 - Re-admission to the facility is low, however community outreach programs continue to offer support as required
- Details shared regarding ways to contact Embrave for assistance, such as, through the police, hospitals and referrals by community partners
- Measures are in place to ensure that all cultures and communities have access to the support provided by Embrave, and interpreters are brought in as required
- Location of Embrave is fully accessible as required by the province
- Support staff are trained and they are continually provided with upgraded training, such as, proficiency with new technology, and skills to support newcomers, including the LGBTQ+ community
 - agencies such as the Region of Peel are brought in to assist with training
