**CW045-2021**

That the staff update re: **Government Relations Matters**, to the Committee of Council Meeting of February 3, 2021, be received.

**CW046-2021**

Whereas the Prime Minister announced Air Canada, WestJet, Sunwing and Air Transat have all agreed to suspend their flights to those popular so-called "sun destinations" until 30 April,

Whereas the new travel restrictions are intended to prevent leisure travel to sun destinations as opposed to those traveling to those regions with direct family ties and responsibilities,

Whereas some Brampton and GTA residents are currently stranded in the Caribbean with cancelled flights and without the means to pay for the additional cost that they did not plan for prior to travelling for essential reasons,

Whereas the labelling of these regions as sun destinations reinforces a narrow stereotypical view that these countries are limited to tourism

Whereas employers are faced with absent employees who have been economically stranded in these countries,

Whereas the residents who cannot get a direct flight from Canada to the Caribbean and Mexico and vice versa are now forced to travel through countries that have a much higher COVID-19 infection rate,

Whereas the Prime Minister stated that the cost of staying in a hotel up to 72 hours while waiting for a negative COVID test result, could cost a single traveler approximately \$2,000,

Whereas the restrictions put undue pressure on those already facing financial demands taking care of a family member abroad or paying funeral costs,

Therefore be it resolved that:

1. The Mayor write a letter on behalf of Council requesting that the federal government clearly identify the difference between leisure and essential travel.

**CW047-2021**

That the Mayor be requested to send a letter in support of reinstatement of MP Kamal Khera to her various roles, having regard for her diligence during COVID-19 and her value as a Member of Parliament to the City of Brampton.

3. That Council support the conclusions of the Metrolinx Queen Street – Highway 7 BRT Initial Business Case report that the following two scenarios, identified as providing greater transit benefits, be carried forward to the Preliminary Design Business Case:
  - Scenario 4: conversion of a traffic lane per direction to median BRT exclusive lanes along the length of the Queen Street – Highway 7 Corridor, except in Downtown Brampton where one traffic lane per direction is converted to a curbside BRT lane, between McMurphy Avenue and Kennedy Road.
  - Scenario 5: median BRT lanes (one per direction) along the length of the Queen Street – Highway 7 Corridor as a result of road widening (retaining the current number of traffic lanes), everywhere except Downtown Brampton (Queen Street between McMurphy Avenue and Kennedy Road) where lane conversion is considered.

4. That the Council authorize staff:

A. to continue to work with Metrolinx to advance the Queen St – Highway 7 BRT in-development project to the next stage to develop the preliminary design with the associated business case for the corridor.

B. to continue to work with Metrolinx and Region of Peel, and Region of York to develop the terms of reference of a Memorandum of Understanding for any required governance framework to administer the project, potential partnerships, subject to Council approval.

**C044-2021**

Moved by Regional Councillor Dhillon

Seconded by All Members of Council

Whereas the City of Brampton and its residents have not received a fair deal, and have been underserved and discriminated against in regards to auto insurance rates for decades.

Whereas currently there are no standardized rates for auto insurance in Ontario as the rates are dependent on a number of factors, many of which are not in the drivers' control.

Whereas Ontario residents were promised a 15% reduction in 2015 but rather saw a 2% increase.

Whereas a report commissioned by the Provincial government in 2016 found that Ontario had the most expensive auto insurance rates in Canada despite also having one of the lowest levels of accidents and fatalities.

Whereas Ontario's average auto insurance rates cost \$1,505 per year.

Whereas the cost of insuring a vehicle in the City of Brampton is approximately 123% higher than Ontario's average.

Whereas Brampton currently holds the title of the most expensive insurance in Ontario with an approximate average of \$2,698.

Whereas the following postal codes currently pay the highest average rates in Brampton: L6R at \$3301, L6T at \$3068, L7A at \$2980, L6P at \$2792, L6Z at \$2581, L6Y at \$2573, and at L6S \$2540.

Whereas the lowest average rate in Brampton belongs to L6X at \$2066, which is still well above the provincial average.

Whereas other municipalities in Ontario pay significantly lower rates, for example Kingston, Belleville and Napanee average approximately \$1,000 per year.

