15. **Notices of Motion**

15.1. Notice of Motion – October, 2022 Municipal Elections

Moved by Regional Councillor Palleschi

Seconded by City Councillor Singh

Whereas the Province of Ontario has determined Monday October 24, 2022 as the day for Municipal Elections in Ontario

Whereas Monday October 24, 2022 is the day that Hindus and Sikhs across the province will be celebrating Diwali and Bandi Chhor Divas, religious holidays of East Indian origin

Whereas Brampton has a total population of more than 700, 000 residents

Whereas according to the 2016 census, Brampton is comprised of 197, 360 residents of East Indian Origin, including Hindus and Sikhs

Whereas there were 313 273 eligible voters in Brampton's 2018 Municipal Elections

Whereas Section 9.1(6) of the Election Act pertaining to the Provincial elections specifies the following:

Alternate day

(6) If the Chief Electoral Officer is of the opinion that a Thursday that would otherwise be polling day is not suitable for that purpose because it is a day of cultural or religious significance, the Chief Electoral Officer shall choose another day in accordance with subsection (7) and recommend to the Lieutenant Governor in Council that polling day should be that other day, and the Lieutenant Governor in Council may make an order to that effect. 2005, c. 35, s. 1 (3); 2007, c. 15, s. 40 (1).

Therefore be it resolved that

- the same provision in place for election days that fall on cultural or religious significance at the Provincial level, be applied at the Municipal level
- Brampton City Council submit a request to the Provincial government to change the Election date from Monday October 24, 2022 to an alternative date that does not fall on a religious holiday celebrated widely by residents of Brampton

15.2. Notice of Motion – Mandatory Municipal Act Training

Moved by Regional Councillor Palleschi
Seconded by Regional Councillor Santos

WHEREAS The authority of municipal government in Ontario is established by the Municipal Act, 2001

WHEREAS The Municipal Act, 2001 permits the provincial government to create municipal corporations that are bound by federal and provincial rules

WHEREAS The Municipal Act, 2001 sets out rules for Ontario Municipalities and recognizes them as a responsible and accountable level of government

WHEREAS The Act gives municipalities broad powers to pass bylaws and govern within their jurisdiction

WHEREAS The Act also outlines requirements for municipalities including practices and procedures, accountability and transparency, and finance

WHEREAS Members of Council at the City of Brampton are bound to the Municipal Act, 2001 when elected into their roles

WHEREAS Council members are bound by policies and procedures as set out by the Municipal Act, 2001

WHEREAS Recent Council decisions have been in contravention of the Municipal Act, 2001, lacking accountability, transparency and a disregard for existing policies and procedures

WHEREAS It is the responsibility of elected representatives to maintain the rule of law and correct systemic flaws and avoid repeating mistakes

THEREFORE BE IT RESOLVED THAT All Council members take mandatory Municipal Act training at the start of the Council term

THAT All Council members take a mandatory Municipal Act training review annually to ensure they are up-to-date on practices, procedures, accountability and transparency so that they may fulfill their roles to the best of their abilities

AND FURTHER THAT upon completion of mandatory training, Council members sign a pledge confirming their commitment to honour the Municipal Act, 2001

5. Reports/Business Matters

5.1 Forensic Audit scope and update

City Councillor Bowman outlined the purpose of this agenda item.

Council discussion took place with respect to the potential need for Closed Session consideration of this matter.

Sameer Akhtar, City Solicitor, noted the Open Meeting exception for Closed Session consideration of this matter. Mr. Akhtar also provided his advice that there is a legal component to Item 5.2, and that Closed Session consideration should be given to this item as well.

Council agreed to Closed Session consideration of Item 5.1 only, and Item 7.1 was added for this purpose.

The following motion was considered.

C164-2022

Moved by Regional Councillor Fortini

Seconded by Regional Councillor Medeiros

That Council proceed into closed session to discuss matters pertaining to the following:

7.1. Open Session meeting exception under Section 239 (2) (k) and (b) of the Municipal Act, 2001:

A position, plan, procedure, criteria or instruction to be applied to any negotiations carried on or to be carried on by or on behalf of the municipality or local board; and, personal matters about an identifiable individual, including municipal or local board employees - re. Item 5.1.

Carried

Note: In Open Session, Peter Fay, City Clerk, reported on the status of matters considered in Closed Session, as follows:

Item 7.1 – this item was considered in Closed Session, information was received, and no direction was given to staff

The following motion, moved by City Councillor Bowman and seconded by Regional Councillor Dhillon, was introduced.

1. That Council authorize all closed session meeting records including audio tapes specific to the Brampton U file to be made available to the Forensic Audit Team upon request;
2. That Council direct the Chief Administrative Officer to write an e-mail and directly communicate during the next scheduled Corporate Leadership Team (CLT) meeting, to all Commissioners and Directors advising them of the Forensic Audit and directing them and their reports to grant full and open access to any and all records in regards to Brampton U requested by the Forensic Audit Team; and
3. That participation in good faith by any employee or former employee of the City of Brampton in the investigation shall not be deemed to be a breach of any employment or post-employment agreement that applies to such person.

An amendment was proposed and accepted by the mover to add “or designate” to Clause 2 after “the Chief Administrative Officer”.

Council consideration of the motion included

- review of Council’s May 18, 2022 Resolution C152-2022 regarding a financial forensic audit of the BramptonU file
- questions about the process undertaken by the CAO and the Steering Committee subsequent to the May 18, 2022 Council meeting, and details from the CAO in response
- concerns that the involvement of Steering Committee Members in the process was not within the spirit of Council’s May 18th resolution

During Council’s consideration of the motion, a Point of Order was raised by City Councillor Bowman, for which the Deputy Mayor gave leave.

City Councillor Bowman provided his understanding of Clause 4 of Council Resolution C152-2022, outlined the steps taken by the CAO and the Steering

Committee Members, and questioned whether the resolution restricted such actions.

A procedural motion to Call the Question was introduced by Regional Councillor Dhillon.

A recorded vote was requested on the motion to Call the Question, with the results as follows:

Yea (6): City Councillor Whillans, City Councillor Bowman, Regional Councillor Medeiros, City Councillor Williams, Regional Councillor Fortini, and Regional Councillor Dhillon

Nay (5): Regional Councillor Santos, Regional Councillor Vicente, City Councillor Singh, Mayor Brown and Regional Councillor Palleschi

Absent (0)

The motion carried 6 to 5

Following the vote on the motion to Call the Question and in accordance with the Procedure By-law, Members who had not spoken on this matter were given the opportunity to do so.

Further Council consideration of the motion included a reiteration of concerns about the involvement of Steering Committee Members in the process, varying opinions on the spirit of Council Resolution C152-2022, and comments in support of and in opposition to Councillor Bowman's motion.

At the request of Council, the City Clerk provided his advice as it relates to the content of Council Resolution C152-2022.

During Council's consideration of this matter, a number of Points of Order were raised. Mayor Brown gave leave for some of the Points or Order and not for others.

Members who raised the Points of Order for which the Mayor gave leave, outlined comments and concerns relating to topics and opinions expressed during Council's consideration.

C165-2022

Moved by City Councillor Bowman

Seconded by Regional Councillor Dhillon

1. That Council authorize all closed session meeting records including audio tapes specific to the Brampton U file to be made available to the Forensic Audit Team upon request;

2. That Council direct the Chief Administrative Officer, or designate, to write an e-mail and directly communicate during the next scheduled Corporate Leadership Team (CLT) meeting, to all Commissioners and Directors advising them of the Forensic Audit and directing them and their reports to grant full and open access to any and all records in regards to Brampton U requested by the Forensic Audit Team; and

3. That participation in good faith by any employee or former employee of the City of Brampton in the investigation shall not be deemed to be a breach of any employment or post-employment agreement that applies to such person.

A recorded vote was taken on Councillor Bowman's motion, as amended, with the results as follows.

Yea (6): City Councillor Whillans, City Councillor Bowman, Regional Councillor Medeiros, City Councillor Williams, Regional Councillor Fortini, and Regional Councillor Dhillon

Nay (5): Mayor Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Palleschi, and City Councillor Singh

Carried (6 to 5)

5.2 Potential Councillor replacement due to provincial election

The following motion, moved by Regional Councillor Fortini and seconded by City Councillor Bowman, was introduced:

Whereas Brampton taxpayers elect a city and a regional councillor in their Wards;

Whereas representative continuity is important and expected to ensure responsible oversight and stewardship from the beginning to the end of the elected term of office;

Whereas there exists the potential for a city councillor seat vacancy prior to the end of the 2018-2022 term of office for Wards 7&8;

Therefore be it resolved that, in the event the Wards 7&8 City Councillor position becomes vacant, that former City and Regional Councillor Elaine Moore be appointed to fill the position until the end of the term of office.

Councillor Fortini outlined amendments to the operative clause of the motion, such that the clause read as follows:

Therefore be it resolved that, in the event the Wards 7&8 City Councillor position becomes vacant, that former City and Regional Councillor Elaine Moore be appointed to fill the position until the end of the term of office, and that such appointment be effective upon the declaration of vacancy of the said seat.

Council consideration of the motion included concerns about potential violations of the Municipal Act and the Municipal Elections Act by appointing a Councillor in advance of a seat being declared vacant.

In response to questions from Council, Peter Fay, City Clerk outlined the provisions of the Municipal Act and Municipal Elections Act as they relate to filling a vacant seat on Council.

In response to a request from Council, Sameer Akhtar, City Solicitor, indicated his preference to provide advice on this matter in Closed Session, and noted that should Council choose to hear his advice in Open Session it could prejudice the privilege of the advice. Mr. Akhtar responded to questions from Council.

The following motion was introduced by City Councillor Singh. As the motion was procedural in nature, a seconder was not required.

C166-2022

Moved by City Councillor Singh

That Council proceed into Closed Session to receive under Section 239 (2) (f) of the Municipal Act advice that his subject to solicitor-client privilege, including communications necessary for that purpose in regard to Item 5.2

A recorded vote was requested and the motion lost as follows.

Yea (4): Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Palleschi, and City Councillor Singh

Nay (7): Mayor Patrick Brown, City Councillor Whillans, City Councillor Bowman, Regional Councillor Medeiros, City Councillor Williams, Regional Councillor Fortini, and Regional Councillor Dhillon

Lost (7 to 4)

A motion, moved by Councillor Singh, was introduced to refer Councillor Fortini's motion to staff for the acquisition of a third-party legal opinion, and a report back thereon to Council. As the motion was procedural in nature, a seconder was not required.

In response to a request for clarification from staff, Councillor Singh clarified that the staff referral would be to both the City Solicitor and City Clerk for acquisition of a third-party legal opinion. Staff requested that the referral be directed to just one party and Councillor Singh amended his motion to direct the referral to the City Clerk.

The motion, as amended, read as follows.

That the item be referred to staff for the acquisition of a third-party legal opinion, to be obtained by the Office of the City Clerk, and a report back thereon to Council.

C167-2022

Moved by City Councillor Singh

That the item be referred to staff for the acquisition of a third-party legal opinion, to be obtained by the Office of the City Clerk, and a report back thereon to Council.

“Moved by Regional Councillor Fortini

Seconded by City Councillor Bowman

Whereas Brampton taxpayers elect a city and a regional councillor in their Wards;

Whereas representative continuity is important and expected to ensure responsible oversight and stewardship from the beginning to the end of the elected term of office;

Whereas there exists the potential for a city councillor seat vacancy prior to the end of the 2018-2022 term of office for Wards 7&8;

Therefore be it resolved that, in the event the Wards 7&8 City Councillor position becomes vacant, that former City and Regional Councillor Elaine Moore be appointed to fill the position until the end of the term of office, and that such appointment be effective upon the declaration of vacancy of the said seat.”

A recorded vote was requested on the referral motion, with the results as follows.

Yea (5): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Palleschi, and City Councillor Singh

Nay (6): City Councillor Whillans, City Councillor Bowman, Regional Councillor Medeiros, City Councillor Williams, Regional Councillor Fortini, and Regional Councillor Dhillon

Lost (6 to 5)

Members of Council outlined comments in support of and in opposition to Councillor Fortini's motion.

In response to questions from Council, the City Clerk indicated that he conferred with a number of Municipal Clerks across the Province and no example was found where a Council took action before a seat had been declared vacant.

At the request of Mayor Brown, the City Clerk provided advice on and outlined the provisions of the Procedure By-law as they relate introducing a motion to defer after speaking to the main motion.

A motion to Call the Question was introduced by Regional Councillor Dhillon. As there were no objections, the motion was deemed to have carried. In accordance with the Procedure By-law, Members who had not spoken on this matter were given the opportunity to do so.

During Council's consideration of this matter, a number of Points of Order and Points of Personal Privilege were raised. Mayor Brown gave leave for some of the Points of Order and Points of Personal Privilege, and not for others.

Members who raised the Points of Order and Points of Personal Privilege for which the Mayor gave leave, outlined comments and concerns relating to topics and opinions expressed during Council's consideration.

An amendment was introduced by City Councillor Bowman and accepted by the mover to add "subject to her declaration of consent being provided to the City Clerk" to the operative clause after "position becomes vacant".

The main motion, as amended, was considered as follows.

C168-2022

Moved by Regional Councillor Fortini

Seconded by City Councillor Bowman

Whereas Brampton taxpayers elect a city and a regional councillor in their Wards;

Whereas representative continuity is important and expected to ensure responsible oversight and stewardship from the beginning to the end of the elected term of office;

Whereas there exists the potential for a city councillor seat vacancy prior to the end of the 2018-2022 term of office for Wards 7&8;

Therefore be it resolved that, in the event the Wards 7&8 City Councillor position becomes vacant, that former City and Regional Councillor Elaine Moore, subject to her declaration of consent being provided to the City Clerk, be appointed to fill the position until the end of the term of office, and that such appointment be effective upon the declaration of vacancy of the said seat.

A recorded vote was requested and the motion carried as follows.

Yea (6): City Councillor Whillans, City Councillor Bowman, Regional Councillor Medeiros, City Councillor Williams, Regional Councillor Fortini, and Regional Councillor Dhillon

Nay (5): Mayor Patrick Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Palleschi, and City Councillor Singh

Note: Councillor Palleschi refused to vote on the motion, and therefore the Councillor's vote was recorded in the negative.

Carried (6 to 5)

Provincial increased density orders from on high

Doug Ford wants Municipalities to increase housing density to house new Canadian workers and grow the economy

John Tory states that we should do that without fundamentally altering the established character of neighbourhoods

Tory - High-rise development should be around public transport hubs: Downtown Brampton, Mount Pleasant and Shoppers World

Queen Street West beyond Chinguacousy is not a Brampton Rapid Transit corridor? Heritage Heights might change things but that is a long way off!

Tory – Don't upset stable neighbourhoods with bad planning!

Credit Valley Residents Association - 2022

We are strongly opposed to High Rise and high density developments along Queen Street West around Spring Brook Area

We advocate for up-scale executive housing development in Brampton, because:

Provincial increased density orders?

Peep Memorial Hosp. is to finally get a 250 bed wing and 24/7 ER dept.

MDA considering a new facility on Mississauga Road

You have an upscale housing area here for doctors and aerospace engineers, who are highly educated and have high incomes and want 3 car garage homes

This CVRA is the upscale area with currently 1200 homes and 95% of these homes have 3 car garages!

Councillors: You hold the decision making going forward! If you use your common sense, is the planning dept. providing you with solid justification from the 10,00 feet perspective or looking at individual applications?

Where is economic development in this - Brampton ...?

Provincial increased density orders

The residents of these wards elected you councillors to represent them, listen to their concerns, listen to their logic and use your common sense and oversight to balance the top down pressure from above

Look at all the petitions that we sent you in the Fall of 2021!

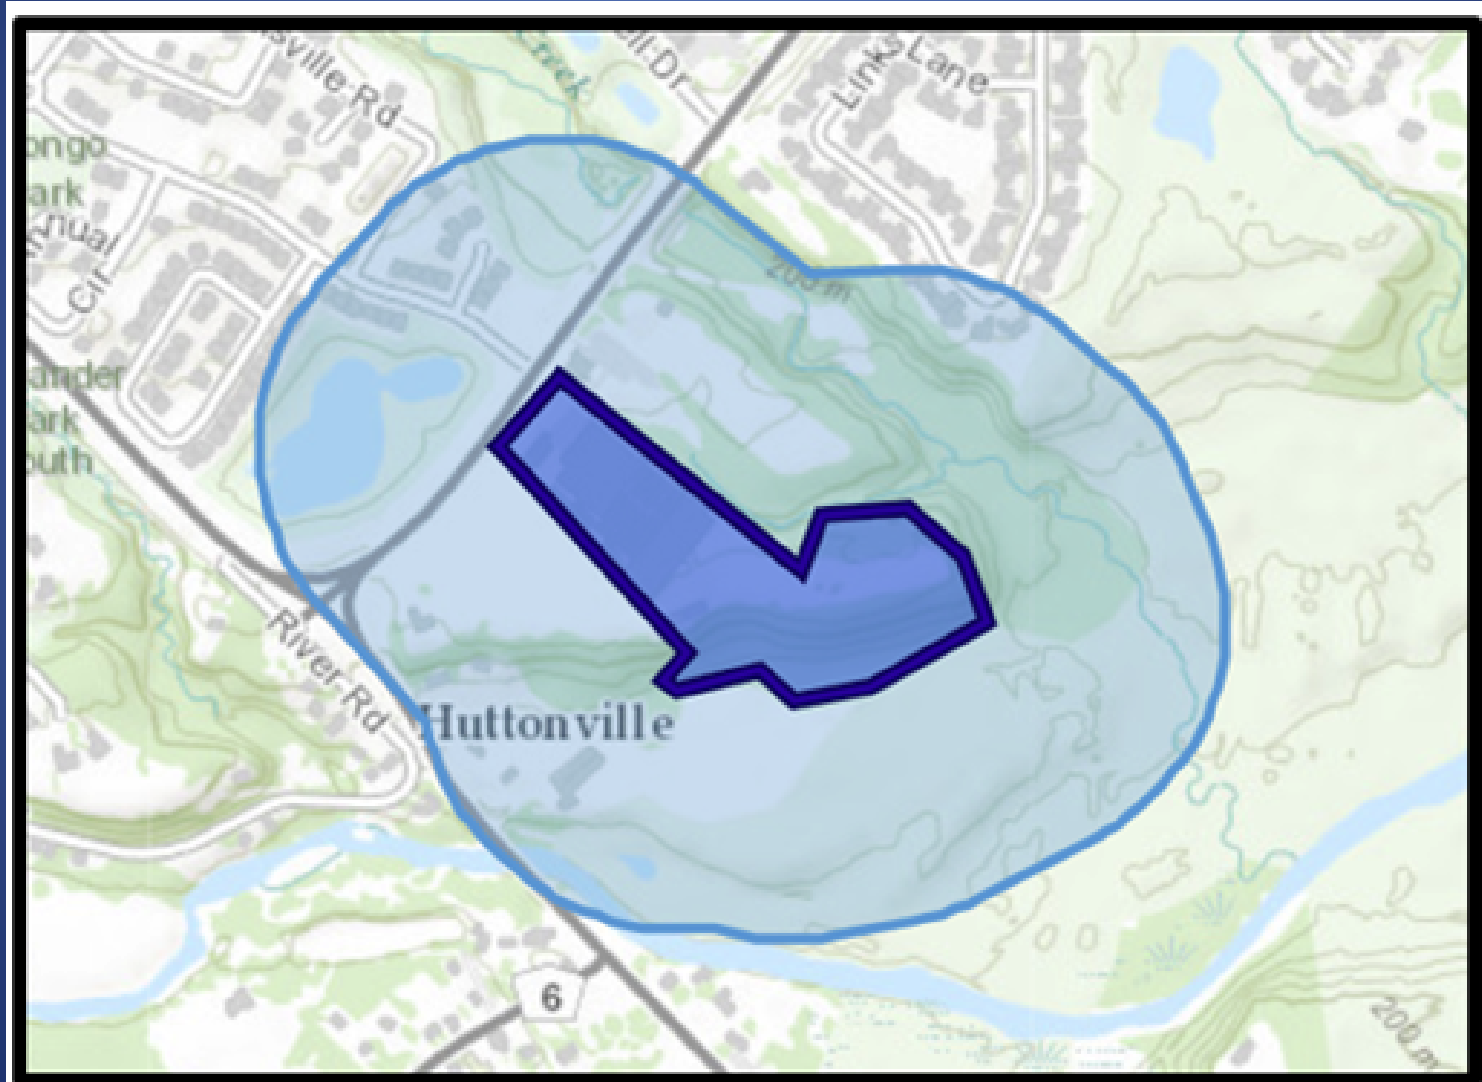

Look at the delegations presented on June 9th and June 20th!

The CVRA is engaged with the planning company we used in 2000!

We have lawyers identified to guide us through the OLT process

We are talking to new candidates for the October 2022 election

Mocon Greenhouses notification area 2021

Provincial increased density orders

Three suggestions to Council:

Sit with your planners, add economic development (if they still exist in Brampton?) and look at the whole picture, not individual pieces of land!

Invite a hand full of CVRA residents (concerned citizens in Brampton!) & meet with planning on other workable solutions to Queen Street

Then have this group meet with individual developer/landowners and look for a solution that works for everyone without the delay and expense of the OLT

Brampton Votes 2022, Monday October 24, 2022 – your choice!

CVRA against high density development
on Queen Street W. around Spring Brook

Thank You

Dear sir,

I strongly oppose changing the zoning of the "Historic Hamlet of Springbrook" & Queen Street West in
Wards 4, 5 and 6. This area is totally unsuitable for high density high rise development.

Sincerely,

Amrik Singh Ahluwalia

**“Historic Hamlet of Springbrook”
&
Queen Street West in Wards 4, 5 and 6**

July 22, 2019

Thank you, Mayor and Councillors for your time.

- HIGH DENSITY in this hamlet makes a mockery of your Development Guidelines
- HIGH DENSITY will destroy the rural setting of the Springbrook Hamlet
- HIGH DENSITY will irreversibly harm the ecology
- HIGH DENSITY will cause traffic congestion not envisaged because the combined effect of ALL the developments has not been assessed
- Consultation process has lacked transparency; checked the box but totally missed the intent of the process

You have seen dozens of presentations **Opposing HIGH DENSITY / HIGH-RISE Development** in this area

Several of your constituents have personally told you, before and today that they **OPPOSE HIGH DENSITY / HIGH-RISE Development** in this Hamlet.

Hundreds of your constituents have sent you **Petitions OPPOSING HIGH DENSITY / HIGH-RISE Development** here.

Who are you Accountable to, Mr. Mayor and Councillors? I suggest the residents. They are telling you repeatedly and loudly that you should **REJECT HIGH DENSITY / HIGH-RISE Development** in the “Historic Hamlet of Springbrook” and Queen Street West in Wards 4, 5 and 6.

If you don't listen to the residents, who do you listen to?

Is Integrity, Accountability and Transparency important to you?

Then

**You must Reject HIGH DENSITY / HIGH-RISE Development in the
“Historic Hamlet of Springbrook” and Queen Street West
In Wards 4, 5 and 6 TODAY.**

Respectfully,

Amrik Ahluwalia

What We Have Here

Is a Failure to Communicate

There have been many Public Meetings, Garage Meetings, Local Gatherings and Petitions Submitted, where collectively Thousands of signatures have been gathered

Our Residents are discouraged and believe that
No One in our City Council is Listening or Cares

At the Marathon Public Meeting on June 20th

Many presentations were delivered by our disgruntled residential delegates, who passionately delivered a unified message to Brampton City Council.

Reject “High Density – High-Rise Development”

**To save our beautiful
Historic Hamlet of Springbrook and
Queen Street West Lands, In Wards 4, 5 and 6**

The Chairman of that meeting, Councillor Medeiros repeatedly stated, City Council does not have the authority to turn down an application

As City Staff have the responsibility to review and submit all applications (supposedly) suitable to City Council for their approval

Then who Communicates and Protects Our Residents Best Interests during this process?

Applications that are accepted by City Staff are not communicated adequately to our Local Residents

This was confirmed at that meeting when City Staff advised that when considering an application the **Planning Act** is their only guideline to inform Local Residents of an application and then Published it in the **Brampton Guardian**

The Notification rules set out in the **Planning Act** are not adequate enough and could be manipulated to suit **Developer's Applications**

Those rules are a detriment to Local Residents, as Notifications could be restricted, to only apply to the fewest number of Residents possible, or **None At All**

Which has been the Case...Why?

This causes considerable harm to our unsuspecting Residents who have not been adequately informed

We live in a world of Internet Communication
most Local Residents are technically savvy
but don't read or receive the **Brampton Guardian**

The City of Brampton appears **Antiquated** and are
Unsympathetic to our Residents Best Interests

We Feel Blindsided

As there is No Transparency

The following is an excerpt from the City of Brampton
Springbrook Design Guidelines
from January 2008

Then further reviewed by City Council on

Original Development Guidelines for Springbrook

- The Development Guidelines for Springbrook specify “a selection of upscale traditional architectural styles derived from the classical periods of architecture (Georgian, Tudor, Victorian, French Eclectic, etc.) will be promoted to generate visually appealing streetscapes”

- It further provides that “the design of each building should have distinguishing elements characteristic of a single identifiable architectural style...and that...incompatible styles in close proximity to each other shall be avoided” achieving a consistent level of design quality

PUBLIC MEETING

March 4, 2019

Vice-Chair - Regional Councillor: Pat Fortini

Future Land Use Guidelines from 2019

- In January 2019, the City used tax payer money to retain consultant WSP Canada Group Ltd to guide future land use and development proposals within the Springbrook Settlement Area

- The Brampton Staff Report that was shared at a Council Meeting on **March 4, 2019** indicated the **Consultants** recommended and **City Planners** supported the following:
 - Low Density development
 - Hamlet Residential development
 - Hamlet Mixed-Use which consists of at-grade commercial development that frames the streetscape

- The report recommended that when it came to the segment of **Queen Street West**, redevelopment within the **Springbrook Settlement Area** should be compatible with the existing rural uses within the hamlet

IN CLOSING

**Why did these Zoning Guidelines
Change Without our Knowledge?**

Contact: Shawnica Hans, Program Manager, Elections, City Clerk's Office, 905.874.3481, shawnica.hans@brampton.ca

Report Number: Legislative Services-2022-620

Recommendations:

1. That the report re: **Declaration of Vacant Council Office under Section 262(1) of the *Municipal Act, 2001***, to the City Council Meeting of June 15, 2022, be received;
2. That as a result of City Councillor Charmaine Williams being elected to the provincial assembly as a Member of Provincial Parliament on June 2, 2022, and her resignation filed with the Clerk (effective June 8, 2022, at 11:59 pm), Brampton City Council, in accordance with Section 262(1) of the *Municipal Act, 2001*, declare the office of City Councillor, Wards 7 and 8, to be vacant.

Overview:

- **Section 258(3) of the *Municipal Act, 2001*, states that a Member of Council is not eligible to hold office if that Member is or becomes a member of the Assembly as provided in the *Legislative Assembly Act*, or of the Senate or House of Commons of Canada.**
- **In accordance with Section 259(1) of the *Municipal Act, 2001*, the office of a Member of Council becomes vacant if the Member becomes disqualified under Section 258 of the Act.**
- **Section 262 of the Act states that if the office of a Member of Council becomes vacant, the Council shall at its next meeting declare the office to be vacant.**

- **At its Special Meeting on May 31, 2022, Council passed a Resolution to appoint former City and Regional Councillor Elaine Moore to fill the office of City Councillor, Wards 7 and 8, in the event that the office became vacant and upon the declaration of vacancy (Resolution C168-2022).**
- **On June 2, 2022, City Councillor for Wards 7 and 8, Charmaine Williams, was elected to the Legislative Assembly of Ontario as a Member of Provincial Parliament, representing the Brampton Centre riding.**
- **On June 7, 2022, Councillor Williams issued her resignation, as City Councillor for Wards 7 and 8, to the Clerk, to be effective as of June 8, 2022, at 11:59 pm.**

Background:

In accordance with the *Municipal Act, 2001*, when the office of a Member of Council becomes vacant, Council is required to declare the office vacant.

Vacancy

A vacancy can occur in several ways, including the resignation or death of a Member, or when a Member becomes disqualified or ineligible from holding office.

Section 258(1)(3) of the *Municipal Act, 2001*, states that a Member is ineligible to be elected as a member of a council or to hold office as a member of council, if the member is a member of the provincial Assembly, or a member of the Senate or House of Commons of Canada. Section 259 (1)(a) states that the office of a member of council becomes vacant if the member becomes disqualified from holding office if they are deemed ineligible under Section 258.

On June 2, 2022, City Councillor for Wards 7 and 8, Charmaine Williams, was elected to the provincial Assembly.

In accordance with Section 9(2) of the *Legislative Assembly Act*, a member of municipal office is deemed to have resigned when their election to the provincial Assembly is published in The Ontario Gazette.

A member may also resign from office under Section 260 of the *Municipal Act, 2001*, by filing a written notice of resignation with the Clerk of the municipality. On June 7, 2022, Councillor Williams issued her resignation as City Councillor for Wards 7 and 8, to the Clerk, to be effective as of June 8, 2022, at 11:59 pm. A copy of Councillor Williams' resignation letter is attached as Appendix 1 to this report.

