for municipal Members of Council. The section of the Councillor Expense Policy that deals with Community Expense-Events will indicate allowable expenses for reimbursement and provide for Members of Council to include certain community expenses related to a Member's role in community development as allowable expenditures from their office expense budget. However, gaming tickets during charitable functions, such as raffle tickets, table prize tickets, etc. should not be eligible for reimbursement

3. Expenses incurred by Members of Council working during normal meal periods serve a legitimate public duty purpose, provided that the expenses incurred are reasonable and appropriate in the circumstances. Reasonable and appropriate expenses are those that:
 - a. Are incurred for an official duty or function;
 - b. Are modest, representing a prudent use of public funds;
 - c. Do not involve alcoholic beverages unless in a ticketed event, the cost of such beverages is included in the ticket price. In general, working meals are to be provided in-house.

Commentary

Rule #2 must be considered with and balanced against the principle contained expense policies in all Ontario municipalities, which is that Members are entitled to be reimbursed for expenses that are legitimately and appropriately incurred for an official duty or function and which are reasonable and prudent expenses and use of public funds in the circumstances. In making a determination of what constitutes a modest and prudent use of public funds, Members should consider the dollar amounts set out in the Council Expense Policy, as amended.

Given the heavy demands on Members' schedules in the performance of their duties and functions, there are legitimate circumstances that require business meetings over a meal period and result in the Member working through his or her normal meal periods.

"Official duties" or "functions" has the following meaning:

For Members of Council, it includes those activities that are reasonably related to a Member's office, taking into consideration the different interest, the diverse profiles of their wards and their different roles on Committees, agencies, boards and commissions.

For persons employed in the office of Members, it includes those activities and responsibilities that flow from acting on direction from or taking action on behalf of a member.

As representatives of the municipal government, Members will be expected or required to extend hospitality to external parties as part of their official duties and functions. This Code recognizes that through adherence to the current and proposed rules of the City's Councillor Expense Policy, it is legitimate for Members to incur hospitality expenses for meetings, examples of which include:

- a. Engaging representatives of other levels of government, international delegations or visitors, the broader public sector, business contacts and other third parties in discussions on official matters;
- b. Providing persons from national, international and charitable organizations with an understanding and appreciation of the City of Brampton or the workings of its municipal government;
- c. Honouring persons from Brampton in recognition of exceptional public service.

This Code recognizes that the current City of Brampton Councillor Expense Policy, holds legitimate that Members of Council will be reimbursed or have their office budgets charged for expenses that are incurred while extending hospitality to an external party, including hospitality that takes place in the course of travelling on a duty or function or a Member of Council provided the expenses are reasonable and appropriate in the circumstances.

Reasonable and appropriate expenses are expenses that strike a balance between economy (the expenses represent a prudent use of public funds) and proportionality (the expenses represent what is customary for such functions).

Wherever possible, Members of Council should utilize City-owned facilities and resources that are appropriate to the function.

4. This Code recognizes that as community leaders, Members of Council may lend their support to and encourage, community donations to registered charitable and Not for profit groups. Monies raised through fundraising efforts shall go directly to the groups or volunteers and chapters acting as local organizers of the group. This Code recognizes the important work of Members of Council in supporting charitable causes and the need for transparency in Members' involvement. This Code sets the following guiding principles for Members of Council:
 - a. Members of Council should not directly or indirectly manage or control any monies received relating to charitable organization's fundraising.
 - b. Where a Member of Council sponsors and/or lends support to a charitable organization's event, this Code recognizes that all donations are subject to the Code of Conduct.
 - c. No donation cheques should be made out to a Member of Council. Nothing included herein affects the entitlement of a Member of Council to:
 - i. Use her or his office expense budget to run or support community events subject to the terms of the Councillor Expense Policy section relating to Community Expense Events;
 - ii. urge constituents, businesses and other groups to support community events and advance the needs of a charitable organization put on by others in the Member's Ward or elsewhere in the City;
 - iii. play an advisory or membership role in any organization that holds community events in the Member's Ward; and
 - iv. collaborate with the City of Brampton and its agencies to hold community events.
 - d. Members of Council should not handle any funds on behalf of any charitable organization or Community group and should remain at arms length from the financial aspects of these community and external events.