Whereas rates in Brampton are expected to rise in 2021.

Whereas Bill 42 was introduced in Provincial Parliament in 2019 to prohibit insurance companies from using postal codes or area codes as primary factors in setting insurance rates, and is currently in the process of being reviewed by the Ontario Standing Committee on Finance and Economic Affairs.

Whereas due to Covid-19 there is no identified timeline for when the committee will announce recommendations or what the outcome of the recommendations will be.

Whereas Brampton residents have been suffering and continue to suffer from decades of neglect from the Province, including healthcare in our city that is underfunded and overburdened.

Whereas Brampton has been continuously overlooked by the Provincial government, despite being one of the fastest growing cities in the country.

Whereas this Council has been a staunch supporter for fairness for healthcare through its Fair Deal for Brampton campaign, which has been successful in raising awareness and creating change.

Whereas Brampton residents MUST have their voices heard in regards to their demand for decisive and prompt action relating to auto insurance rates.

Whereas Brampton residents refuse to wait any longer.

Therefore be it resolved that:

1. The Fair Deal for Brampton campaign be expanded to include a section on the reduction of auto insurance rates in Brampton.
2. An online petition be created demanding that the Province must give Brampton residents a Fair Deal by delivering urgently needed reductions in auto insurance rates.
3. All data collected from the petition be sent to the Premier of Ontario along with a letter from Brampton City Council.
4. A copy of the correspondence also be sent to all Brampton MPPs, AMO, and the Insurance Bureau of Canada.

16.4 Discussion Item at the request of Regional Councillor Palleschi re: Procedure for Additions

Council agreed to vary the order of business and dealt with this item before Item 16.3.

Regional Councillor Palleschi highlighted the following:

- need to ensure meeting procedures are followed to provide for more efficient meetings
- importance of meeting preparation and keeping to agenda deadlines to ensure all matters are included on the published agenda to provide for transparency and to give residents the opportunity to provide their input prior to Council making its decision
- other matters that should be part of Council discussions, including e-mail correspondence among Members that could be looked upon as advancing the business of the Corporation

In response to questions, Peter Fay, City Clerk, outlined the provisions of the *Municipal Act* as they relate to what does and what does not constitute a meeting, and reiterated his advice that Members need to ensure their communications are not advancing corporate business.

In response to a question from Regional Councillor Santos about introducing a motion at this meeting and referring it to the Governance and Council Operations Committee meeting of March 1, 2021, the City Clerk confirmed that this would be appropriate and noted that a seconder was required.

The motion was introduced, seconded by Regional Councillor Fortini, and considered as follows.

**C048-2021**

Moved by Regional Councillor Santos

Seconded by Regional Councillor Fortini

That the following motion be referred to the Governance and Operations Committee meeting of March 1, 2021, for consideration:

**THEREFORE BE IT RESOLVED**

That a procedural by-law review committee be established to review the existing by-law with a focus on:

- a) improving clarity to the public around the decision-making process;
- b) identifying potential opportunities to streamline City Council and Committee decision making;
- c) exploring best procedural practices used in other municipalities; and That City Staff be requested to provide Council with a draft terms of reference that includes a public engagement component soliciting their feedback to be incorporated into the review at large.

**17. Public Question Period**

Members of the public were given the opportunity to submit questions via e-mail to the City Clerk's Office regarding any decisions made at this meeting.

Peter Fay, City Clerk, outlined questions from the public as follows.

Danielle Dowdy, Brampton resident inquired about the process for selecting candidates for naming of community assets (Item 16.4), whether or not the process includes an anti-oppressive and anti-racist lens, and how the process could be improved in the future.

Mr. Fay noted that the City's Asset Naming Policy references anti lenses and contributions to community, and that a review of the policy will be undertaken by staff to ensure it reflects these principles.

**Subject:** **Liquor Sales Licence Application – 7-Eleven Canada, Inc. –  
140 Father Tobin Road (Ward 10) and 150 Main Street North (Ward 1)**

**Contact:** Peter Fay, City Clerk

**Report Number:** Legislative Services-2021-250

**Recommendations:**

1. That the report titled: Liquor Sales Licence Application – 7-Eleven Canada, Inc. – 140 Father Tobin Road (Ward 10) and 150 Main Street North (Ward 1), to the City Council meeting of March 3, 2021, be received.

