Carried

Council discussion took place with respect to the associated Committee of Council Recommendation CW243-2021.

A proposed revised recommendation, moved by Mayor Brown and seconded by Regional Councillor Santos, was introduced, with the operative clauses as follows:

Therefore Be It Resolved That:

That the Region of Peel be requested to pause the upcoming tender for the interim replacement of the existing watermain in its temporary configuration until such time a path forward has been determined by the City for the downtown streetscape;

That City of Brampton staff prepare a list of options to begin work on components of the previously named “Downtown Reimagined” as the first phase of the immediate implementation of the broader Integrated Downtown Plan process (which includes future plans for the LRT in the downtown) and in coordination with the Region of Peel’s infrastructure work; and

That staff report back within 90 days to include the following elements:

- a. The emerging alignments for a future LRT into Downtown Brampton
- b. Consideration and input from all the utilities
- c. Consideration and input from the Region of Peel
- d. A prioritized list of work for each option which also identifies interim strategies that could advance and/or contribute to the ultimate downtown streetscape design
- e. Consideration of options for public engagement including the DBBIA and the BBOT
- f. Consideration of the impact of the on-going pandemic on the downtown businesses
- g. How improvements in the Garden Square and Ken Whillans Square can be incorporated
- h. A summary of timelines, construction phasing, costs, financing strategies and risks associated with each option considering all of the above; and

That staff consult and obtain direction from Council on a path forward on all of the above.

An amendment to the revised recommendation was introduced by Regional Councillor Vicente to add “an alignment design” to the second operative clause, such that the clause, would read as follows:

That City of Brampton staff prepare a list of options to begin work on components of the previously named “Downtown Reimagined” as the first phase of the immediate implementation of the broader Integrated Downtown Plan process (which includes future plans and alignment design for the LRT

in the downtown) and in coordination with the Region of Peel's infrastructure work; and

The amendment was subsequently accepted by the mover.

An alternate revised recommendation was introduced by City Councillor Whillans and displayed for Council's reference.

Peter Fay, City Clerk, noted that if the first revised recommendation did not carry, then the second revised recommendation could be considered, and responded to questions from Council regarding the potential need for a reopening of Council's decision (C325-2015) should the second recommendation be considered.

Council discussion took place simultaneously on both proposed revised recommendations, and included varying opinions about:

- each revised recommendation
- alignment for an LRT north of Steeles Avenue
- timelines for Council's decision on an LRT alignment relative to proceeding with the downtown revitalization project

During Council's consideration of this matter:

- A Point of Order was raised by Councillor Santos for which the Mayor gave leave. Councillor Santos suggested that another Member of Council was incorrectly attributing comments to her.
- The City Clerk subsequently clarified that Councillor Santos' point was a Point of Privilege.
- A Point of Order was raised by Regional Councillor Palleschi, for which the Mayor gave leave. Councillor Palleschi noted that comments made by another Councillor were opinions and not facts.
- A Point of Privilege was raised by City Councillor Bowman, for which the Mayor gave leave. Councillor Bowman referenced the Brampton 2040 Vision that was developed with input from 17,000 Brampton residents and did not include an LRT.
- A Point of Order was raised by Councillor Santos, for which the Mayor gave leave. Councillor Santos clarified, in response to comments by Members, that the first revised recommendation was moved by Mayor Brown and seconded by her.

- Staff responded to questions regarding background on the downtown revitalization project, current status of the project, timelines for a report on the Environmental Assessment for an LRT, and provisions in the Procedure By-law as they relate to Points of Order and Points of Privilege.

The first revised recommendation was split and clauses b) to h) were voted on separately. A recorded vote was requested and the clauses carried as follows.

Yea (11): Regional Councillor Dhillon, City Councillor Singh, City Councillor Williams, Regional Councillor Medeiros, City Councillor Bowman, Regional Councillor Palleschi, Regional Councillor Vicente, Regional Councillor Santos, Mayor Brown, Regional Councillor Fortini and City Councillor Whillans

Nay (0)

Absent (0)

Carried (11 to 0)

A recorded vote was taken on Clause a) with the results as follows:

Yea (11): Regional Councillor Dhillon, City Councillor Singh, City Councillor Williams, Regional Councillor Medeiros, City Councillor Bowman, Regional Councillor Palleschi, Regional Councillor Vicente, Regional Councillor Santos, Mayor Brown and City Councillor Whillans

Nay (0)

Absent (1): Regional Councillor Fortini

Carried (10 to 1)

The motion in its entirety, as amended, was voted on and carried as outlined in Item 12.3 – Recommendation CW243-2021.

Since the first motion carried, the second motion was not considered for a vote.

9. Reports from the Head of Council

9.1 Update from Mayor Brown re: COVID-19 Emergency

Mayor Brown provided an update on the City's response to the COVID-19 emergency, highlighting vaccination numbers and clinics, pending announcement from the Province on a reopening plan, City's advocacy on outdoor amenities, and ongoing concerns about assaults on By-law Enforcement Officers.

Council consideration included a request to the Mayor to inquire with Dr. Lawrence Loh, Medical Officer of Health, Region of Peel, about his potential

availability to attend Brampton Council meetings to provide updates and respond to questions.

The following motion was considered.

C166-2021

Moved by Regional Councillor Palleschi

Seconded by Regional Councillor Santos

That the update from Mayor Brown re: COVID-19 Emergency, to the Council Meeting of May 19, 2021, be received.

AFC010-2021

That the Age-Friendly Brampton Advisory Committee meeting of March 30, 2021 do now adjourn to meet again on May 25, 2021 at 7:00 p.m.

PDC071-2021

That the Minutes of the Cycling Advisory Committee Meeting of April 20, 2021, to the Planning and Development Committee Meeting of May 10, 2021, Recommendations CYC009-2021 to CYC016-2021 be approved, as published and circulated.

CYC009-2021

That the agenda for the Cycling Advisory Committee Meeting of April 20, 2021, be approved, as published and circulated.

CYC010-2021

That the Delegation from Manvir Tatla, Project Manager, Sustainable Transportation, Region of Peel, to the Cycling Advisory Committee of April 20, 2021, re: Region of Peel 2020/2021 Active Transportation Implementation, be received.

CYC011-2021

It is the position of the Cycling Advisory Committee that staff be requested to review the City's current winter maintenance practices relating to cycling facilities and investigate enhancements to existing programs to address the following list of gaps. This review shall include the impact these changes will have on operating budgets, equipment needs and resources.