Rule No. 3 Confidential Information

1. No Member shall disclose or release by any means to any member of the public, any confidential information acquired by virtue of their office, in either oral or written form, except when required by law or authorized by Council to do so.
2. No Member shall use confidential information for personal or private gain, or for the gain of relatives or any person or corporation.
3. No Member shall directly or indirectly benefit, or aid others to benefit, from knowledge respecting bidding on the sale of City property or assets.
4. No Member shall disclose the content of any such matter, or the substance of deliberations, of the in-camera meeting until the Council or committee discusses the information at a meeting that is open to the public or releases the information to the public.
5. No Member shall permit any persons other than those who are entitled thereto to have access to information that is confidential.
6. No Member shall access or attempt to gain access to confidential information in the custody of the City unless it is necessary for the performance of their duties and not prohibited by Council policy.

Commentary:

Confidential information includes information in the possession of the City that the City is either prohibited from disclosing, or is required to refuse to disclose, such as under Access and Privacy legislation. Such legislation imposes mandatory or discretionary restrictions on disclosure of information received in confidence from third parties of a corporate, commercial, scientific or technical nature, personal information about an individual disclosure of which would constitute an unjustified invasion of privacy, and information that is subject to solicitor-client privilege. Where it is clear that a communication was not made in a confidential manner (ie. copied to others, or made in the presence of others) or the manner of communication undermines the validity of labelling it 'confidential', such communication will not be given any higher level of confidentiality than any other communication. The words 'privileged', 'confidential', or 'private' will not be understood to preclude the appropriate sharing of the communication for the limited purpose of reviewing, responding or looking into the subject-matter of the communication.

For the purposes of the Code of Conduct, "confidential information" may also include information that concerns personnel, labour relations, litigation, property acquisitions, the security of the property of the City or a local board, and matters authorized in other legislation, to remain confidential.

Under the Procedural By-law, a matter that has been legitimately discussed at an in-camera (closed) meeting remains confidential, until such time as a condition renders the matter public.

Requests for information should be referred to appropriate staff to be addressed as either an informal request for access to municipal records or as a formal request under the *Municipal Freedom of Information and Protection of Privacy Act*.

Particular care should be exercised in ensuring confidentiality of the following types of information:

- the security of the property of the municipality or local board;
- personal information about an identifiable individual, including municipal or local body employees;
- a proposed or pending acquisition or disposition of land by the municipality or local board;
- labour relations or employee negotiations and personnel matters
- litigation or potential litigation, including matters before administrative tribunals, affecting the municipality or local board;
- advice that is subject to solicitor-client privilege, including communications necessary for that purpose;
- a matter in respect of which a council, board, committee or other body may hold a closed meeting under another Act;
- items under contract negotiation
- price schedules in contract tender or Request For Proposal submissions
- statistical data required by law not to be released (e.g. certain census or assessment data)

Rule No. 4 Use of City Property, Services and Other Resources

1. No Member shall use for personal purposes any City property, equipment, services, supplies or services of consequence (for example, agency, board, commission, or City-owned materials, websites, board and City transportation delivery services, and any Members expense budgets) other than for purposes connected with the discharge of City duties, which may include activities within the Member's office of which City Council has been advised.
2. No Member shall obtain financial gain from the use of City developed intellectual property, computer programs, technological innovations or other patentable items, while an elected official or thereafter. All such property remains the exclusive property of the City of Brampton.
3. No Member shall use information gained in the execution of his or her duties that is not available to the general public for any purposes other than his or her official duties.

Commentary

Members, by virtue of their position, have access to a wide variety of property, equipment, services and supplies to assist them in the conduct of their City duties as public officials. This privilege should not be seen to be abused. In recognizing that members are held to a higher standard of behaviour and conduct, members should not use such property for any purpose other than for carrying out their official duties. Careful attention should be given to the provisions of the City's Councillor expense policy which identifies approved allowable expenses.

During election campaigns, refer to Rule No. 5, ~~and 7~~ and 18.

Rule No. 5 Election Campaign Work

1. Members are required to follow the provisions of the *Municipal Elections Act*, 1996.

Commentary

Although the Integrity Commissioner of the City of Brampton does not have jurisdiction to receive or investigate complaints regarding alleged contraventions of the *Municipal Elections Act*, (MEA) the Integrity Commissioner shall forward any information regarding a potential breach of the MEA by a Member of Council, directly to City Clerk.