**Overview:**

- On February 8, 2021, the City Clerk's Office received notification from 7-Eleven Canada of their intent to apply for Liquor Sales Licences for in-store consumption at its two locations in Brampton (140 Father Tobin Road in Ward 10, and 150 Main Street North in Ward 1).
- 7-Eleven Canada has applied to the Alcohol & Gaming Commission of Ontario (AGCO) for 61 Liquor Sales Licences across Ontario in numerous municipalities.
- Under the *Liquor Licence Act*, businesses may be eligible to apply for a Liquor Sales Licence if they intend to sell or serve alcohol to the public for on-site consumption. The business does not have to be primarily involved with the sale and service of food or liquor, but must be located in a premise open to the public or for private members.
- Since 7-Eleven's primary purpose is not the sale and service of food or liquor for consumption on the premises, they may not sell liquor for takeout and delivery with food.

- **These are the first applications received in the City for liquor sales/consumption from a convenience store. The deadline for public commenting on these applications is March 11, 2021.**
- **While the role of the municipality is limited regarding liquor sales licence applications, restricted to applicable zoning, building, fire and public health compliance, Council may wish to consider if it wishes to submit comments to the AGCO regarding these applications.**

### **Background:**

7-Eleven Canada, Inc. has applied to the Alcohol and Gaming Commission of Ontario (AGCO) for 61 Liquor Sales Licences across Ontario, including two locations in the City of Brampton – 140 Father Tobin Road (Ward 10), and 150 Main Street North (Ward 1). The intent of the licence is for in-store liquor consumption only, and not for retail sales or takeout and delivery with food. Appendix 1 includes notification letters and proposed floorplans for each location. The public commenting period for the applications ends on March 11, 2021.

The AGCO licenses and regulates premises that sell or serve alcohol to the public for on-site consumption. This includes premises such as bars, restaurants, lounges and night clubs, although there are no restrictions in the *Liquor Licence Act* on the type of business that can apply for a liquor sales licence.

Only owners of a business can apply for a liquor sales licence. The business does not have to be primarily involved with the sale and service of food or liquor, but must be located in a premises open to the public or private members (such as a social club).

If there are potential risks to the public safety or the public interest identified as part of an application for a liquor sales licence, then there may be a further investigation conducted by the AGCO prior to consideration to issue a liquor sales licence or not.

The AGCO recognizes that due to circumstances including the type of business, location, past history, experience, etc., some establishments pose a greater risk to public safety, to the public interest and/or to non-compliance with the law. Risk-based licensing is one of several initiatives implemented by the AGCO since 2007 to refocus decision-making based on risk assessments, and to move toward regulation based on compliance rather than solely on enforcement. Reference information regarding the [AGCO risk-based licensing considerations](#) is available from the AGCO.

The Municipal Role:

Municipalities have a defined, yet limited, role in the liquor sales licence process, as set out in the Act, associated Regulations and [AGCO processes](#).

An applicant liquor licence is processed and issued only after the AGCO has received the following information from the municipality:

- A [Municipal Information Form](#) is required to be completed and submitted to the AGCO, including:
  - Applicant information, including the location of liquor sales (indoors and/or outdoors), and
  - Municipal information by the City Clerk or their designate, confirming the municipality's 'Wet/Damp/Dry' status, and the name of the municipality where the taxes are paid for the address of the proposed establishment (City fee for completed Municipal Information Form is \$75).

Specific concerns regarding zoning or non-compliance with by-laws must be clearly outlined in a separate submission or letter within 30 days of notification.

- [Compliance letters](#) are requested from municipal building, fire and public health departments, confirming that there are no deficiencies to the establishment, and assigning occupancy loads to the area of liquor sales/consumption.

Applicants are required to post a placard/poster (provided by the AGCO) at the business advising the community of their application for a Liquor Sales Licence. The placard/poster must be posted for a number of days as specified by the AGCO at the place of business and in a location where the public can easily read it. If the AGCO receives any public objections to the application, these objections must be resolved before the application can proceed further.

