The following motion was passed at the March 24, 2022 Brampton Community Safety Meeting:

**BCS005-2022**

That the item be deferred to the June 23, 2022 meeting of the Brampton Community Safety Advisory Committee.

Council amended and approved the motion in April as follows:

**C104-2022**

1. That the delegation from Pete Danos, Inspector, Road Safety Services, Peel Regional Police, re. **Item 12.3 (Committee of Council Recommendation CW162-2022) and Item 13.2 – Establishment of a Road Safety Committee**, to the Council Meeting of April 20, 2022, be received;

That the **Minutes of the Brampton Community Safety Advisory Committee Meeting of March 24, 2022**, to the Committee of Council Meeting of April 20, 2022, Recommendations BCS001-2022 to BCS006-2022 be approved as published and circulated, subject to the following amendment to Recommendation BCS005-2022:

**To delete** Recommendation BCS005-2022 and replace with the following:

**Whereas** the City of Brampton continues to experience injury related and fatal collisions amongst road users.

**Whereas** Vision Zero can be summarized in one sentence: No loss of life is acceptable.

**Whereas** in June 2019 the City of Brampton Council adopted the Vision Zero framework as the foundation to ensuring that our roads are safe for all that use them through a data-driven effort by prioritizing emphasis areas, coordinating with partners and stakeholders to improve road safety and implementing new or expanded safety countermeasures.

**Whereas** in September 2020 the City of Brampton Council implemented the use of Automated Speed Enforcement (ASE) cameras to decrease speeding in all community safety zones.

**Whereas** on December 10, 2020 the City of Brampton Community Safety Advisory Committee established a Road Safety Advisory Sub-Committee to address traffic related fatalities and speeding.

**Whereas** despite efforts to reduce speeding and traffic related collisions the Region of Peel is still reporting a substantial number of traffic related collisions on our Brampton roads.

**Whereas** the City of Mississauga currently has a Council appointed committee to address road safety issues and the City of Brampton does not.

**Whereas** a Brampton Road Safety Committee will align core goals and mission with the Vision Zero Task Force and the Regional Community Safety and Well-Being framework.

**Therefore be it resolved** that Council establish a Brampton Road Safety Advisory Committee, composed primarily of citizen-appointees, to begin for the new term of Council in 2022;