Declaring a Vacancy

If the office of a Member of Council becomes vacant under Section 259 of the *Municipal Act, 2001*, Council shall declare a vacancy at its next meeting. If a vacancy occurs as a result of the death of a member, the declaration may be made at either of its next two meetings:

Declaration

262 (1) If the office of a member of a council becomes vacant under section 259, the council shall at its next meeting declare the office to be vacant, except if a vacancy occurs as a result of the death of a member, the declaration may be made at either of its next two meetings.

Filling a Vacancy via Appointment

To be appointed to fill a vacancy, a person must be:

- A Canadian citizen
- At least 18 years of age
- A resident of the City of Brampton, or the owner or tenant of land in Brampton, or the spouse of such owner or tenant
- Not prohibited from voting in a municipal election
- Not prohibited from holding office under any applicable legislation

Following an appointment by Council, a new Councillor will serve from the time their oath of office is taken to the end of the current term of council (the 2018-2022 term ends on November 14, 2022).

Filling a Vacancy via By-Election

Although the *Municipal Act* provides that a Council may choose to fill a vacancy by directing the Clerk to hold a by-election, in accordance with Section 65(2) of the *Municipal Elections Act, 1996*, no by-election shall be held to fill an office that becomes vacant after March 31 in the year of a regular election. The next regular municipal and school board election will take place on October 24, 2022. As such, a by-election cannot occur to fill the subject vacancy.

Current Situation:

In accordance with the *Municipal Act, 2001*, and the *Legislative Assembly Act*, as City Councillor for Wards 7 and 8, Charmaine Williams, was elected to the legislative assembly on June 2, 2022, and has issued her resignation from municipal office to the Clerk, Brampton City Council must declare the office of City Councillor, Wards 7 and 8 to be vacant.

Next Steps

To meet the requirements of the *Municipal Act, 2001*, Council must declare the office of City Councillor, Wards 7 and 8 vacant, given the resignation of the Councillor.

In anticipation of the provincial election results, at its Special Meeting of May 31, 2022, Council appointed former City and Regional Councillor Elaine Moore to fill the office of City Councillor, Wards 7 and 8, should it become vacant, in accordance with Resolution C168-2022, as follows:

Whereas Brampton taxpayers elect a city and a regional councillor in their Wards;

Whereas representative continuity is important and expected to ensure responsible oversight and stewardship from the beginning to the end of the elected term of office;

Whereas there exists the potential for a city councillor seat vacancy prior to the end of the 2018-2022 term of office for Wards 7&8;

Therefore be it resolved that, in the event the Wards 7&8 City Councillor position becomes vacant, that former City and Regional Councillor Elaine Moore, subject to her declaration of consent being provided to the City Clerk, be appointed to fill the position until the end of the term of office, and that such appointment be effective upon the declaration of vacancy of the said seat.

Based on Council's Resolution, Elaine Moore signed a Consent of Appointee form to consent to an appointment (in accordance with section 263 (1) (a) of the *Municipal Act, 2001*) and provided an acknowledgement of qualifications to hold office in accordance with the *Municipal Elections Act*.

Vacancies in Committee and Board Appointments

The vacancy in the office of City Councillor, Wards 7 and 8, will result in several vacancies to committee and board appointments, including:

- Committee of Council – Community Services Section (Vice-Chair)
- Governance and Council Operations Committee (Member)
- Brampton School Traffic Safety Council (Member)
- Age-Friendly Brampton Advisory Committee (Member)
- Brampton Library Board (Member)
- Brampton Senior Citizens Council (Member)
- Brampton Community Safety Advisory Committee (Chair)

A practice in place in other municipalities, when vacancies occur, is the municipal council customarily appoints the incoming Councillor to the resulting committee and board vacancies. If Council decides, the person who fills the vacancy may automatically assume the seats and role appointments on the committees and boards for the remainder of the current term of council. Alternatively, Council may either direct the Clerk to canvass Members for their interest in appointment to the other vacancies and report the results to a future meeting, or given the lateness in the term, Council may wish to consider making appointments to fill some of these vacancies at this meeting.

Corporate Implications:

Financial Implications:

There are no financial implications from declaring the office of City Councillor, Wards 7 and 8, vacant.

The person appointed to fill the vacancy of City Councillor, Wards 7 and 8, will receive the balance of the budgeted 2022 remuneration beginning on the day they are sworn into office, until the end of the current term of council, on November 14, 2022.

Other Implications:

There are no other implications resulting from this report.

Term of Council Priorities:

This report achieves the priority of a Well-Run City by complying with the prevailing legislation to facilitate the legislated requirements of declaring a vacant office, and appointing an eligible person to fill the vacancy. The appointed person ensures equitable distribution of constituent representation at City of Brampton Council.

Conclusion:

To meet the requirements of the *Municipal Act, 2001*, Council must declare the office of City Councillor, Wards 7 and 8, vacant, after a vacancy occurs. A vacancy has occurred as a result of the provincial election and resignation from municipal office by Charmaine Williams.

To Whom It May Concern,

As the newly elected MPP for Brampton Centre, I would like to inform you that I am resigning from my role as City Councillor for Wards 7 and 8, effective 11:59 pm on June 8th, 2022.

I have thoroughly enjoyed my tenure at the City of Brampton and feel grateful to have served the residents alongside such dedicated staff and Council.

I wish you all the best and look forward to staying in touch.

Kind thanks,

Charmaine Williams

Recommendations:

1. **THAT** the report from Anthony-George D’Andrea, Legal Counsel, Real Estate & Planning Law dated June 3, 2022 to the Council Meeting of June 15, 2022 re: **Castlemore Plaza Inc., the owner of 3425 Countryside Drive and 10990 Goreway Drive, requests the City to de-register Lot 16 on Plan M90, save and except Part 10 on Plan 43R-33312 from a plan of subdivision in order to legally merge two parcels of land – Ward 10**, be received;
2. **THAT** Council enact a by-law to deem Lot 16 on Plan M90, save and except Part 10 on Plan 43R-33312 not to be part of a registered plan of subdivision for the purposes of subsection 50(3) of the Planning Act; and,
3. **THAT** the City provide notice of passage of the by-law as required by subsection 50(29) of the Planning Act.

Overview:

- As a result of a recent development which straddled two separate, but abutting, parcels of land (3425 Countryside Drive and 10990 Goreway Drive), the owner of each parcel entered into a site plan agreement with the City of Brampton.
- To ensure the approved development would not be fractured by one of those parcels being sold off without the other (which could lead to servicing, access, parking, and zoning issues), staff required that a s.118 restriction be registered on title to the parcels of land which would prohibit the transfer or charge of the parcels of land without the consent of the City of Brampton.
- A condition in the site plan agreement for that development states that the City will agree to the removal of the s.118 restriction upon the owner providing satisfactory evidence of the legal merger of both parcels.
- The lands on which the development is located is now owned by the same owner (Castlemore Plaza Inc.) and the owner is now seeking to have the City consent to remove the s.118 restriction.
- To assist in satisfying the City that the legal merger of both parcels has occurred, the owner has requested that the City de-register Lot 16, Plan M90, Save and Except Part 10 on Plan 43R-33312.
- De-registration of a plan of subdivision allows part of a lot on a concession and a lot on a plan of subdivision (10990 Goreway Drive and 3425 Countryside Drive respectively in this case) which are owned by the same entity and abut one another, to legally merge.
- Once the de-registration by-law is registered on title and title has merged, the City will be in a position to consent to the removal of the s.118 restriction.

Background:

Castlemore Plaza Inc. (the "Owner") is the registered owner of the lands legally described as Lot 16, Plan M90, Save and Except Part 10 on Plan 43R-33312 ("Parcel #1"), municipally known as 3425 Countryside Drive, and the adjacent parcel legally described as Part of Lot 15, Concession 7 N.D. (Tor.Gore) designated as Parts 1 and 2 on Plan 43R-34695 ("Parcel #2"), municipally known as 10990 Goreway Drive (collectively referred to as the "Lands").

A site plan application was submitted to build a plaza which straddles the two parcels that make up the Lands. As a condition of site plan approval the City required the owners at the time to register a s.118 restriction on the Lands to prevent any transfer or charge of anything but the whole of the Lands without the consent of the City. This condition was imposed because the City did not want the development to be fractured (one parcel to be sold off without the other) in the future as it would create a number of issues on site between the two parcels (i.e., servicing, access, parking, building and zoning). A condition of the site plan agreement states that the City will agree to a release of the s.118

restriction upon legal merger of Parcel #1 and Parcel #2 and the consolidation of their respective parcel registers, as this would greatly diminish the possibility of the Lands being split in the future.

Current Situation:

Section 50(4) of the Planning Act enables Council by by-law to designate any plan of subdivision, or part thereof, that has been registered for at least eight years, and deem it not to be a registered plan of subdivision for the purpose of subsection 50(3) of the Planning Act. The enactment of such by-law with respect to Parcel #1 will merge it with Parcel #2 because they are adjacent to one another and owned by the same owner. The Owner has requested the City to proceed with the de-registration in order to complete the legal merger of the Lands.

Registered Plan M90 was registered on August 21, 1975. The eight year registration requirement has been met. Furthermore, the City's Planning Dept. is in favour of this request for de-registration and has concluded that it represents good planning and conforms to the policies and regulations for the area.

Corporate Implications:

Financial Implications:

There are no financial implications.

Legal Implications:

In order for the City to release the s.118 Restriction, legal merger of the Lands is required. In the case of lots/blocks on a plan of subdivision, de-registration of the plan of subdivision resolves these issues by allowing the lot on the plan of subdivision and the part of a lot on a concession, which are adjacent to one another and owned by the same person, to merge in title.

Term of Council Priorities:

This report is aligned with the priority "Brampton is a Well-Run City" as it helps in ensuring orderly development in the City.

Conclusion:

It is recommended that Parcel #1 be deregistered to effect the legal merger of the Lands. This represents good planning and conforms to the policies and regulations for the area.

Subject: **Brampton Appeal Tribunal Appointment Continuity**

Contact: Peter Fay, City Clerk, Legislative Services, peter.fay@brampton.ca, 905-874-2172

Report Number: Legislative Services-2022-677

Recommendations:

1. That the report titled: Brampton Appeal Tribunal Appointment Continuity, to the City Council meeting of July 6, 2022, be received.
2. That the continued appointment of Christopher Banks to the Brampton Appeal Tribunal be authorized until the end of the current Council term or until successors are appointed, on the pre-condition City Council continues to authorize the use of remote meeting platforms for citizen-based committees and administrative tribunals.

Overview:

- **An effective member of the Brampton Appeal Tribunal has moved out of the City, while the Citizen-Appointment Procedure states that citizen appointments are to be residents or working in the City.**
- **Given the proximity to the end of the term, Council's authorization allowing hybrid meeting participation, and a previous Council Resolution authorizing continued citizen participation subject to certain pre-conditions, staff are recommending Council continue to authorize the appointment until the end of the term or successors are appointed.**

Background:

The current membership of the Brampton Appeal Tribunal is five (5) members. All alternate appointments have been appointed or have not responded to contact attempts by the City Clerk's Office.

A current member of the Tribunal, Christopher Banks, has moved outside the City, but has agreed to continue serving on the Tribunal through remote participation during hybrid hearings. The Brampton Appeal Tribunal passed the following motion at its June 13, 2022 hearing:

Whereas the Brampton Appeal Tribunal is comprised of five (5) members, as approved by Brampton City Council in 2019 through adoption of Resolution C098-2019, as follows:

Resolution C098-2019

Brampton Appeal Tribunal:

a) That the following persons be appointed to the Brampton Appeal Tribunal, effective for the 2018-2022 term of Council ending November 14, 2022, or until a successor is appointed:

- i. Marsha Malcolm
- ii. Natalie Javed
- iii. Will Ramjass
- iv. Beryl Ford
- v. Sardara Singh Chera

b) That the following persons be appointed as alternate members of the Brampton Appeal Tribunal, in priority listed order, effective for the 2018-2022 term of Council ending November 14, 2022, or until a successor is appointed, so that a replacement citizen member is appointed immediately, if and when a vacancy occurs:

- i. Christopher Banks
- ii. Sukhpal Sidhu

Whereas alternate member Christopher Banks was automatically appointed as a member of the Brampton Appeal Tribunal during the current term, upon the resignation of an appointed member of the Tribunal;

Whereas Christopher Banks recently advised of his relocation outside the municipality;

Whereas the Citizen-based Advisory Committee Guideline and Appointment Procedure sets out that a citizen member is to be a Brampton resident, organizational representative or non-resident business representative;

Whereas no further alternate members are available to be appointed to the Tribunal, and given the need to ensure a quorum of the Tribunal is available to conduct its hearings, as well as the fact the end of appointment term will occur within the next several months and it will be challenging to start a new citizen recruitment process for appointment during the current Tribunal term;

Whereas the Brampton Appeal Tribunal, under the advice from the City Clerk, deems it appropriate to continue with the appointment of Christopher Banks for the remainder of the appointment term, through remote attendance and participation in hybrid meetings of the Brampton Appeal Tribunal, for as long as Brampton City Council authorizes the use of hybrid meetings;

Therefore Be It Resolved that Tribunal member Christopher Banks continue to serve as an appointed member of the Brampton Appeal Tribunal for the 2018-2022 term of Council ending November 14, 2022, or until a successor is appointed; and

That a copy of this motion be presented to Brampton City Council for its information and confirmation.

This report seeks Council's confirmation and ratification to continue with the appointment of Christopher Banks until the end of the current term or until successors are appointed by Council.

Current Situation:

As appointments to committees and administrative tribunals are approved by Council, this report recommends Council authorize the continued appointment of Christopher Banks to the Brampton Appeal Tribunal, although he is no longer a Brampton resident.

The [Citizen-based Advisory Committee Guideline and Appointment Procedure](#) sets out that a citizen member is to be a Brampton resident, organizational representative or non-resident business representative.

Christopher was first appointed by Council in 2019 as an alternate member and assumed the position of member when another member resigned from the Tribunal. Christopher has been an effective member of the Tribunal participating in all scheduled hearings since his appointment.

With the current Council term set to end in a few months, it does not make sense to recruit for another citizen appointment. Also, with the allowance for remote meeting participation, members can participate remotely from other locations, so long as Council continues to authorize participation through remote meetings.

There is precedent for continuing with appointed citizen members who no longer meet the appointment conditions, as occurred in March 2021 with the following Resolution of Council through the Citizen Appointments Committee:

CAC003-2021

- That for any citizen appointee who no longer meets the appointment requirements of being either a "Brampton resident, organizational representative or non-resident business representative," but meets the following pre-conditions:
 1. has been an effective appointed citizen member in good standing for at least five years, and
 2. there is a recommendation from the advisory committee for continued participation by the citizen on the committee, and
 3. there is expressed interest from the citizen to continue participation;

That the citizen may continue to serve on the committee until the end of the appointment term, unless Council decides otherwise.

Christopher Banks meets the pre-conditions established by Council's Resolution:

1. he has been an effective member of the Tribunal,

2. there is a motion for continued participation from the Tribunal, and
3. there is an expressed interest from Christopher Banks to continue as a member of the Tribunal.

It is recommended that the continued appointment of Christopher Banks to the Brampton Appeal Tribunal be authorized until the end of the current Council term or until successors are appointed, on the pre-condition City Council continues to authorize the use of remote meeting platforms for citizen-based committees and administrative tribunals.

Corporate Implications:

Financial Implications: *nil*

Other Implications: *nil*

Term of Council Priorities:

This report achieves the Term of Council priority of a Well-Run City by ensuring the continued operation of the City's governance structure, through administrative tribunals such as the Brampton Appeal Tribunal.

Conclusion:

A member of the five-person Brampton Appeal Tribunal has moved out of the municipality. Although residency or working in the City are conditions for appointment, given the near end of the term and need to ensure the Tribunal can continue for its meetings and function, along with a previous Council Resolution allowing for continued participation by citizen members subject to some pre-conditions, it is recommended that this member continue on the Brampton Appeal Tribunal.

Subject: **Ontario Cannabis Legalization Implementation Fund**

Contact: John Avbar, Manager, Property Standards, Enforcement and By-law Services, Legislative Services 905.458.3056

Report Number: Legislative Services-2022-726

Recommendations:

1. **THAT** the information report titled: Ontario Cannabis Legalization Implementation Fund - Information Report, to Council, on July 6, 2022 be received.

Overview:

- **In the 2020 Budget, Council approved four Cannabis Enforcement Officers and one Supervisor.**
- **Provincial funding through the Ontario Cannabis Legalization Implementation Fund offset the cost associated with the Enforcement Officers and Supervisor.**
- **In 2022, the City is no longer receiving provincial funding for cannabis enforcement.**
- **To account for the discontinued provincial funding, the Cannabis Unit was dissolved, and the four (4) Cannabis Enforcement Officers reallocated to vacant positions within the Property Standards Section. The Supervisor position was eliminated.**

Background:

On March 9, 2018, the Provincial Government created the Ontario Cannabis Legalization Implementation Fund (OCLIF) to assist municipalities with the implementation costs associated to recreational cannabis legalization. The total initial funding was 40 million to be distributed over a two-year period to municipalities that opted in.

In early January 2019, the first payment of \$15 million was made to all municipalities on a per household basis. Each community were to receive at least \$5,000, regardless of their decision to opt in or opt out.

The second payment of \$15 million was distributed following the deadline for municipalities to opt out, which was January 22, 2019. Municipalities that did not opt out received funding on a per household basis, adjusted so that at least \$5,000 was provide to each community.

The remaining \$10 million was set aside as contingency, to deal with any “unforeseen circumstance” that municipalities might encounter in relation to legalization of recreational cannabis.

The province also committed to a share of 50 per cent of surplus funding if the province’s share of the federal excise tax on cannabis exceeded \$100 million in the first two years.

The City received the following Cannabis Grants from the province:

Date Payment Received	Amount
January 31, 2019	\$220,018
February 28, 2019	\$269,199
August 31, 2019	\$112,166
April 2021	\$55,859
TOTAL	\$657,242

In December 2018, the Alcohol and Gaming Commission of Ontario (AGCO) began accepting online applications for cannabis-related licenses. On January 21, 2019, City Council voted to allow privately owned cannabis retail stores in Brampton and on April 1, 2019, the AGCO approved Brampton’s first private cannabis store. The City currently has 41 licensed cannabis stores.

As part of the 2020 Operating Budget, Council approved the creation of the Cannabis Unit comprised of four Property Standards Officers and an Enforcement Supervisor. In November 2020, the Cannabis Unit was launched as part of the Enforcement and By-Law Services Division.

Dedicated resources for cannabis enforcement resulted in hiring additional Property Standards Officers and a Supervisor to review and investigate cannabis related matters on behalf of the City. The Cannabis Unit worked closely with the Alcohol and Gaming Commission of Ontario (AGCO) with licensing application reviews, and Peel Regional Police (PRP) with illegal cannabis related investigations and retail storefront operations.

The financial impact of the additional staff was offset by payments received by the Ministry of Finance for a net \$0 impact to budget, as part of the allocation of funds from the Ontario Cannabis Legalization Implementation Fund (OCLIF).

Current Situation:

In 2022, Enforcement and By-law Services was advised that Provincial funding to support the Cannabis Unit through the Ontario Cannabis Legalization Implementation Fund is no longer available. Because of the budget-funding deficit, the Enforcement and By-Law Services Division is no longer able to sustain a dedicated Cannabis Unit.

To account for the funding shortfall, the four Cannabis Unit Enforcement Officers were transferred to four vacant Property Standards positions. The vacant positions were as a result of one Property Standards Officer resigning from the City, one transferring to another Division and two new Property Standards Officer positions approved by Council in 2021. The Cannabis Unit Supervisor position was eliminated and the four Cannabis Unit Enforcement Officers were re-assigned to their previous roles as Property Standards Officers.

Since its inception, the Cannabis Unit reviewed 26 Retail Cannabis Applications, assisted the AGCO with one illegal cannabis storefront and supported Peel Regional Police with the execution of search warrants and the sharing of information. The Cannabis Unit Enforcement Officers spent the majority of their time conducting specialized property related investigations including illegal lodging houses.

Property Standards Section is responsible to enforce by-laws that prescribe minimum standards for the maintenance and occupancy of properties, and their permitted uses. The Section is composed of 26 Officers, of which four are assigned to the Second Unit Task Force.

- One (1) Manager
- Three (3) Supervisors
- Twenty-two (22) Property Standards Officer

In 2021, there were 14,006 property standards complaints, including illegal basement apartments, excessive growth of weeds on private property, garbage containers and vital services. As Enforcement's priorities shifted away from pandemic related complaints, Property Standards calls for service increased by 26 percent.

Corporate Implications:

Financial Implications:

There are no direct financial implications as a result of this information report.

The 2023 budget submission will reflect the removal of the full-time complement, costs and revenues associated with the Cannabis Unit resulting in a net 0% budget impact, pending Council approval.

The four Cannabis Unit Enforcement Officers that have been reallocated to four vacant Property Standards Officer Positions do not result in financial implications as funding currently exists in the 2022 operating budget.

Other Implications:

The workload involved with the elimination of the four Cannabis Unit Enforcement Officers and Supervisor will be absorbed within the general Property Standards enforcement section. Overall calls for service in the Property Standards Section are up 24% from this time last year, and the loss of four Property Standards Officers will increase the demand and call volume of other Officers.

Term of Council Priorities:

This report is aligned with the Term of Council priorities of Brampton is a Well-Run City and Brampton is a Green City. Initiatives in this regard will reinforce Brampton's commitment to sustainability and the effective management of municipal assets and resources.

Conclusion:

Given the fact that the City is no longer receiving provincial funding for Cannabis enforcement, the Cannabis Unit was dissolved leaving a loss of four Property Standards Officers within the Property Standards Section. Because of one internal transfer, one resignation and two new positions, the Property Standards Section was able to absorb the Officers from the Cannabis Unit.

Property Standards Officers will continue to support Peel Regional Police and the AGCO as needed and their assistance includes but not limited to investigating the use of properties for the purposes of selling or distributing cannabis and illegal sales through "pop-up" dispensaries.

Further, the Officers will focus their efforts on conducting general property standards investigations of minimum maintenance, zoning matters and respond to the increased requests for service.

Subject: Request for Full Time Labour and Employment Lawyer Staff Complement

Contact: Diana Soos, Commissioner, Legislative Services
Cynthia Ogbarmey-Tetteh, (A) Director, Human Resources

Report Number: Legislative Services-2022-741

Recommendations:

1. **THAT** the report titled “Position Request for Full Time Labour and Employment Lawyer” to the Council meeting of July 6, 2022 be received;
2. **THAT** Council approve one (1) permanent full-time Legal Counsel, Labour and Employment Law to advise on a wide array of labour and employment issues including but not limited to human rights, occupational health and safety, internal workplace investigations, labour relations, collective agreements and grievances, for a total annual budget of approximately \$200,000;
3. **THAT** the costs associated with a permanent, full-time Legal Counsel, Labour and Employment Law be included in the 2023 operating budget submission, with a net zero increase to the tax base, subject to Council approval.

Overview:

- **Currently the City’s Human Resources department retains law firms on a case-by-case basis for labour and employment legal counsel at considerable cost.**
- **The addition of a labour and employment lawyer in Legal Services will allow the department to provide expert advice and support to HR for labour and employment related issues more quickly and cost effectively. It is estimated that bringing this service in-house will result in a minimum 3-fold increase in the amount of legal support provided to HR for the same costs that they currently incur obtaining the services externally.**

- **The cost of the additional position will be offset through a budget transfer from the HR Division Legal Account to the Legal Services Division.**

Background:

The Labour and Employment (L&E) Legal Counsel role advises on a wide array of labour and employment issues including but not limited to human rights, occupational health and safety, internal workplace investigations, labour relations, collective agreements and grievances. Currently, the City does not have in-house L&E legal counsel, rather those matters are referred to external firms who provide legal counsel on behalf of the City.

Human Resources does budget for professional legal services but, as indicated in the table below, HR Division Legal Account spending has exceeded budgeted amount each year from 2017 through 2021.

Year	2017	2018	2019	2020	2021	2022 YTD
Budget	\$322,000	\$322,000	\$322,000	\$322,000	\$322,000	\$322,000
Actual	\$445,693	\$334,062	\$420,363	\$448,867	\$391,854	\$200,845*
Variance	(\$123,693)	(\$12,062)	(\$98,363)	(\$126,867)	(\$69,854)	\$121,155

*As of June 12, 2022

Current Situation:

Analysis of the current labour and employment legal counsel gap in Legal Services, in conjunction with HR, has identified an economic and financial opportunity for the City through the addition of a L&E lawyer. Recruitment of a L&E lawyer will provide numerous benefits to the City.

Reduced cost as compared to hiring external legal counsel. Market research suggests labour and employment lawyers charge between \$300 and \$1500 per hour depending on experience and location whereas an in-house L&E lawyer would cost approximately \$120 per hour. This translates not only into a reduction in per hour costs but substantially increases the capacity for the City. As an example, assuming \$200,000 in annual labour and employment legal related expenditures:

	Cost per hour	Capacity in days
City legal counsel	\$120	238
External legal counsel	\$300	95

Improved compliance with labour and employment related legal requirements including policy advice. The L&E legal counsel would review labour and employment related

policies for compliance with associated legal precedent and/or other legislation. This represents both a value added benefit and also means of ensuring legal compliance.

Consistency of advice on similar labour and employment matters. There is a potential for varied advice on similar matters from different law firms as external law firms review files on a case-by-case basis whereas the L&E legal counsel will utilize findings from comparative files.

Improved efficiencies. The City will have legal support on staff versus having to procure external legal support. Further, Legal Services will manage external legal support (when required) including procurement of external counsel and confirmation of billings. This will allow HR to focus on human resources services.

Corporate Implications:

Financial Implications:

This initiative will require one full-time, permanent Legal Counsel, Labour and Employment Law at a cost of approximately \$200,000 annually (inclusive of benefits and WSIB). The financial impact will be incorporated in the 2023 budget submission through a compensation adjustment, pending Council approval.

The costs of the position will be reflected in the Legal Services Division and fully offset with a reduction to the Legal services account (Account # 201113) in the Human Resources Division for a net zero increase to the tax base in the 2023 budget submission.

Other Implications: *nil*

Term of Council Priorities:

This report achieves the priority of a Well-Run City.

Conclusion:

Historical trends indicate there is an ongoing and consistent requirement for L&E legal support within the City. In the absence of in-house L&E legal counsel the City has retained the services of external legal firms as required. A dedicated L&E lawyer in Legal Services will allow the department to provide staff with expert labour and employment advice, will reduce costs, increase capacity, and improve efficiency and consistency.

1. That the report to the City Council meeting of June 15, 2022 re: *Departmental Staffing Level Benchmarking – Scope and Timing* be received.

Overview:

- **Council Motion passed the following motion:**
That the Chief Administrative Officer be requested to review and report on the Organizational Structure, in comparison to other municipalities, with scope and timing of the review to be determined by Human Resources and reported to the June 15, 2022 meeting of Council.
- **This report proposes the scope and timing of the final report to Council.**
- **A review of the City's organizational structure, in relation to comparable municipalities across Canada, will be completed. Benchmarking will include cities similar in population and complexity.**
- **A report back to Council is planned for six (6) to eight (8) weeks.**

Current Situation:

In response to the Council motion, staff have outlined the following organizational structure comparison items:

1. 2022 total Corporate Full-time equivalent (FTE)
2. FTE by department and/or service provided (where available)
3. Number of FTE, per 1,000 population
4. Number of Director level or management positions

Comparable municipalities across Canada have been outlined below:

Recommendations:

1. That the report titled: **(Supplementary Report) Habitat for Humanity GTA – Financial Relief Associated for 1524 Countryside Drive (15 Stacked Townhouses) and 25 William Street (12 Stacked Townhouses)**, to the City Council meeting on June 15, 2022, be received.

Overview:

- At its meeting on June 8, 2022, Committee of Council received a supplementary delegation from Habitat for Humanity GTA requesting a grant-in-lieu of development charges (DCs), cash-in-lieu of parkland (CIL parkland), building permit fees and relief from planning application fees for two developments; 12 stacked townhouse units at 25 William Street and 15 stacked townhouse units at 1524 Countryside Drive.
- This report updates the previously submitted report for the same subject on June 8, 2022 to include updated request Habitat for Humanity GTA made in their delegation on June 8, 2022.
- This report outlines the financial and legal implications of providing the requested grant along with the cumulative monetary impact of previously approved grants for Habitat for Humanity GTA.
- The combined DCs, fees and charges, at the prevailing rates, amount to roughly \$1.25 million.
- The report also advises of potential next steps should Council wish to provide a grant-in-lieu of DCs and fees and charges.

- Should Council wish to provide a grant-in-lieu of DCs and CIL parkland in the amount of \$1,093,585, staff recommend that the amount is made available through internal borrowing against the applicable DC and CIL parkland reserve funds, to be repaid through a 10 year tax levy of approximately 0.03% on the City's portion of the tax bill.
- Should Council wish to provide financial relief from the payment of \$60,000 in building permit fees, that it be funded by the Building Division.
- Should Council wish to provide financial relief from the payment of \$95,600 in planning application fees, that the fees be waived and treated as forgone revenue.

Background:

Habitat for Humanity GTA is a non-profit organization whose mission is to organize volunteers and community partners in building affordable housing and promoting home ownership. Their clients that partner with Habitat for Humanity pay an affordable mortgage geared to their income and volunteer 500 hours of their time.

