Report Number: Planning, Bld & Ec Dev-2021-383

Recommendations:

1. **THAT** the report titled: **RECOMMENDATION REPORT**, Application to Amend the Zoning By-law, **Korsiak Urban Planning – Mattamy (Creditvalley) Limited**, 64 Degrassi Cove Circle, Ward 5 (OZS-2021-0001 and Report No. Planning, Bld & Ec Dev-2021-383), dated May 17, 2021 to the Council meeting of June 2, 2021 be received.
2. **THAT** a by-law, attached hereto as Appendix 2, be passed to amend Comprehensive Zoning By-law 270-2004 as amended.

Overview:

- This report forwards a Zoning By-law to Council to lift a Holding symbol to permit a single detached dwelling on the lot located at 64 Degrassi Cove Circle.
- The subject lands are zoned as “Floodplain (Holding) Section 1299 (F (H) – 1299)”. That by-law includes requirements that the “Holding (H)” symbol

shall not be removed until confirmation of the final size of the storm water management pond has been received to the satisfaction of the Commissioner of Planning, Building and Economic Development and the Credit Valley Conservation. It also requires that the Region of Peel confirm the availability of sanitary sewage capacity.

- **The applicant has provided information to confirm that the storm water management pond is properly sized to the satisfaction of City staff and the Credit Valley Conservation Authority. The Region has confirmed the availability of sanitary sewage capacity. As such, staff is recommending approval of this zoning by-law amendment application to lift the Holding symbol.**
- **The proposal is consistent with the “2018-2022 Term of Council Priorities” by supporting the “A City of Opportunities” theme. The proposal is consistent with the direction of building complete communities to accommodate growth for people and jobs.**

Background:

The applicant, Korsiak Urban Planning, on behalf of Mattamy (Creditvalley) Limited, submitted an application on January 8, 2021 to remove a Holding (H) symbol for the property at 64 Degraffi Cove Circle.

A Holding provision is a mechanism that can be included in a zoning by-law to allow development to proceed in an area only when specific conditions, such as the completion of a study, have been met to the satisfaction of Council. The Holding provision is removed through an application to amend the Zoning By-law. After the Holding is removed, the lands can be developed for the full extent of the permissions included in the zoning for the property.

Current Situation:

The purpose of the application is to amend the Zoning By-law to lift a Holding (H) provision. The lifting of the H would amend the zoning for the property to permit a single detached dwelling. It is noted that there are transportation matters that would need to be addressed before a house could be built on this lot. Fulfilling these matters is not included in the Holding provision and do not affect this application. There are other provisions established through the subdivision approvals to ensure that they are addressed before a house is built.

Property Description and Surrounding Land Use

The lands subject to the application are municipally known as 64 Degrassi Cove Circle, which is located south of James Potter Road and east of Williams Parkway (please refer to Appendix 1).

The property has a total site area of approximately 0.03 hectares (0.08 acres) and has a frontage of approximately 12.50 meters (41 feet) along Degrassi Cove Circle.

The surrounding land uses are described as follows:

North: Storm water management pond, beyond which is James Potter Road.

East: Vacant land, beyond which is James Potter Road.

South: Single detached residential dwellings; and,

West: Storm water management pond, beyond which is Williams Parkway.

Holding Provision

The subject lands are part of the plan of subdivision (21T-01014B) approved on August 18, 2006. A Holding symbol was included in the zoning for the lands.

The Holding symbol is intended to protect the lands until City Staff, Region and Conservation Authority have confirmed that the storm water management pond serving the development is sufficiently sized and that sanitary sewage capacity is available. Specifically, the Holding symbol, set out in Section F (H)-1299 of the Zoning By-law 270-2004 prohibits the development of the lands until the following is satisfied:

1. The Council of the City of Brampton has received the following confirmation of the final size of the stormwater management pond to the satisfaction of the Commissioner of Planning, Design and Development and the Credit Valley Conservation. Reducing the regional storm control pond to the 100 year storm control pond will not be determined until sign-off has been received from all of the downstream landowners for the post-development Regional Storm floodplain and in the event that sign-off does not occur the sign of the pond will remain as a regional storm control pond;
2. The Council of the City of Brampton has received confirmation of the availability of sanitary sewage capacity from the Region of Peel.