- AT facilities that accommodate cycling in both directions (i.e. in-boulevard multi-use paths) should be maintained at a minimum width of 2.4 m;
- The ATMP Priority Cycling Network should be maintained at the same level of a Class 1 or 2 road type (ON. Reg. 239/02);
- Collector roads with bike lanes should be maintained to "bare pavement" condition as opposed to "tracked bare" condition and snow should be plowed back to the curb (ensuring a minimum width of 1.0 m is provided in the bike lanes);
- Maintenance programs should be revised to include maintenance of all active transportation infrastructure within the road boulevard (i.e. there are instances where a sidewalk and bicycle boulevard path run adjacent to one another but only the sidewalk is maintained);
- Special attention is required at bridges & underpasses and where maintenance activities of different service providers transition (i.e. where a path/trail meets a road) as these present the most challenges and probability of deficiencies;
- A permanent inspection routine be implemented along the City's major recreational trails, similar to the inspections conducted for the Winter Wonderland program.
- That an approach for maintenance of new types of cycling infrastructure (protected bike lanes along East-West Cycling Corridor) be developed in advance of their implementation to ensure a smooth seasonal transition.

CYC012-2021

Whereas in 2019, the City of Brampton declared a climate emergency and on Sept, 23, 2020 unanimously endorsed the Community Energy and Emissions Reduction Plan with a target to reduce green house gas emission targets by 80% by 2050;

And whereas transportation represents 60% of GHG emissions generated in Brampton;

And whereas enabling and encouraging other sustainable modes of transportation and transitioning away from a car based culture will help reduce GHG emissions;

And whereas during the past year, the City and Region has seen an increased demand and use of active transportation infrastructure;

And whereas, investments in the built environments that facilitate active mobility support the health and well-being of residents;

And whereas Council unanimously passed the Active Transportation Master Plan on September 25, 2019 which sets out an implementation framework to deliver a connected city-wide AT network and supporting policies and programs;

And whereas on January 28, 2021 the City of Brampton identified the implementation of active transportation infrastructure as a Term of Council Priority;

And whereas the Region of Peel unanimously passed a motion on April 8, 2021 to advance Sustainable Active Mobility and work collaboratively with lower tier municipalities and community advocates to improve the active transportation network across the region;

And whereas, on February 10, 2021 the Federal government announced \$14.9 billion of funding over the next eight years to support infrastructure projects as part a plan to create one million jobs, fight climate change, and rebuild a more sustainable and resilient economy;

And whereas, on March 12, 2021, the Federal government announced the first federal fund of \$400 million over five years dedicated to building active transportation to help build new and expanded networks of pathways, bike lanes, trails for cycling, waling and pedestrian bridges;

And whereas the City of Brampton is committed to supporting the health and wellbeing of its employees, and has a number of existing benefits and programs in place to support an active lifestyle;

And whereas creating incentives to encourage City employees to learn and use active transportation infrastructure would demonstrate a “lead by example” approach as we all strive to address the climate emergency and live healthier lifestyles;

Therefore be it resolved:

- 1) That the city advise City employees of existing incentives supporting sustainable transportation options and active lifestyles;
- 2) That an awareness campaign be launched this summer, to include but not be limited to education, employee challenges, and/or group rides, that promote and encourage sustainable and active transportation among City employees;
- 3) That staff work collaboratively across all departments and report back by Q1 of 2022 (before Earth Day 2022) to Council, with opportunities and recommendations to incentivize and/or further enable, encourage, and support employees in using sustainable and active modes of transportation.

CYC013-2021

That the report from Leslie Benfield, Committee Member, to the Cycling Advisory Committee of April 20, 2021 re: **Ontario Bike Summit** be received.

CYC014-2021

That the Cycling Advisory Committee **Sub-committee Minutes - March 16, 2021**, to the Cycling Advisory Committee of April 20, 2021 be received.

CYC015-2021

That the Cycling Advisory Committee **Sub-committee Minutes - March 30, 2021**, to the Cycling Advisory Committee of April 20, 2021 be received

CYC016-2021

That the Cycling Advisory Committee do now adjourn to meet again on Tuesday, June 15, 2021 at 5:00 p.m. or at the call of the Chair.

PDC072-2021

That the Planning and Development Committee do now adjourn to meet again on Monday, June 7, 2021, at 7:00 p.m., or at the call of the Chair.

12.3 Minutes – Committee of Council – May 12, 2021

Note: See Item 8.5 for Council's consideration of Recommendation 243-2021, which carried as amended and outlined below.

Mayor Brown introduced the subject minutes, and the Section Chairs led Council's consideration of the minutes.

Under the Public Works and Engineering Section, a motion, moved by City Councillor Bowman and subsequently seconded by Regional Councillor Medeiros, was introduced to Recommendation CW255-2021, as follows:

That Recommendation CW255-2021 be amended to delete Clause 2 and replace with the following:

2. That a by-law be passed to amend Traffic By-law 93-93, as amended, to implement "No Parking, Anytime" restrictions on the east side of Clipper Court between Biscayne Crescent and the southerly limit of the road (including cul-de-sac).

The amendment was voted on and carried.

The following motion to receive the minutes and approve the recommendations outlined within was considered.

C168-2021

Moved by Regional Councillor Santos

Seconded by City Councillor Whillans

1. That the Minutes of the Committee of Council Meeting of May 12, 2021, to the Council Meeting of May 19, 2021, be received;
2. That Recommendations CW235-2021 to CW242-2021, CW254-2021, and CW256-2021 to CW263-2021 be approved as outlined in the subject minutes; and,

3. a) That Recommendation CW243-2021 be deleted and replaced with the following:

Whereas the Region of Peel is planning to undertake a capital works project to replace the water mains on an "interim" basis in the downtown core, including in the "four corners" estimated to cost approximately \$7 million for the immediately needed work, with a total cost of approximately \$20 million, and;

Whereas this is a singular isolated and interim initiative with no other improvements currently planned to occur along with this replacement, such

as other utility upgrades, sidewalk or roadway improvements, streetscaping, landscaping, etc.; and

Whereas this isolated and interim initiative will cause massive disruption to an already heavily burdened business community within the downtown core;

Whereas a broader strategic, integrated downtown plan is currently being developed; and

Whereas a decision in 2018, during the previous term of Council, pushed the Downtown Reimagine project with incomplete utility designs and without proper due diligence related to the underground channels in the downtown; and