2. No member shall use the facilities, equipment, supplies, services or other resources of the City for any election campaign or campaign-related activities.
3. No member shall use the services of persons for campaign related activities during hours in which those persons receive any compensation from the City.

Commentary

Members shall refer to and comply with the approved [Use of Corporate Resources Policy](#), as established by the Office of the City Clerk.

Members shall be respectful of the role of the City Clerk in managing the municipal election process and meeting all statutory requirements in respect thereof. The Clerk must ensure all candidates are treated equally, and no candidate for elected office should interfere with how the Clerk carries out these duties.

Rule No. 6 Business Relations

2. No Member shall act as a paid agent before Council or a committee of Council or any agency, board, or committee of the City.
3. No Member shall refer a third party to a person, partnership, or corporation in exchange for payment or other personal benefit.

Commentary

Members of Council are mindful to avoid any activity that may give rise to consideration of personal gain as a result of holding public office. **This rule does not prohibit activities in which a Member would normally engage on behalf of constituents in accordance with the duties of their office.**

Rule No. 7 Improper Use of Influence

1. No Member of Council shall use the influence of her or his office for any purpose other than for the exercise of her or his official duties.

Commentary

Pursuant to corporate policy, the Chief Administrative Officer directs City Department Chiefs, who in turn, direct City staff. City Council and not individual Members of Council, appropriately give direction to the City administration.

Rule No. 8 Conduct At Council

1. Members shall conduct themselves at Council with decorum. Respect for all persons appearing before Council and for fellow members and staff requires that all members show courtesy and not distract from the business of the Council during presentations and when other members have the floor.

Commentary

A Member of Council recognizes the importance of cooperation and strives to create an atmosphere during Council and Committee meetings that is conducive to solving the issues before Council, listening to various point of view and using respectful language and behaviour in relation to all those in attendance.

Rule No. 9 Transparency & Openness in Decision Making and Member's Duties

1. Members shall endeavour to conduct and convey Council business and all their duties in an open and transparent manner other than for those decisions which by virtue of legislation are authorized to be dealt with in a confidential manner in closed session, so that stakeholders can view the process and rationale which was used to reach decisions, and the reasons for taking certain actions.

Commentary

Various statutes, City by-laws, policies and procedures, as well as, decisions of courts and quasi-judicial tribunals form the basis of decisions made by City Council. Unless prohibited by legislation or by-law, Members of Council should clearly identify to the public how a decision was reached and upon which law, procedure and policy their decision was based.

Rule No. 10 Media Communication

1. Members of Council will accurately communicate the decisions of Brampton's Council, even if they disagree with a majority decision of Council so that there is respect for and integrity in the decision making processes of Council.

Commentary

A Member of Council may state that he or she did not support a decision, or voted against the decision. A member should refrain from making disparaging comments about Members of Council and Council's processes and decisions.

Rule No. 11 Representing the City

1. Members shall make every effort to participate diligently in the activities of the Committees, agencies, boards, commissions and advisory committees to which they are appointed.

Commentary

Individual Members of Council are appointed to committees, agencies, boards and commissions based on their various backgrounds and ability to contribute diligently to matters before them bringing their expertise and experience.

Given that Council and Committee meetings are scheduled far in advance to accommodate the many activities of elected office of a Member of Council, to participate diligently means that a Member shall not be absent from Council, agencies, boards and commissions meetings without reasonable justification (i.e. illness of member, family circumstance,) for more than three consecutive scheduled meetings or on a regular basis.

Rule No. 12 Conduct Respecting Current and Prospective Employment

1. No Member shall allow the prospect of his or her future employment by a person or entity to detrimentally affect the performance of his or her duties to the City.

Rule No. 13 Encouragement of Respect for the City and Its By-Laws

1. Members shall encourage public respect for the City and its by-laws.

Commentary

A Councillor must not denigrate a City by-law in responding to a citizen, as this undermines confidence in the City and the rule of law.

Rule No. 14 Harassment

1. Members shall be governed by the City's current policies and procedures as amended from time to time, regarding a respectful workplace, workplace harassment prevention and workplace violence prevention.
2. Harassment by a member of another member, staff or any member of the public is misconduct.
3. Upon receipt of a complaint that relates to Rule No. 14, the Integrity Commissioner may investigate it under the terms of the Complaint Protocol.