Habitat for Humanity GTA has completed several projects within the City of Brampton, below is a table summarizing past projects and Council's financial support:

Year	Address	Project Proposal	Financial Relief from City			
			Development Charges	Cash-in-lieu of Parkland	Building Permit Fees	Total
2008	8600 Torbram Road	18 townhouse units	\$391,068	\$21,462	\$28,344	\$440,874
2012	20A, 20B, 20C Hoskins Square	3 single detached units	\$75,245	\$7,167	\$3,513	\$85,925
2017	59 McLaughlin Road North	13 townhouse units	\$304,590	\$127,750	\$21,319	\$453,659
Total			\$770,903	\$156,379	\$53,176	\$999,764

Currently, Habitat for Humanity GTA has submitted two development applications to the City, that being:

1. Municipal Address: 25 William Street
Development Proposal: 12 stacked townhouses
City File No.: SPA-2019-0076
2. Municipal Address: 1524 Countryside Drive
Development Proposal: 15 stacked townhouses
City File No.: OZS-2021-0025

Current Situation:

At its meeting on June 8, 2022, Committee of Council received a supplementary delegation from Habitat for Humanity GTA requesting a grant-in-lieu of development

charges (DCs), cash-in-lieu of parkland (CIL parkland), building permit fees and planning application fees for two developments; 1524 Countryside Drive and 25 William Street. Council referred the matter back to staff for a supplementary report.

With respect to planning application fees, it is open to City Council to pass a Resolution waiving the planning application fees. The authority is provided under subsection 69 (2) of the *Planning Act*.

However, there is no legal basis to waive the payment of DCs, cash-in-lieu of parkland (CIL Parkland) nor building permit fees. As such, in order to provide Habitat for Humanity GTA with any financial relief in respect of the aforementioned fees and charges, a grant equal to the fees must be made using the grant power under section 107 of the *Municipal Act, 2001*.

City Council has discretion to authorize a grant to provide relief from DCs, CIL Parkland and building permit fees if Council is satisfied that it would be unreasonable to require payment of all, or a portion these fees and charges due to the not-for-profit status of Habitat for Humanity GTA, and in furtherance of the development of affordable housing objective articulated in the Official Plan.

As Habitat for Humanity GTA is a not-for-profit Corporation, City Council does not need to be concerned about the bonusing prohibition in section 106 of the *Municipal Act, 2001* in considering providing Habitat with relief from the various fees.

Finally, it is important to note that because Habitat for Humanity GTA provides affordable homeownership, they do not take in any revenue that could offset the cost of DCs, fees and charges. This is a distinct difference between recent affordable housing applications before Council that provided rental units at average market rent.

Corporate Implications:

Financial Implications:

The estimated impact of providing financial relief for the Habitat for Humanity GTA request is \$1,248,546 and is summarized in the table below:

Address	Project Proposal	Estimated Financial Relief from City				
		Development Charges ¹	Cash-in-lieu of Parkland ²	Building Permit Fees ³	Planning Application Fees	Total
25 William Street	12 stacked townhouse units	\$315,000	\$135,135	\$30,000	\$36,469	\$516,604
1524 Countryside Drive	15 stacked townhouse units	\$445,000	\$198,450	\$30,000	\$58,492	\$731,942
Total		\$760,000	\$333,585	\$60,000	\$94,961	\$1,248,546

Notes:

1. The DC calculations are estimates based on currently available information and estimates from Habitat for Humanity GTA, and will need to be verified and finalized prior to building permit issuance.

2. The CIL parkland is based on a land valuation exercise completed on April 28, 2022 and its valuation is in effect until October 28, 2022.
3. The building permit fee calculations are estimates based on currently available information and estimates from Habitat for Humanity GTA, and will need to be verified and finalized prior to building permit issuance.

Should Council wish to provide Habitat for Humanity GTA with the requested financial relief, staff recommend that the full amount for DCs and CIL parkland initially be funded through the applicable DC and CIL parkland reserve funds, and subsequently replenished through internal borrowing over a 10 year period at an interest rate consistent with the rate of return on the City's investment portfolio, which is currently 2.3%. This internal loan would require an annual repayment amount of approximately \$122,550 in the 2023 budget submission, subject to Council approval, which is equivalent to a tax levy of approximately 0.03% on the City's portion of the tax bill.

The Building Permit totaling \$60,000 will be funded by the Building division and the Planning Application fees totaling \$94,961 will be treated as forgone revenue.

The cumulative impact of financial relief provided to the various organizations below to be repaid through internal borrowing amounts to approximately \$1,835,500 over a 10 year period.

Financial Relief to be Repaid Through Internal Borrowing	2023 Budget Impact	Cumulative Future Years Budget Impact (2024 - 2032)	TOTAL
Previously Approved Cash in Lieu (CIL) of Parkland Relief for Region of Peel Affordable Housing	\$61,000	\$549,000	\$610,000
DC Relief Identified in this Report for Habitat for Humanity GTA	\$85,150	\$766,350	\$851,500
CIL Relief Identified in this Report for Habitat for Humanity GTA	\$37,400	\$336,600	\$374,000
TOTAL	\$183,550	\$1,651,950	\$1,835,500

It should be noted that all other DCs and fees levied by the Region of Peel and the School Boards would still apply unless Habitat for Humanity GTA requests and is granted relief directly from those agencies.

Term of Council Priorities:

This report achieves the Term of Council Priority of Brampton as a Well-run City through strict adherence to effective financial management policies and supports Brampton's 2040 Vision by ensuring sustainable financial revenues.

Conclusion:

Should Council decide to provide Habitat for Humanity GTA with financial relief from all fees and charges associated with the developments on 1524 Countryside Drive and 25 William Street, staff have prepared the following resolution for consideration:

1. That Council authorize a grant to Habitat for Humanity GTA in an amount equal to the payment of the Development Charges and Cash-in-Lieu of Parkland in respect of Habitat's proposals for development of 15 stacked townhouse units at 1524 Countryside Drive and 12 stacked townhouse units at 25 William Street. The full amount shall be funded through a draw from the applicable Development Charges and Cash-in-Lieu Parkland reserve funds on a unit by unit basis prior to the issuance of building permits, once Habitat for Humanity GTA has obtained all required planning and building approvals for its project;
2. That the grant be funded from internal borrowing from the applicable Development Charges and Cash-in-Lieu reserve funds with repayment terms of 10 years at a rate of return consistent with the City's investment portfolio, currently at 2.3% interest;
3. That the annual internal loan repayment amount of approximately \$122,550 be included in the 2023 budget submission, subject to Council approval.
4. That the Building Permit fees associated with this development be funded by the Building division.
5. That the Planning Application Fees associated with this development be waived and treated as forgone revenue.

HABITAT FOR HUMANITY (GTA & HALTON – MISSISSAUGA – DUFFERIN) AND REGION OF PEEL AND THE CITY OF BRAMPTON

June 2022

OUR ASK

Habitat for Humanity GTA and Halton – Mississauga – Dufferin help lower and modest income families move into adequate housing and build strength, stability and self-reliance through affordable homeownership.

We want to help advance the Peel Region and Brampton Housing Strategies through the homes we deliver with volunteers, our partnerships with Black North Initiative, and our strong private sector partnerships.

We are asking for a grant-in-lieu of DC’s, fees and charges, in order to provide affordable home ownership in perpetuity.

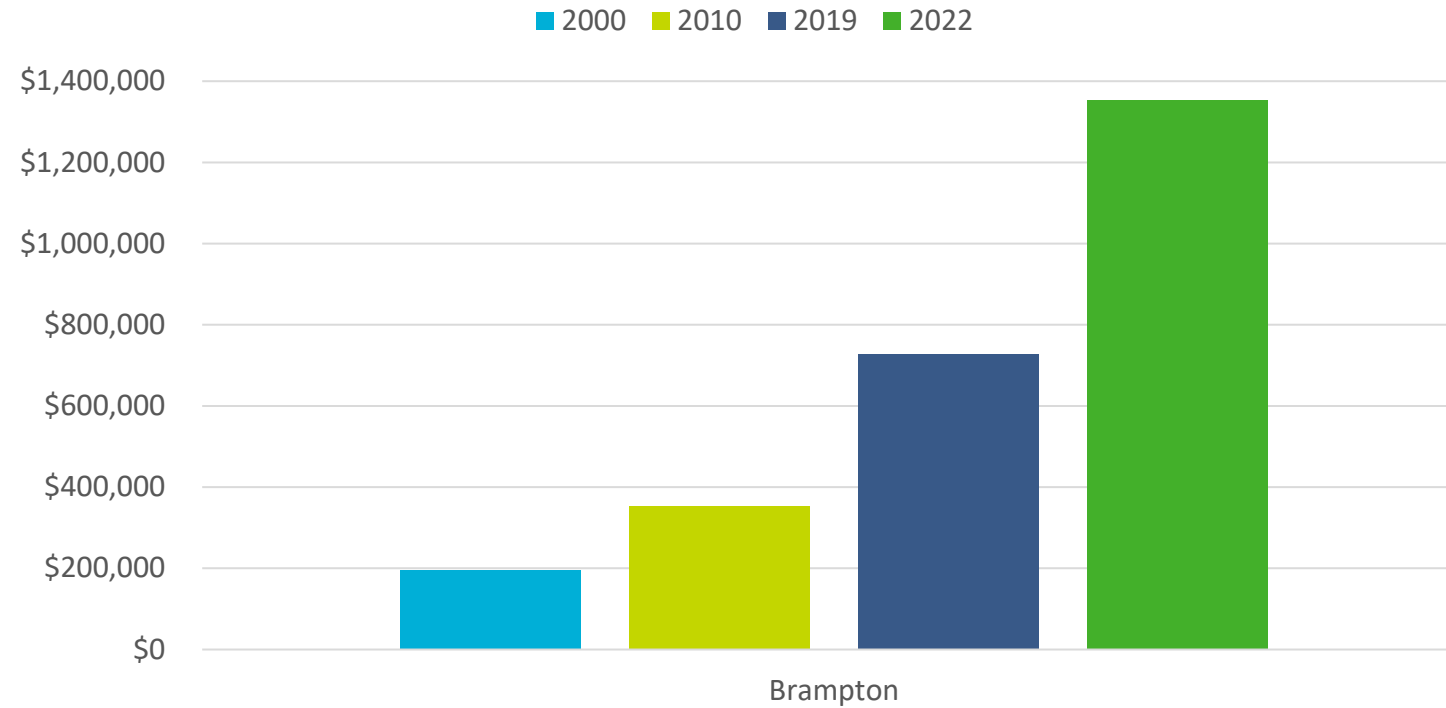

HABITAT FOR HUMANITY GTA MODEL

- > With rising costs of construction, DC's, HST, and interest rates, the overall cost of a unit increases
- > The higher the cost of the unit, the higher the income bracket for the families needs to be and that limits who Habitat GTA can help and our reach.
- > No revenue generated from HFH affordable ownership units unlike affordable rental units which must have a min. DCR of 1.1.

What's Needed for Habitat GTA & Halton – Mississauga – Dufferin's Success:

- > Habitat GTA & HMD are creating and providing affordable homeownership in line with Peel's Housing Strategy and Brampton's Housing Strategy & Action Plan as well as Peel's Affordable Housing Incentives Pilot Program. Habitat units pay property taxes which will then go back into the Region and City. Housing would also be provided in perpetuity, helping to achieve the housing targets.
 - > Due to the rising cost of construction, increase in HST, DC's and interest rates, Habitat GTA and Halton – Mississauga – Dufferin are seeking grant-in-lieu of DC's, Parkland Dedication fees and application fees in order to continue to be able to provide affordable home ownership in perpetuity.

Subject: Habitat for Humanity GTA – Financial Relief Associated for 1524 Countryside Drive (15 Stacked Townhouses) and 25 William Street (12 Stacked Townhouses)

Contact: Nash Damer, Treasurer
nash.damer@brampton.ca 905-874-2257

Report Number: Corporate Support Services-2022-516

Recommendations:

1. That the report titled: **Habitat for Humanity GTA – Financial Relief Associated for 1524 Countryside Drive (15 Stacked Townhouses) and 25 William Street (12 Stacked Townhouses)**, to the Committee of Council meeting on June 8, 2022, be received.

Overview:

- At its meeting on March 9, 2022, Committee of Council received a delegation from Habitat for Humanity GTA requesting a grant-in-lieu of development charges (DCs) for two developments; 12 stacked townhouse units at 25 William Street and 15 stacked townhouse units at 1524 Countryside Drive.
- This report outlines the financial and legal implications of providing the requested grant along with the outstanding cumulative monetary impact of previously approved DC and CIL grants.
- The report also advises of potential next steps should Council wish to provide a grant-in-lieu of DCs typically due at building permit issuance.
- Should Council wish to provide the full requested amount of \$730,000 in financial relief, staff recommend that the amount is made available through internal borrowing against the applicable Development Charges Reserves, to be repaid through a 10 year tax levy of approximately 0.02% on the City's portion of the tax bill.

Background:

Habitat for Humanity GTA is a non-profit organization whose mission is to organize volunteers and community partners in building affordable housing and promoting home ownership. Founded in 1976, Habitat for Humanity International has since grown to become a global non-profit working in more than 70 countries, including Canada. Their clients that partner with Habitat for Humanity pay an affordable mortgage geared to their income and volunteer 500 hours of their time. Their model of affordable homeownership bridges a gap for low-income, working families, by providing them with the opportunity to purchase their own home.

Habitat for Humanity has completed several projects within the City of Brampton, below is a table summarizing past projects and Council's financial support:

Address	Project Proposal	Financial Relief from City			
		Development Charges	Cash-in-lieu of Parkland	Building Permit Fees	Total
8600 Torbram Road	18 townhouse units	\$391,068	\$21,462	\$28,344	\$440,874
20A, 20B, 20C Hoskins Square	3 single detached units	\$75,245	\$7,167	\$3,513	\$85,925
59 McLaughlin Road North	13 townhouse units	\$304,590	\$127,750	\$21,319	\$453,659
Total		\$770,903	\$156,379	\$53,176	\$999,764

Previous to the above-mentioned projects, Habitat also completed 1 unit located at 88A Castlehill Road and 2 units at 120 and 122 Sled Dog Road through their legacy affiliate, Habitat for Humanity, Brampton.

Currently, Habitat for Humanity GTA has submitted two development applications to the City, as follows:

1. Municipal Address: 25 William Street
Development Proposal: 12 stacked townhouses
City File No.: SPA-2019-0076
2. Municipal Address: 1524 Countryside Drive
Development Proposal: 15 stacked townhouses
City File No.: OZS-2021-0025

At its meeting on March 9, 2022, Committee of Council received a delegation from Habitat for Humanity GTA requesting a grant-in-lieu of developments charges (DCs) for two developments; 1524 Countryside Drive and 25 William Street. Council referred the matter back to staff for review. Subsequently, a report was brought forward to the March 30 Committee of Council meeting, in which Committee adopted motion CW123-2022 which stated, "That Council direct staff to continue with a case-by-case basis evaluation of requests consistent with a Council endorsed Protocol for Evaluation of Requests for Incentives as an interim approach, until a City-wide CIP for Housing is established as per Council direction from the City's housing strategy 'Housing Brampton'". Housing Brampton, the City's newly endorsed housing strategy and action plan, identifies a city-wide need for a range of housing choices and tenure, including purpose-built rental housing, affordable rental housing and affordable ownership housing. The strategy recommends various financial and non-financial supports for housing that meets these needs.

Current Situation:

There is no legal basis to waive DCs as the payment of DCs are applicable law under clause 8 (2) (a) of the *Building Code Act, 1992* as defined in *O. Reg. 332/12*. Furthermore, the DC By-law states that no building permit shall be issued until the development charges have been paid in full. As such, in order to provide Habitat for Humanity GTA with any financial relief in respect of DCs, a grant equal to the DCs must be made using the grant power under section 107 of the *Municipal Act, 2001*.

City Council has discretion to authorize a grant to provide relief from DCs if Council is satisfied that it would be unreasonable to require payment of all, or a portion of the DCs due to the not-for-profit status of Habitat for Humanity GTA, and in furtherance of the development of affordable housing objective articulated in the Official Plan.

As Habitat for Humanity GTA is a not-for-profit Corporation, City Council does not need to be concerned about the bonusing prohibition in section 106 of the *Municipal Act, 2001* in considering providing Habitat with relief from the various fees.

Finally, it is important to note that because Habitat for Humanity GTA provides affordable homeownership, they do not take in any revenue that could offset the cost of DCs, etc. This is a distinct difference between recent affordable housing applications before Council that provided rental units at average market rent. As well, Habitat for Humanity GTA has the ability to offer its homes to residents of Brampton by creating an outreach program that targets Brampton residents first, then Peel Region residents and then GTA residents.

Corporate Implications:

Financial Implications:

The estimated impact of providing financial relief for the Habitat for Humanity GTA request is \$730,000 and is summarized in the table below.

Address	Project Proposal	Development Charges ¹
25 William Street	12 stacked townhouse units	\$315,000
1524 Countryside Drive	15 stacked townhouse units	\$415,000
Total		\$730,000

Notes:

1. The DC calculations are estimates based on currently available information and estimates from Habitat for Humanity GTA, and will need to be verified and finalized prior to building permit issuance.

Should Council wish to provide Habitat for Humanity GTA with the requested financial relief, staff recommend that the full amount initially be funded through the applicable Development Charges (DC) Reserves, and subsequently replenished through internal borrowing over a 10 year period at an interest rate consistent with the rate of return on the City's investment portfolio, which is currently 2.3%. This internal loan would require an annual repayment amount of approximately \$82,000 in the 2023 budget submission, subject to Council

approval, which is equivalent to a tax levy of approximately 0.02% on the City's portion of the tax bill.

The cumulative impact of financial relief provided to the organizations below to be repaid through internal borrowing amounts to approximately \$1,430,000 over a 10 year period.

Financial Relief to be Repaid Through Internal Borrowing	2023 Budget Impact	Cumulative Future Years Budget Impact (2024 - 2032)	TOTAL
Previously Approved Cash in Lieu (CIL) of Parkland Relief for Region of Peel Affordable Housing	\$ 61,000	\$ 549,000	\$ 610,000
DC Relief Identified in this Report for Habitat for Humanity GTA	\$ 82,000	\$ 738,000	\$ 820,000
TOTAL	\$ 143,000	\$ 1,287,000	\$ 1,430,000

It should be noted that all other DCs and fees levied by the Region of Peel and the School Boards would still apply unless Habitat for Humanity GTA requests and is granted relief directly from those agencies.

Term of Council Priorities:

This report achieves the Term of Council Priority of Brampton as a Well-run City through strict adherence to effective financial management policies and supports Brampton's 2040 Vision by ensuring sustainable financial revenues.

Conclusion:

Should Council decide to provide Habitat for Humanity GTA with financial relief from all fees and charges associated with the developments on 1524 Countryside Drive and 25 William Street, staff have prepared the following resolution for consideration:

- 1. That Council authorize a grant to Habitat for Humanity GTA in an amount equal to the payment of the Development Charges in respect of Habitat's proposals for development of 15 stacked townhouse units at 1524 Countryside Drive and 12 stacked townhouse units at 25 William Street. The full amount shall be funded through a draw from the applicable Development Charges Reserves on a unit by unit basis prior to the issuance of building permits, once Habitat for Humanity GTA has obtained all required planning and building approvals for its project;*
- 2. That the grant be funded from internal borrowing from the applicable Development Charges Reserves with repayment terms of 10 years at a rate*

of return consistent with the City's investment portfolio, currently at 2.3% interest;

3. *That the annual internal loan repayment amount of approximately \$82,000 be included in the 2023 budget submission, subject to Council approval.*

Subject: (Supplementary Report) Request for a Development Charges Deferral from Umbria Developers Inc. for a Residential Townhouse Development

Contact: Nash Damer, Treasurer
nash.damer@brampton.ca 905-874-2257

Report Number: Corporate Support Services-2022-653

Recommendations:

1. That the report titled: **Request for a Development Charges Deferral from Umbria Developers Inc. for a Residential Townhouse Development**, to the Council meeting on June 15, 2022, be received; and
2. That Council deny the request for the deferral of development charges as the project is part of a for-profit development, does not contribute to a strategic goal of the City, does not provide for an overall public benefit, and would set a precedent for all future development applications.

Overview:

- At its meeting on June 1, 2022 City Council received a supplementary delegation from Umbria Developers Inc. (“Developer”) requesting a deferral of a portion of the payment of development charges (“DCs”) for a five month period.
- The Developer is a privately owned, for-profit, land development company and is in the process of constructing a 148-unit stacked townhouse development on its land.
- This type of request for a DC deferral is rare, given that the project is a for-profit residential townhouse development.
- Historically, Council has only provided DC deferrals to projects that provide some form of public benefit (e.g. – long term care home provided

by Holland Christian Homes, affordable rental building provided by the Bramalea Christian Fellowship).

- The estimated DCs, based on current information available at the time of writing this report, amounts to roughly \$3,825,000. Deferring the payment of the City's DCs to the above-ground permit would delay receipt of DC revenues, providing a financial benefit to this developer at a cost of \$88,000 annually to the City due to loss of DC investment income on these revenues.

Background:

Umbria Developers Inc. ("Developer") is a privately owned, for-profit, land development company. The Developer submitted a site plan application to City to construct a stacked townhouse development on Sheard Avenue consisting of 148 stacked townhouse units. The Developer provided a supplementary delegation to City Council on June 1, 2022 to request a deferral of a portion of the payment of development charges ("DCs") for a five month period, based on the square footage of the underground parking garage that has already been excavated. In their delegation, the Developer recognized that there would be investment income lost, due to the deferral and indicated that they would be open to bear any such losses by providing a financial contribution to the City.

It should be noted that the same request was brought forward for Council's consideration in 2021 for another stacked townhouse development, in which Council had denied their request.

The delegation and report from June 1, 2022 was referred back to staff to investigate details of a potential partial deferral of development charges to the June 15, 2022 meeting of Council.

Current Situation:

The Developer has already been issued the excavation and shoring permit and awaits the issuance of the footings and foundation permit to begin constructing the underground parking garage. The underground parking garage serves as the foundation for the stacked townhouse residential dwelling units and therefore this permit will trigger the payment of DCs and cash-in-lieu of parkland ("CIL Parkland"). Following the footings and foundation permit would be the above-grade superstructure permit.

The City's DC by-law allows for developers to enter into a late payment agreement pursuant to section 27 of the *Development Charges Act*, providing for all or part of the DCs to be paid

before or after it would otherwise be payable. In that event, the terms of a DC Deferral Agreement shall then prevail over the provisions of the DC By-law.

In regards to the Developer bearing any investment income losses by providing a financial contribution to the City, the City is not legally entitled to receive this contribution as the City can only levy and collect DCs per the policies and rates in the DC By-law.

Corporate Implications:

Financial Implications:

Granting the request to the Developer would effectively result in the City providing subsidized financing to a for-profit developer, which is more appropriately negotiated between the developer and the banking industry.

The estimated DCs, based on current information available at the time of writing this report, amounts to roughly \$3,825,000. Deferring the payment of the City's DCs to the above-ground permit would delay receipt of DC revenues, providing a financial benefit to this developer at a cost to the City of \$88,000 annually due to loss of DC investment income on these revenues.

Furthermore, granting this request would establish a precedent for future developments and hinder the City's ability to collect DCs on a timely basis. It is the opinion of Finance staff, and supported by our Legal Department, that it is poor practice to provide this deferral in an inconsistent manner.

It should be noted that the development charges payable to the Region of Peel (\$7 million) and School Boards (\$675,000) are due and payable upon issuance of the foundation permit, as well as the City's cash-in-lieu of parkland fee (\$1.13 million). There is no provision in the *Planning Act* for the late payment of CIL parkland.

Legal Implications:

Section 27 of the DC Act allows that a municipality may enter into an agreement with a person who is required to pay a development charge providing for all or any part of a development charge to be paid before or after it would otherwise be payable.

It is the preference of Legal staff that deferrals be applied in as consistent manner as possible.

Term of Council Priorities:

This report achieves the Term of Council Priority of Brampton as a Well-run City through strict adherence to effective financial management policies and supports Brampton's 2040 Vision by ensuring sustainable financial revenues.

Conclusion:

Staff recommend that Council deny the request for the deferral of development charges for the reasons as set out in the report.

Subject: **Request for a Development Charges Deferral from Umbria Developers Inc. for a Residential Townhouse Development**

Report Number: Corporate Support Services-2022-587

Recommendations:

1. That the report titled: **Request for a Development Charges Deferral from Umbria Developers Inc. for a Residential Townhouse Development**, to the Council meeting on June 1, 2022, be received; and
2. That Council deny the request for the deferral of development charges as the project is part of a for-profit development, does not contribute to a strategic goal of the City, does not provide for an overall public benefit, and would set a precedent for all future development applications.

Overview:

- Umbria Developers Inc. (“Developer”) is a privately owned, for-profit, land development company and is in the process of constructing a 148-unit stacked townhouse development on its land.
- At its meeting on May 25, 2022, Committee of Council received a delegation from the Developer requesting that consideration be given to defer the payment of development charges (“DC”) until such time that the construction is above-grade.
- This type of request for a DC deferral is rare, given that the project is a for-profit residential townhouse development.
- Historically, Council has only provided DC deferrals to projects that provide some form of public benefit (e.g. – long term care home provided by Holland Christian Homes, affordable rental building provided by the Bramalea Christian Fellowship).

- **The estimated DCs, based on current information available at the time of writing this report, amounts to roughly \$3,825,000. Deferring the payment of the City’s DCs to the above-ground permit would delay receipt of DC revenues, providing a financial benefit to this developer at a cost of \$88 thousand annually to the City due to loss of DC investment income on these revenues.**

Background:

Development charges (“DCs”) are the primary revenue tool used by municipalities to fund growth-related infrastructure. The principal behind DCs is that “growth pays for growth” so that the burden of costs related to new development does not fall on the existing community in the form of increased property taxes and/or user fees. DCs help to ensure that municipalities have funding to invest in the necessary infrastructure in order to maintain service levels as the City grows.

Umbria Developers Inc. (“Developer”) is a privately owned, for-profit, land development company. The Developer submitted a site plan application to City to construct a townhouse development on Sheard Avenue consisting of 148 stacked townhouse units. The Developer delegated before Committee of Council on May 25, 2022 to request that the payment of DCs be deferred until such time that the construction is above grade.

The intent of a deferral agreement is to postpone the payment of DCs to a date after it would be otherwise payable. For this particular development, DCs are payable upon the issuance of the building permit for the foundation of the townhouse block.

As discussed by members of Committee, this type of deferral request is unusual given that it is a for-profit residential townhouse development. In the past, Council has authorized the execution of DC deferral agreements to the following applications:

1. Bramalea Christian Fellowship

The Bramalea Christian Fellowship is a local church that was established in Brampton in 2010. The development provided for a 90 unit, 6-storey affordable housing project. The project is intended to remove 45 families from Peel Region’s Centralized Wait List for affordable housing by providing rents at 60 per cent of Average Market Rent (AMR), and the balance of the units provides for rent at 100 per cent of AMR.

2. Holland Christian Homes

Holland Christian Homes is a not-for-profit entity providing homes for seniors. The development comprised of building a new long term care facility for 120 residents and the repurposing of one of their existing long term care facilities into a seniors community facility that will consist of a community adult day program center, respite care beds, convalescent care beds, a palliative care unit, physiotherapy clinic for

seniors and dwellings designed for seniors with special care/special needs who are still able to live independently.

There were two other DC deferral agreements executed for temporary structures that would not be erected for longer than a period of 8 months.

Current Situation:

In the verbal delegation by the Developer, they cited the following reasons for their request for a deferral of the DCs:

- Economic hardships due to the COVID-19 pandemic;
- A shortage of materials and supplies; and
- Completion delays of the Developer's other projects.

While this is true that there are additional costs to be incurred by the Developer due to the reasons explained by the delegate, it should be noted that Umbria is not alone in this respect and the hardships due to COVID would be experienced by many, if not all, other developers and home builders. One would expect that due diligence be exercised by any business enterprise that would be venturing into a large scale project during the pandemic.

From the City's perspective, the overall collection of DCs has been compromised due to changes stemming from Bill 108 to the DC Act. Any planning application received by the City after January 1, 2020 has their DC rates frozen at the time the application is deemed complete. Whereas previously, DCs were calculated and charged at the rate that was in effect at the time of building permit issuance. This change, plus the statutory DC deferrals for rental and institutional developments, is extremely detrimental to the fiscal health of municipalities.

Corporate Implications:

Financial Implications:

Granting the request to the Developer would effective result in the City providing subsidized financing to a for-profit developer, which is more appropriately negotiated between the developer and the banking industry.

The estimated DCs, based on current information available at the time of writing this report, amounts to roughly \$3,825,000. Deferring the payment of the City's DCs to the above-ground permit would delay receipt of DC revenues, providing a financial benefit to this developer at a cost to the City of \$88 thousand annually due to loss of DC investment income on these revenues.

Furthermore, granting this request would establish a precedent for future developments and hinder the City's ability to collect DCs on timely basis.

Term of Council Priorities:

This report achieves the Term of Council Priority of Brampton as a Well-run City through strict adherence to effective financial management policies and supports Brampton's 2040 Vision by ensuring sustainable financial revenues.

Conclusion:

Staff recommend that Council deny the request for the deferral of development charges for the reasons as set out in the report.