Generally, if liquor licence sales is a permitted land use, and building code, fire regulations and public health requirements are satisfied, the Municipal Information Form is returned signed and the AGCO determines whether to issue a liquor sales licence.

### **Current Situation:**

The Municipal Information Form will be submitted to the applicant for each location advising that both locations are considered "Wet" within the municipality. The Municipal Information Form is not the basis for a municipality to express its objection to a liquor licence application.

Appendix 2 includes maps of the 7-Eleven store locations in the City with surrounding sensitive land uses identified similar to cannabis retail store authorization application assessments.

Council may wish to consider possible risks associated with the licensing of this type of establishment for in-store liquor sales and consumptions, including, but not limited to:

- Consumption of alcohol within a convenience store with a retail model of 'in and out' quickly
- Surrounding land uses and potential conflicting land uses (e.g., location and proximity to sensitive land uses);
- Presence of underage persons within an environment serving liquor
- Potential for public loitering inside and outside the premises
- Potential activities and incidents in and around the establishment that may compromise public safety
- Ability of store staff to mitigate noise, patron management, litter, disorderly conduct in and around the establishment, exterior line-ups
- activities, actions and behaviour of patrons as they may relate to vicinity in and around the establishment, as well as to the surrounding areas

Should Council decide to consider to submit a comment or objection to one or both of these liquor license applications, written notification (mail, email, fax) should include an explanation as to why the proposal(s) is of concern.

The AGCO's website does include [guidance information for objecting to a liquor sales license application](#), including guidance for resident objections. Any person can register an objection to a liquor licence application.

The AGCO may issue a liquor licence unless, pursuant to the *Liquor Licence Act*, the application is found not to be in the public interest having regard to the needs and wishes of the residents.

If Council wishes to object to the applications, in consideration of the public interest, it could pass a resolution to that effect. An objection resolution would need to be submitted to the AGCO by the commenting deadline of March 11, 2021.

The AGCO shares any received objections with the applicant and may convene a meeting between the applicant and objector(s) to discuss the objections and determine if there are mitigation measures to resolve objections, resulting in either approval of the application or, if the issues cannot be resolved, issue a Notice of Proposal to Review the Licence Application which can be appealed to the Licence Appeal Tribunal (LAT). The LAT operates in a similar manner as the Local Planning Appeal Tribunal (e.g., pre-hearing conference, convene hearing, issue decision) and its decision may be subject to appeal to the Divisional Court, if there has been an error of law.

### **Corporate Implications:**

### Financial Implications:

There are no financial implications resulting from this report.

### Other Implications:

### **Term of Council Priorities:**

This report furthers the Term of Council Priorities of a Healthy and Safe City, as well as a Well-run City, by ensuring the public interest is considered in decision-making to protect the shared interests of all residents of the City.

### **Conclusion:**

The City has received notification from 7-Eleven Canada of their intent to apply for Liquor Sales Licences for in-store consumption at its two locations in Brampton (140 Father Tobin Road in Ward 10, and 150 Main Street North in Ward 1). While the role of the municipality is limited regarding liquor sales licence applications, restricted to applicable zoning, building, fire and public health compliance, Council may wish to consider if it wishes to submit comments to the AGCO regarding these applications.

**Date:** 2021-03-03

**Subject:** **Approval for a Budget Amendment and Authority to Sign an Amending Agreement**

**Contact:** Yvonne Sinniah, Manager Strategic Community Development and Program Partnerships, Recreation, 905.874.3371

**Report Number:** Community Services-2021-221

**Recommendations:**

1. **THAT** the report titled **Approval for a Budget Amendment and Authority to Sign an Amending Agreement** (Community Services-2020-297) to the City Council meeting March 3, 2021 be received; and
2. That a Budget Amendment be approved to allow for additional cost recovery in the amount of \$1.27 million from the Region of Peel towards Capital Project #181650-144 – Gore Meadows Heritage House for the renovation and conversion of the Gore Meadows Heritage House into an EarlyON (Child and Family Drop-in) Centre, with \$1.27 million to be transferred to Cost Recovery-Region account as per the Amending Agreement;
3. That the Commissioner, Community Services be delegated authority to execute an agreement to amend the funding agreement with The Regional Municipality of Peel and any future capital and operating agreements related to the renovation and operation of the Doherty/Fitzpatrick Heritage House, subject to the content of such agreements being satisfactory to the Director, Recreation, and in a form acceptable to the City Solicitor (or designate).