Rationale for Lifting the Holding Provision

The Region of Peel and Credit Valley Conservation Authority have indicated that they have no objection to lift the Holding provision (H). As per the conditions outlined in Zoning

By-law F (H) Section - 1299, the Region and CVCA have provided their written confirmation that the storm water management pond and sanitary service requirements have been met.

The storm water pond has been assumed by the City of Brampton as a regional control pond because confirmation from all downstream landowners was not received to reduce the pond to a 100 year storm control pond. As there has been no reduction in the storm water pond, the conditions of the Holding provision have been met. Therefore, staff recommend approval of this application to amend the Zoning By-law to lift a Holding provision.

Notification and Stakeholder Circulation

Pursuant to the requirements in the *Planning Act*, no statutory public meeting is required in association with an application to remove a “Holding” symbol. Notice informing the public of Council’s intent to lift the “Holding” symbol was provided in a newspaper advertisement in the Brampton Guardian.

Corporate Implications:

Financial Implications:

There are no financial implications identified at this time. Revenue collected through development application fees are accounted for in the approved operating budget.

Other Implications:

There are no other corporate implications identified at this time to the Corporation of the City of Brampton.

2018-2022 Term of Council Direction: A Compass for our Community:

The application is consistent with the “A City of Opportunities” theme. It supports the building of complete communities to accommodate growth for people and jobs. The proposal satisfies this by providing opportunity for efficient growth and quality jobs.

Living the Mosaic – 2040 Vision

This report directly aligns with the vision that Brampton will be a mosaic of complete neighbourhoods and vibrant centres with quality jobs. This report has been prepared in full consideration of the overall vision that the people of Brampton will ‘Live the Mosaic’.

Conclusion:

Staff is satisfied that the requirements for the lifting of the Holding provision have been met. Staff recommends that a by-law be adopted to lift the “Holding” (H) symbol over the subject lands.

**RE: Zoning Bylaw Amendment Application

 City File: OZS-2021-0001
 Region File: HOZ-21-001B**

Dear Ms. Jagtiani,

Region of Peel staff have reviewed the above noted H-Removal application consisting of a Site Plan, M-Plan, Site Servicing and Grading Drawings, SWM report, Application and H-Removal Sketch, etc. and have no objection to the lifting of the H and Zoning Bylaw Amendment application.

Please be advised that satisfactory arrangements have been made with the Region of Peel, Public Works Department with respect to condition number '2' as listed below for the property designated F(H)-1299 and municipally known as 64 Degrassi Cover Circle.

2. "The Holding (H) symbol shall not be removed until the Council of the City of Brampton has received confirmation of the availability of sanitary sewage capacity from the Region of Peel"

The applicant is advised that as part of a future Site Plan Application the Region will require, updated plans as well as the most current PINS for the property for review and comment. Additionally, final Site Servicing approval by Region of Peel is required prior to the local municipality issuing Building Permit.

**Re: Application to Amend the Zoning By-law
City File OZS-2021-0001 (CVC File OZ 21/001)
64 Degrassi Cove Circle
Part of Lot 9, Concession 3 WHS
City of Brampton**

Credit Valley Conservation (CVC) staff have had the opportunity to review the above-noted application and the following comments are provided for your consideration.

SITE CHARACTERISTICS:

Although our online mapping indicates that the property is regulated by CVC due to floodplain, CVC has issued permits for watercourse realignments (Tributary 8B and Springbrook Creek) and reviewed and approved stormwater management (SWM) and subdivision design through 21T-01014B. Assuming the works have been completed in accordance with the CVC permit approvals and the approved subdivision design, the subject property would be considered outside the regulated natural hazard.

PROPOSAL:

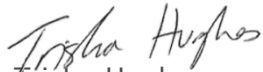

It is my understanding that the proposal is to remove the "Holding" provision on the zoning to facilitate the development of a single dwelling.

COMMENTS:

CVC staff have previously issued permits 05/011 and 05/057 for creek realignments, and cleared conditions for subdivision 21T-01014B. It is our understanding that the works permitted have been completed. The cover letter from Korsiak (January 8, 2021) also confirms that the subdivision has been registered and sign-off has been provided by the City regarding the design of the SWM pond. As such, CVC has **no objection** to the proposed Zoning by-law Amendment.