Whereas in Dec 2018, a decision by this term of Council to pause the work related to Downtown Reimagine was made due to the tender closing over budget and in order to conduct the necessary risk assessment and due diligence related to the downtown underground channels and other unknowns; and

Whereas it was determined after proper due diligence that risk related to the downtown underground channels was low; and

Whereas the Region of Peel's water main work represents a key opportunity for the City of Brampton to begin its initial subsurface infrastructure and surface work under the previously named "Downtown Reimagined" project as an immediate solution to revitalize the downtown, support Brampton's 5 year Tourism Strategy, and in conjunction with the broader integrated downtown plan and the Region of Peel; and

Whereas past work related to the previous "Downtown Reimagined" project included stakeholder consultations with businesses, organizations, and residents; and

Whereas a decision of the future LRT (surface or underground) along Main Street to the downtown core is a significant transformational project similar to the Riverwalk which will further support the growth, economic future, and other significant plans of the City of Brampton but is separate from the more immediate need to implement a solution to revitalize the downtown core,

Therefore Be It Resolved That:

That the Region of Peel be requested to pause the upcoming tender for the interim replacement of the existing watermain in its temporary configuration

until such time a path forward has been determined by the City for the downtown streetscape;

That City of Brampton staff prepare a list of options to begin work on components of the previously named “Downtown Reimagined” as the first phase of the immediate implementation of the broader Integrated Downtown Plan process (which includes future plans and alignment design for the LRT in the downtown) and in coordination with the Region of Peel’s infrastructure work; and

That staff report back within 90 days to include the following elements:

- a. The emerging alignments for a future LRT into Downtown Brampton
- b. Consideration and input from all the utilities
- c. Consideration and input from the Region of Peel
- d. A prioritized list of work for each option which also identifies interim strategies that could advance and/or contribute to the ultimate downtown streetscape design
- e. Consideration of options for public engagement including the DBBIA and the BBOT
- f. Consideration of the impact of the on-going pandemic on the downtown businesses
- g. How improvements in the Garden Square and Ken Whillans Square can be incorporated
- h. A summary of timelines, construction phasing, costs, financing strategies and risks associated with each option considering all of the above; and

That staff consult and obtain direction from Council on a path forward on all of the above.

b) That Recommendation CW255-2021 be amended to delete Clause 2 and replace with the following:

2. That a by-law be passed to amend Traffic By-law 93-93, as amended, to implement “No Parking, Anytime” restrictions on the east side of Clipper Court between Biscayne Crescent and the southerly limit of the road (including cul-de-sac).

such that the full Recommendation reads as follows:

1. That the report titled: Parking Related Concerns – Clipper Court - Ward 3, to the Committee of Council Meeting of May 12, 2021, be received; and,
2. That a by-law be passed to amend Traffic By-law 93-93, as amended, to implement “No Parking, Anytime” restrictions on the east side of Clipper

Court between Biscayne Crescent and the southerly limit of the road (including cul-de-sac).

Carried

The recommendations were approved, as amended, as follows.

CW235-2021

That the agenda for the Committee of Council Meeting of May 12, 2021 be approved, as amended, as follows:

To add:

7.5. Delegation from Mike Greenley, CEO, MDA, re: MDA Update

11.3.3. Discussion Item at the request of Regional Councillor Fortini, re: LRT

11.3.4. Discussion Item at the request of Regional Councillor Fortini, re: Bike Lanes

CW238-2021

That the update from Mayor P. Brown, re: **COVID-19 Emergency**, to the Committee of Council Meeting of May 12, 2021, be received.

CW239-2021

That Peel Public Health be requested to convene an additional ‘Doses After Dark’ vaccination initiative at a location within Brampton, or at a centralized location within Peel Region, more central to all Peel Region municipalities, and that such request to be forwarded to the Council of the Region of Peel.

CW240-2021

1. That the delegation from Tom Dolson, President, Peel Federation of Agriculture, and Diana De Faveri, Property Owner, to the Committee of Council Meeting of May 12, 2021, re: **Brampton Stormwater Management Charge - Relief for Farm Business Registrants**, be **referred** to staff for a report back, including a review of similar municipal experiences with working farms and greenhouse properties regarding storm water charges; and

2. That the following correspondence, to the Committee of Council Meeting of May 12, 2021, re: **Brampton Stormwater Management Charge - Relief for Farm Business Registrants**, be received:

1. Peggy Brekveld, President, Ontario Federation of Agriculture, dated May 6, 2021;

2. Andrew Morse, Executive Director, Flower Canada (Ontario) Inc., dated May 6, 2021; and

3. City of Brampton, Public Works, to Ray Ferri, Al Ferri & Sons, dated February 10, 2021.

CW241-2021

That the delegation from Zafar Tariq, Taxi Industry Member, to the Committee of Council Meeting of May 12, 2021, re: **Taxi Industry Concerns**, be **referred** to staff for presentation of a proposed motion to the City Council meeting of May 19, 2021.

CW242-2021

That the following delegations to the Committee of Council Meeting of May 12, 2021, re: **Watermain Replacement Project in Downtown Brampton**, be received:

1. Suzy Godefroy, Executive Director, and Rick Evans, Board Member, Downtown Brampton BIA

2. Dave Kapil, New Brampton.

CW243-2021

Whereas the Region of Peel is planning to undertake a capital works project to replace the water mains on an “interim” basis in the downtown core, including in the “four corners” estimated to cost approximately \$7 million for the immediately needed work, with a total cost of approximately \$20 million, and;

Whereas this is a singular isolated and interim initiative with no other improvements currently planned to occur along with this replacement, such as other utility upgrades, sidewalk or roadway improvements, streetscaping, landscaping, etc.; and

Whereas this isolated and interim initiative will cause massive disruption to an already heavily burdened business community within the downtown core;

Whereas a broader strategic, integrated downtown plan is currently being developed; and

Whereas a decision in 2018, during the previous term of Council, pushed the Downtown Reimagine project with incomplete utility designs and without proper due diligence related to the underground channels in the downtown; and

Whereas in Dec 2018, a decision by this term of Council to pause the work related to Downtown Reimagine was made due to the tender closing over budget and in order to conduct the necessary risk assessment and due diligence related to the downtown underground channels and other unknowns; and

Whereas it was determined after proper due diligence that risk related to the downtown underground channels was low; and