~~The City of Brampton's is developing a Respectful Workplace Policy (Harassment and Discrimination) to ensure a safe and respectful workplace environment and appropriate management of any occurrences of harassment and discrimination as defined by the policy.~~

The City of Brampton's Workplace Violence Prevention Policy and Respectful Workplace Policy have been developed to ensure a safe and respectful workplace environment and appropriate management of any occurrences of harassment and discrimination as defined by the policies.

Note: Rule 14(2) has been amended as per [Integrity Commissioner Report File 2017-02 \(July 2018\)](#).

Rule No. 15 Discreditable Conduct

1. Members shall conduct themselves with appropriate decorum at all times.

Commentary

As leaders in the community, members are held to a higher standard of behaviour and conduct, and accordingly their behaviour should be exemplary.

Rule No. 16 Conduct Respecting Staff

1. No member shall compel staff to engage in partisan political activities or be subjected to threats or discrimination for refusing to engage in such activities.
2. No member shall use, or attempt to use, their authority for the purpose of intimidating, threatening, coercing, commanding, or influencing any staff member with the intent of interfering in staff's duties, including the duty to disclose improper activity.
3. Members shall be respectful of the role of staff to advise based on political neutrality and objectivity and without undue influence from any individual member or faction of the Council.
4. No member shall maliciously or falsely impugn or injure the professional or ethical reputation or the prospects or practice of staff and all members shall show respect for the professional capacities of the staff of the City.

Commentary

Members of Council should expect a high quality of advice from staff based on political neutrality and objectivity irrespective of party politics, the loyalties of persons in power, or their personal opinions.

Members of Council must recognize that only Council as a whole has the capacity to direct staff members to carry out specific tasks or functions as provided in the *Municipal Act*. The Administration, under the direction of the Chief Administrative Officer, serves the Council as a whole, and the combined interests of all members as expressed through the resolutions of Council. An individual member should not request staff to undertake extensive work or prepare lengthy reports, other than pursuant to a Council direction.

It is inappropriate for a member to attempt to influence staff to circumvent normal processes in a matter, or overlook deficiencies in a file or application. It is also inappropriate for members to involve themselves in matters of administration or departmental management which fall within the jurisdiction of the Chief Administrative Officer. Any such attempts should be reported to the Integrity Commissioner.

Rule No. 17 Employment of Council Relatives/Family Members

1. No member shall attempt to influence the outcome, or to influence any City employee to hire or promote a member of a Councillor's family.
2. No member shall make any decision or participate in the process to hire, transfer, promote, demote, discipline or terminate any member of his or her family.
3. No member shall supervise a family member, or be placed in a position of influence over a family member.
4. No member shall attempt to use a family relationship for his or her personal benefit or gain.
5. Every member shall adhere to the City's nepotism policy.

Commentary

If a family member of a Councillor is an applicant for employment with the City or candidate for promotion or transfer, the family member will proceed through the usual selection process pursuant to the City's hiring policies, with no special consideration.

Rule No. 18 Social Media Conduct

1. The provisions of this Code of Conduct and all Council policies govern the use of social media by Members.
2. Posts or communications made by a Member on any social media platform shall be regarded as public statements. Members shall not obscure, conceal, or misrepresent their identity or role as elected representatives of the City.

Commentary

Members must ensure their social media activity reflects the key principles underlying the rules of this Code of Conduct. Members should avoid posting or sharing content that is discriminatory, defamatory, or undermines public trust. They must engage with the public on social media respectfully and constructively, even when responding to criticism or differing opinions. Harassment, personal attacks, and inflammatory language are strictly prohibited.

3. Members must ensure that all social media communications are accurate, truthful, and consistent with official municipal messaging. Errors should be promptly corrected in a transparent manner to maintain credibility.
4. Members must clearly distinguish their personal opinions from official municipal positions. When using personal social media accounts, Members must avoid implying municipal endorsement or support for their personal views.
5. Social media conduct during a municipal election must comply with the Use of Corporate Resources Policy.