Committee of Council meeting

Subject: **Brampton Sign for Tourism Promotion – RM 18/2020**

Contact: **Laura Lukasik, Manager Tourism & Special Events**
416-801-3623 | laura.lukasik@brampton.ca

Report Number: Corporate Support Services-2022-563

Recommendations:

1. That the report from Laura Lukasik, Manager Tourism and Special Events, dated May 20, 2022, titled Brampton Sign for Tourism Promotion, Referred Matter 18/2020, be received; and
2. That Council approve Tourism staff to move forward with issuing an RFP for the design, construction and installation of a Brampton sign for tourism promotion; and
3. That Council approve an area within the south west quadrant of Ken Whillans Square as the (semi) permanent location for the sign.
4. That a budget amendment be approved to the 2022 Capital Budget and a new capital project be established in the amount of \$345,000 for the purchase of a Brampton sign and tourism promotion outlined in this report to be funded 100% by the government grant
5. That staff include approximately \$40,000 for the ongoing operations and maintenance costs of the sign in the 2023 budget submission, pending Council approval.

Overview:

- Many cities, both large and small, have invested in signs for tourism promotion. Residents and visitors alike are drawn to tourism signs for photos and selfies.
- These signs typically become an iconic tourism attraction and symbol that help to brand the city both locally and beyond our borders.
- Tourism signs range in cost from \$200,000 to over \$1 million depending on the dimensions and features of the sign. The recommended budget for the sign

and promotion is \$345,000 and it is anticipated that funding will be received for the same amount.

- A location in the south west quadrant of Ken Whillans Square was determined to be the best spot for the sign within the downtown core. There will be an ability to move sign in future should there be a need for construction, etc.

Background:

The City of Brampton had a temporary styrofoam tourism sign manufactured in 2017 for use at large events. After several years of use and associated wear and tear, the sign was retired. It was clear though that the sign was very popular with residents and visitors based on the number of photos and selfies taken at events.

An environmental scan was conducted and identified that a number of Canadian municipalities were provided with Canada 150 signs as part of that anniversary celebration. In many cases, the popularity of the signs led many municipalities to obtain tourism signs bearing the name of their city including Toronto, Ottawa and Hamilton.

At the January 22, 2020 City Council meeting, Council Resolution C015-2020 directed staff to investigate and report back to Budget Committee during the 2020 budget process on the costs and additional considerations for the installation of a permanent Brampton sign for promotion and tourism purposes. The Brampton sign for tourism promotion then became a Referred Matter – RM 18/2020.

Current Situation:

Tourism staff has secured funding which staff believe is sufficient to cover 100% of the costs associated with the design, construction and installation of the sign including budget for a communications/marketing plan.

Meetings with internal departments confirmed the most appropriate location for the sign is in the south west quadrant of Ken Whillans Square. Issues including safety concerns, placement that does not impact the full view of the tree for Tree Lighting and not being within the area of the cenotaph were all taken into consideration. Should there ever be a need to move the sign that will be possible.

The cost of the sign will be in excess of \$100,000 therefore requiring a formal RFP process be undertaken. It is anticipated that the sign will be installed either by the end of the calendar year or very early in Q1 2023 depending on weather conditions.

Corporate Implications:

Financial Implications:

A budget amendment will be required and a new capital project will need to be established in the amount of \$345,000, fully funded by government grant and subject to Council approval of this initiative.

In addition, this initiative requires ongoing maintenance of the sign, including electricity costs. The cost of ongoing maintenance is estimated at \$40,000 annually, which is equivalent to 0.01% on the City's portion of the property tax bill. Staff recommend that approximately \$40,000 be included in the 2023 budget submission for operations and maintenance, pending Council approval.

Term of Council Priorities:

This report achieves the Strategic Plan priorities of Strong Communities and Smart Growth by celebrating citizens and creating partnerships through arts, culture and social interaction and practising proactive, effective and responsible management of municipal assets and services.

Conclusion:

Tourism staff recommends a Brampton sign for tourism promotion be designed, constructed and installed on a (semi) permanent basis in the south west quadrant of Ken Whillans Square to serve as an attraction for both residents and visitors, with a robust promotion plan, particularly during water main construction.

Subject: **Request to Begin Procurement – Data Governance Technology Solution for a Five (5) Year Period**

Contact: Paul Morrison, Interim Chief Information Officer, Digital Innovation & Information Technology, Corporate Support Services

Report Number: Corporate Support Services-2022-709

Recommendations:

1. THAT the report titled: Request to Begin Procurement – Data Governance Technology Solution for a Five (5) Year Period, to the ***Council meeting, July 6, 2022*** be received; and
2. That the Purchasing Agent be authorized to commence the procurement for a Data Governance Technology Solution for a Five (5) Year Period.

Overview:

- **This report seeks Council approval to commence procurement of a Data Governance Technology Solution for a five (5) year period with the option to renew the contract for five (5) additional one (1) year periods.**
- **The City has a requirement to procure and implement a Data Governance Technology Solution as part of Digital Innovation & Information Technology (DI&IT) Data and Analytics Strategy**
- **This is a net new solution to the City that will enable the City to better manage, understand and govern its data and information.**

Background:

The City has a large volume of data assets that are key to decision making and driving forward on the City's priorities. An IT Risk Assessment identified the implementation of a data governance framework as critical to the organization. As part of the Management Action Plan to address these past audit findings, the creation of a data governance

framework and the implementation of a solution was identified. In 2019, DI&IT engaged an external consultant to develop a strategy to manage and extract value from Data & Analytics across the City of Brampton in response to the audit findings.

A foundational piece to this strategy is the development of a Data Governance framework – it is imperative to have tools that manage and govern the City's data in order to rollout the framework.

Current Situation:

The City has an enormous amount of data that can be leveraged for such things as performance measures, KPIs, metrics, OpenData to engage the public at large and using data to make informed decisions. To realize that value, the data must be properly and appropriately managed so that the right people are using the right data at the right time. As the City moves forward with leveraging data, a data governance solution that will provide a centralized and standardized data catalog and metadata will be a requirement to adequately and efficiently govern corporate data.

Currently Data Governance activities, where they are happening, are being done in an informal way and information about data is being tracked in Excel and SharePoint lists. This creates disparate, non-standardized and non-centralized information that is cumbersome to manage effectively. The implementation of a technology solution that incorporates best practices for Data Governance will enhance City staff's ability to make informed decisions about strategic and operational initiatives. Acquiring and making a long-term investment into a solution will ensure that there are clearly defined data owners, consistent and common understanding of the data, adherence to the records retention by-laws and many other benefits that will enhance confidence and trust in the City's data.

Scope of the Project:

The project will involve the acquisition of a corporate Data Governance Technology solution, including services for implementation, support and maintenance and the provision of training.

Corporate Implications:

Financial Implications:

Sufficient capital funding for this initiative is available in Project #221480-100. This initiative will require ongoing operating costs of approximately \$350,000 for software application and maintenance, which will be included in the 2024 operating budget submission, subject to Council approval.

Purchasing Implications:

A public Procurement Process will be conducted, and the Bid submissions shall be evaluated in accordance with the published evaluation process within the Bid Document.

Purchase approval shall be obtained in accordance with the Purchasing By-law.

All communication with Bidders involved in the procurement must occur formally, through the contact person identified in the Bid Document.

Term of Council Priorities:

This report achieves the Strategic Plan of Brampton is a Well Run City as demonstrated through supporting:

- a) The Data and Analytics Strategy and the implementation of Data Governance to better enable data informed and data driven decision making; and
- b) Stewardship of Assets and Services ensuring proactive, effective management of municipal data assets.

Conclusion:

This report recommends that the Purchasing Agent be authorized to commence the procurement as described in this report.

Subject: Emancipation Park – Ward 7 (RM 61/2021)

Contact: Gregory Peddie, Supervisor, Events and Protocol,
Strategic Communications, Culture and Events, 905-874-5190,
gregory.peddie@brampton.ca

Report Number: Corporate Support Services-2022-733

Recommendations:

1. That the report from Gregory Peddie, Supervisor of Events and Protocol, Strategic Communications, Culture and Events dated June 15, 2022, to the Council Meeting of July 6, 2022, re: **Emancipation Park – Ward 7 (RM 61/2021)**, be received; and
2. That the installation of four flagpoles at Emancipation Park be approved.

Overview:

- On July 7, 2021, Council passed a motion to allocate \$50,000 for an Emancipation Park memorial, in alignment with the Public Art framework and in consultation with the Afro-Caribbean community.
- Staff were directed to report back on feasibility on the servicing costs, and implementation. Permanent servicing was deemed unachievable, however, there is a potential option of providing portable servicing generators for small-scale events.
- Staff recommend investigating properties towards the Northeast quadrant of the City as a premium event space and passive park for all the amenities requested and maintaining the current intended use for Emancipation Park as sports fields.
- On April 20, 2022, Council directed staff to report back on the feasibility of installing a permanent flagpole at Emancipation Park including the potential to require additional three flag poles to accommodate the Canadian, Provincial and Municipal flags according to flag protocol.

Background:

In June 2020, Councillor Williams requested consideration for naming a park Emancipation Park to be announced during the August 2020 community recognition event. In response to this request, City staff reviewed options for candidate parks within Wards 7 and 8 for consideration by the Reference Committee. The Wards 7 and 8 Reference Committee considered possible parks and recommended the renaming of the Dixie 407 Park to be named Emancipation Park, which was approved by Council (C259-2020). The Strategic Communications, Culture and Events Division held a public unveiling for its renaming in August 2020, and hosts an annual corporate event in recognition of the emancipation of the Afro-Caribbean diaspora in the park.

At the July 7, 2021, Council meeting, staff were further directed (C244-2021) to acknowledge the legacy and importance of Emancipation Day at the park. Council direction was given to allocate up to \$50,000 for a memorial, in keeping with the Public Art Framework, and in consultation with the Afro-Caribbean community, apply to Heritage Canada for further funds to cover costs of installation and maintenance of the memorial; and report back to Council on servicing costs and implementation steps for Emancipation Park.

On April 20, 2022, Council directed staff to report back on the feasibility of installing a permanent flag pole in Emancipation Park, including the potential to require additional flag poles to accommodate the Canadian, Provincial and Municipal flags according to flag etiquette. Council directed that staff report back in a timeframe that would allow for the installation of the flag poles for Emancipation Month in August 2022 and the Emancipation Cup Soccer tournament with a date to be confirmed.

Current Situation:

Memorial

Canadian Heritage is a department within the Government of Canada that has roles and responsibilities related to initiatives that promote Canadian identity, values, cultural development, and heritage. It provides funding for many cultural projects and initiatives however, the scope of the Emancipation Memorial does not currently qualify for any of their grants. Required budget for the memorial project will be included as part of the 2023 Cultural Services capital budget request for Council consideration.

Servicing

Emancipation Park was built over 15 years ago. The park is landlocked to the east and blocked from servicing to the north by the Highway 407 and Brampton city limits directly to the south. The City of Mississauga is the closest service connection available within the area. The Ministry of Transportation has a land option for a sizable portion of the south area of the park that is planned to be utilized for a Bus Rapid Transit line. This

option is currently in the Environmental Assessment planning phase and staff expect the Ministry will exercise their rights to have the City vacate those areas of the park resulting in the loss of existing parking, up to four soccer fields, one cricket field, and the batting cages. The City has not invested a significant capital budget in the park infrastructure.

Staff recently explored options to provide electrical service to light the sports fields. It was noted that due to the proximity of the highway and on - ramp it could be a serious safety concern and pose a distraction to drivers. Consultation with the Ministry of Transportation and Highway 407 Authority will be required to gain permission for additional amenities and servicing to be added to the park.

Sanitary servicing for a potential washroom building was previously explored and were also not approved to proceed due to the Bus Rapid Transit construction that would remove access, prohibiting the City from connecting to any services.

From servicing investigations conducted the City would lose several recreation facilities on-site, services and any potential connections leaving very minimal City facilities with no access to parking and servicing. As a result, permanent servicing was deemed unachievable, however there is a potential option of providing portable power generators for small-scale events.

With these operational considerations and the communities desire to deliver programming above the parks current capabilities staff recommend investigating properties towards the northeast quadrant of the city as a premium event space and passive park for all the amenities requested and maintaining the current intended use for Emancipation Park as sports fields.

Flag Poles

Staff can install the requested flagpoles at Emancipation Park (location to be determined) as outlined in the Council motion at a cost of approximately \$5,000.00 per pole. The estimated installation timeline would be five to six weeks. Staff recommend the length of the flagpole and the size of the flag for exterior permanent poles should correspond to the following dimensions:

Flag	Pole
4 1/2 X 9 feet	30 to 35 feet

When displaying flags of several nations, all flags including the National Flag of Canada, should be flown on separate flagpoles at the same height and size without, changing the flags' proportions. As the delegation requested the Pan-African flag be raised, the order of precedence will be as such:

- National flag of Canada

- Pan-African
- Ontario
- Brampton

The National Flag of Canada occupies the position of honour and the left most position in accordance with National Flag of Canada etiquette and the City of Brampton's Flag Policy.

Corporate Implications:

Financial Implications:

The cost of installing a flagpole at Emancipation Park is dependent on the material selected, ranging between \$4,000 and \$6,000 per flagpole. Four flagpoles are estimated to cost between \$16,000 and \$24,000.

Material	Cost per Flagpole	# of Flagpoles	Total Cost
Aluminum	\$ 6,000	4	\$ 24,000
Fiberglass	\$ 4,000	4	\$ 16,000

Sufficient funding is available for the initiative from Project #215430-001 – Wayfinding and Signage – Outdoors.

Project #	Original Budget	Expenditures and/or Commitments to Date	Balance Available
215430-001	\$ 100,000.00	\$ 10,049.12	\$ 89,950.88

Required budget for the memorial project will be included as part of the 2023 Cultural Services capital budget request for Council consideration.

Term of Council Priorities:

This report has been prepared in consideration of the Term of Council Priorities.

Through exploration of incorporating a memorial within a City asset this report demonstrates that Brampton is a Well Run City.

Through the consideration of installing four flagpoles for an array of flags to be hoisted demonstrates that Brampton is a Mosaic.

Conclusion:

In response to having a memorial and servicing at Emancipation Park, staff is recommending that other properties be explored to accommodate a passive park and premium event space. Resources are available for the installation of four flagpoles.

Andrew.mcneill@brampton.ca, 905.874.3491

Report Number: Planning, Bld & Ec Dev-2022-700

Recommendations:

1. **THAT** the report titled “Brampton Plan – Revised Adoption Timelines”, to the July 6, 2022 meeting of City Council be received;
2. **THAT** staff be directed to release a second draft of Brampton Plan for public review and comment prior to Council adoption; and
3. **THAT** a second Statutory Public Meeting be held in the fall to provide a forum for the public to submit formal comments on the second draft of Brampton Plan, with staff reporting back with the results, and recommendations, to a subsequent meeting of Planning and Development Committee early in 2023.

Overview:

- A first draft of Brampton Plan was released to the public on April 22, 2022.
- Two public Open Houses were held on May 18th and May 19th 2022 to share highlights of the plan with the public.
- A Statutory Public Meeting was held on May 30th 2022 to provide an opportunity to receive formal comment on the draft plan.
- Comments on the draft were requested by June 3, 2022. Despite this commenting deadline, correspondence pertaining to Brampton Plan continues to be received by City Planning & Design Staff.

- **Staff continue to meet with stakeholders to review comments and modify Brampton Plan where appropriate.**
- **Staff recommend that a second draft of Brampton Plan be released for review and comment, given the additional changes that have been made to the Brampton Plan draft, and in response to requests from stakeholders.**
- **The City fulfilled the statutory requirements pursuant to the Planning Act by hosting an Open House and a Statutory Public Meeting; however, following circulation of a second draft, staff recommend that a second Statutory Public Meeting be held to provide a subsequent opportunity to receive formal comment on the revised Brampton Plan.**
- **The new Brampton Plan cannot come into full force and effect prior to Provincial approval of the Peel Region Official Plan, timing for this remains uncertain. Staff recommend using this time for additional engagement, to potentially minimize future appeals to Brampton Plan and ensure the draft fully reflects Council's intent.**
- **It is recommended that a second Statutory Public Meeting be held in the fall, with final consideration of Brampton Plan to occur early in 2023.**

Background:

At the January 2020 Special Meeting of Council, a work plan for delivering Brampton Plan was approved. Within that work plan, a target of the end of Q2, 2022 was identified for Council consideration of Brampton Plan. A tentative date of July 6, 2022 had been scheduled to bring forward Brampton Plan for Council consideration.

Current Situation:

Despite the challenges associated with the COVID-19 Pandemic, staff have managed the project and delivered on track with Brampton Plan project milestones, as outlined in the approved work plan for Brampton Plan. A draft of Brampton Plan was released publicly on April 22nd, 2022.

Approximately a month after issuance, Statutory Open Houses took place on May 18th and 19th, 2022, followed by a Statutory Public Meeting on May 30th, 2022. All meetings were advertised according to Planning Act requirements.

Following the Statutory Public Meeting, correspondence has been received from a number of stakeholders, as well as commenting agencies – including the Region of Peel, the Credit Valley Conservation Authority and the Toronto Region Conservation Authority,

and Indigenous Groups. A commenting deadline was conveyed to the public of June 3, 2022; however, correspondence continues to be received after the formal commenting deadline. Included on the Planning and Development Committee Meeting Agenda of June 20, 2022, were 37 pieces of correspondence pertaining to Brampton Plan that were received from various stakeholders.

In response to all correspondence, staff have reviewed the comments contained within letters and are meeting one-on-one with stakeholders, where appropriate and when requested. The comments received have been helpful to staff and the meetings with stakeholders have enabled productive discussion to clarify policy intent and fine-tune language within Brampton Plan. Numerous stakeholders have requested that the City incorporate requested changes to Brampton Plan and then issue a second draft of Brampton Plan prior to proceeding to Council for formal approval.

Changes to Brampton Plan

As a result of considering feedback from stakeholders, changes have been made to the first draft of Brampton Plan. These changes include the following:

- Transit Hierarchy refined;
- Framework around Building Heights made more clear;
- Established context around Neighbourhood Centres and how they contribute to 15-minute neighbourhoods;
- Clarity on the difference between Primary and Secondary Boulevards and Corridors;
- Mixed-use District Designation replaced with Mixed Use Area designation – application of the designation broadened to apply beyond Major Transit Station Areas (MTSA's) to include the Urban Growth Centre (UGC), Urban, Town and Neighbourhood Centres;
- Neighbourhoods section revised to provide clarity on where land uses should be located based on the functional classification of the street; Low-rise density categories were introduced; and Place of Worship policies have been expanded upon;
- Neighbourhoods vs Community Supportive uses have been explained and elaborated upon, specifically as they relate to commercial uses;
- Employment Section revised to provide clarity on Mixed-use Employment designation's relationship to MTSA's;
- Additional consideration has been given to how the policy framework responds to Major Institutional and Major Office uses;
- General clarification was required on the relationship between designations and overlays, including clarification on how the overlays are to be applied;
- Schedules needed to be updated to conform to provincial mapping (PSEZ/UGC), as well as more recently approved employment conversions through the Region's Municipal Comprehensive Review;
- Document restructuring with updates of all relevant numbering to support wayfinding by users;

- Bill 109 implications to the Implementation Chapter are still being evaluated and incorporated; and
- Minor language changes in response to stakeholder meetings.

Proposed Second Draft of Brampton Plan

Within the written correspondence received, as well as during one-on-one meetings, stakeholders expressed a desire to have a second draft issued following completion of changes to Brampton Plan. Given that the changes made to Brampton Plan are more than just minor wordsmithing, it is recommended that a second draft of Brampton Plan be issued for review and comment. Issuing multiple drafts of new Official Plans is considered normal practice and will ensure transparency in the process.

Proposed Second Statutory Public Meeting

The Planning Act requires a minimum of one Statutory Open House and One Statutory Public Meeting prior to Council consideration of a new Official Plan. This requirement has been met and no further statutory meetings are required. In an effort to exceed minimum engagement requirements, staff recommend that a second Statutory Public Meeting be held following issuance of a second draft to ensure transparency and provide an additional formal opportunity to receive feedback on the plan. While it may not be possible to eliminate potential appeals to Brampton Plan, staff considers this additional step prudent to attempt to resolve issues in a collaborative manner with stakeholders prior to formal approval of the plan.

Regional Official Plan

Regional Council recently approved the Region of Peel's Official Plan early in Q2, 2022. Following Regional Council approval, the new Official Plan was forwarded to the Province for approval. The date for approval of the Region's Official Plan, where it will come into full force and effect, is still uncertain. Brampton Plan will require approval from the Region of Peel. As Brampton Plan is required to be in conformity with the Region's Official Plan, it will not be possible to receive Regional approval of Brampton Plan until the Region's Official Plan is in full force and effect. The City is ahead of Regional requirements to bring our Official Plan into conformity, therefore, it is recommended that the City use the available time period to refine Brampton Plan and build as broad constituency around the plan as possible.

Corporate Implications:

Financial Implications:

There are no financial implications associated with this report.

Other Implications:

There are no other implications associated with this report.

Term of Council Priorities:

Brampton Plan is noted as a Term of Council priority under the following:

Council Priority: A City of Opportunities

Strategic Priority: 1.4 Prioritize Jobs Within Centres

Project Number: 1.4.3 Develop a New Official Plan that aligns all master plans with Brampton 2040.

Conclusion:

As a result of considering feedback provided by stakeholders, Brampton Plan has undergone revisions. To further engage the community in a transparent manner, it is recommended that a second draft of Brampton Plan be released for review and comment during the summer. A second Statutory Public Meeting can then be held in the fall to receive formal comment on the revised draft. Following any subsequent revisions, staff can then report back to Council with the final Plan for consideration early in 2023. Given that Brampton Plan cannot be brought into full force and effect until after approval of the Region's Official Plan by the province, it is recommended that this time be used to conduct fulsome engagement with the Brampton community around the detailed policies of Brampton Plan to mitigate potential appeals.

Subject: Subdivision Release and Assumption

Secondary Title: Northbram Developments Inc., Registered Plan 43M-1654 – (North of Countryside Drive, East of Airport Road), Ward 10 - Planning References – C07E16.002 and 21T-01033B

Contact: John Edwin, Manager, Development Construction, Environment & Development Engineering Division - (905-874-2538)

Report Number: Public Works & Engineering-2022-601

Recommendations:

1. That the report titled: **Subdivision Release and Assumption; Northbram Developments Inc., Registered Plan 43M-1654 – (North of Countryside Drive, East of Airport Road), Ward 10 - Planning References – C07E16.002 and 21T-01033B**, to the Council Meeting of June 15, 2022 be received;
2. That all works constructed and installed in accordance with the subdivision agreement for Registered Plans 43M-1654 (the “Subdivision”) be accepted and assumed;
3. That the Treasurer be authorized to release the securities held by the City;
4. That a by-law be passed to assume the following streets as shown on the Registered Plans 43M-1654 as part of the public highway system:

Lacoste Boulevard, Sauble Road, Prada Court, Armani Lane, Tango Road, Rampart Drive, Mount Royal Circle, Darren Road, Iberville Road, Leparc Road Delmonico Road

Overview:

This report recommends that the works constructed and installed in accordance with the subdivision agreement for Registered Plans 43M-1654 be accepted and assumed.

Background:

City Council, at its meeting of March 2, 2022 approved Committee of Council recommendation CW056-2021, whereby the streets as shown on the subject Registered Plans are to be assumed by the City, once all departments have provided clearance for assumption by the City.

Current Situation:

City departments have now reviewed the Registered Plans for this subdivision and have provided clearance for assumption.

Corporate Implications:

All City Departments and the Region of Peel have provided clearances for assumption of the Subdivision to the Manager, Development Construction. This subdivision will now be included in the City's list of assets. The City of Brampton will now be fully responsible for on-going maintenance.

Financial Implications:

The annual operating impacts associated with the assumed infrastructure within this subdivision are estimated to be \$12,100. There is sufficient funding approved within the Public Works and Engineering operating budget to proceed with the recommendations in this report.

Strategic Plan and Term of Council Priorities:

This report accomplishes the Strategic Plan priorities by supporting the benefits of sustainable growth to build a pre-eminent city with vibrant and connected communities.

Living the Mosaic – 2040 Vision

This report directly aligns with the vision that Brampton will be a mosaic of complete neighbourhoods and sustainable urban places.

Term of Council Priority

This report achieves the Term of Council Priority by highlighting Brampton as a well-run City. We continuously improve the day-to-day operations of the corporation by streamlining service delivery, effectively managing municipal assets, and leveraging partnerships for collaboration and advocacy.

Conclusion:

With approval of this report, the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1654 will be accepted and assumed.

▭ SUBJECT LANDS TO BE ASSUMED (1.71 KM)

Date: 2022-06-06

Subject: **All-way Stop Review – Various Streamlined (Wards 5 and 10)**

Contact: Binita Poudyal, Traffic Operations Technologist,
Road Maintenance, Operations and Fleet, Public Works and
Engineering Department,
905-874-2878

Report Number: Public Works & Engineering-2022-632

Recommendations:

1. That the report titled: **All-way Stop Review – Various Streamlined (Ward 5 and 10), (R 632/2022 - File I.AC TRAF)** to the Committee of Council Meeting of June 22, 2022 be received; and,
2. That an all-way stop control be implemented at the intersection of Alister Drive and Valleyway Drive (Ward 5); and,
3. That an all-way stop control be implemented at the intersection of Apple Valley Way and Caliper Road (Ward 10); and,
4. That an all-way stop control be implemented at the intersection of Beachville Circle and Royal West Drive (Ward 5).

Overview:

- **An alternate streamlined process for the consideration of all-way stop requests that includes a review of an all-way stop location from a safety perspective and a public consultative process can be considered if an intersection does not meet technical warrants.**
- **The intersections of Alister Drive and Valleyway Drive (Ward 5), Apple Valley Way and Caliper Road (Ward 10) and Beachville Circle and Royal West Drive (Ward 5) have been identified for review in accordance with the alternate process for consideration of an all-way stop controls.**

- **The subject intersections can safely accommodate all-way stop controls.**

Background:

The consideration of stop signs require City Council to balance technical traffic engineering input versus the desire of local residents who believe that the introduction of an all-way stop control will improve livability within their respective communities.

As a result, an alternate streamlined process for the consideration of all-way stop requests was developed that includes a review of an all-way stop location from a safety perspective and a public consultative process if an intersection does not meet technical warrants.

Current Situation:

The following intersections have been identified for review in accordance with the alternate process for consideration of all-way stop signs:

- Alister Drive and Valleyway Drive (Ward 5).
- Apple Valley Way and Caliper Road (Ward 10).
- Beachville Circle and Royal West Drive (Ward 5).

Safety Review

A safety review of the subject intersections was conducted using the following criteria and the results of the review revealed that the location does not meet any of these criteria, thus can safely accommodate an all-way stop control:

- Posted speed is greater than 50 km/h;
- Multi-lane roadways;
- Offset intersections;
- Where traffic is required to stop on a grade;
- Driver sightlines; and,
- Other traffic safety related concerns.

Public Consultation

In accordance with the approved methodology to solicit public feedback, questionnaires were sent to all homes that front onto the intersecting roadways within 250 metres of the subject intersection. Based on the feedback received, an all-way stop is not to be considered if responses received do not support the all-way stop are more than 51%. Input received in response to the information panels weighs lower (half) than comments received from residents immediately affected by the all-way stop (who received the questionnaire). The results of the public consultation are summarized in the table below.

Table 1: Summary of the Public Consultation

Location	Questionnaires Sent Out	Questionnaires Received		Total In Favour *	Total Opposed*
		Within 250 Metres	Not Within 250 Metres		
Alister Drive and Valleyway Drive	68	14	0	13 (93%)	1 (7%)
Apple Valley Way and Caliper Road	92	10	0	8 (80%)	2 (20%)
Beachville Circle and Royal West Drive	116	17	0	13 (72%)	5 (28%)

*Note: input received from residents not within 250 metres have been factored lower (half)

The results of the public consultation process revealed that the response rate from residents not in favour of an all-way stop at the subject intersection does not exceed the approved criteria of 51%. Therefore, in accordance with the Council approved alternate process, all-way stop signs can be considered at the following intersections:

- Alister Drive and Valleyway Drive (Ward 5)
- Apple Valley Way and Caliper Road (Ward 10)
- Beachville Circle and Royal West Drive (Ward 5)

Corporate Implications:

Financial Implications:

The costs associated with the installation of the traffic signs and pavement marking changes required to support this initiative are estimated to be \$1,023. There is sufficient funding available within the Public Works and Engineering operating budget to proceed with the recommendations in this report.

Term of Council Priorities:

Council Priority – Streets for People

This report incorporates the Vision Zero framework into transportation planning, design and operations to prevent fatal and serious injury from motor vehicle collisions within the City right-of-way

Conclusion:

Using the City Council approved streamlined process for the consideration of all-way stops, the subject intersections can safely accommodate an all-way stop control, and the results of the public consultation revealed that the respondents are in favour of the implementation of an all-way stop control at the subject intersections. This requires an amendment to the “Through Highways” and “Stop Signs” schedules of Traffic By-law 93-93.