Whereas the Region of Peel’s water main work represents a key opportunity for the City of Brampton to begin its initial subsurface infrastructure and surface work under the previously named “Downtown Reimagined” project as an immediate solution to revitalize the downtown, support Brampton’s 5 year Tourism Strategy, and in conjunction with the broader integrated downtown plan and the Region of Peel; and

Whereas past work related to the previous “Downtown Reimagined” project included stakeholder consultations with businesses, organizations, and residents; and

Whereas a decision of the future LRT (surface or underground) along Main Street to the downtown core is a significant transformational project similar to the Riverwalk which will further support the growth, economic future, and other significant plans of the City of Brampton but is separate from the more immediate need to implement a solution to revitalize the downtown core,

Therefore Be It Resolved That:

That the Region of Peel be requested to pause the upcoming tender for the interim replacement of the existing watermain in its temporary configuration until such time a path forward has been determined by the City for the downtown streetscape;

That City of Brampton staff prepare a list of options to begin work on components of the previously named “Downtown Reimagined” as the first phase of the immediate implementation of the broader Integrated Downtown Plan process (which includes future plans and alignment design for the LRT in the downtown) and in coordination with the Region of Peel’s infrastructure work; and

That staff report back within 90 days to include the following elements:

- a. The emerging alignments for a future LRT into Downtown Brampton
- b. Consideration and input from all the utilities
- c. Consideration and input from the Region of Peel
- d. A prioritized list of work for each option which also identifies interim strategies that could advance and/or contribute to the ultimate downtown streetscape design
- e. Consideration of options for public engagement including the DBBIA and the BBOT
- f. Consideration of the impact of the on-going pandemic on the downtown businesses
- g. How improvements in the Garden Square and Ken Whillans Square can be incorporated
- h. A summary of timelines, construction phasing, costs, financing strategies and risks associated with each option considering all of the above; and

That staff consult and obtain direction from Council on a path forward on all of the above.

CW244-2021

13. Unfinished Business

13.1 Motion re: Taxi Industry Concerns

C169-2021

Moved by Regional Councillor Dhillon

Seconded by Regional Councillor Fortini

Whereas The Mobile Licensing By-law 67-2014, as amended, was enacted on March 26, 2014 to provide for a system of licensing for Mobile businesses; and

Whereas Schedule 4 of By-law 67-2014 provides for licensing requirements related to persons who carry on the business of taxicab owners and drivers and taxicab brokers; and

Whereas Zafar Tariq a member of the taxi industry delegated to Committee of Council on May 12, 2021, regarding concerns for the reduction in taxicab business during the COVID-19 pandemic; and

Whereas Mr. Tariq requested that the period of inactive taxicab owner licences be increased from two (2) years to three (3) years as the taxicab plate holders are finding it difficult to lease the plates at this time; and

Whereas the two-year limit for the use of conditional licence renewal- no vehicle was based on the standard taxicab business with small numbers of taxi plates inactive; and

Whereas the closure of offices and businesses during the COVID-19 pandemic has seen a significant increase of nine (9) applicants, in 2019, to over ninety (90) applicants seeking the option of Conditional Licence Renewal-No Vehicle option in 2020; and

Whereas four (4) applicants for taxicab owner licences will reach the limit of two years using this Conditional Licence renewal- No Vehicle option and will lose

their licence in late August 2021 should there be no amendment to the by-law; and

Whereas Mr. Tariq indicated that due to the pandemic and the loss of business for the taxicab industry the mileage on vehicles used as taxis in Brampton has been significantly decreased and he suggests that an additional model year be permitted for vehicles with a model year of 2011 to 2015; and

Whereas one of the two approved providers of mandated taxicab security cameras was sold and its operations moved from Ontario to the United States and the taxi industry has been having difficulty with purchasing new cameras or having the existing cameras repaired; and

Whereas the taxi delegation has asked for the use of taxicab security cameras to be optional, similar to the cities of Markham, Vaughan and Mississauga; and

Whereas Mr. Tariq is requesting that the issuance of taxicab driver licences be permitted to be renewed for up to five years similar to the Ontario Provincial Driver Licence for those driver who have not had a criminal record for a number of years; and

Whereas Council believes the suggested amendments would be beneficial for the struggling taxicab industry;

Therefore Be It Resolved:

1. That section 63 of Schedule 4 of the Mobile Licensing By-law, 67-2014, as amended, be further amended by increasing the number of months a Conditional Licence Renewal-No Vehicle may be issued to 36 months.
2. That paragraph 35(7) of Schedule 4 of the Mobile Licensing By-law, as amended, be further amended by increasing the maximum age at which a vehicle may be licensed from six (6) to seven (7) model years.
3. That clause 35(8)(i) of Schedule 4 of the Mobile Licensing By-law, as amended, be further amended by increasing the number of model years an applicant may request an extension of model years from three (3) to four (4) years.
4. That paragraph 35(1)(i) of Schedule 4 of the Mobile Licensing By-law, as amended, be deleted.
5. That section 14 of the Mobile Licensing By-law, as amended, be amended by adding the following clause immediately following section 14:

14.1. Notwithstanding section 14, where an Applicant for a renewal of a Driver Licence has had no Criminal Record and a clean driving record for five (5) or more licence years the Driver's Licence may be valid for up to four (4) years when accompanied by the Licence Fee for the four-year period.

17. Public Question Period

Members of the public were given the opportunity to submit questions via e-mail to the City Clerk's Office regarding any decisions made at this meeting.

Peter Fay, City Clerk, outlined questions from the public as follows:

Questions from Chris Drew:

1. "I heard during today's discussion on the watermain a comment about centre lane or curb lane running for the surface LRT option. Can staff please confirm that in PIC No. 2, which ended on May 13th, City staff showed the public centre lane running for the surface LRT option and that this was labelled "Option S3"? Can City staff confirm that the PIC No. 2 display boards showing Option S3 and Option U1 are still available on the City's website?"

Staff confirmed that the information is still available on the City's website.

2. "I heard in today's discussion on water mains a reference to two-way, all-day Kitchener Line GO train service for the Brampton Station in downtown Brampton. Can City staff provide a reminder for who owns the tracks between the Bramalea GO Station and the Georgetown GO Station? Does expanding two-way, all-day GO train service require an agreement between the Province of Ontario through Metrolinx and the rail owner, and that the City of Brampton isn't able to enter an agreement directly and unilaterally with the rail owner for two-way, all-day GO train service?"