I trust that these comments are sufficient. Please do not hesitate to contact the undersigned at trisha.hughes@cvc.ca or 905-670-1615 (ext. 325) should you have any further questions or concerns.

Kind regards,

Recommendations:

That the report titled: **Subdivision Release and Assumption - Orlando Corporation, Registered Plan 43M-1892 - Ward 6 (South of Steeles Avenue, East of Heritage Road) - Planning References – T05W15.002 and 21T-00019B** to the Council Meeting of June 2, 2021 be received;

Edgeware Road, Street Widening Block 12 to be part of Heritage Road

Overview:

This report recommends that the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1892 be accepted and assumed.

Background:

City Council, at its meeting of May 27, 2020 approved Committee of Council recommendation CW112-2020, whereby the street and street widening block as shown on the subject Registered Plan are to be assumed by the City, once all departments have provided clearance for assumption by the City.

Current Situation:

City departments have now reviewed the Registered Plan for this subdivision and have provided clearance for assumption.

Corporate Implications:

All City Departments and the Region of Peel have provided clearances for assumption of the Subdivision to the Manager, Development Construction. This subdivision will now be included in the City's list of assets. The City of Brampton will now be fully responsible for on-going maintenance.

Financial Implications:

The annual operating impacts associated with the assumed infrastructure within this subdivision are estimated to be \$3,800.00. There is sufficient funding approved within the Public Works and Engineering operating budget to proceed with the recommendations in this report.

Whereas, according to Section 75 of the Highway Traffic Act (HTA), every motor vehicle shall be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and excessive smoke and no person shall use a muffler cut-out, straight exhaust, gutted muffler, Hollywood muffler, by-pass or similar device upon a motor vehicle;

Whereas, the act of modifying the exhaust system of a motor vehicle is not currently an offence under the HTA and as a result, muffler and auto-body shops continue to provide such services which allows individuals to modify cars that lead to unsafe vehicles;

Whereas, Peel Regional Police have been actively laying charges pursuant to Section 75 of the HTA against motor vehicle operators whose vehicles make excessive or unusual noise or produce excessive smoke from the muffler systems that have been modified;

Whereas, on October 28, 2019 the Province of Ontario introduced Bill 132, Better for People, Smarter for Business Act, 2019 which in part sought to amend the HTA to include a new section, 75.1, that will make it an offence to tamper with motor vehicles by (a) removing, bypassing, defeating or rendering inoperative all or part of a motor vehicle's emission control system or (b) modifying a motor or vehicle in any way that results in increased emissions from the level to which it was originally designed or certified by the manufacturer of the motor or vehicle;

Whereas, Section 75.1 of the HTA will also prohibit the sale of tampering devices that can create excessive noise or smoke on our streets and in our neighbourhoods;

Whereas, on December 10, 2019, Bill 132 received royal assent, however the Lieutenant Governor has not yet proclaimed Section 75.1 of the HTA despite more than a year having passed since the bill received was passed and received royal assent;

Whereas, on May 5, 2021 the City of Mississauga passed Resolution 0095-2021 in regard to Provincial action against noisemakers.

Therefore be it resolved:

That in recognition of the continuous problem in Brampton and neighboring municipalities related to modified mufflers that can create excessive or unusual noise and excessive smoke, that Council make an urgent request to the Province of Ontario to have Section 75.1 of the Highway Traffic Act proclaimed and brought into force immediately; and

That a request for a measured decibel count to the Ministry of Transportation that exhaust systems will not be available for sale and will not be permitted in Ontario if they have the capability of exceeding 80 decibels; and

That Council request further amendments to the HTA related to permitted decibel counts for exhaust systems including stricter penalty provisions such as a fine with a minimum of \$500.00 and a loss of three demerit points; and

That Council request the Province of Ontario provide funding to the Police Services in Ontario to be equipped with approved decibel monitor devices in order to enforce effectively and efficiently; and

That a copy of this motion be sent to all Brampton area Members of Provincial Parliament, the Association of Municipalities of Ontario, and Peel Regional Police, and the Insurance Bureau of Canada, for information.
