A motion was introduced with the following operative clauses:

Therefore Be It Resolved that the Mayor of the City of Brampton send a letter on behalf of Council with a copy of this resolution to the Hon. Steve Clark (Minister of Municipal Affairs and Housing), requesting that section 16 of the Ontario Building Code Act be amended to allow inspectors to enter into

dwelling to ensure compliance with the Act where the inspector has reasonable grounds to believe that construction has or is taking place within the dwelling for the purpose of creating an additional rentable occupancy space, without a permit.

Further, a copy of the letter be sent to the Premier of Ontario, the Solicitor General of Ontario and Members of Peel Regional Council.

Committee discussion on this matter included a suggestion that the letter referenced in the motion be comprehensive and include other elements/requests relating to second units.

### **CW232-2020**

That the following motion be referred to staff (Chief Building Official and Enforcement and By-Law Services) to identify additional compliance and enforcement mechanisms regarding secondary units and report back with a draft letter for consideration:

Whereas the City of Brampton's Building and Enforcement staff have received a number of complaints regarding property owners who may be

converting a house from a single family dwelling to a multi-unit dwelling, without a permit, but have experienced difficulty obtaining entry to carry out inspections;

Whereas these conversions and renovation projects are potentially putting occupants at risk due to poor construction or contravention of the fire code;

Whereas there is a prevalence in illegal construction activities across the City of Brampton in recent years;

Whereas according to section 12 of the *Ontario Building Code Act* (the “*Act*”), an inspector may enter upon land and into buildings at any reasonable time without a warrant for the purpose of inspecting the building or site to determine whether or not the *Act* and the *Building Code* have been complied with and, if contraventions are found, may make orders directing compliance;

Whereas according to section 16 of the *Act*, an inspector shall not enter or remain in any room or place actually being used as a dwelling without consent of the occupier, notwithstanding the section 12 right of entry;

Whereas there are instances where Building and Enforcement staff require access into a dwelling to determine whether the *Act* and *Building Code* are being complied with;

Whereas the City’s Building and Enforcement staff are mindful of the privacy rights of residents related to dwellings but also understand that there are examples where access into dwellings is justified as set out in the exemptions described in section 16 of the *Act*; and

Whereas City Councillor Jeff Bowman has written and spoken to the Premier of Ontario, the Minister of Municipal Affairs and Housing and to the Solicitor General over the past two years, with no response or commitment to action from the Province;

Therefore Be It Resolved That the Mayor of the City of Brampton send a letter on behalf of Council with a copy of this resolution to the Hon. Steve Clark (Minister of Municipal Affairs and Housing), requesting that section 16 of the *Ontario Building Code Act* be amended to allow inspectors to enter into dwellings to ensure compliance with the *Act* where the inspector has reasonable grounds to believe that construction has or is taking place within the dwelling for the purpose of creating an additional rentable occupancy space, without a permit; and

Further, a copy of the letter be sent to the Premier of Ontario, the Solicitor General of Ontario and Members of Peel Regional Council.

In addition, Councillor Medeiros provided information on the services provided by the Peel Islamic Cultural Center to the Brampton community.

The following motion was considered.

**CW233-2020**

Whereas the Peel Islamic Cultural Center is a non-profit, non-political, charitable, and religious organization dedicated to the education and welfare of the Muslim community and;

Whereas the Peel Islamic Cultural Center participates in community safety initiatives and engages with youth in a meaningful way, and have contributed to Brampton's community, economy, and cultural fabric and;

Whereas the Peel Islamic Cultural Center has supported Brampton during the COVID-19 pandemic by providing residents with care packages, food, essential items, tools and social support for those who are isolated and;

Whereas the Peel Islamic Cultural Center is in the process of building a mosque which will include youth and recreational programs and;

Whereas the Peel Islamic Cultural Centre cannot proceed with a City building permit until they satisfy the Regional Development Charge component, in order to satisfy this component a payment or deferral agreement is required and;

Whereas the Region of Peel requires a Letter of Credit from The Peel Islamic Cultural Center in order to enter into a deferral agreement for the payment of the regional development charges, as per the Regional Development Charge bylaw and;

Whereas The Region of Peel can accept a Letter of Credit for this project from a third party, such as the City of Brampton