Rule No. 19: Conduct Respecting Lobbyists

1. A Member must not knowingly engage in communications defined as "lobbying" under the City's Lobbyist Registry By-law with a person who is not registered as required under that by-law. A Member must also not knowingly communicate with a registered lobbyist who is acting in violation of the City's Lobbyist Registry By-law.
2. If a Member becomes aware that a person is in violation of the City's Lobbyist Registry By-law, they must refuse to engage with the lobbyist or, where appropriate, terminate the communication immediately.

Commentary

In the midst of communications with a lobbyist, a Member may become aware that the lobbyist is violating the City's Lobbyist Registry By-law. If the Member judges it appropriate to continue the communication, they should remind the lobbyist of their obligations under the by-law at the conclusion of the conversation.

3. A Member must report any violation of the City's Lobbyist Registry By-law to the Lobbyist Registrar.
4. No Member shall act as a lobbyist before Council, its committees, or any agency, board, or commission of the City except in compliance with the terms of the *Municipal Conflict of Interest Act*.

Rule No. 20: Fundraising Activities

1. Members must act with utmost transparency in all fundraising efforts, whether for their own initiatives, external organizations, or constituent initiatives.

Commentary

As part of their role, Members may publicly support or encourage donations to registered charities, not-for-profit organizations, and community-based groups. Members must ensure transparency, avoid any financial or personal benefit from the fundraising activity, and prevent any perception of pressuring potential donors or offering preferential treatment to donors.

2. Members must not directly or indirectly manage, control, or handle funds flowing to or from external organizations. Donation cheques must not be made payable to a Member or the City.

Commentary

Members must maintain an arm's-length relationship from the financial aspects of fundraising for external organizations and constituent initiatives. Members should never accept cash.

3. For member-organized community events, Members must report to the Integrity Commissioner the names of all donors and the value of their contributions that supplement the event.

Rule No. 18 21 Failure to Adhere to Council Policies and Procedures

1. Members shall adhere to such by-laws, policies and procedures adopted by Council that are applicable to them.

Commentary

A number of the provisions of this Code of Conduct incorporate policies and procedures adopted by Council. More generally, Members of Council are required to observe the terms of all policies and procedures established by City Council.

Members must pay special attention to, and comply strictly with the [Councillors Expense Policy](#).

This provision does not prevent a member of Council from requesting that Council grant an exemption from a policy.

Rule No. 19 22 Reprisals and Obstruction

1. No Member shall obstruct the Integrity Commissioner in the carrying out of her or his responsibilities.
2. No member shall threaten or undertake any act of reprisal against a person initiating an inquiry or complaint under the Code of Conduct or who provides information to the Integrity Commissioner in any investigation.

Commentary

Members of Council should respect the intent of the Code of Conduct and investigations conducted under it. It is also a violation of the Code of Conduct to obstruct the Integrity Commissioner in the carrying out of her or his responsibilities, as, for example, by the destruction of documents or the erasing of electronic communications or refusing to respond in writing to a formal complaint lodged pursuant to the Complaint Protocol passed by Council.

Rule No. ~~20~~ 23 Implementation

1. Council Members are expected to formally and informally review their adherence to the provisions of the Code on a regular basis or when so requested by Council.
2. At the beginning of each term, Members of Council will be expected to sign two copies of the Code of Conduct.
3. At the beginning of each term, each Member of Council shall meet with the Integrity Commissioner.
4. Councillors and members of the public should not assume that any unethical activities not covered by or not specifically prohibited by this Code or by any legislation, are therefore condoned.

Commentary

At the beginning of each term, Members of Council will be expected to sign two copies of the Code of Conduct (one for themselves and one for the Clerk's Office) to convey to each other and all stakeholders that they have read, understand and accept it.

A Code of Conduct component will be included as part of the orientation workshop for each new Council.

Complaint Protocol

Updated June 2022 (as Resolution C173-2022 / CW261-2022)

PART A: INFORMAL COMPLAINT PROCEDURE

Any person or a representative of an organization who has identified or witnessed behaviour or an activity by a member of Council that they believe is in contravention of the Council Code of Conduct (the “Code”) may wish to address the prohibited behaviour or activity themselves as follows:

2. encourage the member to stop the prohibited behaviour or activity;
3. keep a written record of the incidents including dates, times, locations, other persons present, and any other relevant information;

12.3.2 Discussion Item at the request of Regional Councillor Palleschi re: Advocacy for the Establishment of a Third Hospital in Brampton

Regional Councillor Palleschi addressed Committee regarding the location for a third hospital in Brampton.