Staff confirmed that any agreement for two-way all-day GO train service would be between the Province, Metrolinx and the rail owner.

18. By-laws

The following public statement was displayed on behalf of Council with respect to Item 19.6.

The City is pleased with the Court of Appeal's confirmation of the trial judge's findings which absolve the City and its staff of the allegations of wrongdoing made by Inzola and affirm the integrity of the City's procurement process and conduct.

Over \$3.1M in costs have been awarded by the courts against Inzola.

In the more than seven years between the action being commenced and determined at trial, the claims made against the City and associated significantly negative press coverage led to diminished public trust and reputational damage to the organization, as well as the former Mayor Susan Fennell and senior staff.

Recognizing this, the City wishes to acknowledge the excellent service and commitment of its former Mayor and staff that may have been involved, express its thanks to them, and apologize for the negative consequences this matter may have had on their lives.

The Court's findings support the fact that the City's established procurement processes are rigorous and the integrity of these processes are adhered to by staff and elected officials alike.

The City looks forward to moving ahead in supporting Brampton's healthy and sustainable growth and recovery from COVID-19.

The following public statement was displayed on behalf of Council with respect to Item 19.7.

A 30 day review of the complaint as outlined in the letter from Gurdeep Kaur, dated April 22, is being undertaken, with the scope of the investigation being the allegations contained in the letter, including:

1. Procurement issues
2. Discriminatory allegations
3. Workplace bullying and harassment
4. Destruction of information
5. Hiring practices
6. Standard policies and procedures compliance

20. Confirming By-law

Thursday, June 3, 2021 9:30 AM | Committee agenda is available [here](#).

*Staff from Public Affairs have reviewed the committee agenda.

Region of Peel | Planning and Growth Management Committee

Item 5.5 Peel 2041+ Official Plan Review and Municipal Comprehensive Review Consultation (For Information)

Overview:

- The report provides an update on the key consultation and engagement undertaken as part of Peel 2041+: Regional Official Plan Review & Municipal Comprehensive Review (MCR).
- Additional information is also provided in response to concern raised by members of the public at the April 29, 2021 Region of Peel Planning and Growth Management Committee about the timing of the MCR process

City of Brampton Staff Comments (Planning):

- The committee agenda features a number of requests to delay the Region's process.
- The Region has been given direction from the Province to conform by July 2022.
- City staff concur with the Region's position not to request an extension to the Provincial conformity deadline.

Region of Peel | Regional Council – May 27, 2021

Item 11.2 Downtown Brampton, Water Main and Sanitary Sewer Upgrades Project (Presentation)

Overview:

- Water and Wastewater infrastructure was scheduled for replacement in 2011/ 2012 and is now at a high risk of failure.
- The Interim Utility Project was approved in 2020
- Region finalizing Construction Contractor Prequalification process - tender was planned for June 1, 2021

City of Brampton Impact:

- On May 19, 2021, the City of Brampton Committee of Council recommended a request to the Region of Peel to pause the upcoming tender for the interim replacement of the existing water main until a path forward has been determined by the City for the downtown streetscape.
- The pause would allow the City staff to prepare a list of options to begin work on the previously named "Downtown Reimagined" components.
- On the May 27, 2021, Region of Peel Council discussed the request to pause. This action required a Reel Regional Council vote to reopen the 2020 Council decision. The vote was not successful.

Report Number: Planning, Bld & Ec Dev-2021-383

Recommendations:

1. **THAT** the report titled: **RECOMMENDATION REPORT**, Application to Amend the Zoning By-law, **Korsiak Urban Planning – Mattamy (Creditvalley) Limited**, 64 Degrassi Cove Circle, Ward 5 (OZS-2021-0001 and Report No. Planning, Bld & Ec Dev-2021-383), dated May 17, 2021 to the Council meeting of June 2, 2021 be received.
2. **THAT** a by-law, attached hereto as Appendix 2, be passed to amend Comprehensive Zoning By-law 270-2004 as amended.

Overview:

- This report forwards a Zoning By-law to Council to lift a Holding symbol to permit a single detached dwelling on the lot located at 64 Degrassi Cove Circle.
- The subject lands are zoned as “Floodplain (Holding) Section 1299 (F (H) – 1299)”. That by-law includes requirements that the “Holding (H)” symbol

shall not be removed until confirmation of the final size of the storm water management pond has been received to the satisfaction of the Commissioner of Planning, Building and Economic Development and the Credit Valley Conservation. It also requires that the Region of Peel confirm the availability of sanitary sewage capacity.

- The applicant has provided information to confirm that the storm water management pond is properly sized to the satisfaction of City staff and the Credit Valley Conservation Authority. The Region has confirmed the availability of sanitary sewage capacity. As such, staff is recommending approval of this zoning by-law amendment application to lift the Holding symbol.**
- The proposal is consistent with the “2018-2022 Term of Council Priorities” by supporting the “A City of Opportunities” theme. The proposal is consistent with the direction of building complete communities to accommodate growth for people and jobs.**

Background:

The applicant, Korsiak Urban Planning, on behalf of Mattamy (Creditvalley) Limited, submitted an application on January 8, 2021 to remove a Holding (H) symbol for the property at 64 Degrassi Cove Circle.

A Holding provision is a mechanism that can be included in a zoning by-law to allow development to proceed in an area only when specific conditions, such as the completion of a study, have been met to the satisfaction of Council. The Holding provision is removed through an application to amend the Zoning By-law. After the Holding is removed, the lands can be developed for the full extent of the permissions included in the zoning for the property.

Current Situation:

The purpose of the application is to amend the Zoning By-law to lift a Holding (H) provision. The lifting of the H would amend the zoning for the property to permit a single detached dwelling. It is noted that there are transportation matters that would need to be addressed before a house could be built on this lot. Fulfilling these matters is not included in the Holding provision and do not affect this application. There are other provisions established through the subdivision approvals to ensure that they are addressed before a house is built.

Property Description and Surrounding Land Use

The lands subject to the application are municipally known as 64 Degrassi Cove Circle, which is located south of James Potter Road and east of Williams Parkway (please refer to Appendix 1).

The property has a total site area of approximately 0.03 hectares (0.08 acres) and has a frontage of approximately 12.50 meters (41 feet) along Degrassi Cove Circle.

The surrounding land uses are described as follows:

North: Storm water management pond, beyond which is James Potter Road.