Subject: Transit Electrification Resource Requirements

Contact: **Alex Milojevic, General Manager Transit**
alex.milojevic@brampton.ca, 905-874-2750 ext. 62332

Report Number: Brampton Transit-2022-724

Recommendations:

1. THAT the report from Alex Milojevic, General Manager, Transit, dated June 27, 2022, to the Council Meeting of July 6, 2022 re: Transit Electrification Resource Requirements (Report Number Brampton Transit-2022-724, IB.C), be received; and,
2. THAT Council approve three (3) permanent full-time staff to support the electrification program, as outlined in this report, with an estimated impact of approximately \$230,000 for the 2022 fiscal year, which will be funded through savings in the CAO's Emerging Issues operating budget; and
3. THAT the annual operating budget requirement of approximately \$450,000 associated with the three (3) permanent full-time staff, be included in the 2023 operating budget submission, subject to Council approval; and
4. THAT General Manager, Transit, be directed to include other positions that may be identified through the completion of the Zero Emissions Bus Implementation Strategy and Rollout Plan in the 2023 operating budget submission, subject to Council approval.

Overview:

- **With over \$700 million in combined electrification funding and financing confirmed and/or requested towards advancing electrification between now and 2027, staff are recommending a 2022 budget amendment to provide for the initial startup deployment of a dedicated electrification team within Transit, beginning with three FTEs in 2022 and an additional three FTEs in 2023 as described in this report.**

Background:

Canada Infrastructure Bank (CIB) Zero Emission Bus (ZEB) Program:

- On March 29, 2022, with full support of Brampton City Council, the Canada Infrastructure Bank (CIB), Region of Peel, and City of Brampton executed an agreement for the largest municipal transit investment in Canada by the CIB to date.
- During a Special Meeting of Council on March 9, 2022, approval to execute a financial arrangement with the Canada Infrastructure Bank (CIB) was provided via Council resolution CW086-2022.
- As part of this staff report (Brampton Transit-2022-241) there were a number of prerequisite requirements tied to execution of the CIB agreements, including the need for additional staff in order to effectively manage the new zero emission program, including the CIB agreements:

“Resourcing requirements: Given the overall magnitude of the conversion of the transit fleet from existing conventional diesel and diesel-electric hybrid buses to a full ZEB fleet, along with all of the required new electrical infrastructure and retrofits to our existing Clark and Sandalwood Facilities, there is a need to build a team that will focus on Transit’s overall electrification program. This CIB deal is a strong indicator of progression, and this staffing requirement will be brought back to Council as a budget amendment.”

Brampton Transit Electrification Update:

- Additionally, during the regular meeting of Council on May 5, 2022, Council approved the recommendations within report “Transit Bus Electrification Update” (Brampton Transit-2022-427).
- Through approval of this report, Council provided the necessary authority (CW221-2022) for Transit to proceed with detailed implementation planning for the electrification program that will transition the transit fleet from current clean diesel and clean diesel-electric hybrid buses to fully electric zero tailpipe emission buses.
- Also within this report, the need for additional staff required to manage the zero emission program was highlighted as follows:

“With over \$700M in combined electrification funding and financing confirmed and/or requested towards advancing electrification between now and 2027, staff will be reporting to Council with any budget impacts to support the deployment of a dedicated electrification team within Transit”; and,

“Resourcing requirements:

Electrification of the Transit fleet represents the single most significant technological change for bus operations in the history of Brampton Transit. This massive initiative requires an additional technical workforce to bring to fruition. Electrification includes not only the conversion of the existing conventional diesel and diesel-electric hybrid bus fleet to a fully electric zero emission fleet, it also includes significant new electrical infrastructure and retrofits to our existing Clark and Sandalwood Facilities.

With the CIB arrangement now financially closed and ZETF funding applications in queue, BEBs are expected to be in operation through to the earliest 2044. A dedicated team that will focus on Transit's overall electrification program is now required. Staff will present a budget amendment request to Council at a future date."

During this term of Council, Transit – through City Council's leadership and support - has secured more external funding than ever before in its history. New and innovative zero emission bus financing and funding programs are making the electrification transition possible.

These programs will directly help Brampton support the federal government's mandate of reaching 5,000 new zero emission buses and support the purchase of only zero emission buses beginning in 2023.

The electrification program includes, but is not limited to, the following key initiatives:

- Funding
 - Zero Emission Transit Fund (ZETF)
 - Investing in Canada Infrastructure Program (ICIP)
 - Permanent Public Transit Program (PPTP)
 - Permanent Transit Fund (PTF)
- Financing – Canada Infrastructure Bank (CIB)
- New Third Transit Facility + Electrification
- Zero Emission Bus (ZEB) Program:
 - Phase I Trial: Eight Battery Electric Buses (BEBs)
 - Phase II Trial: Ten additional BEB's, Two Hydrogen Fuel Cell Electric Buses (FCEBs), and up to three Diesel Bus Conversions to fully electric.
 - Full fleet transition to zero emission (based on replacement and growth bus needs (which is subject to ridership demands and increased service hours).
- Key Studies (presently underway):
 - Feasibility: CUTRIC Fleet Electrification Feasibility Analysis & Simulation Based Planning Study
 - Implementation: ZEB Implementation Strategy and Rollout Plan
 - Transit 5-Year Business Plan Update (2023-2027)

Current Situation:

As Transit's capital and major infrastructure electrification projects are identified and ultimately funded or financed, there will be requests forthcoming for municipal capital and operating contributions in order to implement and administer these key projects. Such approvals will occur through the regular budget process, or amendments as may be required.

The City is taking maximum advantage of these new programs, for example:

- **Financing** - The Canada Infrastructure Bank (CIB), Region of Peel, and City of Brampton now have an agreement in place for the largest municipal transit investment in Canada by the CIB to date. This is a financing arrangement with CIB for up to \$400M made available to Brampton to finance the higher acquisition costs of up to 450 ZEBs between now and 2027.
- **Funding** - In December 2021, the City submitted a consolidated Expression of Interest (EOI) to INFC under the ZETF for program contribution funding for eight (8) key electrification projects totaling approximately \$395M. With INFC's acceptance of certain projects within this EOI portfolio, Transit is now working with INFC on submitting the full applications for funding consideration.

Electrification of the Brampton Transit fleet represents the most significant change in the history of Brampton Transit. This includes complete transformation of bus operations, fleet maintenance, planning and scheduling, training, and responsibilities tied to complex funding and financial agreements with the federal and provincial governments.

Given the now current status of the electrification initiative additional technical workforce is required immediately to bring to the zero emission bus program to fruition.

Electrification includes not only the conversion of the existing conventional clean diesel and clean diesel-electric hybrid bus fleet to a fully electric zero emission fleet, it also includes significant new electrical infrastructure and retrofits to our existing Clark and Sandalwood Facilities and installation of additional on-street chargers.

With the CIB arrangement now financially closed and ZETF funding applications in queue, BEBs are expected to be in operation through to the earliest 2044.

Dedicated Electrification Program Team:

A dedicated team that will focus on Transit's overall electrification program is now required in order to sustain the work being generated within this revolutionary portfolio. There is an immediate need to now advance these core resources, in a phased approach into 2023, to effectively plan and manage this program.

In order to sustain the current workload in this portfolio, through this report, staff are recommending a budget amendment to support an immediate increase to the 2022 Transit full-time complement for an initial three (3) positions required under the zero emission bus program. For the three positions required in 2022, annualized costs have been estimated at approximately \$450K (inclusive of salary, fringe benefits, WSIB, and non-labour (e.g. computer cost, etc.)). With phased onboarding of these three initial positions beginning in fall of 2022, the estimated financial impact is approximately \$230K from September 2022 until the anticipated approval of the 2023 operating budget in late Q1 2023.

The subsequent requirement of three additional resources will be included in Transit's 2023 operating budget, bringing the total to six new positions for the electrification team between now and 2023.

Corporate Implications:

Financial Implications:

The recommendations in this report require three (3) permanent full-time staff, at a cost of approximately \$450,000 annually (inclusive of benefits and WSIB). Should Council approve this report, staff will include this amount in the 2023 operating budget submission, subject to Council approval.

The 2022 fiscal year impact of approving the recommendations in this report are anticipated to be approximately \$230,000. Given the unprecedented diesel fuel rates and despite the significant savings expected in the Transit labour budget, staff do not currently anticipate sufficient savings in the Transit department to offset this pressure. However, staff have identified savings in the CAO's Emerging Issues operating budget and agreed to maintain these savings for the remainder of 2022, which provides sufficient funding in the 2022 approved operating budget to proceed with the recommendations in this report.

Other Implications:

Human Resources:

The job descriptions for the three new positions in 2022 are drafted and ready for scoping and evaluation by Compensation. Recruitment for these positions will comply with the Recruiting and Retaining Top Talent Policy. Upon successful completion of the recruitment process, the successful candidates will be paid in accordance with the Salary Administration Policy.

Term of Council Priorities:

Transitioning to a green and sustainable transit fleet through electrification supports the Brampton 2040 Vision and the 2019-2022 Term of Council Priorities, which established

commitments to improve transit, implement a green framework for sustainable growth, and lead in environmental innovation. Transit electrification builds on Council's Climate Emergency declaration in support of building a Green City, and helps to achieve the goals established by the Government of Canada including the ultimate goal of becoming net zero emissions by 2050.

As Transit accounts for almost 71% of the Corporate City of Brampton GHG emissions¹, the electrification of the transit fleet will significantly contribute to reducing the City of Brampton's GHGs, in keeping with the City's established corporate reduction targets:

- Short-term: 20% GHG emission reduction target by 2024.
- Long term: targets to achieve GHG emission reductions of 30% in 2030 and 80% in 2050.

A well-connected environmentally sustainable transit network is critical to building Brampton's position on Canada's Innovation Corridor, and these zero emission electric bus initiatives will continue to drive more Brampton innovation to the Corridor, while continuing to position Brampton Transit as a leader in sustainable transportation and Brampton as a Green City.

Conclusion:

Supporting Brampton's electrification program capital and planning needs there is currently now over \$700 million dollars in combined funding and financing approved through various senior levels of government. An additional \$400 million dollars is anticipated based on future eligible funding and financing currently available within existing federal policy mandates from now until 2029.

With the above investments in Brampton Transit's fleet electrification now in place, staff are progressing work through the ZEB Implementation Strategy and Rollout Plan with CUTRIC and Infrastructure Canada.

The transition to a fully electric fleet represents a major change to Brampton Transit and now requires the necessary resources to effectively manage this new portfolio. This includes the administrative requirements, funding and financing considerations, timeframe for implementation, and development of key strategic partnerships for the design, build, funding/financing, operation, and maintenance of electrical infrastructure required to sustain a fully electric zero tailpipe emission transit fleet. Brampton Transit continues to be recognized in North America as a leader in the new era of electric zero emission public transit.

9. Other Business/New Business

9.1 Discussion at the request of Councillor Fortini re: The New Brampton Plan

Councillor Fortini inquired on the status of the Brampton Official Plan and the alignment of the Council approved Minister Zoning Orders (MZOs) with the new Official Plan.

Staff advised that the new Official Plan will be presented at the Council meeting on July 5, 2022 for approval and clarified the process following Council approved Ministerial Zoning Orders (MZOs), noting that, once approved the MZOs take precedence over the Official Plan. Staff added that some of the MZOs are not consistent with the Regional Official Plan, and the Brampton Official Plan needs to comply with the Regional Plan. Discussions are continuing with Regional staff to work out any remaining issues relating to the MZOs. Staff reiterated that the MZOs supersede both the Regional and Brampton Official Plan.

8.2 Reports

8.2.1 Staff Report re: Budget Amendment and Development Framework for the Multipurpose Cricket Facility – Ward 3 (RM 86/2021)

Committee discussion on this matter included the following:

- Demand for a cricket facility in Brampton
- Request from the Development Consortium for a 60-day exclusive time period to review the proposal for a cricket stadium with staff (See Delegation Item 6.1)
- Request for proposal (RFP) process and timelines (45-day RFP for cricket facility proposals)

- Indication that other municipalities are interested in the cricket stadium proposal

An amendment was introduced to staff recommendation #2 outlined in the subject report, to add the words "within 45 days" to read as follows:

2. That staff proceed with issuing a Request for Pre-Qualification (RFPQ) for a P3 delivery model, within 45 days, for the Multipurpose Cricket Facility;

Further Committee discussion on this matter included the following:

- Impact of the 45-day timeline to prepare the RFPQ and receive viable, quality submissions
- Opinions that the cricket facility project should not be considered in isolation of the redevelopment of the CAA lands and should be considered as one project
 - Staff clarified that the subject report was brought forward to consider a multipurpose cricket facility to address demand, and that the information within will be included as part of the Planning, Building and Economic Development Department report on the master plan for the redevelopment of the CAA lands
- Anticipated timelines for the staff report and Council decision on the redevelopment of the CAA lands
- The need to engage the public in this project

A further amendment was introduced and accepted by the mover to amend staff recommendation #2 to read as follows:

2. That staff proceed with issuing a Request for Pre-Qualification (RFPQ) for a P3 delivery model, within 90 days, for the Multipurpose Cricket Facility, for wide communication and distribution by Procurement;

Further Committee discussion on this matter included the following:

- Concept plan for the redevelopment of the CAA lands, and next steps in the process to provide Council with development scenarios
- Intent of the RFPQ to address Council's previous request to advance the multipurpose cricket facility due to demand
- Request from Committee Members for the RFPQ to include the redevelopment of the CAA lands

- The need to review traffic impacts of a cricket stadium at the CAA lands on Kennedy Road and Steeles Avenue, and impacts on the surrounding residential areas
- The need for Council to understand the overall vision for the CAA lands

A motion was introduced to refer the subject report back to staff for reconsideration and revision with respect to the development of the CAA lands, to include a potential cricket facility.

Committee discussion took place with respect to the referral motion above, and included concerns regarding the impact of delaying the cricket stadium project.

13. Public Question Period

The public was given the opportunity to submit questions via e-mail to the City Clerk's Office regarding any decisions made at this meeting. P. Fay, City Clerk, read the following question from Melissa Bergamin, Brampton resident:

"This meeting seemed to put a lot of emphasis on the planning process and when asked if all proposals have to come forth through council in a public

meeting - MZO's were not mentioned at all. A process that completely skips any opportunities for public input. Does this mean Council will no longer pass MZO's and give developers a green light behind the backs of Brampton residents? What about pending MZO's that are not yet approved? Will council do the right thing and withdraw their support for those MZO's?"

A. Parsons, Director, Development Services, Planning, Building and Economic Development, provided information regarding Minister's Zoning Orders (MZO) and engagement processes.

Carried

The recommendations were approved as follows:

EAC016-2022

That the agenda for the Environment Advisory Committee Meeting of June 14, 2022 be approved as published and circulated.

EAC017-2022

That the following delegations re: Huttonville Forest, to the Environment Advisory Committee Meeting of June 14, 2022, be received:

1. Julie Harlow, Brampton resident on behalf of Save Huttonville Forest;
2. Dr. Tushar Mehta, Brampton resident.

EAC018-2022

1. That the delegations re: Urgency of Climate Breakdown - Transitioning 50% of City Food Purchases to Plant-Based, to the Environment Advisory Committee Meeting of June 14, 2022, be referred to a future meeting of the Committee of Council; and

1. Diane Smele, Member, and Dr. David Steele, President, Earthsave Canada;
 2. Mo (Marian) Markham, and Dr. Tushar Metha, Members, Plant-Based Cities Movement;
 3. Shailly Prajapati, Brampton resident; and
2. That, it is the position of the Environment Advisory Committee that, the City of Brampton evaluate their current food product sourcing and that Council consider a substantial shift towards adopting more plant-based options in City facilities and during events, in alignment with reducing climate impacts.

EAC019-2022

1. That the staff presentation titled: Grass and Weed Cutting By-law 166-2011 Update, to the Environmental Advisory Committee Meeting of June 14, 2022, be received.
2. That staff be requested to educate the public through providing visual identification of plants on the City's website, and any other resources that may be available, to educate residents on plants of concern and common landscape plants that are problematic in the environment, and provide options for native alternatives.

EAC020-2022

That the staff presentation titled: Micromobility – Electric Scooter Pilot, to the Environment Advisory Committee Meeting of June 14, 2022, be received.

EAC021-2022

That the verbal update from Zoe Milligan, Environmental Project Specialist, Public Works and Engineering, re: Urban Forest Management Plan - Final Report, to the Environment Advisory Committee Meeting of June 14, 2022, be received.

EAC022-2022

Whereas the United Nations has declared 2021-2030 the “Decade of Ecosystem Restoration” to “Prevent, halt and reverse the degradation of ecosystems worldwide” and calls on everyone; including local governments to act to find viable solutions to mitigate global challenges such as increasing climate change impacts and catastrophic biodiversity losses;

Whereas the UNECE identified urban trees and forests as providing a unique opportunity for policymakers at local levels of government to contribute meaningfully to the goals for the Decade; prompting over 50 mayors, at the inaugural Forum of Mayors in October 2020 to endorse a Declaration which places trees and forests at the heart of the urban agenda for next decade by pledging to adopt policy and take action through the “Trees in Cities Challenge”;

Whereas the City of Brampton 2040 Vision calls for the planting of one million trees by 2040 to grow the urban forest, mitigate and adapt to climate change, and foster the delivery of ecosystem services;

Whereas in February 2020, the City of Brampton Council approved the Brampton One Million Trees Program as a framework for the City and its partners to increase tree planting initiatives and realize the target of one million trees by 2040;

Whereas the Report to Committee of Council, dated November 20, 2019 stipulates that the One Million Trees Program is focused on getting new trees in the ground, and does not look at tree preservation and upkeep; and further that, directions pertaining to the inventorying, operations, maintenance, and monitoring of the urban forest will be addressed in the City’s Urban Forest Management Plan;

Whereas it is acknowledged in the Report to Committee of Council dated November 20, 2019 that the City's current canopy is just 18% of total land cover and that the existing canopy is under further threat due to invasive species, extreme weather events and drought;

Whereas it is widely acknowledged that in order to benefit from the ecosystems service a healthy urban forest can provide, trees must live to their potential. Further that in order for trees to survive and thrive, thus contributing to a healthy urban forest, cities must invest resources in planning, monitoring and maintenance;

Therefore Be It Resolved that, it is the position of the Environment Advisory Committee that Brampton City Council adopt and support the Urban Forest Management Plan in principle and practice, including the resources to adequately operationalize the plan.

EAC023-2022

That the Verbal Update from Kristina Dokoska, Policy Planner - Environment, Public Works and Engineering, re: Earth Day and Grow Green Awards Recap, to the Environment Advisory Committee Meeting of June 14, 2022, be received.

EAC024-2022

That the Verbal Update from Michael Hoy, Supervisor, Environmental Planning, Public Works and Engineering, re: Centre for Community Energy Transformation (CCET) Update, to the Environment Advisory Committee Meeting of June 14, 2022, be received.

EAC025-2022

That the Environment Advisory Committee do now adjourn to meet again on Tuesday, August 9, 2022 at 6:00 p.m. or at the call of the Chair.

HB041-2022

1. That the report from Merissa Lompart, Assistant Heritage Planner, Planning, Building and Economic Development, dated June 3, 2022, to the Brampton Heritage Board Meeting of June 21, 2022, re: **Intention to Designate under Part IV, Section 29 of the Ontario Heritage Act – 9050 Bramalea Road, Crawford House – Ward 7**, be received;
2. That the designation of the property at 9050 Bramalea Road under Part IV, Section 29 of the Ontario Heritage Act (the “Act”) be approved;
3. That staff be authorized to publish and serve the Notice of Intention to designate the property at 9050 Bramalea Road in accordance with the requirements of the Act;
4. That, in the event that no objections to the designation are received, a by-law be passed to designate the subject property;
5. That, in the event that any objections to the designation are received, staff be directed to refer the proposed designation to the Ontario Land Tribunal; and,
6. That staff be authorized to attend any hearing process held by the Ontario Land Tribunal in support of Council’s decision to designate the subject property.

BHB042-2022

1. That the report from Harsh Padhya, Heritage Planner, Planning, Building and Economic Development, to the Brampton Heritage Board meeting of June 21,

2022, re: **39 Wellington Street West – Heritage Impact Assessment – Ward 3**, be received; and,

2. That the Heritage Impact Assessment dated, April 2022 prepared by MHBC Planning Ltd. attached as Appendix A to the report be received and that the recommendations for proposed alterations to the listed heritage property, be approved.

HB043-2022

1. That the report from Merissa Lompart, Assistant Heritage Planner, dated June 13, 2022, to the Brampton Heritage Board Meeting of June 21, 2022, re: **Heritage Impact Assessment, 5 Isabella Street, City of Brampton, Ontario dated May 2022** be received; and
2. That the select following recommendations as per the Heritage Impact Assessment by Robinson Heritage Consulting be followed:
3. Set the proposed house as close to the existing front set back as possible
4. Continue to keep the proposed residence as low as possible, it is acknowledged that the residence has been from what was initially proposed already.
5. Keep materiality to masonry brick (historic Ontario sized), wood and approved wood like substitutes. Windows should be high quality with wood preferred. Wood windows can be clad on the exterior for a more maintenance free option.
6. If window choice has muntins they must be either true divided lites or simulated divided lite (SDL) in wood or metal clad wood, avoid vinyl.
7. Keep colours to muted historic colours
8. Salvage the following materials from 5 Isabella Street: front door surround; staircase with balusters, newel post and handrail; other historic materials as uncovered (cast iron vent covers, door hardware, etc.)
9. That the Brampton Heritage Board agree to demolition of 5 Isabella Street in accordance with option 3 of the proposed mitigation strategies (listed below), and approve the proposed design outlined in Appendix B (subject to minor alterations).
10. **Option 3:** Demolish the house for an approved Georgian inspired design. There are recommendations that are detailed in Section 7.0 of this document and include: more closely matching the original houses front setback,

designing a new house in the Georgian style complete with appropriate proportions, openings, materiality, colour palette, detached garage in the rear, not overbuilding on the property and landscaping.

HB044-2022

1. That the report from Harsh Padhya, Heritage Planner, Planning, Building and Economic Development, to the Brampton Heritage Board Meeting of June 21, 2022, re: **8799 Heritage Road – Heritage Impact Assessment – Ward 6 (HE.x 8799 Heritage Road)**, be received; and,
2. That the Heritage Impact Assessment dated May 11, 2022, prepared by Golder Associates Ltd. attached as Appendix A to the report be received and that the recommendations for the demolition of listed heritage property and removing the property from the heritage register, be approved.

HB045-2022

1. That the report by Natalie Majda, Assistant Heritage Planner, to the Brampton Heritage Board meeting of June 21, 2022, re: **Gage Park Bandstand History and Commemoration Options, Ward 3** received;
2. That staff move forward with the Pedestal Plaque – Option 1 for the commemoration of the Gage Park Bandstand;
3. That staff identify appropriate plaque locations nearby to the bandstand which do not impede events, paths, or sightlines; and
4. That staff provide an update at the next meeting with overall progress and plaque location options.

HB046-2022

1. That the report by Harsh Padhya, Heritage Planner, to the Brampton Heritage Board Meeting of June 21, 2022, re: **Revision to Heritage Permit for 45 Railroad Street - Ward 1 (45 Railroad St.)** be received;
2. That the memo dated May 31, 2022 submitted by ERA Architects Inc. attached as Appendix A to the report be received and that the recommendations for proposed changes to the conservation plan subject to below conditions, be approved:
3. Proposed lead coated copper flashing work must be detailed especially in terms of finishing and undertaken by a heritage specialist.
4. Proposed flashing to be fasten into the mortar joints only, not the bricks.

Subject: Habitat for Humanity GTA – Financial Relief Associated for 1524 Countryside Drive (15 Stacked Townhouses) and 25 William Street (12 Stacked Townhouses)

Contact: Nash Damer, Treasurer
nash.damer@brampton.ca 905-874-2257

Report Number: Corporate Support Services-2022-516

Recommendations:

1. That the report titled: **Habitat for Humanity GTA – Financial Relief Associated for 1524 Countryside Drive (15 Stacked Townhouses) and 25 William Street (12 Stacked Townhouses)**, to the Committee of Council meeting on June 8, 2022, be received.

Overview:

- At its meeting on March 9, 2022, Committee of Council received a delegation from Habitat for Humanity GTA requesting a grant-in-lieu of development charges (DCs) for two developments; 12 stacked townhouse units at 25 William Street and 15 stacked townhouse units at 1524 Countryside Drive.
- This report outlines the financial and legal implications of providing the requested grant along with the outstanding cumulative monetary impact of previously approved DC and CIL grants.
- The report also advises of potential next steps should Council wish to provide a grant-in-lieu of DCs typically due at building permit issuance.
- Should Council wish to provide the full requested amount of \$730,000 in financial relief, staff recommend that the amount is made available through internal borrowing against the applicable Development Charges Reserves, to be repaid through a 10 year tax levy of approximately 0.02% on the City's portion of the tax bill.

Background:

Habitat for Humanity GTA is a non-profit organization whose mission is to organize volunteers and community partners in building affordable housing and promoting home ownership. Founded in 1976, Habitat for Humanity International has since grown to become a global non-profit working in more than 70 countries, including Canada. Their clients that partner with Habitat for Humanity pay an affordable mortgage geared to their income and volunteer 500 hours of their time. Their model of affordable homeownership bridges a gap for low-income, working families, by providing them with the opportunity to purchase their own home.

Habitat for Humanity has completed several projects within the City of Brampton, below is a table summarizing past projects and Council's financial support:

Address	Project Proposal	Financial Relief from City			
		Development Charges	Cash-in-lieu of Parkland	Building Permit Fees	Total
8600 Torbram Road	18 townhouse units	\$391,068	\$21,462	\$28,344	\$440,874
20A, 20B, 20C Hoskins Square	3 single detached units	\$75,245	\$7,167	\$3,513	\$85,925
59 McLaughlin Road North	13 townhouse units	\$304,590	\$127,750	\$21,319	\$453,659
Total		\$770,903	\$156,379	\$53,176	\$999,764

Previous to the above-mentioned projects, Habitat also completed 1 unit located at 88A Castlehill Road and 2 units at 120 and 122 Sled Dog Road through their legacy affiliate, Habitat for Humanity, Brampton.

Currently, Habitat for Humanity GTA has submitted two development applications to the City, as follows:

1. Municipal Address: 25 William Street
Development Proposal: 12 stacked townhouses
City File No.: SPA-2019-0076
2. Municipal Address: 1524 Countryside Drive
Development Proposal: 15 stacked townhouses
City File No.: OZS-2021-0025

At its meeting on March 9, 2022, Committee of Council received a delegation from Habitat for Humanity GTA requesting a grant-in-lieu of developments charges (DCs) for two developments; 1524 Countryside Drive and 25 William Street. Council referred the matter back to staff for review. Subsequently, a report was brought forward to the March 30 Committee of Council meeting, in which Committee adopted motion CW123-2022 which stated, "That Council direct staff to continue with a case-by-case basis evaluation of requests consistent with a Council endorsed Protocol for Evaluation of Requests for Incentives as an interim approach, until a City-wide CIP for Housing is established as per Council direction from the City's housing strategy 'Housing Brampton'". Housing Brampton, the City's newly endorsed housing strategy and action plan, identifies a city-wide need for a range of housing choices and tenure, including purpose-built rental housing, affordable rental housing and affordable ownership housing. The strategy recommends various financial and non-financial supports for housing that meets these needs.

Current Situation:

There is no legal basis to waive DCs as the payment of DCs are applicable law under clause 8 (2) (a) of the *Building Code Act, 1992* as defined in *O. Reg. 332/12*. Furthermore, the DC By-law states that no building permit shall be issued until the development charges have been paid in full. As such, in order to provide Habitat for Humanity GTA with any financial relief in respect of DCs, a grant equal to the DCs must be made using the grant power under section 107 of the *Municipal Act, 2001*.

City Council has discretion to authorize a grant to provide relief from DCs if Council is satisfied that it would be unreasonable to require payment of all, or a portion of the DCs due to the not-for-profit status of Habitat for Humanity GTA, and in furtherance of the development of affordable housing objective articulated in the Official Plan.

As Habitat for Humanity GTA is a not-for-profit Corporation, City Council does not need to be concerned about the bonusing prohibition in section 106 of the *Municipal Act, 2001* in considering providing Habitat with relief from the various fees.

Finally, it is important to note that because Habitat for Humanity GTA provides affordable homeownership, they do not take in any revenue that could offset the cost of DCs, etc. This is a distinct difference between recent affordable housing applications before Council that provided rental units at average market rent. As well, Habitat for Humanity GTA has the ability to offer its homes to residents of Brampton by creating an outreach program that targets Brampton residents first, then Peel Region residents and then GTA residents.

Corporate Implications:

Financial Implications:

The estimated impact of providing financial relief for the Habitat for Humanity GTA request is \$730,000 and is summarized in the table below.

Address	Project Proposal	Development Charges ¹
25 William Street	12 stacked townhouse units	\$315,000
1524 Countryside Drive	15 stacked townhouse units	\$415,000
Total		\$730,000

Notes:

1. The DC calculations are estimates based on currently available information and estimates from Habitat for Humanity GTA, and will need to be verified and finalized prior to building permit issuance.

Should Council wish to provide Habitat for Humanity GTA with the requested financial relief, staff recommend that the full amount initially be funded through the applicable Development Charges (DC) Reserves, and subsequently replenished through internal borrowing over a 10 year period at an interest rate consistent with the rate of return on the City's investment portfolio, which is currently 2.3%. This internal loan would require an annual repayment amount of approximately \$82,000 in the 2023 budget submission, subject to Council

approval, which is equivalent to a tax levy of approximately 0.02% on the City's portion of the tax bill.

The cumulative impact of financial relief provided to the organizations below to be repaid through internal borrowing amounts to approximately \$1,430,000 over a 10 year period.