**Overview:**

- In December 2017, the Region of Peel engaged the City of Brampton to explore opportunities for projects as part of the Ministry of Education's 2017-18 Community-Based Early Years and Child Care Capital Program, supporting renovations, retrofits and additions in community-based facilities to expand EarlyON child and family centres.
- The Doherty/Fitzpatrick Heritage House, located at Gore Meadows Community Centre, 10100 The Gore Road, Brampton, was selected as the ideal location.

- **Renovations are underway at the Doherty/Fitzpatrick Heritage House (the “Heritage House”) and were originally scheduled to be completed by December 31, 2020. However, due to COVID-19, there have been some delays requiring the Region to extend the end date of the funding period for the project to March 31<sup>st</sup> 2021.**
- **In 2018, the Region of Peel agreed to fund \$1.25 Million towards this \$2.5 Million estimated renovation project and the City agreed to provide the remaining project funds.**
- **More recently, the Region of Peel indicated the ability to provide additional funds of up to \$1.27 Million that is spent before March 31<sup>st</sup> 2021, which will reduce the City’s contribution to this project drastically.**
- **The Region of Peel has proposed an amendment to the original agreement outlining: the additional funds that will be provided; a below market value lease rate for the selected EarlyON provider; and an extended end date for the project’s funding period of March 31, 2021.**

#### **Background:**

In December 2017, the Region of Peel engaged the City of Brampton to explore opportunities for projects as part of the Ministry of Education’s 2017-18 Community-Based Early Years and Child Care Capital Program (CBCP) supporting renovations, retrofits, and additions in community-based facilities to expand EarlyON child and family centres. These discussions led to the identification of the Doherty/Fitzpatrick heritage house, located at Gore Meadows Community Centre at 10100 The Gore Road, as an ideal site to develop an Early ON centre. The site is located in a diverse community that has experienced tremendous population growth. Exclusive EarlyON space will offer five times more program hours to meet the high demand in Northeast Brampton. Gore Meadows EarlyON will better facilitate partnerships with other community partners and connect families to their community and specialized services. Located adjacent to the public library and community centre, this site supports a community hub model with great potential to reach families who do not currently attend programs. The Gore Meadows community also has a high proportion of extended families who are more likely to attend EarlyON programs while children are in the care of grandparents and relatives

In February 2018, the Region of Peel submitted to the Ministry of Education a proposal to establish an EarlyON centre in the Doherty/Fitzpatrick heritage house based on preliminary discussions with the City. On May 8, 2018, the Ministry of Education approved \$1.25 million to create five EarlyON program rooms in the Doherty/Fitzpatrick heritage house. With the total renovation costs estimated at \$2.5 million, City Council also approved an additional investment of \$1.25 million. Approval of funding from the Ministry to the Region necessitated the June 6, 2018 report to authorize City staff to enter into the formal agreements (e.g. MOU, lease agreements, etc.) necessary to execute this project.

As this is a vacant property, with no potential uses planned in the near future, the ability to renovate this property and enhance public services and programming to the residents of Brampton presented a formidable opportunity to restore the property and provide a complimentary use for the community.

Additionally, the City will receive annual lease payments from a Region of Peel – selected EarlyON provider which will help offset some of the investment costs.

### **Current Situation:**

COVID-19 has caused some delays with the Heritage House renovation project moving the end date for the project's funding period from December 31<sup>st</sup> 2020 to March 31<sup>st</sup> 2021. The Region has also recently approached the City and offered to increase their investment into this project from \$1.25 million to a total of up to \$2.52 million pending that the funds are spent by March 31<sup>st</sup>, 2021. The City's original contribution of \$1.25 Million will be utilized, if required, to fund those costs that cannot be recovered. This will substantially reduce the City's investment in this project.

The Region has also initiated a procurement process and selected a provider to operate EarlyON Child and Family Centre at the Doherty/Fitzpatrick Heritage House at Gore Meadows. With the recent additional investment being provided, the Region has requested that the lease be offered at below market value which aligns to lease rates offered by Caledon and the City of Mississauga when entering into these arrangements.