East: Vacant land, beyond which is James Potter Road.

South: Single detached residential dwellings; and,

West: Storm water management pond, beyond which is Williams Parkway.

Holding Provision

The subject lands are part of the plan of subdivision (21T-01014B) approved on August 18, 2006. A Holding symbol was included in the zoning for the lands.

The Holding symbol is intended to protect the lands until City Staff, Region and Conservation Authority have confirmed that the storm water management pond serving the development is sufficiently sized and that sanitary sewage capacity is available. Specifically, the Holding symbol, set out in Section F (H)-1299 of the Zoning By-law 270-2004 prohibits the development of the lands until the following is satisfied:

1. The Council of the City of Brampton has received the following confirmation of the final size of the stormwater management pond to the satisfaction of the Commissioner of Planning, Design and Development and the Credit Valley Conservation. Reducing the regional storm control pond to the 100 year storm control pond will not be determined until sign-off has been received from all of the downstream landowners for the post-development Regional Storm floodplain and in the event that sign-off does not occur the sign of the pond will remain as a regional storm control pond;
2. The Council of the City of Brampton has received confirmation of the availability of sanitary sewage capacity from the Region of Peel.

Rationale for Lifting the Holding Provision

The Region of Peel and Credit Valley Conservation Authority have indicated that they have no objection to lift the Holding provision (H). As per the conditions outlined in Zoning

By-law F (H) Section - 1299, the Region and CVCA have provided their written confirmation that the storm water management pond and sanitary service requirements have been met.

The storm water pond has been assumed by the City of Brampton as a regional control pond because confirmation from all downstream landowners was not received to reduce the pond to a 100 year storm control pond. As there has been no reduction in the storm water pond, the conditions of the Holding provision have been met. Therefore, staff recommend approval of this application to amend the Zoning By-law to lift a Holding provision.

Notification and Stakeholder Circulation

Pursuant to the requirements in the *Planning Act*, no statutory public meeting is required in association with an application to remove a “Holding” symbol. Notice informing the public of Council’s intent to lift the “Holding” symbol was provided in a newspaper advertisement in the Brampton Guardian.

Corporate Implications:

Financial Implications:

There are no financial implications identified at this time. Revenue collected through development application fees are accounted for in the approved operating budget.

Other Implications:

There are no other corporate implications identified at this time to the Corporation of the City of Brampton.

2018-2022 Term of Council Direction: A Compass for our Community:

The application is consistent with the “A City of Opportunities” theme. It supports the building of complete communities to accommodate growth for people and jobs. The proposal satisfies this by providing opportunity for efficient growth and quality jobs.

Living the Mosaic – 2040 Vision

This report directly aligns with the vision that Brampton will be a mosaic of complete neighbourhoods and vibrant centres with quality jobs. This report has been prepared in full consideration of the overall vision that the people of Brampton will ‘Live the Mosaic’.

Conclusion:

Staff is satisfied that the requirements for the lifting of the Holding provision have been met. Staff recommends that a by-law be adopted to lift the “Holding” (H) symbol over the subject lands.

 Region of Peel
 64 Degrassi Cove Circle
 City of Brampton
 City File: OZS-2021-0001
 Region File: HOZ-21-001B**

Dear Ms. Jagtiani,

Region of Peel staff have reviewed the above noted H-Removal application consisting of a Site Plan, M-Plan, Site Servicing and Grading Drawings, SWM report, Application and H-Removal Sketch, etc. and have no objection to the lifting of the H and Zoning Bylaw Amendment application.

Please be advised that satisfactory arrangements have been made with the Region of Peel, Public Works Department with respect to condition number '2' as listed below for the property designated F(H)-1299 and municipally known as 64 Degrassi Cover Circle.

2. "The Holding (H) symbol shall not be removed until the Council of the City of Brampton has received confirmation of the availability of sanitary sewage capacity from the Region of Peel"

The applicant is advised that as part of a future Site Plan Application the Region will require, updated plans as well as the most current PINS for the property for review and comment. Additionally, final Site Servicing approval by Region of Peel is required prior to the local municipality issuing Building Permit.

If you have any questions or concerns, please contact me at your earliest convenience at 905-791-7800 ext. 8730, or by email at: abiral.homagain@peelregion.ca

**Re: Application to Amend the Zoning By-law
City File OZS-2021-0001 (CVC File OZ 21/001)
64 Degrassi Cove Circle
Part of Lot 9, Concession 3 WHS
City of Brampton**

Credit Valley Conservation (CVC) staff have had the opportunity to review the above-noted application and the following comments are provided for your consideration.

SITE CHARACTERISTICS:

Although our online mapping indicates that the property is regulated by CVC due to floodplain, CVC has issued permits for watercourse realignments (Tributary 8B and Springbrook Creek) and reviewed and approved stormwater management (SWM) and subdivision design through 21T-01014B. Assuming the works have been completed in accordance with the CVC permit approvals and the approved subdivision design, the subject property would be considered outside the regulated natural hazard.

PROPOSAL:

It is my understanding that the proposal is to remove the "Holding" provision on the zoning to facilitate the development of a single dwelling.

COMMENTS:

CVC staff have previously issued permits 05/011 and 05/057 for creek realignments, and cleared conditions for subdivision 21T-01014B. It is our understanding that the works permitted have been completed. The cover letter from Korsiak (January 8, 2021) also confirms that the subdivision has been registered and sign-off has been provided by the City regarding the design of the SWM pond. As such, CVC has **no objection** to the proposed Zoning by-law Amendment.

I trust that these comments are sufficient. Please do not hesitate to contact the undersigned at trisha.hughes@cvc.ca or 905-670-1615 (ext. 325) should you have any further questions or concerns.

Kind regards,

Trisha Hughes

Subject: Subdivision Release and Assumption

Secondary Title: Orlando Corporation, Registered Plan 43M-1892 - Ward 6 (South of Steeles Avenue, East of Heritage Road) - Planning References – T05W15.002 and 21T-00019B

Contact: John Edwin, Manager, Development Construction, Environment & Development Engineering Services (905-874-2538)

Report Number: Public Works & Engineering-2021-496

Recommendations:

That the report titled: **Subdivision Release and Assumption - Orlando Corporation, Registered Plan 43M-1892 - Ward 6 (South of Steeles Avenue, East of Heritage Road) - Planning References – T05W15.002 and 21T-00019B** to the Council Meeting of June 2, 2021 be received;

1. That all works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1892 (the “Subdivision”) be accepted and assumed;
2. That the Treasurer be authorized to release the securities held by the City; and
3. That a by-law be passed to assume the following street and street widening block as shown on the Registered Plan 43M-1892 as part of the public highway system:

Edgeware Road, Street Widening Block 12 to be part of Heritage Road

Overview:

This report recommends that the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1892 be accepted and assumed.