Financial Relief to be Repaid Through Internal Borrowing	2023 Budget Impact	Cumulative Future Years Budget Impact (2024 - 2032)	TOTAL
Previously Approved Cash in Lieu (CIL) of Parkland Relief for Region of Peel Affordable Housing	\$ 61,000	\$ 549,000	\$ 610,000
DC Relief Identified in this Report for Habitat for Humanity GTA	\$ 82,000	\$ 738,000	\$ 820,000
TOTAL	\$ 143,000	\$ 1,287,000	\$ 1,430,000

It should be noted that all other DCs and fees levied by the Region of Peel and the School Boards would still apply unless Habitat for Humanity GTA requests and is granted relief directly from those agencies.

Term of Council Priorities:

This report achieves the Term of Council Priority of Brampton as a Well-run City through strict adherence to effective financial management policies and supports Brampton's 2040 Vision by ensuring sustainable financial revenues.

Conclusion:

Should Council decide to provide Habitat for Humanity GTA with financial relief from all fees and charges associated with the developments on 1524 Countryside Drive and 25 William Street, staff have prepared the following resolution for consideration:

- 1. That Council authorize a grant to Habitat for Humanity GTA in an amount equal to the payment of the Development Charges in respect of Habitat's proposals for development of 15 stacked townhouse units at 1524 Countryside Drive and 12 stacked townhouse units at 25 William Street. The full amount shall be funded through a draw from the applicable Development Charges Reserves on a unit by unit basis prior to the issuance of building permits, once Habitat for Humanity GTA has obtained all required planning and building approvals for its project;*
- 2. That the grant be funded from internal borrowing from the applicable Development Charges Reserves with repayment terms of 10 years at a rate*

of return consistent with the City's investment portfolio, currently at 2.3% interest;

3. *That the annual internal loan repayment amount of approximately \$82,000 be included in the 2023 budget submission, subject to Council approval.*

Recommendations:

1. **THAT** the report titled “**Recommendation Report - City-Initiated Official Plan Amendment and Zoning By-law Amendment to Implement Additional Residential Units (Second Units and Garden Suites) Regulations**” to the Planning and Development Committee meeting of June 20, be received;
2. **THAT** the proposed City-initiated Official Plan Amendment and Zoning By-law Amendment attached hereto as Appendices 6 and 7 respectively, be adopted on the basis that they represent good planning, including that are consistent with the Provincial Policy Statement, conform to the Growth Plan for the Greater Golden Horseshoe, the Region of Peel Official Plan and the City’s Official Plan for the reasons set out in this Report;
3. **THAT** the Additional Residential Unit (ARU) Registration By-law, attached hereto as Appendix 8, be adopted;
4. **THAT** the Second Unit Registration By-law 87-2015, as amended, be repealed; and,

5. **THAT** it is hereby determined that in adopting the attached Official Plan Amendment, Council has had regard for all matters of Provincial Interest and the Provincial Policy Statements as set out in Section 2 and 3(5) respectively of the *Planning Act*, R.S.O. 1990, c.P.13, as amended.

Overview:

- **Bill 108, the *More Homes, More Choice Act, 2019*, requires all municipalities in Ontario to implement policies authorizing additional residential units (ARUs) within detached, semi-detached or townhouse dwellings (second units), as well as within an accessory building or structure located on the same lot as the principal dwelling. This has the effect of allowing up to three dwelling units per residential lot.**
- **Brampton has permitted second units since 2015, subject to the applicable Zoning By-law requirements and the Registration By-law.**
- **Staff initiated a policy review to permit ARUs within accessory structures, which will be defined in the City's Official Plan and Zoning By-law as "Garden Suites".**
- **The proposed regulations and standards for ARUs, including Garden Suites were presented at a statutory public meeting on June 7, 2021.**
- **This report presents for Council adoption the amendments that will implement the ARU policies, and a new Registration By-law that will apply to both second units and garden suites. The existing Second Unit Registration By-law will be repealed. The amendments aim to support the supply and range of affordable rental housing accommodations in the City.**

Background:

Bill 108, the *More Homes, More Choice Act, 2019*, brought changes to the *Planning Act*, intended to increase housing options and boost housing supply in order to address Ontario's housing crisis. Brampton is required to comply with Planning Act changes that require municipal Official Plans and Zoning By-laws to contain city-wide provisions permitting "**Additional Residential Units (ARUs)**" within detached, semi-detached, or townhouse units (known as "**second units**" in Brampton), and within an accessory structure on the same property (herein referred to as "**garden suites**"). This has the effect of potentially allowing up to three dwelling units per residential lot. In accordance with Section 17(24.1) of the *Planning Act*, appeals (other than appeals by the Minister) to policies that authorize the use of ARUs are not permitted.

The City of Brampton has permitted second units since 2015 in detached, semi-detached and townhouse dwellings, subject to specific zoning requirements and the Registration By-law. Brampton does not currently permit an additional residential unit within an accessory building or structure.

Housing Brampton

The ARU Policy Review is a deliverable of Housing Brampton, which was endorsed by City Council on May 19th, 2021. Housing Brampton is Brampton's comprehensive Housing Strategy and Action Plan that will help us to improve housing affordability, add more diverse types of housing to our housing stock, and use innovative approaches to address our housing needs.

Housing Brampton's overarching Principles to guide housing development in Brampton include reducing barriers to supply of housing, making full use of regulatory tools, incorporating equity, collaborating with the non-profit sector, advocating for the right housing, and demonstrating innovation. These Principles guide the 4 focus areas or 'Big Moves' of the Strategy and Action Plan, which include Purpose-Built Rental Housing, Use of Public Land, Attainable Home Ownership, and Clear Housing Targets. The proposed ARU policies support the principles of *Housing Brampton*, particularly reducing barriers to the supply of housing, make full use of regulatory tools and incorporate equity.

The proposed amendments are rooted in the fundamental principles to create complete communities and provide a full range of housing in terms of form, tenure, and affordability for residents across the city, in a form that makes efficient use of land. Expanding housing options in neighbourhoods is an important step towards increasing and accelerating the creation of a diverse range and mix of housing options, including additional units and affordable housing, to accommodate people at all stages of life, and to accommodate the needs of all household sizes and incomes

Public Engagement

Statutory Public Meeting

A Statutory Public Meeting to present the draft Official Plan and Zoning By-law Amendments for public review and comment was held on June 7, 2021. There were no members of the public in attendance, and one piece of written correspondence was received prior to the meeting. The minutes of the public meeting are attached as Appendix 1 to this report. A summary and response to all comments received during the consultation period is attached as Appendix 2.

Metroquest Survey – Additional Residential Units (Garden Suites)

The City launched an online public survey to receive public input on the proposed garden suites policies from April 5, 2021 to June 14, 2021. A total of 704 residents provided a

response. Notice of the survey was given by public notification in the Brampton Guardian (online), social media, and the City's website.

As municipalities are required to permit garden suites to conform to Bill 108, the survey was designed to receive feedback from residents on a made-in-Brampton policy framework for garden suites.

The survey responses were anonymous and comments have been considered and used to inform this policy review. The responses received through the survey are summarized in Appendices 3 and 4.

The City prepared a promotional and educational video on the ARU Policy Review, which may be viewed on YouTube following this URL: <https://youtu.be/7qsWheBS2HM>

BILD

Staff presented the proposed policies at the BILD Peel Chapter meeting on September 16, 2021, and also circulated the draft amendments for their review and comments. One member of BILD inquired about potential incentives to developers that include garden suites at the early stage of the plan of subdivision process. Currently, the City is not contemplating any incentives for the construction of ARUs. No additional comments have been received from BILD at this time.

Current Situation:

Proposed Amendments

This report presents a final Official Plan Amendment (OPA) and Zoning By-law Amendment (ZBLA), and an implementing Registration By-law introducing additional residential units (ARUs) as a new term, and permitting garden suites in the City. Both second units and garden suites will be a permitted form of ARUs. The existing second unit (Two-Unit Dwelling) provisions are not proposed to be amended, except to provide further clarification to the policies, or to provide improvement to the structure of the overall sections within the Official Plan and/or Zoning By-law.

In accordance with the proposed policies, single-detached, semi-detached, and/or townhouse lots may be permitted up to a maximum of two ARUs per lot, including a maximum of one second unit located within the principal dwelling, and a maximum of one garden suite in an accessory structure. It is noted that two second units will not be permitted to locate within the principal dwelling nor will two garden suites be permitted to locate in two separate accessory structures on the same lot. There is no prerequisite to have a second unit within the principal dwelling to be able to construct a garden suite in a detached building, or vice versa.

It is not intended that garden suites be permitted on every residential lot across the City. Garden suites will only be permitted on residential properties that can appropriately

accommodate them in accordance with the proposed regulations and standards, and subject to registration.

Staff have revised the OPA and ZBLA presented at the public meeting based on public input and agency comments received through the circulation of the documents, and the changes are summarized below:

Official Plan Amendment (OPA)

The proposed OPA (Appendix 6) proposes to permit garden suites subject to land use planning criteria and ensure compliance with the Ontario Building Code and/or Fire Code, Registration By-law and Property Standards By-Law, and other applicable approval requirements. The OPA is intended to ensure garden suites are accessory and compatible with the principal dwelling, and to ensure that there are no negative impacts to health and safety, servicing, stormwater management, site drainage, and flood risk.

The following describes the changes to the OPA:

1. Insertion of a preamble describing the purpose and overall planning objectives for ARUs.
2. Insertion of three new policies:
 - a. Policy 4.2.5.6.2 – states the encouragement of creating ARUs in new plans of subdivision to ensure they are properly planned prior to construction
 - b. Policy 4.2.5.6.4 – indicates that garden suites shall be evaluated through a custom home review process, in addition to the building permit approval process. The construction of garden suites require consideration to design (i.e. style, materials, and compatibility) and engineering (i.e. grading, servicing, and site drainage), therefore staff recommend that an engineering and urban design review is required through a custom review process prior to building permit submission.
 - c. Policy 4.2.5.6.5 – provides clarification that garden suites that do not comply with the Zoning By-law may be considered through a minor variance application subject to a set of criteria.

Zoning By-law Amendment (ZBLA)

The proposed ZBLA (Appendix 7) proposes to permit garden suites subject to zoning requirements that regulate the size, height, setbacks (rear and interior side yard), separation distance from the principal dwelling, lot coverage, and parking, to guide the location, form, and scale of garden suites. These criteria have been developed to ensure that garden suites are subordinate to the principal dwelling on the same lot, and limit their impacts to surrounding properties and on the natural environment.

Various factors will influence whether or not a property can accommodate a garden suite, or the location and size of a suite, such as lot width or depth, location and depth of the principal dwelling, and adequate emergency access. The proposed ZBLA regulates

garden suites appropriately to limit the privacy, overlook, and shadow concerns on adjacent properties and for future residents of garden suites.

As Council recently amended the second units zoning by-law to remove the requirement to parking for second units, one additional space will be required only for lots that contain both a second unit and a garden suite. No additional parking will be required when only one ARU is proposed.

The following describes the changes to the ZBLA:

1. Minor grammatical revisions to 10.16(e) and 10.16(f) to improve readability on parking requirements for ARUs
2. Insertion of provision 10.16.2 (b) – requires garden suites to be subject to lot coverage requirements of their applicable zone or site-specific zone
3. Insertion of provisions 10.16.2(c)(iii) and 10.16.2(h)(iii) to provide clarification on the maximum gross floor area and height of garden suites that are located over a detached garage. The provisions provide greater consistency with gross floor area and height requirements in the Zoning By-law for detached garages.
4. Reduction in minimum separation distance from the principal dwelling to the garden suite from 4 metres to 3 metres
5. Insertion of provision 10.16.2(g) that permits encroachments into the minimum rear yard depth for building features such as window bays, eaves, cornices, gutters, chimneys, porches and decks.
6. Deletion of provision, “The platform of a porch, patio and/or deck shall be less than 0.6 metres above ground level”. Provision 10.16.2 (g) allows for encroachment into the rear yard depth up to a maximum of 0.9 metres for porches and decks, which applies for decks that are more than 0.6 metres above the ground.

Garden Suite Implementation:

Staff are proposing that garden suites will be required to follow the same building permit and registration process that currently exist for second units, with the additional step of requiring a custom home review prior to building permit submission.

Figure 1 – Garden Suite review and approval process

Custom Home Review

Staff are recommending that garden suites require architectural and engineering review to ensure the exterior appearance of the structure (built form, materials) is compatible with the character of the existing dwelling, and grading and drainage concerns are addressed prior to the submission of a building permit.

This process will be similar to the existing Custom House Architectural Control Review for new homes: <https://www.brampton.ca/EN/Business/planning-development/Pages/CustomHouseReview.aspx>

To apply, a Custom House Architectural Control Review Application form is to be completed and drawings submitted in accordance with the submission requirements for Custom House Review. A review fee of \$200 is required for the application (as per [By-Law 183-2014](#)).

Urban Design and Development Engineering staff will review the submission, which will be based on the external appearance of the building in terms of massing, architectural details and materials so that the garden suite fits in with the scale, image and character of the neighbourhood, and ensures that proper drainage and grading are proposed.

Additional Residential Unit (ARU) Registration By-law

The registration process for garden sites will be the same as the one currently existing for second units, but will be amended to now apply to all ARUs. This process is intended to ensure these units are safe, legal and livable.

The proposed ARU Registration By-law (Appendix 8) will repeal the existing Second Unit Registration By-law 87-2015, as amended. All second units and garden suites will be subject to a one-time registration process and non-refundable \$200 registration fee to ensure that the units meet the requirements under the Ontario Building Code and Zoning By-law, and are legal, safe and habitable.

Development Charges (DCs) and Educational Development Charges (EDCs)

The *Development Charges Act, 1997* was amended by Bill 108 in 2019, exempting ARUs from development charges, in an effort to promote the creation of these units.

However, staff have been advised by the respective school boards that Bill 108 did not amend the *Education Act, 1990*, and garden suites will be subject to educational development charges, based on the EDC rate at the time of building permit issuance.

Parkland Dedication and Cash-in-Lieu (CIL) of Parkland Dedication

Parkland Dedication Section 42 of the Planning Act allows the City of Brampton to require new development to contribute to the expansion and enhancement of the City's parks

and open space system. The amount of parkland required or cash-in-lieu (CIL) of parkland is calculated and governed by the City of Brampton's Parkland Dedication By-law 283-2013, as amended. Some types of development are exempt from parkland dedication generally because they do not create additional pressure on existing parks, such as second units.

As our current Parkland Dedication By-law does not define a garden suite, they would be classified as a "dwelling unit". The by-law defines "dwelling unit" as "any property that is used or designed for use as a single domestic establishment in which one or more persons may sleep and prepare and serve meals. Therefore, the Parkland Dedication By-law will require the collection of cash in lieu of parkland, which will be calculated in accordance to Section 7 (c)(i) of the By-law:

Section 7 (c) (i) CIL shall be calculated at the rate of 5% of the land being Developed or Redeveloped, and the value of the land shall be calculated by the City using the market value of the lands as of the day before the issuance of the first building permit in respect of the Development or Redevelopment, as evidenced by an appraisal.

Although a third-party appraisal of the value of the land is currently required for any development, Realty Services has indicated that for garden suites, the City may undertake the appraisals, to encourage such proposals and make them affordable.

Parks Planning is currently undertaking a parkland dedication review and a by-law update, which will evaluate the need of CIL for garden suites. The update to the by-law will include defining garden suites as an alternative housing form. City Planning and Design staff are strongly recommending exempting garden suites from the Parkland Dedication By-law and CIL requirements, to further support affordable rental options in the City. Given the nominal size proposed (max. 35 sq. m in most lots), staff considers that garden suites will not cause any undue burden to existing parkland, and therefore CIL payment should be waived.

However, any garden suites registered prior to the passing of an updated Parkland Dedication By-law will be subject to CIL payment in accordance with existing calculations.

Impacts on Servicing

The City, with support from the Region of Peel, undertook a high-level Infrastructure Capacity Analysis of potential infrastructure impacts (water, wastewater, storm water, traffic and parking, school capacity, property tax assessments, etc., to understand impacts of gentle intensification such as ARUs.

The data modelling revealed that the impacts differ geographically and depend on a host of related planning and engineering factors. When determining potential servicing capacity impacts from garden suites, it is necessary first to understand the number of ARUs proposed in a specific area that will connect to existing services. However, at this stage, it is difficult to estimate the number of garden suites that will be constructed overall

or in any one geographic area to adequately estimate the total servicing demand. It is anticipated that given the initial construction costs, garden suites will only be a modest addition to the City's housing supply, that will also be distributed across the City, so any impacts to servicing may be negligible.

Interactive Mapping Tool

Planning staff have been recently contacted by *ADUsearch*, an institute funded by the Canadian Mortgage Housing Corporation (CMHC) as part of their "Housing Supply Challenge".

As the construction of garden suites has the potential to increase the housing supply in municipalities across Canada, *ADUsearch.ca* is developing an online interactive mapping tool that allows users to see if it is physically possible to build a garden suite in compliance with the local zoning bylaws on an individual property.

ADUsearch.ca uses parcel, building footprint, and street centerline files to calculate the total buildable area of a residential property based on the proposed zoning requirements, to determine the feasibility of adding a garden suite to any given residential lot.

As part of the first phase of the CMHC Challenge, *Adusearch.ca* prepared a proof of concept for the City of Windsor, and through the next stage of the challenge, will include the top 100 municipalities across Canada by population size, including Brampton. Users across the country, including the general public will be able to access the online tool by March 2023. At that time, any property owner, or city staff will be able to determine City-wide which lots have the potential to accommodate a garden suite based on the zoning requirements.

This tool will allow Brampton to better understand the impact of the garden suites by-law requirements, and study the potential distributions of ARUs across different neighbourhoods of the City.

Short Term Rentals (STR) of Second Units and Garden Suites

The Short Term Rental Licensing By-law (STR By-law) allows properties to be registered as a STR, as long as they are the 'principle dwelling' of the person registering it. As second units and/or garden suites would typically be rented, they would generally not constitute a 'principle dwelling', based on the interpretation of the STR By-law. Tenants of a garden suite/second unit may rent their units as an STR, only with authorization from the owner of the property. For clarification, owners of properties that contain a single detached dwelling with a second unit and/or a garden suite, can only offer their principle dwelling as a STR.

The Short Term Rental By-law will be reviewed after its first year of implementation, and any necessary changes may be recommended if any issues arise with ARUs.

New Home Warranty

Tarion (the consumer protection organization established to administer the Province's new home warranty program) has advised Building staff that as garden suites are self-contained residential units, they are considered a new dwelling. When garden suites are being constructed by someone other than the owner, then the builder/contractor would have to be licensed by the Home Construction Regulatory Authority (HCRA), and the garden suite enrolled with Tarion.

Planning Analysis

A detailed planning analysis is provided in Appendix 9.

Planning Act R.S.O, 1990

The City-Initiated Official Plan Amendment and Zoning By-law Amendment have been reviewed for consistency with matters of provincial interest as identified in the Planning Act R.S.O 1990 in terms of:

- the orderly development of safe and healthy communities (Section 2.(h));
- the adequate provision of a full range of housing, including affordable housing (Section 2.(j));
- the appropriate location of growth and development (Section 2.(p));

Bill 108, the *More Homes, More Choice Act, 2019*, amended the *Planning Act*, requiring official plans to contain policies authorizing the use of ARUs. The proposed amendments are consistent with this requirement.

Section 17(24.1) of the Planning Act stipulates that the proposed amendments to authorize and implement additional residential units (garden suites) are not appealable under Section 17(24).

Provincial Policy Statement (PPS), 2020

The proposed amendments have been reviewed for consistency with the Provincial Policy Statement (PPS). The PPS policies that are applicable include, but are not limited to:

- *Healthy, liveable and safe communities are sustained by promoting efficient development and land use patterns which sustain the financial well-being of the Province and municipalities over the long term (Section 1.1.1 (a));*
- *accommodating an appropriate affordable and market-based range and mix of residential types (including single-detached, additional residential units, multi-unit housing, affordable housing and housing for older persons), (Section 1.1.1 (b));*
- *Land use patterns within settlement areas shall be based on densities and a mix of land uses which efficiently use land and resources (Section 1.1.3.2(a)); are*

appropriate for, and efficiently use, the *infrastructure* and *public service facilities* which are planned or available, and avoid the need for their unjustified and/or uneconomical expansion (*Section 1.1.3.2(b)*); and, are *transit-supportive*, where transit is planned, exists or may be developed (*Section 1.1.3.2(f)*).

The proposed amendments are consistent with the general intent of the policy that addresses that healthy, liveable and safe communities are to be sustained with efficient range of land use development and land use patterns supported by existing servicing and infrastructure. The amendment directly addresses Section 1.1.1(b) to provide a range and mix of affordable and market-based residential housing including additional residential units. The amendment provides opportunities for homeowners to better utilize their property to include a garden suite to provide additional rental housing options in the City. The draft amendments have proposed provisions to address potential environmental, public health or safety concerns that may arise with respect to stormwater management, site drainage, flood risks, and private servicing.

The proposed OPA and ZBLA will encourage gentle densification of residential lands to achieve cost-effective development patterns that optimize public transportation services, servicing and infrastructure. The proposed amendments support the Province's objectives by supporting modest population growth and achieving the creation of age friendly communities in our existing communities.

A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019 (August 2020 Office Consolidation)

The proposed amendments have been reviewed for compliance with the Growth Plan for the Greater Golden Horseshoe (Growth Plan). The Growth Plan sections applicable to these amendments include, but are not limited to:

- *Applying the policies of this Plan will support the achievement of complete communities that provide a diverse range and mix of housing options, including additional residential units and affordable housing (Section 2.2.1.4 (c)); provide for a more compact built form and a vibrant public realm, including public open spaces (Section 2.2.1.4 (e));*
- *In implementing policy 2.2.6.1, municipalities will support the achievement of complete communities by considering the range and mix of housing options and densities of the existing housing stock (Section 2.2.6.1(c)); planning to diversify their overall housing stock across the municipality (Section 2.2.6.1(d)).*

The proposed OPA and ZBLA are consistent with the Growth Plan to support the achievement of complete and age-friendly communities by providing for an additional housing option that is affordable, can accommodate people at all stages of life and supports the needs of various household income thresholds. The proposed amendments

aim to reduce housing barriers, increase housing opportunity and choice for all ages, abilities, and incomes, to address social inequalities.

Region of Peel Official Plan (April 2022)

The proposed amendments have been reviewed for compliance with the recently Council approved Region of Peel Official Plan, Peel 2051 (ROP). The ROP sections that are applicable to this OPA and ZBLA include, but are not limited to:

- Encourage the local municipalities to develop policies in their official plans to support seniors to age in place within their communities, as provided for in the objectives of the Urban and Rural System sections of this Plan including the integration of community facilities and services with residential land uses (Section 6.4.5).
- Direct the local municipalities to include policies in local municipal official plans that permit additional residential units, including the use of two residential units in a detached house, semi-detached house, or rowhouse; and the use of a residential unit in a building or structure ancillary to a detached house, semi-detached house, or rowhouse (Section 5.9.14).
- Support the initiatives of local municipalities to promote additional residential units to achieve Regional and local housing objective (Section 5.9.15).
- Support a mix of multi-unit housing, including affordable housing, rental housing and additional residential units, as appropriate in MTSA's (Section 5.6.19.5).
- To ensure development in the Designated Greenfield Area supports a range and mix of housing options and densities, including additional residential units and affordable housing, to serve all sizes, incomes, and ages of households (Section 5.6.20.7).

The proposed amendments are in conformity with the ROP in terms of providing for a range and mix of housing types, sizes and tenure to support the housing needs of current and future residents, and support seniors to age in their communities. The proposed amendments introduce garden suites as a form of housing that is affordable, rentable and flexible to the needs of its residents, and promotes the development of complete communities.

City of Brampton Official Plan, 2006 (Office Consolidation Sept. 2020)

The proposed OPA and ZBLA are consistent with the objectives of the Residential Area policies (Section 4.2 Residential) of the Official Plan (OP), with respect to:

- *Establish policies that provide opportunities for the development of a broad mix of housing in terms of dwelling types, densities, tenure and cost (Section 4.2(a));*
- *Accommodate residential growth by promoting and facilitating intensification throughout the built-up area and ensuring compact, complete greenfield neighbourhoods; (Section 4.2(c));*
- *Encourage a balanced distribution of affordable housing, including non-profit or assisted housing, within the City. (4.2.5.2).*

The proposed amendments are consistent with Policies 4.2.1.12 and 4.2.5.2 with respect to encouraging various forms of rental and affordable housing in the City. The proposed OPA and ZBLA conform to the OP.

Brampton Plan

The City is currently undertaking its Official Plan Review. Brampton Plan sets out a strategic and comprehensive approach to guiding growth and development in a manner that reflects the unique context of Brampton and is targeted for Council adoption in July 2022.

The ARU policies proposed within these amendments are being replicated in Brampton Plan and will be contained within the Housing and Social Matters section of the Plan. Brampton Plan will supersede the proposed ARU policies once adopted.

Corporate Implications:

Financial Implications:

There are no financial implications directly associated with this report.

Term of Council Priorities:

This report directly aligns with the Strategic Direction – Brampton is a City of Opportunities, in particular the Council Priority to Create Complete Communities. The proposed amendments to the Official Plan and Zoning By-law to permit Garden Suites support the implementation and recommendations of the Housing Strategy, facilitating the creation of a more inclusive and livable community.

Living the Mosaic – Brampton 2040 Vision

This report and proposed policy amendments generally align with the Social Matter and Housing Vision, in particular Action #5-2 Housing, by providing additional opportunities to accommodate affordable housing units in the City.

Conclusion:

Following the June 7, 2021 Public Meeting, staff has made minor revisions to the proposed ARU policies based on public input and comments received through circulation of the draft planning amendments.

Staff find that the proposed amendments conform with the overall intent of *Bill 108* to proactively plan for ARUs, and encourage a diversity of housing options in Brampton.

Staff are of the opinion that the planning amendments are in the public interest and represent good planning. Therefore, staff recommends that Council authorize the adoption of the proposed Official Plan Amendment, Zoning By-law and Registration By-law, attached hereto as Appendices 6, 7 and 8, respectively.

The proposed amendments to the Official Plan and Zoning By-law will support the supply and range of affordable housing accommodations in the City.

In accordance with Section 17(24.1) of the *Planning Act*, appeals (other than appeals by the Minister) to policies that authorize the use of ARUs are not permitted, therefore the ARU policies will be in effect upon Council adoption.

5. Statutory Public Meeting Reports

5.1 Staff report re: City-Initiated Official Plan Amendment and Zoning By-law Amendment to Implement Additional Residential Units (Garden Suites) Regulations

Shahinaz Eshesh, Policy Planner, Planning, Building and Economic Development, and Claudia LaRota, Policy Planner, Planning, Building and Economic Development, presented an overview of the amendments that included the process to date, background, Bill 108 and the *Planning Act*, terminology, infrastructure capacity analysis, draft Official Plan and Zoning By-law

amendments, public survey and participation, Planning framework summary, next steps and contact information.

Committee consideration of the matter included questions of clarification with respect to the following:

- setbacks and parking provisions
- amenity servicing; regional and property owner responsibilities
- public notice and consultation; pathways for engagement
 - suggestion to engage in a more robust education campaign

The following motion was considered:

PDC075-2021

1. That the staff report re: **City-Initiated Official Plan Amendment and Zoning By-law Amendment to Implement Additional Residential Units (Garden Suites) Regulations** to the Planning and Development Committee meeting of June 7, 2021, be received;
2. That staff be directed to report back to Planning and Development Committee with the results of the Public Meeting and a staff recommendation;
3. That a copy of the report and Council resolution be forwarded to the Region of Peel for information; and,
4. That the correspondence from Roger Cawthorn, Brampton resident, dated May 31, 2021, re: City-Initiated Official Plan Amendment and Zoning By-law Amendment to Implement Additional Residential Units (Garden Suites) Regulations to the Planning and Development Committee meeting of June 7, 2021, be received.

5.2 Staff report re: **Application to Amend the Zoning By-law - Sukhman Raj - Corbett Land Strategies Inc. - File OZS-2021-0006**

Nicholas Deibler, Development Planner, Planning, Building and Economic Development, presented an overview of the application that included location of the subject lands, area context, design details, current land use designations, preliminary issues, technical considerations, concept plan, next steps and contact information.

Items 6.1 and 11.4 were brought forward at this time.

Appendix 2 - Summary and Response to Public Comments/Correspondence Received

Below is a summary of the comments/questions that have been received at the statutory public meeting and/or through email correspondence. A response is provided b

Summary of Comments:

Opposition to garden suites

Several residents indicated a strong opposition to the City allowing garden suites, and questioned the need to undertake this review.

Staff response:

As a result of Bill 108, all municipalities in Ontario are mandated to permit both second units and garden suites (ARUs). As such, Brampton initiated a policy review to implement a made in Brampton solution that allows the City to comply with provincial legislation in a way that considers the City's context and individual needs.

Impacts to existing infrastructure

Concerns were expressed with respect to overloading existing infrastructure capacity due to the increase in population.

Staff Response:

By restricting the size of a garden suite to a maximum of 35 square metres, it is not anticipated that theses units be occupied by more than 1-2 people, therefore limiting additional population in any given neighbourhood.