The additional funding of up to \$1.27 million from the Region of Peel, the request for a below market value lease and the extended end date for the project's funding period require the Region and the City of Brampton to enter into an amending agreement. City of Brampton staff are supportive of the amending agreement and recommend that the Commissioner, Community Services be delegated authority to execute an agreement to amend the funding agreement with The Regional Municipality of Peel and any future capital and operating agreements related to the renovation and operation of the Doherty/Fitzpatrick Heritage House, subject to the content of such agreements being satisfactory to the Director, Recreation, and in a form acceptable to the City Solicitor (or designate)

## **Corporate Implications:**

### Financial Implications:

A Budget Amendment is required to allow for additional cost recovery in the amount of \$1.27 million from the Region of Peel towards Capital Project #181650-144 – Gore Meadows Heritage House for the renovation and conversion of the Gore Meadows Heritage House into an EarlyON (Child and Family Drop-in) Centre, with \$1.27 million to be transferred to Cost Recovery-Region account as per the Amending Agreement, subject to Council approval.

Staff noted that some of Committee's questions should be addressed to the Integrity Commissioner directly during her participation at an upcoming Council meeting.

Committee consideration included:

He also proposed that Brampton's City Solicitor participate in or watch the meeting as well.

Regional Councillor Vicente highlighted the need for additional information to be included in the quarterly Purchasing Activity Reports, given the number of questions Members have during consideration of these reports at Committee.

A recorded vote was requested, and the motion was considered as follows.

Whereas the City's Purchasing By-law 19-2018, prescribes reporting requirements with respect to the City's purchasing activities; and

Whereas the importance of providing information to the public that is fully transparent is a priority for this Term of Council; and

The Purchasing Activity Report presented to Council lists a number of items with limited information to describe an item;

Therefore be it resolved that

Staff provide the quarterly Purchasing Activity Report so that it includes supplementary information in the form of a brief executive summary for each item so as to allow Members of the Public and Council to have a brief description of each item listed within the report.

Peter Fay, City Clerk, proposed that the revised agenda be provided to Members after consideration of the consent motion so that these items would be highlighted as well.

Committee agreed that the revised agenda should be provided to Members after consideration of the consent motion, and Mr. Fay indicated that staff would determine the best way for providing the revised agenda to Members.

## **Adoption of International Holocaust Remembrance Alliance (IHRA) Definition of Antisemitism**

On April 30, 2020 Regional Council adopted the following motion:

Whereas, the Regional Municipality of York is rooted in the values of democracy, equity and inclusivity; and

Whereas, in June 2018, the Inclusion Charter for York Region was endorsed as a community initiative, bringing together businesses, community organizations, municipalities, police services, hospitals, school boards, conservation authorities and agencies who share a vision to foster a welcoming and inclusive community; and

Whereas, we have a shared responsibility to stop antisemitism in all its forms through education and public consciousness as antisemitic demonstrations continue to threaten communities and undermine democracy; and

Whereas, the International Holocaust Remembrance Alliance (IHRA) is an intergovernmental organization founded in 1998 that consists of 34 countries, including Canada, each of whom recognizes that international coordination is needed to combat antisemitism; and

Whereas, six per cent of York Region residents identify themselves as Jewish, which is a higher representation than Canada and Ontario, and Vaughan is home to one of the largest Jewish populations outside of Israel, which includes many Holocaust survivors; and

Whereas, on February 27, 2020, Bill 168, the Combating Antisemitism Act which directly mentions IHRA, unanimously passed a second reading in the Ontario legislature with all-party support; and

Whereas, on January 28, 2020, Vaughan council unanimously endorsed Mayor Bevilacqua's motion to declare January 27 as International Holocaust Remembrance Day, which included the adoption of the IHRA definition of antisemitism; and

Whereas, York Regional Police dedicated a community room at District #4 headquarters to Holocaust Survivor Max Eisen, in recognition and appreciation of his remarkable efforts to eliminate racism and bigotry; and