Background:

City Council, at its meeting of May 27, 2020 approved Committee of Council recommendation CW112-2020, whereby the street and street widening block as shown on the subject Registered Plan are to be assumed by the City, once all departments have provided clearance for assumption by the City.

Current Situation:

City departments have now reviewed the Registered Plan for this subdivision and have provided clearance for assumption.

Corporate Implications:

All City Departments and the Region of Peel have provided clearances for assumption of the Subdivision to the Manager, Development Construction. This subdivision will now be included in the City's list of assets. The City of Brampton will now be fully responsible for on-going maintenance.

Financial Implications:

The annual operating impacts associated with the assumed infrastructure within this subdivision are estimated to be \$3,800.00. There is sufficient funding approved within the Public Works and Engineering operating budget to proceed with the recommendations in this report.

Strategic Plan and Term of Council Priorities:

This report accomplishes the Strategic Plan priorities by supporting the benefits of sustainable growth to build a pre-eminent city with vibrant and connected communities.

Living the Mosaic – 2040 Vision

This report directly aligns with the vision that Brampton will be a mosaic of complete neighbourhoods and sustainable urban places.

Term of Council Priority

This report achieves the Term of Council Priority by highlighting Brampton as a well-run City. We continuously improve the day-to-day operations of the corporation by streamlining service delivery, effectively managing municipal assets, and leveraging partnerships for collaboration and advocacy.

Conclusion:

With approval of this report, the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1892 will be accepted and assumed.

8.3.1 **CW273-2021**

That the order of the agenda for Committee of Council and Council meetings be altered to move Delegations ahead of the Government Relations Matters section, for a trial period of three months.

Carried

8.3.2 **CW274-2021**

Whereas, according to Section 75 of the Highway Traffic Act (HTA), every motor vehicle shall be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and excessive smoke and no person shall use a muffler cut-out, straight exhaust, gutted muffler, Hollywood muffler, by-pass or similar device upon a motor vehicle;

Whereas, the act of modifying the exhaust system of a motor vehicle is not currently an offence under the HTA and as a result, muffler and auto-body shops continue to provide such services which allows individuals to modify cars that lead to unsafe vehicles;

Whereas, Peel Regional Police have been actively laying charges pursuant to Section 75 of the HTA against motor vehicle operators whose vehicles make excessive or unusual noise or produce excessive smoke from the muffler systems that have been modified;

Whereas, on October 28, 2019 the Province of Ontario introduced Bill 132, Better for People, Smarter for Business Act, 2019 which in part sought to amend the HTA to include a new section, 75.1, that will make it an offence to tamper with motor vehicles by (a) removing, bypassing, defeating or rendering inoperative all or part of a motor vehicle's emission control system or (b) modifying a motor or vehicle in any way that results in increased emissions from the level to which it was originally designed or certified by the manufacturer of the motor or vehicle;

Whereas, Section 75.1 of the HTA will also prohibit the sale of tampering devices that can create excessive noise or smoke on our streets and in our neighbourhoods;

Whereas, on December 10, 2019, Bill 132 received royal assent, however the Lieutenant Governor has not yet proclaimed Section 75.1 of the HTA despite more than a year having passed since the bill received was passed and received royal assent;

Whereas, on May 5, 2021 the City of Mississauga passed Resolution 0095-2021 in regard to Provincial action against noisemakers.

Therefore be it resolved:

That in recognition of the continuous problem in Brampton and neighboring municipalities related to modified mufflers that can create excessive or unusual noise and excessive smoke, that Council make an urgent request to the Province of Ontario to have Section 75.1 of the Highway Traffic Act proclaimed and brought into force immediately; and

That a request for a measured decibel count to the Ministry of Transportation that exhaust systems will not be available for sale and will not be permitted in Ontario if they have the capability of exceeding 80 decibels; and

That Council request further amendments to the HTA related to permitted decibel counts for exhaust systems including stricter penalty provisions such as a fine with a minimum of \$500.00 and a loss of three demerit points; and

That Council request the Province of Ontario provide funding to the Police Services in Ontario to be equipped with approved decibel monitor devices in order to enforce effectively and efficiently; and

That a copy of this motion be sent to all Brampton area Members of Provincial Parliament, the Association of Municipalities of Ontario, and Peel Regional Police, and the Insurance Bureau of Canada, for information.

Regional Councillor Dhillon addressed Committee with respect to complaints received from residents regarding excessive noise from motor vehicles due to modifications to muffler/exhaust systems.

A motion was introduced with the following operative clauses:

Therefore be it resolved:

That in recognition of the continuous problem in Brampton and neighboring municipalities related to modified mufflers that can create excessive or unusual noise and excessive smoke, that Council make an urgent request to the Province of Ontario to have Section 75.1 of the Highway Traffic Act proclaimed and brought into force immediately; and

That a request for a measured decibel count to the Ministry of Transportation that exhaust systems will not be available for sale and will not be permitted in Ontario if they have the capability of exceeding 80 decibels; and

That Council request further amendments to the HTA related to permitted decibel counts for exhaust systems including stricter penalty provisions such as a fine with a minimum of \$500.00 and a loss of three demerit points; and

That Council request the Province of Ontario provide funding to the Police Services in Ontario to be equipped with approved decibel monitor devices in order to enforce effectively and efficiently; and

That a copy of this motion be sent to all Brampton area Members of Provincial Parliament, the Association of Municipalities of Ontario, and Peel Regional Police, and the Insurance Bureau of Canada, for information.

Committee discussion on this matter included the following:

- Similar motion passed by the City of Mississauga
- Complaints received from residents regarding this issue and the impact on quality of life
- Efforts by Peel Regional Police to address this issue, including a collaboration with the Insurance Bureau of Canada

An amendment to the motion was introduced and accepted by the mover to add the words "and the Insurance Bureau of Canada" to the last clause of the motion.

The following motion was considered.