As opposed to second units, which are built within the existing building, it is anticipated that given the initial costs for construction and servicing, garden suites will only be a modest addition to the City's housing supply, so any impacts to servicing may be negligible.

Impacts to property values

Some comments indicated concerns with property values being impacted by construction of garden suites in their neighbourhood.

Staff response:

The construction of garden suites will not negatively affect property values in any given neighbourhood. Any construction or improvements being undertaken on a property will be considered by MPAC as part of the building permit process, and may result in a slightly higher property assessment.

Potential to convert existing garage

A few residents inquire about the potential of converting their existing detached garage into a garden suite.

Staff Response:

The proposed zoning by-law allows for the conversion of an existing detached garage into a garden suite, or the construction of a garden suite above an existing garage, subject to satisfying the zoning requirements (setbacks, separation distance, height, etc.).

Consider increasing maximum size of ARU

Some residents suggested that the proposed maximum size of garden suites is too restrictive and consideration should be given to increase it.

Staff Response:

The proposed policies aim to strike a balance for the range of residential lots that exist in the City, and provide flexibility while ensuring that garden suites only locate where appropriate.

In order to limit impacts to existing infrastructure, garden suites are intended to serve a specific segment of the population (elderly parents, caregivers, students), and are not intended for families, therefore it has been calculated that generally, the permitted 35 square metres would be appropriate to accommodate only a maximum of one bedroom.

The City may review any increase in size (or any other zoning requirement) on a case by case basis through the submission of a minor variance.

Incentives

Members of BILD and residents asked if the City will be offering any incentives (rebates, expedited approval, etc.) to developers/homeowners that wish to build ARUs.

Staff Response:

At this stage, the City is not considering offering incentives. The Region of Peel offers a Second Unit Renovation Program so that eligible homeowners can renovate and legalize an existing unregistered second unit. Staff is unaware if the Region will consider expanding this program to garden suites.

1. What plumbing upgrades to the municipal water service would be required to construct a garden suite?
1. With regards to servicing upgrades, water upgrades are the responsibility of the Region of Peel. It is the homeowner's responsibility to do the upgrade and it costs on average \$2,000+. As part of Second Unit applications, the Building Division requests homeowners to complete a plumbing data sheet which calculates if an upgrade is required based on total number of plumbing fixtures. City staff expect if you already have a second unit, and you wish to add a garden suite, an upgrade would be required. The upgrade for to the water service can be done as a separate building permit or with the application for the additional dwelling unit.

Impacts to neighbourhood character

A number of residents are concerned with potential changes to their neighbourhood character with the addition of garden suites.

Staff Response:

As garden suites will only be permitted in rear yards, their impacts and visibility from the street will be minimal. In addition, the proposed custom home review will allow the City to review the form and materials being proposed for garden suites, ensuring compatibility with existing buildings.

Increase in Municipal Property Taxes

During the consultation process questions were raised regarding the impact constructing a garden suite would have on municipal taxes.

Staff Response:

The assessment of the value of a property is undertaken by the Municipal Property Assessment Corporation (MPAC). The construction of a garden suite, or conversion of an existing accessory structure to a suite, may result in a change to the assessed value of that property

Any home improvements that require a building permit, including finishing a basement or constructing a garden suite become part of the annual assessment roll and yield a negligible one-time additional property tax revenue the first time it is returned on the assessment roll. MPAC will determine the property assessment based on the information provided by the City of Brampton Building Department as part of the permit process. MPAC may issue supplementary/omitted assessments through a Property Assessment Change Notice (PACN) to capture assessment values that have not been returned on the assessment roll.

Illegal Units

Many residents are questioning the ability of the City to control illegal garden suites.

Staff Response:

From an enforcement perspective, garden suites are not comparable to basement apartments or second units, as staff will only need to verify that a garden suite has been constructed, and permission to enter the property is not required.

Comments:

Expanding demand beyond planned, existing, and entrenched infrastructure capabilities through renovation or upgrade is, at best, costly and difficult. Often a complete demolition, redesign, and rebuild may be the only viable solution.

Just imagine infrastructure upgrades and/or complete rebuild costs at the neighbourhood level (assuming physical space is even available), should an unplanned surge in infrastructure demand occur due to a provincial legislation change. Consider the potential to overload existing electrical, water, sewage, transportation/road, parking, waste, telecom, emergency services, schools, health services, recreation and green spaces/parks frameworks within each neighbourhood. Please notice that the above existing infrastructure for the most part are working as designed and as per agreement of **all** residences and businesses who have chosen to make a given neighbour their home.

The City of Brampton's ARU implementation policy must either ensure population density per neighbourhood not be allowed to damage existing infrastructure capabilities or alternatively ensure the cost of upgrading and/or replacing existing functional infrastructure is incurred by those directly benefiting from that increased population density.

The City of Brampton should not indulge in wishful thinking with comments such as: "*Additional residential units help support a modest increase in housing units while respecting the overall low-density community form. ARUs are a form of gentle densification supporting the efficiency of existing City infrastructure (such as sewers, roads, and recreation facilities).*" The City will be unable to prevent or control even more ARUs being established in neighbourhoods that may very well experience excessive ARU growth. Furthermore, as currently the issue with legal and illegal second units, the City can not enter individual ARUs to assess the number of occupants. ARUs only exacerbate current (GTA specific) capacity issues over which the city is legally powerless to remediate through regulatory actions.

Beyond infrastructure impacts, it is unfortunate that the City of Brampton ARU implementation policy can not ensure that those benefiting from Provincial legislation (*Bill 108 More Homes, More Choice Act, 2019*) also incur the cost to neighbouring residences and business of property value degradation as a result of some of their neighbour's actions. This includes lost city tax revenue resulting from MPAC property value appeals. Hence, the City of Brampton does not need to encourage Provincial Bill 108. Instead the City of Brampton's ARU implementation policy should make every effort to place the cost and burden on those property owners actually benefiting from ARUs. As a first step, a realistic artist ARU renditions should replace the City's existing overly optimistic glossy representation. Why not illustrate un-maintained rental units with maximized tenants and automobiles plus existing accessory building (sheds) alongside neighbouring properties? With a realistic

visual representation in mind, then pursue ARU implementation policy that minimizes Bill 108 impact to existing infrastructure and property owners.

Retroactive actions envisioned by Bill 108 are, by definition, un-planned actions. Un-planned actions are a recipe for failure and should not be encouraged by a City policy. The City's policy should only do the minimum to comply with Provincial Bill 108. Instead, the City of Brampton should encourage and focus on NEW neighbourhoods where "*more homes, more choice*" can be effectively and efficiently implemented in a **planned** manner to actually address population growth demands.

Thank you for your consideration,
Roger Cawthorn

Appendix 3 - Metroquest Survey Results

Below is a summary of the Metroquest-hosted survey on Additional Residential Units (ARUs) launched on April 5, 2021 and ended on June 14, 2021 for a total of 704 participants. Appendix 4 provides a summary of open-ended comments provided on the Metroquest survey.

Summary of survey results:

- Majority of respondents (72%) have not lived in a second unit at any point in their lives.
- Majority of respondents (57%) would rent a garden suite if it were available.
- The top four considerations when looking for a place to rent (second unit or garden suite) are: Location to services, shopping, work, transit, etc (17%); Price (17%); Size of unit (15%); and, Parking (15%).
- Majority of respondents had preference towards one storey garden suites (53%), no greater than 50 square metres (538 square feet) (38%) and a maximum of two bedrooms (48%).
- Majority of respondents (60%) believe an additional parking space should be required for an ARU. Respondents were in favour (43%) of providing parking exemptions in certain areas of the City.
- Nearly half of respondents would consider retrofitting an existing detached structure as a garden suite or build a new garden suite on their property (44%).
- The top two reasons that respondents would consider constructing an ARU are to provide housing for a relative and/or caregiver.
- Respondents ranked the top five barriers to constructing an ARU are: Zoning regulations (14%); Cost of construction (13%); Confusing or unclear processes (permit, registration, inspections) (13%); Building permit fees (12%); and, Building Code and Fire Code requirements (12%).
- Based on the proposed regulations, respondents ranked the top three provisions of the draft Zoning By-law that would be challenging to comply with: Location or lot size (19%); Distance requirement from principal dwelling to garden suite (16%); and, Setback requirements from lot line (14%).

Appendix 4 - Summary of Public Comments Received through the Metroquest Survey

The Metroquest-hosted survey on Additional Residential Units (ARUs) launched on April 5, 2021 and ended on June 14, 2021 for a total of 704 participants. The responses collected are anonymous and were used for the purposes of this policy review. Below is a summary of the comments that have been received through the Metroquest survey (total of 136 comments) across nine categories. A response is provided below to each of the comments/questions.

Category	Name/Commentor	Comment	Response from City
Overcrowding, Transportation and Infrastructure - The City received approximately 33% of comments related to overcrowding, transportation and infrastructure. In summary, residents expressed the following:			
Overcrowding, Transportation and Infrastructure	Numerous anonymous residents	Concerns related with overcrowding in the City including its impacts to infrastructure, infrastructure capacity (i.e. water, wastewater, roads, garbage/waste collection, schools, hospitals, etc) and noise, traffic and congestion including the number of vehicles parked on a driveway or street.	The City conducted an Infrastructure Capacity Analysis, which determined that second units and garden suites have minimal impact to infrastructure capacity (water, wastewater, waste collection, public transit, and traffic). The Peel District School Board (PDSB) and Peel Dufferin Catholic District School Board (PDCDSB) stated that student yields from garden suites will be similar to second units and have little impact on existing infrastructure.
Overcrowding, Transportation and Infrastructure	Numerous anonymous residents	Concerns that the proposed regulations would create an onerous burden on existing taxpayers and result in increased taxes.	<p>Property taxes are based on the value and tax class of the property. The standard formula for calculating property taxes is the tax rate multiplied by the assessed value of the home. This is the case for all residential properties in the City of Brampton. The Municipal Property Assessment Corporation (MPAC) is responsible for capturing the property's assessment value and delivers an assessment roll annually to the City to support the calculation of property taxes.</p> <p>In accordance with Section 3(1)1 of Ontario Regulation 282/98, lands used for residential purposes are considered part of the Residential Property Class. The Multi-Residential Property Class which depicts a residential dwelling that has a seven or more self-contained units is the exception, as it is subject to a higher tax rate.</p> <p>The number of people occupying a home is not a factor in determining the property's assessed value. A residential second unit within an existing detached structure does not have a significant impact on a property assessment: it is viewed in the same light as a finished basement. As such, these improvements become part of the annual assessment roll and yield a negligible one-time additional property tax revenue the first time it is returned on the assessment roll.</p> <p>MPAC may view a garden suite differently than a second unit as it will provide an overall increase in gross floor area. MPAC will determine the property assessment based on the information provided by the City of Brampton Building Department as part of the permit process. MPAC may issue supplementary/omitted assessments through a Property Assessment Change Notice (PACN) to capture assessment values that have not been returned on the assessment roll. The supplementary/omitted assessments would concern the garden suite and result in a one-time additional property tax revenue to the City. Where PACNs have been issued for garden suites; the new assessment would become part of the annual assessment roll going-forward and their financial impact would be revenue neutral.</p>
Housing Options, Housing Affordability and Design - The City received approximately 21% of comments related to housing options, affordability and design. In summary, residents expressed the following:			

Housing Options, Housing Affordability and Design	Numerous anonymous residents	Garden suites would provide additional housing options to support housing for aging parents, caregivers, and young adults who cannot afford to purchase their own home. It would provide families the ability to be located within close proximity while having autonomy and independence.	With the changing demographics of our communities, an aging population, and an increase in multi-generational living, garden suites provide additional housing options for families across all stages of life. ARUs is a form of gentle intensification that better utilizes residential lots and support residents "aging in place". It provides an option for the City to address housing affordability challenges, but it is not meant to be the singular solution. The City is looking at a range of creative and innovative options to address the housing crisis as described within Housing Brampton which was endorsed by City Council on May 19, 2021. The intent is to provide homeowners with the additional flexibility to expand on the productivity and functionality of their lot to meet personal or financial needs or desires. It also supports homeowners to earn extra income to support financial flexibility and home ownership viability.
Housing Options, Housing Affordability and Design	Numerous anonymous residents	ARUs would provide affordable rental housing to lower income households or individuals. It could provide an alternative housing option for relatives that are faced with difficult times, such as the pandemic.	
Housing Options, Housing Affordability and Design	Anonymous resident	ARUs is a step toward fighting sprawl. Densification has been happening in a dysfunctional manner for decades through basement apartments and over crowding. More rental options provide a safer and dignified existence for thousands of Brampton residents.	
Housing Options, Housing Affordability and Design	Anonymous resident	ARUs could be designed creatively to support work from home opportunities (home office or workspace) or play area. There may be options for prefabricated garden suites, which would also be more affordable than a custom build.	Garden suites are required to be detached self-contained residential units, with its own cooking facility, sanitary facility and sleeping area, located on the same lot as a single detached, semi-detached, or townhouse dwelling. Garden suites may be designed creatively to meet the needs of the homeowner and does not necessary need to be rented out to a tenant, such as expanding living space for the principal dwelling. The City intends to explore the option for pre-approved garden suite plans and encourage builders to provide a market for prefabricated garden suite options in the City. This consideration has been shared with BILD.
Zoning Regulations and Considerations for ARUs - The City received approximately 11% of comments related to zoning regulations and considerations for ARUs. In summary, residents expressed the following:			
Zoning Regulations and Considerations for ARUs	Numerous anonymous residents	Possible considerations for zoning and setting controls for garden suites including: restricting the location/area for garden suites, the location of a garden suite relative to the lot, and the potential of it's location too close to neighbouring lots.	The proposed ZBLA includes locational and setback requirements for garden suites these will influence the location of the garden suite. Garden suites are only permitted in the rear or interior side yard of a lot. Garden suites have setback requirements from the rear lot line, side yard lot line and a separation distance from the principal dwelling. The proposed zoning is intended to address minimum standards to address the privacy of neighbouring residents, visibility considerations, and providing an appropriate distance to all sides of the building and principal dwelling for emergency services, building repair and/or maintenance. ARUs are not to be restricted to specific areas of the City unless if it is based on good planning principles, such as lands located within natural hazards/hazardous lands, the floodplain area, or on private septic.
Zoning Regulations and Considerations for ARUs	Anonymous resident	Many lots are too small to build a garden suite as the principal dwelling occupies majority of the lot. Big houses on small lots are not friendly to ARUs. Smaller houses on bigger lots make it more possible to build an ARU, but usually the existing house is close to being in the middle of the lot, making it difficult to position an ARU.	This reflection is correct, the City has a variety of different lot sizes and siting of principal dwellings on a lot, which all impact the feasibility of meeting zoning requirements to construct a garden suite. Based on the proposed OPA and ZBLA, ARUs will not be locating everywhere in the City, only where it makes sense. It is not intended that garden suites be permitted on every residential lot across the City. Garden suites will only be permitted on residential properties that can appropriately accommodate them in accordance with the proposed regulations and standards, and subject to the same registration process that currently exists for second units. In addition, it is ultimately up to the property owner to determine the feasibility and/or need of constructing a garden suite on their lot. The intent is to provide homeowners with the additional flexibility to expand on the productivity and functionality of their lot to meet personal or financial needs or desires.

Zoning Regulations and Considerations for ARUs	Numerous anonymous residents	Possible considerations for zoning includes restricting the number of parking garden suites.	In 2020, Council passed By-law 115-2020 that amended the Zoning By-law to remove the requirement for an additional parking space for a second unit. Due to this recent amendment, the requirement for no additional parking space for only one ARU remains. The proposed Zoning By-law Amendment includes a provision that requires one additional parking space for a lot containing two ARUs (both a second unit and a garden suite). For greater clarification, no additional parking space is required when there is only one second unit or one garden suite. Any parking of vehicles must be provided wholly within the garage and/or driveway of a residential lot. Parking is not permitted on any street for longer than three hours; between the hours of 2 am and 6 am; and on residential streets if your vehicle has a height of more than 2.6 metres and/or a length of more than 6.7 metres including any attachments or trailers.
Financial Benefits or Impediments to ARUs - The City received approximately 10% of comments related to financial benefits or impediments to ARUs. In summary, residents expressed the following:			
Financial Benefits or Impediments to ARUs	Numerous anonymous residents	ARUs support homeowners to earn extra income to pay property taxes and the mortgage while offering affordable housing to those that need it.	<p>The intent is to provide homeowners with the additional flexibility to expand on the productivity and functionality of their lot to meet personal or financial needs or desires. It also supports homeowners to earn extra income to support financial flexibility and home ownership viability.</p> <p>Generally, new renovations, an increase in gross floor area and habitable space, including the number of bathrooms and kitchens result in an increased property value.</p> <p>With regards to property tax, there are many factors that affect the value of a home, including location, floor area, lot size, quality of construction, number of bathrooms, etc. Information regarding the building permit for the ARU will be forwarded by the City to the Municipal Property Assessment Corporation (MPAC), which may result in a revised assessment value of the property, and an increase in property taxes. The revised assessment will depend on the size of the ARU, materials used, location of the property, etc.</p>
Financial Benefits or Impediments to ARUs	Numerous anonymous residents	ARUs would increase the price of property by better utilizing the property with an increased gross floor area.	
Financial Benefits or Impediments to ARUs	Anonymous resident	It would be challenging to have the financial capital to fund construction or renovations for ARUs.	The construction of garden suites require a significant investment and as a result affects the viability of constructing a garden suite. Costs that need to be considered are the building permit fees; registration fees; servicing costs (extension of servicing from the principal dwelling to the garden suite); grading and drainage; electrical and plumbing; building materials and labour; architectural/engineering plans and drawings, and professional services. The cost of constructing a garden suite vary significantly, based on staff's research, the approximate total cost range to construct a garden suite is \$120,000 to \$250,000.
Illegal Units and Inspection - The City received approximately 9% of comments related to illegal units and inspection. In summary, residents expressed the following:			
Illegal Units and Inspection	Numerous anonymous residents	There should be regular inspections for illegal ARUs and more frequent inspections taking place to reduce the amount of illegal ARUs.	Enforcement & By-law Services is aware of the number of complaints related to illegal units. Due to the COVID-19 pandemic, Enforcement has significant backlog of investigations to review as there was a period of time when staff were not able to enter units to investigate complaints related to illegal units. The threshold to prove there is an illegal lodging house or illegal unit is extremely difficult and time consuming for Enforcement staff that takes approximately up to two weeks. Enforcement encourages homeowners to register second units and garden suites.
Illegal Units and Inspection	Numerous anonymous residents	Concerns that the proposed regulations for ARUs will facilitate the opportunities for more rooming houses and illegal units. Residents expressed concerns about illegal rental units, such as second units or rooming houses that exist in the City. In addition, residents expressed concern about lack of enforcement (frequency and fines) and addressing complaints related to safety and legal requirements.	The City will be working on developing resource guides to support residents and increase educational awareness around additional residential units. Enforcement will continue to address and investigate complaints related to illegal units in a timely manner and following health and safety protocol.
Regulatory and Registration Process - The City received approximately 7% of comments related to regulatory and registration process for ARUs. In summary, residents expressed the following:			

Regulatory and Registration Process	Anonymous resident	Planners and developers should be addressing these types of dwellings into new developments, accounting for additional space for vehicles, need for extra spaces for schools, infrastructure in the way of plumbing, electrical, gas, traffic patterns, road safety, etc.	Staff have informed and presented to the BILD Peel informing them of the opportunity to address garden suites in new construction and developments, considering larger lot sizes, larger backyards, rough-in of garden suites, and meeting additional servicing requirements. The Heritage Heights Secondary Plan includes a policy that requires new development to provide homebuyers the option to purchase occupancy-ready units with the aim of providing at least 50% of new single, semi detached and townhouses with occupancy-ready second units and 25% of single and semi detached houses with service connections for future garden suites, concurrent with occupancy of the principal dwellings.
Regulatory and Registration Process	Numerous anonymous residents	The registration fee for ARUs (second units and/or garden suites) should be free or reduced.	The registration fee supports administrative costs.
Regulatory and Registration Process	Anonymous resident	There should be a balance of regulatory protection for tenants and landlords.	The rights for landlords and tenants are regulated by the Province of Ontario through the Protecting Tenants and Strengthening Community Housing Act, 2020 and the Residential Tenancies Act, 2006. Tribunal Ontario is responsible through the Landlord and Tenant Board to resolve any disputes or complaints with residential landlords and tenants. Ciy registration of ARUs will help assist with the regulatory protection of landlords and tenants to ensure units are safe, legal, and livable.
Privacy, Neighbourhood Character and Impact to Neighbours - The City received approximately 5% of comments related to privacy, neighbourhood character and impact to neighbours. In summary, residents expressed the following:			
Privacy, Neighbourhood Character and Impact to Neighbours	Numerous anonymous residents	The proposed regulations would be detrimental to the community feel and the character of the neighbourhoods.	The proposed regulations intends to address concerns related to the neighbourhood character and privacy considerations. Garden suites are not to be visible from the street and will be constructed to be a lesser height of the principal dwelling.
Privacy, Neighbourhood Character and Impact to Neighbours	Anonymous resident	The issue is not only about putting an additional building structure on their land property. There is more to it than just putting a building on a lot. Older areas would like to stay the way they are and maintain the low rise residential character. That is why people move into those areas. Not to have more buildings in that area contributing to more people and traffic.	
Privacy, Neighbourhood Character and Impact to Neighbours	Numerous anonymous residents	Garden suites would impact neighbours and their privacy.	
Environment and Open Space - The City received approximately 2% of comments related to the environment and open space. In summary, residents expressed the following:			
Environment and Open Space	Numerous anonymous residents	The proposed regulations should not destroy nature or backyards. The lot should not be overrun with hardscaping as it would affect drainage and local flooding issues.	Based on comments received from the public and internal reviewers, we have included a provision in the ZBLA that requires a garden suite to be subject to the lot coverage requirements of their site specific zone.
Survey Design - The City received approximately 2% of comments related to survey design. In summary, residents have consistently expressed the following:			

Survey Design	Numerous anonymous residents	The City received numerous comments related to the <u>survey design</u> stating that it is biased and does not allow respondents to agree or oppose garden suites.	Staff recognize that there were concerns raised about the survey design that did not allow respondents to express their disagreement with garden suites. Staff intentionally prepared a survey, which did not leave the misinterpretation that the City has a choice whether or not ARUs (second units and garden suites) should be permitted. Bill 108 introduced by the Province mandates Brampton to comply with Planning Act changes that require municipal Official Plans and Zoning By-laws to contain city-wide provisions permitting ARUs within detached, semi-detached, or townhouse units, and within an accessory structure on the same property. Should the City of Brampton fail to comply with the regulations within one year from the date the Region of Peel adopts their new Regional Official Plan, the Region of Peel has authorization through Section 27(2) of the Planning Act to adopt regulations for the City that may not be Brampton-specific or address residents feedback. The draft Region of Peel Official Plan and draft City of Brampton Official Plan (Brampton Plan) contain policies that permit ARUs. Both Official Plans are anticipated for adoption in Spring/Summer 2022.

Appendix 5

Subject: Request for Comments - City Initiated Official Plan Amendment & Zoning By-law Amendment - Additional Residential Unit Reg

Hello,

Please find attached the City of Brampton's **formal circulation request for comments** on the **City-Initiated City-wide Official Plan Amendment and Zoning By-law Amendment – Implementation of Additional Residential Unit (Garden Suites) Regulations**

In accordance with *Bill 108 More Homes, More Choice Act, 2019*, the City of Brampton proposes to introduce Garden Suite permissions in the Official Plan and Zoning By-law to allow up to one additional residential unit in a detached building that is accessory to the principal dwelling located on the same lot as a detached, semi-detached and townhouse dwelling.

The policy review is aimed to reduce zoning barriers to the creation of additional residential units and support the supply and range of affordable rental accommodations in the City. The project is also a deliverable of Housing Brampton, which was endorsed by Council in May 2021, and supports the provision of age friendly and inclusive housing that is affordable and accessible to all.

Specifically, the amendment proposes to:

- Introduce “Additional Residential Units”, which are self-contained residential dwelling units, with their own cooking facilities, sanitary facilities and sleeping areas, and that are located either within a principal dwelling that is a single-detached, semi-detached, or townhouse dwelling (Second Unit), or within an accessory building or structure (Garden Suites) on the same lot as a single detached, semi-detached, or townhouse dwelling.
- Replace the existing Provisions for Two Unit Dwellings (second units) with general Provisions for Additional Residential Units (ARUs) in the Zoning By-law.
- The existing provisions for second units within a two-unit dwelling will remain unchanged, but for administrative purposes, have been restructured in the proposed amendments.
- Introduce zoning regulations for garden suites that include, but are not limited to dwelling type, size, unit height, parking and setback requirements.
- Add definitions in the Zoning By-law for “Additional Residential Unit (ARU)” and “Garden Suite”

A public meeting was held on Monday, June 7, 2021 to present the draft amendments for public consultation.

Dear Ms. La Rota:

**Re: City-Initiated Official Plan Amendment and Zoning by-law Amendment to Implement Additional Residential Units (Garden Suites) Regulations
City of Brampton, Region Municipality of Peel**

TRCA would like to thank the City of Brampton for the opportunity to comment on the 'Official Plan Amendment and Zoning by-law Amendment to Implement Additional Residential Units (Garden Suites) Regulation'. This letter acknowledges receipt of first submission materials associated with the above noted application. A digital copy of the materials was circulated by the City of Brampton and received by Toronto and Region Conservation Authority (TRCA) on June 21, 2021.

TRCA staff has reviewed the above noted application, and as per the "Living City Policies for Planning and Development within the Watersheds of the TRCA" (LCP), provides the following comments as part of TRCA's commenting role under the *Planning Act*; the Authority's delegated responsibility of representing the provincial interest on natural hazards encompassed by Section 3.1 of the *Provincial Policy Statement, 2020*; TRCA's Regulatory Authority under Ontario Regulation 166/06, *Development, Interference with Wetlands and Alterations to Shorelines and Watercourses*; and, our Memorandum of Understanding (MOU) with the Region of Peel, wherein we provide technical environmental advice related to provincial plans.

Purpose of the Applications

It is understood that the proposed policy review is being undertaken to implement Additional Residential Units (ARU) policies in the City's Official Plan (OP) and Zoning By-law (ZBL) in accordance with Bill 108 More Homes, More Choices -2019, which requires municipalities to amend their policies to permit ARUs within a detached accessory structure.

Application-Specific Comments

TRCA supports policy direction that would help increase the affordability and supply of housing while making efficient use of existing infrastructure across the City of Brampton. However, in accordance with the Provincial Policy Statement (3.1), TRCA's Living City Policies and our regulatory responsibilities under the *Conservation Authorities Act*, we would not support ARUs within hazardous lands or with unsafe access associated with valley and stream corridors and the Lake Ontario Shoreline (i.e. flood and erosion hazards), as to do so would increase the risk to life and property associated with the hazard where previously no risk or less risk existed.

The draft OP and ZBLA indicate that ARUs are not permitted on properties located within a floodplain. The staff report and in Appendix 4 (Policy Planning Context and Analysis Summary) reaffirm this and maintain that the proposed OP amendment (OPA) and ZBL amendment (ZBLA) are consistent with matters of Provincial and Regional interest. However, there is no language in the proposed OPA or ZBLA regarding natural hazards other than floodplains. As such, TRCA staff recommend the following revisions:

Appendix 2: Draft Official Plan Amendment

- 1) Page 1: 7. ARUs are to be located outside of natural heritage and natural hazard lands as per the Conservation Authority.
- 2) 4.2.5.7.1 v. An ARU shall not be permitted within a natural heritage or natural hazard area as per the Conservation Authority.

Appendix 3: Draft Zoning By-law Amendment

- 1) c. Will not be permitted within a natural heritage or natural hazard area as per the Conservation Authority.

Further to the above, we note that the staff report indicates that the existing zoning provisions for a second unit within a two-unit dwelling will remain unchanged but will be moved under the new ARU heading. As such, we recommend that the same, or similar language regarding ARUs not being permitted within hazardous lands (and sites) be used in the City's OP and ZBL pertaining to secondary suites.

Recommendations

Given the above, TRCA staff are unable to support the proposed "City-Initiated Official Plan Amendment and Zoning by-law Amendment to Implement Additional Residential Units (Garden Suites) Regulations" at this time. TRCA staff look forward to continued discussion with City staff.

Please note that this letter is based on TRCA's current policies and regulation, which may change from time to time. Please notify TRCA of any decisions made by the City on these applications, or any appeals made by any party in respect of these applications.

We trust these comments are of assistance. Should you have any questions, please contact the undersigned at extension 5307 or email colleen.bonner@trca.ca

Dear Shahinaz Eshesh,

**Re: City Initiated Official Plan Amendment & Zoning By-law Amendment -
Additional Residential Unit Regulation**

Credit Valley Conservation (CVC) staff received the request for comments on the City Initiated Official Plan Amendment & Zoning By-law Amendment – Additional Residential Unit (ARU) Regulation received June 21, 2021.

We have now had an opportunity to review the *Information Report - City-Initiated Official Plan Amendment and Zoning By-law Amendment to Implement Additional Residential Units (Garden Suites) Regulations* (City of Brampton, April 26, 2021), as well as *Appendix 2 – Draft Official Plan Amendment* and *Appendix 3 – Draft Zoning By-law Amendment*.