The following motion was considered.

CW073-2025

Whereas, municipalities across the Province of Ontario, including Hamilton, London, and the Region of Waterloo, with populations smaller than the City of Brampton, are equipped with three or more hospitals to effectively deliver critical healthcare services to their residents;

Whereas, the City of Brampton, now the third-largest city in Ontario, is experiencing rapid population growth and a significant increase in demand for healthcare services, resulting in overcrowded hospital beds even after the construction of the second hospital, which is unable to meet the current and future demand;

Whereas, Brampton's healthcare infrastructure is significantly strained, with hospital bed availability per 100,000 residents markedly below the provincial average, and the city has approximately 56% fewer hospital beds per person than the provincial average. Specifically, the provincial average is 220 hospital beds per 100,000 residents, while Brampton only has 96 beds per 100,000

residents, less than half the provincial figure, highlighting a pressing need for increased healthcare capacity;

Whereas, Brampton's population is projected to grow by 300,000 to 400,000 new residents due to new housing targets, which will necessitate a proportional increase in healthcare services, including at least 660 new hospital beds to meet the rising demand;

Whereas, securing a provincial planning grant for a third hospital would send a strong signal to Brampton residents that their healthcare needs are a priority, helping to address the current strain on hospital capacity;

Therefore, be it resolved that:

1. Council advocate to the provincial government for the identification and acquisition of lands necessary for the establishment of a third hospital in Brampton;
2. Council requests that the provincial government prioritize the planning and funding for a third hospital, ensuring timely delivery of healthcare services to meet the needs of Brampton's residents and address the current strain on hospital capacity.

Whereas the dissolution of provincial parliament on January 28, 2025, and the issuance of writs for a general election on February 27, 2025, terminated all parliamentary business, including consideration of The Peel Transition Implementation Act, 2024 (Bill 240);

Whereas sections 188-193 of the Municipal Act, 2001 (the “Act”) contain provisions permitting transfers of certain powers from upper-tier to lower-tier municipalities;

Whereas one such power that can be transferred is with respect to waste collection; and;

Whereas the process to transfer the Region of Peel’s powers in relation to waste collection to the City of Brampton under sections 191 and 192 of the Act involves the following processes:

- The City of Brampton must pass a by-law to provide for the transfer of Peel Region’s powers with respect to waste collection to Brampton;
- at least half of the lower-tier municipalities of the Region of Peel (either the Town of Caledon or the City of Mississauga), but excluding the City of Brampton have passed resolutions giving their consent to the by-law;
- the total number of electors in the lower-tier municipalities which have passed resolutions (Caledon and/or Mississauga) and Brampton form a majority of all the electors in the Region of Peel;
- the council of the Region of Peel has passed a resolution giving its consent to the assumption of the power by Brampton and a majority of all the votes on the council were cast in favour of the resolution;
- Brampton shall enter into discussions with the Region to provide for transitional matters involved with the transfer;
- Brampton shall enter into discussion with Caledon regarding a shared service agreement for waste collection.

Therefore, be it resolved that:

1. In accordance with sections 188-193 of the Municipal Act, 2001 Brampton Council shall pass a by-law to consent to the transfer of the waste collection powers from the Region of Peel to its local municipalities directly, without awaiting provincial legislation. The by-law shall give effect to the transfer of waste collection powers from the Region to Brampton and transitional matters to facilitate the assumption of the powers, excluding powers with respect to the community recycling centres located in Brampton;
2. Brampton shall enter into discussions with the Region to provide for transitional matters involved with the transfer, including a staff transition plan that shall include rights of first offer of employment from Brampton to qualified Regional staff impacted by the transfer;