CW274-2021

Whereas, according to Section 75 of the Highway Traffic Act (HTA), every motor vehicle shall be equipped with a muffler in good working order and in constant operation to prevent excessive or unusual noise and excessive smoke and no person shall use a muffler cut-out, straight exhaust, gutted muffler, Hollywood muffler, by-pass or similar device upon a motor vehicle;

Whereas, the act of modifying the exhaust system of a motor vehicle is not currently an offence under the HTA and as a result, muffler and auto-body shops continue to provide such services which allows individuals to modify cars that lead to unsafe vehicles;

Whereas, Peel Regional Police have been actively laying charges pursuant to Section 75 of the HTA against motor vehicle operators whose vehicles make excessive or unusual noise or produce excessive smoke from the muffler systems that have been modified;

Whereas, on October 28, 2019 the Province of Ontario introduced Bill 132, Better for People, Smarter for Business Act, 2019 which in part sought to amend the HTA to include a new section, 75.1, that will make it an offence to tamper with motor vehicles by (a) removing, bypassing, defeating or rendering inoperative all or part of a motor vehicle's emission control system or (b) modifying a motor or vehicle in any way that results in increased emissions from the level to which it was originally designed or certified by the manufacturer of the motor or vehicle;

Whereas, Section 75.1 of the HTA will also prohibit the sale of tampering devices that can create excessive noise or smoke on our streets and in our neighbourhoods;

Whereas, on December 10, 2019, Bill 132 received royal assent, however the Lieutenant Governor has not yet proclaimed Section 75.1 of the HTA despite more than a year having passed since the bill received was passed and received royal assent;

Whereas, on May 5, 2021 the City of Mississauga passed Resolution 0095-2021 in regard to Provincial action against noisemakers.

Therefore be it resolved:

That in recognition of the continuous problem in Brampton and neighboring municipalities related to modified mufflers that can create excessive or unusual noise and excessive smoke, that Council make an urgent request to the Province of Ontario to have Section 75.1 of the Highway Traffic Act proclaimed and brought into force immediately; and

That a request for a measured decibel count to the Ministry of Transportation that exhaust systems will not be available for sale and will not be permitted in Ontario if they have the capability of exceeding 80 decibels; and

That Council request further amendments to the HTA related to permitted decibel counts for exhaust systems including stricter penalty provisions such as a fine with a minimum of \$500.00 and a loss of three demerit points; and

That Council request the Province of Ontario provide funding to the Police Services in Ontario to be equipped with approved decibel monitor devices in order to enforce effectively and efficiently; and

That a copy of this motion be sent to all Brampton area Members of Provincial Parliament, the Association of Municipalities of Ontario, and Peel Regional Police, and the Insurance Bureau of Canada, for information.

APPENDIX: LAND EXCHANGE PARCELS

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number _____ - 2021

To Appoint Municipal By-law Enforcement Officers
and to Repeal By-law 116-2021

WHEREAS subsection 8(1) of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, provides that the powers of a municipality under the *Municipal Act, 2001* or any other Act shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality's ability to respond to municipal issues;

AND WHEREAS section 15 of the *Police Services Act*, R.S.O. 1990, c. P.15, as amended, authorizes a municipal council to appoint Municipal Law Enforcement Officers, who shall be peace officers for the purpose of enforcing municipal by-laws;

NOW THEREFORE the Council of The Corporation of the City of Brampton ENACTS as follows:

1. The persons named in **Schedule I** attached hereto are hereby appointed as Municipal Law Enforcement Officers for The Corporation of the City of Brampton.
2. A municipal law enforcement officer appointed by this By-law may enter on land at any reasonable time for the purpose of carrying out an inspection to determine whether or not the following are being complied with:
 - (a) a by-law of The Corporation of the City of Brampton passed under the *Municipal Act, 2001*, as amended;
 - (b) a direction or order of The Corporation of the City of Brampton made under the *Municipal Act, 2001*, as amended, or made under a by-law;
 - (c) a condition of a licence issued under a by-law; or
 - (d) an order made under section 431 of the *Municipal Act, 2001*, as amended.
3. A municipal law enforcement officer exercising a power of entry may:
 - (a) require production for inspection of documents or things relevant to the inspection;
 - (b) inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;

- (c) require information from any person concerning a matter related to the inspection; and
 - (d) alone or in conjunction with a person possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purposes of the inspection.
4. Subject to section 5, this By-law prevails to the extent of any conflict between this By-law and any other by-law of The Corporation of the City of Brampton.
5. This by-law does not restrict any rights conferred by the *Municipal Act, 2001*, as amended, or any other Act or regulation, respecting entry to land.
6. By-law 116-2021 is hereby repealed.

ENACTED and PASSED this 2nd day of June, 2021.

WHEREAS subsection 8(1) of the *Municipal Act, 2001*, S.O. - 2001, c. 25, as amended, provides that the powers of a municipality under the *Municipal Act, 2001* or any other Act shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality's ability to respond to municipal issues;

WHEREAS section 15 of the *Police Services Act*, R.S.O. 1990, c.P.15, authorizes the appointment of Municipal Law Enforcement Officers who shall be peace officers for the purposes of enforcing the by-laws of The Corporation of the City of Brampton;

NOW THEREFORE the Council of The Corporation of the City of Brampton ENACTS as follows:

1. The persons named in Column 1 of Schedule A to this By-law are hereby appointed as Municipal Law Enforcement Officers for the purpose of By-law 93-93, as amended, but only in respect of the corresponding properties named and identified in Column 2 of Schedule A to this By-law. Where no municipal address is set out in Column 2 the said officers may enforce By-law 93-93, as amended in respect of all the properties located upon the streets listed in Column 2.
2. In enforcing By-law 93-93, as amended, a Municipal Law Enforcement Officer appointed under this By-law may only take the actions authorized by sections 46, 47, 48 and 55 but not including subsection 55(1) of By-law 93-93, as amended.
3. A municipal law enforcement officer appointed by this By-law may enter on the land identified in Column 2 of Schedule A to this By-law at any reasonable time for the purpose of carrying out an inspection to determine whether or not sections 46, 47, 48 and 55 but not including subsection 55(1) of By-law 93-93 of The Corporation of the City of Brampton is being complied with.

- 4. Subject to section 5, this By-law prevails to the extent of any conflict between this By-law and any other by-law of The Corporation of the City of Brampton.
- 5. This by-law does not restrict any rights conferred by the *Municipal Act, 2001* or any other Act or regulation, respecting entry to land.
- 6. By-law 91-2021 is hereby repealed.