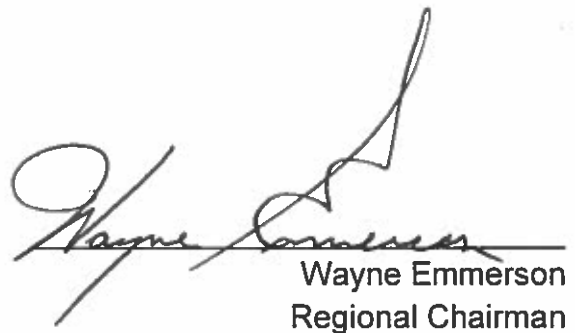

Whereas, York Region is enriched by its thriving, active and engaged Jewish and Israeli communities.

It is therefore recommended:

That the Regional Municipality of York adopt the International Holocaust Remembrance Alliance's (IHRA) working definition of antisemitism as adopted at the IHRA plenary on May 26, 2016 as follows:

"Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, toward Jewish community institutions and religious facilities"; And

That this decision be forwarded to the local municipalities as well as the Chair of the province of Ontario's Standing Committee on Justice Policy.

Regional Chairman

FROM: 7-Eleven Canada  
RE: Agenda Item 10.2.1. 7-Eleven Canada Liquor Sales Licence Applications

---

Dear Brampton City Council:

I hope you are doing well and keeping safe during this time. I am writing to you regarding Agenda Item 10.2.1. for Brampton City Council's March 3, 2021 meeting to provide additional context about 7-Eleven Canada's applications to the Alcohol and Gaming Commission of Ontario (AGCO) for Liquor Sales Licences (LSL) for our two Brampton locations:

- 140 Father Tobin Road, and
- 150 Main Street North.

7-Eleven Canada has been employing local Ontarians and surviving customers in Brampton for 38 years, and we look forward to many more years of creating local jobs and contributing to the Brampton economy.

### **7-Eleven Canada: Hot Foods and Consumer Convenience**

For those that are not familiar with 7-Eleven Canada, in recent years, our business model has evolved to put a greater focus on fresh and hot foods for immediate consumption (including in-store), take-away and delivery. Our stores now provide a range fresh and hot foods, including pizza, chicken wings, in-store fried chicken, chicken burgers, hot dogs and taquitos, sandwiches, cold snacks, salads, and fresh bakery products, and many more. Our complete menu, including nutritional information, is available at: <https://7-eleven.ca/nutritional-information>.

### **Liquor Licensing**

To complement our growing fresh and hot food program, we have applied for liquor licences with an intent to offer a limited selection of Ontario beer and wine products for in-store consumption only, handled by SmartServe trained employees to 19+ customers.

It is not well known, but LSL eligibility does not hinge on being traditionally defined as a restaurant, as there are various establishments that are eligible for the same LSL, including grocery stores, cinemas, bowling alleys, bookstores, and more.

### **Community Safety**

7-Eleven Canada prioritizes employee, customer and community safety.

Our Asset Protection department is in place to protect our team members and customers through in-store training on violence and robbery prevention and other Crime Prevention Through Environmental Design (CEPTED) tools.

7-Eleven Canada will apply its already rigorous age-restricted sales policy and procedures to the sale of alcohol to ensure age-restricted products stay out of the hands of minors. We will keep our stores and the community safe by ensuring:

- All staff handling alcohol products would be SmartServe trained.
- A selection of alcohol products would be stored behind the sales counter in a refrigerator, accessible only to SmartServe-trained staff members. The coolers in the back storage room will also be used to store alcohol products not yet on the sales floor.
- 7-Eleven Canada stores would offer a limited menu of alcohol beverages for customers that show available products, quantities (ounces/ml), and prices for that specific location.
- The menu would be offered alongside the various prepared food options available to customers.
- Our stores feature designated consumption areas to accommodate a small number of individuals at any one time.
- 7-Eleven Canada staff would provide customers with the poured beverage in a disposable cup at the point of sale, and will communicate to customers that beverages must be consumed in the store.
- 7-Eleven Canada will only permit the sale of alcohol during the hours of noon to 11pm, seven days per week.

Should you have any questions, please do not hesitate to contact me.

Victor Vrsnik, Senior Manager, Corporate Affairs and Business Development