3. Brampton, Mississauga and Caledon agree to honour the existing contract for waste collection services that is in place until the end of Sept 2027 and continue to contribute under the current agreement where required;
4. Brampton and Caledon shall develop a contract to jointly deliver waste collection services where Caledon provides Brampton the waste collection levy that it currently pays to the Region of Peel, including growth and CPI increases, to maintain its current waste collection services, with work following the Region of Peel's existing timeframe for contract development to vendor start date (Mar 2025-Oct 1, 2027);
5. Brampton passes a motion in support of the transfer of the waste collection from the Region of Peel to the City of Mississauga;
6. Brampton passes a motion in support of the transfer of the waste collection from the Region of Peel to the Town of Caledon;
7. This motion be presented to the Region of Peel at the Council meeting of March 20, 2025 in relation to the transfer of waste collection from the Region of Peel to Brampton, Mississauga and Caledon;
8. All necessary by-laws be enacted;
9. Staff from the Region of Peel, City of Brampton, City of Mississauga, and Town of Caledon strike a group to immediately begin work and report back with a detailed breakdown of the current and future forecasted Regional Planning Waste budget by municipality, including:
 - Operational costs including staffing breakdown and Expenditures, including funding sources and staffing breakdown
 - Approved and Forecasted Capital Budgets and Funding Sources
 - Related Reserve Balances and annual funding contributions

That the following proposed motion, as amended to remove cost recovery for non compliance, be **referred** to staff for consideration and report thereon:

“Moved by Councillor Vicente

Whereas fire hydrants are a critical component of Brampton’s emergency response infrastructure, providing firefighters with immediate access to water in the event of a fire;

Whereas heavy snowfall and uncleared hydrants can delay emergency response times and put lives and property at risk;

Whereas Brampton Fire and Emergency Services may experience difficulty locating or accessing fire hydrants due to snow accumulation following major winter storms; and

Whereas the Ontario Fire Code Regulation 213/07 requires hydrants to remain clear and unobstructed at all times, and municipalities such as Ottawa, Toronto, and Hamilton require property owners adjacent to hydrants to maintain necessary clearance around them, free from snow, and other obstructions;

Therefore be it resolved that staff be directed to develop a by-law requiring the nearest property owner to a hydrant in Brampton to be responsible for ensuring it remains clear of snow and accessible at all times during the winter months; and

Further be it resolved that staff explore appropriate enforcement measures and implement a public awareness campaign to educate residents on the importance of keeping hydrants clear for community safety.”

Whereas Brampton's housing strategy, Housing Brampton, identifies the need to increase the supply of affordable and purpose-built rental housing across the city;

Whereas Housing Brampton outlines six guiding principles, including collaboration with the non-profit sector, and Niwaas Living, a Brampton-based non-profit organization, exemplifies this principle through its commitment to delivering community-focused housing solutions;

Whereas the City has committed to a Housing Pledge to support the creation of 113,000 new housing units by 2031;

Whereas there is a shortage of purpose-built rental housing in Brampton, and affordable rental units play a crucial role in ensuring a diverse and accessible housing supply for residents;

Whereas on August 12, 2024, Niwaas Living delegated to the Planning and Development Committee, seeking collaboration with the City on both of their projects, leading Council to direct staff to explore opportunities for municipal support;

Whereas City staff have reviewed the Niwaas Affordable Rental Project in ward 3 under the Council-endorsed Community Improvement Plan (CIP) for affordable housing;

Whereas the project will deliver 90 purpose-built family rental units along the newly announced Hazel McCallion LRT extension, aligning with Council's vision for transit-oriented development;

Whereas Niwaas Living has a proven track record in delivering community-based projects, including a 160-bed long-term care facility at 380 Fernforest Drive, which has received provincial and municipal funding and remains on time and on budget;

Whereas 40 of the 90 family rental units meet the affordability criteria established under the Council-endorsed CIP, and the development will incorporate geothermal technology to achieve key sustainability metrics;

Whereas the project qualifies for \$10,800,000 in funding under the Community Improvement Plan (CIP) for affordable housing; and

Whereas the Niwaas Affordable Rental Project has reached key development milestones and is close to shovel-ready, with construction expected to begin within 30 days, pending financing;

Now Therefore Be It Resolved:

1. That the Commissioner of Planning, Building and Growth Management, City Solicitor, and Treasurer be delegated the authority to enter into and execute a contribution agreement for Niwaas' Affordable Rental Project, totaling approximately \$10,800,000;
2. That a new capital project be established for Niwaas Affordable Rental – in ward 3 to construct 40 affordable housing rental units, in the amount of \$10,800,000, to be funded through the Building Faster Fund and Housing Accelerator Fund, along with identified return of capital; and
3. That the Treasurer be authorized to transfer funding from reserves and close identified capital projects to fund the new capital project.