We offer comments based on our roles and responsibilities as a watershed based resource management agency and public (commenting) body under the *Planning Act*, planning advisory services based on service agreements or memorandum of understanding, delegated responsibilities regarding natural hazards (except forest fires) as identified in Section 3.1 of the Provincial Policy Statement (2020), and regulatory responsibilities under the *Conservation Authorities Act* Section 28 regulation.

Based on our review, we offer the following comments:

1. Per our regulatory role under the *Conservation Authorities Act*, it should be noted that ARU's will not be permitted within natural hazards/hazardous lands (e.g. flood hazards, erosion hazards, etc.), to prevent risks to life and property caused by natural hazards.
2. In accordance with our policies, safe access must also be demonstrated when there is a proposed increase in the number of dwelling units on a property.
3. In Appendix 2, it is noted that, "ARUs must be in compliance with the Ontario Building Code and/or Fire Code, Registration By-law and Property Standards By-Law, and other applicable approval requirements" (Section 4.2.5.7.1 iv, page 3). It is recommended that, "the applicable regulation approved under the *Conservation Authorities Act*" be added as well. It is also recommended that a similar point be included in Appendix 3 - Draft Zoning By-law Amendment (e.g.

Appendix 5

- ARUs must be in compliance with the applicable regulation approved under the *Conservation Authorities Act*).
4. Appendix 2 states that, "*An ARU shall not be permitted on a property located within a floodplain*" (Section 4.2.5.7.1 v, page 3). As per our comment 1 above, there are restrictions for ARU's within natural hazards. It is recommended that the wording be changed to better reflect the areas of concern (e.g. An ARU shall not be permitted on a property located within a natural hazard area as per consultation with the appropriate Conservation Authority).
 5. In Appendix 3, it is noted that, "*ARUs shall not be permitted on properties located within a Floodplain Zone or Open Space Zone, or on lands identified in Schedule B-6: Downtown Floodplain Regulations area*". Similar to our comment above, since not all properties that contain floodplain or other natural hazards are zoned either F or OS, we recommend changing the language to better reflect the areas of concern (e.g. An ARU shall not be permitted on a property located within a natural hazard area as per consultation with the appropriate Conservation Authority).

CVC staff would be happy to discuss our comments further with the City if clarification is required.

I trust the above is satisfactory, however please feel free to contact me at trisha.hughes@cvc.ca or 905-670-1615 extension 325 if you wish to discuss further.

Sincerely,

Trisha Hughes

Dear Ms. Eshesh:

**Re: Request for Comments
City Initiated Official Plan & Zoning By-law Amendments
Additional Residential Units (Secondary Units and/or Garden Suites)
City of Brampton**

Thank you for providing the Dufferin-Peel Catholic District School Board (DPCDSB) the opportunity to review and comment on the proposed City initiated Official Plan and Zoning By-law amendments.

The report outlines new terms such as "Additional Residential Unit (ARU)" and "Garden Suite". "Garden Suite" is defined as an ARU that is detached from the principal dwelling unit and is located in the rear or side yard, and which may be freestanding or attached to a detached private garage. The definition of a "Garden Suite" clearly defines that an ARU will be separate from the original dwelling unit, thereby increasing the gross floor area (GFA). This would not qualify as an exemption in the DPCDSB Education Development Charges (EDC) By-law. In view of the preceding, EDCs will be applicable to garden suites. In a situation where an ARU is created within an existing dwelling without the addition of GFA, such as a basement apartment, will continue to be exempt from EDCs.

In general, it is expected that student yields from garden suites will be similar to secondary units and have little impact on our existing infrastructure.

Thank you for giving us the opportunity to provide comments on this matter. If you require any further information, please feel free to contact me.

Yours sincerely,

Greetings Ms. Eshesh:

**Re: Request for Comments: City-Initiated City-Wide Official Plan & Zoning By-Law Amendments
Implementation of Additional Residential Units (Secondary units and/or Garden Suites)**

The Peel District School Board (PDSB) is grateful for the opportunity to review and comment on the proposed amendments to the City-Wide Official Plan & Zoning By-Law amendments.

As detailed in the City report, the Planning Act changes resulting from Bill 108 will now allow for the construction of Additional Residential Unit (ARU) types, one of which are "Garden Suites". The report defines a "Garden Suite" as an ARU that is detached from the principal dwelling unit and is located in the rear or side yard, and which may be freestanding or attached to a detached private garage. The definition of a "Garden Suite" clearly defines that it will be separate from the original dwelling unit, thereby increasing the gross floor area (GFA). This would not qualify as an exemption from the PDSB's Education Development Charges (EDCs) By-Law and thus is subject to EDC's. In the case where an ARU is created within an existing residential dwelling without increasing its GFA (an example would be a basement apartment), the ARU will continue to be exempt from EDCs.

Student yields from these new garden suites is expected to be similar to secondary units.

Thank you for giving us the opportunity to provide comments on this matter. If you require any further information, please feel free to contact me.

Hi Shahinaz,

Thank you so much for including Park Planning in the review process of the new policy pertaining to Garden suites. Glad to see the City taking the initiative to provide affordable housing options to City residents.

From the Park Planning perspective, the policy needs to consider the inclusion of Parkland Dedication. A Garden suite is a new detached dwelling unit from the primary household. Therefore, it is subject to parkland dedication. As a result of these additional units in an established neighborhood, we need to consider the resulting increase in population/density and its pressure on existing parks and infrastructure, plus the demand for more parkland and other services. To sustain supply/demand and meet the provision level (parkland) targets, the City must consider the importance of parkland dedication in this policy.

Meetings with Realty Services has added some further detail in how dedication will be calculated on established lots that already hold single-detached, semis, or townhouses. We understand that it will be mainly single-detached housing lots that may accommodate the Garden suites given the backyard space that these types of housing lots provide. In any case, Realty services will be exploring the best possible methods, which could include charging the owner based on 50% of the land cost or based on proposed unit numbers.

A recent email from City's legal representative has confirmed that the current Parkland Dedication By-Law supports the second suites. However, it also indicates the methods of calculation as per the by-law. She advises that CIL for the erection of Garden suites would be calculated as below. An appropriate calculation method is therefore subject to further discussion.

section 7 (c) (i)

"CIL shall be calculated at the rate of 5% of the land being Developed or Redeveloped, and the value of the land shall be calculated by the City using the market value of the lands as of the day before the issuance of the first building permit in respect of the Development or Redevelopment, as evidenced by an appraisal" [emphasis added]

Please also note, the above section refers to land value appraisals. In cases of Garden Suites applications, third-party appraisals will not be required. To encourage such proposals and make them affordable, the advice from Realty's services is that the City will take upon itself to conduct the appraisals. The fee for it, however, will be paid by the owner. While the third-party appraisals are a standard practice that a developer is subject to provide prior to obtaining their building permits, in this case, however, the City will do its own.

In addition to the above, it has come to our understanding that the Parkland Dedication By-Law assumes Garden Suites as Single Detached dwellings. Given this, it is legal's advice that we must change the definition of the Single-detached dwellings to include a Garden Suite for more clarity. We will not require public

Appendix 5

consultation to change this definition, but this amendment process will be subject to an internal Council hearing process for approval (pending Legal's confirmation).

We request City's Policy Planning team to consider the above comments, and before finalizing the policy, we request that further discussion on methods of calculating Parkland Dedication credits with the City's Realty Services are clarified. Further steps to amend the definitions in the Parkland Dedication By-Law will also need to be finalized.

Where: Microsoft Teams Meeting

Hello everyone,

This meeting is to discuss the City-Initiated City-wide Official Plan Amendment and Zoning By-law Amendment – Implementation of Additional Residential Unit (Garden Suites) Regulations.

I am still waiting for feedback and comments, but some key groups we are looking to hear back from are Zoning, Engineering, Traffic and Transit. Some follow up discussion items we have:

- 1) Amendments to by-laws – Site Plan Bylaw, Registration Bylaw, Parkland Dedication Bylaw
 - a. Status on amendments to site plan control bylaw?
- 2) Municipal street address for garden suites
- 3) Minimum % of landscaped area / permeable surface
- 4) Impacts to stormwater run-off and site drainage – basements in garden suites?
- 5) Type of foundation required for garden suites – can it be mobile on wheels or slab on grade?
- 6) Pre-fabricated garden suites and potential impacts

Please review the attached material for this discussion.

Hi Shahinaz,

I am certainly no expert on the *Education Act*, but from the table you provided (that being):

Appendix 5

PART II EXEMPTIONS

ADDITIONAL DWELLING UNIT EXEMPTION

3. For the purposes of clause 257.54 (3) (b) of the Act, the following table sets out the name and description of the classes of residential buildings that are prescribed, the maximum number of additional dwelling units that are prescribed for buildings in those classes and restrictions for each class.

Name of class of residential building	Description of class of residential buildings	Maximum number of additional dwelling units	Restrictions
Single detached dwellings	Residential buildings, each of which contains a single dwelling unit, that are not attached to other buildings	Two	The total gross floor area of the additional dwelling unit or units must be less than equal to the gross floor area of the dwelling unit already in the building.
Semi-detached dwellings or row dwellings	Residential buildings, each of which contains a single dwelling unit, that have one or two vertical walls, but no other parts, attached to other buildings	One	The gross floor area of the additional dwelling unit must be less than or equal the gross floor area of the dwelling unit already in the building.
Other residential buildings	A residential building not in another class of residential building described in this table.	One	The gross floor area of the additional dwelling unit must be less than or equal the gross floor area of the smallest dwelling unit already in the building.

It looks identical to what was contained in the old regulations to the *Development Charges Act*, prior to the Province amending via Bills 108 and 197. I would interpret the above table to only exempt secondary units within existing residential dwelling units. Therefore from my cursory review of the *Education Act*, garden suites (in a separate detached accessory structure) would be subject to Educational development charges.

It's a shame that the Province did not amend the Education Act to be consistent with the changes made to the *DC Act*. That being, also exempting secondary units within new single/semi-detached or row dwelling units (not just existing). As well as exempting proposed new residential buildings that would be ancillary to a proposed new detached dwelling, semi-detached dwelling or row dwelling. I am hoping (?) that it was just an oversight on their part, as opposed to the Province not wanting to take the revenue hit but expecting municipalities to do so.

It sounds like you have done your homework, but just in case, here are the Regulations to the DC Act that made the above exemptions:

Thank you Janet for your quick response. This is quite helpful, from my research as well the DC By-law does exempt DC collection for municipal and regional DCs. I'm still uncertain about EDCs.. I will be setting up a meeting next week with Legal and if it's ok, I will include you in that conversation.

Hi Claudia,

Nice to hear from you! I'm doing well, and hope you are too. What an interesting topic!

Educational development charges is a revenue tool made available to school boards via the *Educational Act*; whereas the DCs imposed by municipalities are governed by the *Development Charges Act*. It is odd to me that the Province would amend only the DC Act to exempt garden suites, secondary suites, etc. from municipal development charges, but did not amend the *Educational Act* to provide the same exemption. So yes, accordingly to the DPCDSB DC By-law, DCs would apply to garden suites.

To be clear, these types of units are statutorily exempt in the DC Act. So not City nor Regional DCs would apply.

In terms of the CIL... I am no expert in that field. I'd suggest you contact Roger da Cunha as he is the City's subject matter expert in terms of parkland dedication.

My scan of the EDC by-law suggests that the garden suites would be charged on a per unit basis. Only non-residential development would be charged on a GFA basis. And yes, the EDCs would be payable upon issuance of the building permit.

Let me know if that answers all of your questions. Happy to chat as well.

Take care,
Janet

Subject: City Initiated Official Plan Amendment & Zoning By-law Amendment - Additional Residential Unit Reg

Good afternoon Janet, hope all is well.

I was wondering if you could help us with something.

Shahinaz and I are working on an OPA and ZBL to implement permissions for additional residential uses, specifically in the form of garden suites (in a separate detached accessory structure), to be permitted in addition to second units.

Comments received from DPCDSB indicate that garden suites are not exempt from paying DC's because of the additional GFA, which we weren't aware. Would this just apply to the education portion of the DC's or all of it? Would they also be subject to parkland dedication?

Are these two payments calculated based on the GFA of the garden suite (or I think parkland is paid on a per unit basis?). We are proposing a max. size of 35 sq. m. for most residential areas, and up to 80 sq. m. in estate lots. Would these be payable when the building permit is issued?

We are bringing forward the OPA for adoption in December, so we would need to clarify this information to include it in the report.

Thanks so much for your help!

DPCDSB provided their comments and requires the garden suites to be considered for DPCDSB DC collection. This really surprises me, I'll be reaching out to other municipalities to see if they have / are expecting the same – parkland dedication and DCs.

Subject: RE: ARUs and Garden Suites - Parkland

Hi All,

Until the current by-law has been revised/new parkland dedication by-law enacted, ARU's will be subject to CIL based on the estimated land value as of 1 day prior to the issuance of building permit issuance.
The amount is site specific, dependent on location, market conditions, lot size and # of units on the subject lot.

For example, if lot value is \$500,000 improved with 1 SFD, then the CIL would be = \$12,500 [Land Value \$500,000 x 5% (dedication rate) x 50% (pro rata to total # of units on the lot after ARU has been built)].

Subject: RE: ARUs and Garden Suites - Parkland

Thanks for the response Jake.

To clarify, I am assuming the waiving of the fees will require an amendment to the current Parkland By-law, and if so, do you have an estimate of timing for this to be completed?

As we are targeting approval of the ARUs amendments in June, the City would be in a position to accept garden suite registrations by mid June. Any registrations submitted at that time would still be subject to parkland until a new by-law is in effect, so is there a way to know what the charge would be and at what point would it be payable (issuance of bldg. permit)?

Appendix 5

We would probably need to provide some details of this in the Rec. Report that we will be bringing in June.

Thanks again.

Subject: Re: ARUs and Garden Suites - Parkland

Hi Jeff,

We've discussed this and offer a few points below for consideration:

- As part of the Parkland Dedication By-law review, a reduced rate is being considered for affordable housing projects (i.e. Region of Peel), which is seen as a public good and benefit to the community
- However, without any restrictions or controls in place for these ARU/Garden Suite development types (other than limiting its size to 35 sq.m.), the land owner is free to charge full market rate for profit
- Fundamentally, this is different from other social/affordable housing options that typically operate below fair market value and must align with certain criteria (i.e. who can live there/income based). So by definition, these unit types would not be classified as affordable housing
- If the term 'affordable housing' is solely being used based on the price of these garden suites, then the potential costs (ie- we estimate approximately \$250,000 to construct) the parkland charge would be minimal once a calculation is finalized
- As a result, our position is that we're willing to waive the charge for now. It's nearly impossible to forecast the uptake at this point in time, so we recommend this be reviewed again in 5 years, to review the popularity/effectiveness of these units, and determine if the waiver should continue or not.

If you have any questions, please let us know.

Thanks,

AMENDMENT NUMBER OP 2006 -
to the Official Plan of the
City of Brampton Planning Area

AMENDMENT NUMBER OP 2006 -
TO THE OFFICIAL PLAN OF THE
CITY OF BRAMPTON PLANNING AREA

1.0 Purpose:

The purpose of this amendment is to implement policies in the Official Plan to permit additional residential units (ARUs), in conformity with changes to the *Planning Act* made by *Bill 108 More Homes, More Choice Act, 2019*. Bill 108 requires municipalities to permit residential units within accessory structures (to be identified as ‘garden suites’), in addition to the already permitted second units. The existing policies for Second Units will be moved to the Residential section of the Official Plan under a new heading for ARUs.

2.0 Location:

This amendment affects all lands within the City of Brampton.

3.0 Amendments and Policies Relative Thereto:

3.1 The document known as the Official Plan of the City of Brampton Planning Area is hereby amended:

(1) by deleting Subsection 3.2.8.2 Second Units in its entirety and renumbering the subsequent sections.

(2) by adding 4.2.5.6 Additional Residential Units (ARUs) as a subheading, and the following new policies:

“4.2.5.6 Additional Residential Units (ARUs)

The City supports the creation of affordable housing and creative housing solutions that broaden the range of housing typologies and provide gentle intensification in the Residential designation to better utilize infrastructure and services. Second units and garden suites, are a form of Additional Residential Units (ARUs), permitted City-wide subject to the provisions of this Plan, the Zoning By-law, and the Registration By-law.

ARUs aim to support the overall planning objectives of this Plan, including:

- Supporting modest population growth and densification;
- Providing a variety of housing choice;
- Supporting the supply and range of rental housing options across the City;
- Supporting changing demographics through opportunities for multi-generational living, aging in place and age friendly communities;

- Utilizing efficiencies in City and Regional infrastructure including roads, public transportation, water/wastewater and community services; and,
- Providing flexibility for homeowners to enhance the use of their property.

Additional Residential Units (ARUs), are self-contained residential dwelling units, with its own cooking facility, sanitary facility and sleeping area, and that are located either within the principal dwelling (second unit), or within an accessory building or structure (garden suite) on the same lot as a single detached, semi-detached, or townhouse dwelling. ARUs are also known as second(ary) units, garden suites, granny-flats, in-law suites, laneway suites, and/or coach houses.

4.2.5.6.1 Additional Residential Units (ARUs) shall only be permitted on properties where a single detached, semi-detached or townhouse dwelling is situated; and shall be subject to the following criteria:

- i. A maximum of two ARUs are permitted per residential lot, one located within the principal dwelling, known as a second unit, and one within an accessory structure or building, known as a garden suite;
- ii. ARUs are intended to be accessory in scale and function to the principal dwelling;
- iii. ARUs are to be located on full municipal services, unless it can be demonstrated to the satisfaction of the Chief Building Official that the sewage system on private sanitary servicing has been upgraded to meet the regulations of the Ontario Building Code (OBC) for an additional residential unit;
- iv. ARUs must be in compliance with the Ontario Building Code and/or Fire Code, Registration By-law, Property Standards By-law, the applicable regulation approved under the Conservation Authorities Act, and other applicable approval requirements;
- v. An ARU shall not be permitted within natural heritage or natural hazard areas regulated by the applicable Conservation Authority, or the Downtown Floodplain Special Policy Area;
- vi. An ARU shall have no negative impact on stormwater management and site drainage;

- vii. The exterior design of a garden suite must be compatible with the character of the principal dwelling, in terms of design, style and materials; and,
- viii. Adequate on-site parking is to be provided in accordance with the requirements of the Zoning By-law.

4.2.5.6.2 The City encourages the creation of ARUs through new construction and the subdivision approval process, subject to the policies of this Plan.

4.2.5.6.3 Garden suites will be subject to a Custom Home review process, which includes a design and engineering review that may consider the following:

- i. Privacy and shadow impacts on adjacent properties
- ii. Building design, style and materiality
- iii. Accessible design features
- iv. Sustainable building materials and technologies
- v. Grading, servicing and site drainage
- vi. Preservation of trees and mature vegetation
- vii. Maintenance of an adequate open amenity space in the rear and side yards and maximizing contiguous soft landscaping.

4.2.5.6.4 A deviation from the prescriptive requirements for garden suites as set out in the Zoning By-law, may be considered subject to a minor variance application under Section 45 of the Planning Act, as amended, subject to the following:

- i. Meets the intent and purpose of policies of Section 4.2.5.6.1;
- ii. It is demonstrated that the privacy of the adjacent properties are maintained; and,
- iii. Meets the intent and purpose of the requirements and restrictions of the Zoning Bylaw.

4.2.5.6.5 The severance of a garden suite from the lot where the principal dwelling is located shall not be permitted.”

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number _____ - 2022

To amend Zoning By-law 270-2004, as amended

The Council of The Corporation of the City of Brampton, in accordance with the provisions of the *Planning Act*, R.S.O. 1990, c.P. 13, hereby ENACTS as follows:

(1) By-law 270-2004, as amended, is hereby further amended:

1. by amending Section 5.0 Definitions, as follows:

a) by adding the following defined terms and definitions:

“ADDITIONAL RESIDENTIAL UNIT (ARU) shall mean a self-contained residential dwelling unit, with its own cooking facility, sanitary facility and sleeping area, and that it is located either within a single detached, semi-detached or townhouse dwelling (second unit), or within an ancillary building (garden suite).”

“GARDEN SUITE shall mean an Additional Residential Unit (ARU) ancillary to a single detached, semi-detached or street townhouse units, that is located in a building that is detached from the principal dwelling and located in the rear or interior side yard, and which may be freestanding or attached to a detached private garage.”

b) by deleting the definition for “SECOND UNIT” in its entirety and replacing it with the following:

“SECOND UNIT shall mean an Additional Residential Unit (ARU) located within a single detached, semi-detached or townhouse dwelling resulting in a two-unit dwelling.”

c) by re-organizing the definitions in alphabetical order accordingly.

2. by deleting Section 6.27 One Dwelling Per Lot in its entirety and replacing it with the following:

“6.27 Dwellings Per Lot

Where a single detached, semi-detached, or townhouse dwelling is permitted, a second unit and/or a garden suite may also be permitted subject to the requirements and restrictions of Section 10.16 of the Bylaw.”

3. by adding to Section 10.2 One Dwelling Per Lot, the phrase “or garden suite” following the text “second unit”.
4. by adding to Section 10.27(c) Older, Mature Neighbourhoods, the text “except for a garden suite.” immediately following the text “excluding permitted accessory structures”.
5. by deleting Section 10.16 Provisions for Two Unit Dwellings in its entirety and replacing it with the following:

“10.16 Provisions for Additional Residential Units (ARUs)

The following requirements and restrictions shall apply to all ARUs:

- (a) An ARU shall only be permitted on the same lot as a single detached dwelling, a semi-detached dwelling, or townhouse dwelling;
- (b) An ARU shall not be permitted within or on the same lot as a lodging house or supporting housing residence;
- (c) A maximum of one second unit and one garden suite is permitted per residential lot;
- (d) An ARU shall not be permitted on properties located within a Floodplain Zone or Open Space Zone, or on lands identified in Schedule B-6: Downtown Floodplain Regulations area;
- (e) Lots containing both a second unit and a garden suite are required to provide one additional parking space in addition to the parking required under Section 10.9 for the principal dwelling unit located on the same lot. All required parking spaces shall be located entirely within the boundaries of the subject lot;
- (f) Notwithstanding Section 6.17, each parking space on a residential lot containing both a second unit and a garden suite shall be not less than 2.6 metres in width and 5.4 metres in length. Tandem parking spaces shall be permitted and, the maximum width for a driveway shall not exceed the permitted width as specified in Section 10.9 of

this By-law. For the purposes of this section, tandem parking shall mean a parking space that can only be accessed by passing through another parking space from a street, lane or driveway; and,

- (g) Shall be subject to the applicable Registration By-law.

10.16.1 Provisions for Two-Unit Dwellings

The following requirements and restrictions shall apply for a second unit within a two-unit dwelling:

- (a) The gross floor area of a second unit shall not exceed the gross floor area of the principal dwelling unit;
- (b) Where the principal entrance to a second unit is provided through a door located in the side yard or rear yard, an unobstructed pedestrian path of travel having a minimum width of 1.2 metres shall be provided along any portion of the yard extending from the front wall of the building to the door used as the principal entrance to a second unit, unless the principal entrance to the second unit has direct unobstructed access having a minimum width of 1.2 metres from a public street or private laneway at the rear of the property;
- (c) An above grade side door meeting the minimum 1.2 metre path of travel requirement of Section 10.24 and used as the principal entrance to a second unit may be accessed by a landing less than 0.6 metres above ground level having a maximum length and width of 0.9 metres. Steps shall be provided at both the front and rear of the landing as may be necessary to provide pedestrian access from the front yard to the rear yard;
- (d) Except as required by Section 10.16(e), no additional parking space is required for a second unit; and,
- (e) A maximum of one second unit shall be permitted in a two-unit dwelling.

10.16.2 Provisions for Garden Suites

The following requirements and restrictions shall apply for a garden suite:

- (a) A garden suite shall only be permitted in the rear yard or interior side yard of a lot containing a single detached dwelling, a semi-detached dwelling, or townhouse dwelling;

- (b) Notwithstanding Section 10.27(c), a garden suite shall be subject to the lot coverage requirements of the site-specific zone or Section 10.27 Older, Mature Neighbourhoods, where applicable, whichever is most restrictive;
- (c) The maximum gross floor area shall not exceed:
 - i. 80 square metres on a lot in a Residential Hamlet, Residential Estate or Agricultural zone;
 - ii. 35 square metres on a lot in all other Residential zones; or,
 - iii. Notwithstanding 10.16.2(c)(i) and (c)(ii) above or Section 10.4.1(g), a garden suite located above a detached garage shall be permitted provided that the maximum gross residential floor does not exceed 48 square metres or the gross floor area of the detached garage, whichever is less. The combined gross floor area for a detached garage with a garden suite above shall not exceed 96 square metres or twice the area of the garage, whichever is less.
- (d) Minimum Rear Yard Depth: 2.5 metres;
- (e) Minimum Interior Side Yard Width: 1.8 metres;
- (f) Minimum separation distance from the principal dwelling: 3 metres;
- (g) Encroachments into the minimum required rear yard depth set out in 10.16.2(d) or into the building separation distance set out in 10.16.2(f) shall be permitted as follows:
 - i. Maximum 0.6 metres for a window bay with or without foundation
 - ii. Maximum 0.5 metres for eaves, cornices, gutters, chimneys, pilasters or parapets
 - iii. Maximum 0.9 metres for an open sided, roofed porch or deck.
- (h) The maximum building height shall not exceed:
 - i. 7.5 metres or the height of the principal building, whichever is less, on a lot in a Residential Hamlet, Residential Estate or Agricultural zone;
 - ii. 4.5 metres or the height of the principal building, whichever is less, on a lot in all other Residential zones; or,
 - iii. Notwithstanding 10.16.2(h)(i) and 10.16.2(h)(ii) above, and Section 10.4(h), a garden suite shall be permitted above a detached garage provided the overall height of

the building does not exceed 7.5 metres or the height of the principal dwelling, whichever is less.

- (i) Balconies and roof top patios shall not be permitted;
- (j) A minimum 1.2 metre wide unobstructed pedestrian path of travel shall be provided along any portion of the yard extending from the front wall of the principal dwelling to the main entrance of the garden suite, unless the garden suite has direct unobstructed access having a minimum width of 1.2 metres from a public street or private laneway at the rear of the property;
- (k) Except as required by Section 10.16(e), no additional parking space is required for a garden suite; and,
- (l) Notwithstanding Section 10.3(i) or 10.4(i), a garden suite is permitted within a converted intermodal shipping container.”

ENACTED and PASSED this ____ day of 2022

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number _____ - 2022

A By-law to require the registration of additional residential units in the City of Brampton, and to repeal By-law 87-2015, as amended

RECITALS

Section 16(3) of the *Planning Act*, S.O., 1990, c. P.13, as amended, requires municipalities to implement official plan policies authorizing the use of additional residential units;

Section 35.1(1) of the *Planning Act*, S.O., 1990, c. P.13, as amended, requires that by-laws passed under section 34 give effect to the policies described in subsection 16(3) of that Act;

The City of Brampton has added policies to the City's Official Plan and Comprehensive Zoning By-law in order to comply with these *Planning Act* requirements;

Section 8(1) of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, (Municipal Act, 2001) provides that the powers of a municipality under any Act shall be interpreted broadly so as to confer broad authority on municipalities to enable them to govern their affairs as they consider appropriate, and to enhance their ability to respond to municipal issues;

Section 11(2) (6) of the *Municipal Act, 2001*, authorizes municipalities to pass by-laws respecting the health, safety and well-being of persons and the protection of persons and property;

Subsection 391(1) of the *Municipal Act, 2001*, provides that a municipality may impose fees and charges on persons for services or activities provided or done by or on behalf of it;

Subsection 429(1) of the *Municipal Act, 2001*, provides that a municipality may establish a system of fines for a by-law passed under the Act;

Subsection 434.1 (1) of the *Municipal Act, 2001* provides that a municipality may require a person, subject to such conditions as the municipality considers appropriate, to pay an administrative penalty if the municipality is satisfied that the person has failed to comply with a by-law of the municipality passed under that Act.

Subsection 436(1) of the *Municipal Act, 2001*, provides that a municipality may pass by-laws providing for the entry onto land at any reasonable time for the purpose of carrying out an inspection to determine compliance with a by-law;

Section 444 of the *Municipal Act, 2001*, provides that a municipality may make an order to require a Person to discontinue contravening a by-law and to do the work required to correct the contravention;

The Council of The Corporation of the City of Brampton considers it important to enact a by-law to require the registration of additional residential units in the City of Brampton in order to protect persons, property and the health, safety and well-being of Brampton residents;

NOW THEREFORE, the Council of The Corporation of the City of Brampton ENACTS as follows:

PART I – TITLE, INTERPRETATION AND SEVERABILITY

1. This By-law may be referred to as the “Additional Residential Unit (ARU) Registration By-law”.
2. This By-law applies to all property within the City of Brampton.
3.
 - (1) Wherever a word is used in this By-law with its first letter capitalized, the term is being used as it is defined in Part II of this By-law. Where any word appears in ordinary case, the commonly applied English language meaning is intended.
 - (2) Wherever a word defined in Part II of this By-law is used in the form of a noun, verb, adverb or adjective, it shall be interpreted as having a corresponding defined meaning even if it is in ordinary case;
 - (3) All words in this By-law importing the singular shall include the plural, and words imparting the masculine gender shall include the feminine, and the converse of the foregoing also applies, unless the context of the By-law requires otherwise.

4. If a court of competent jurisdiction declares any provision or part of a provision of this By-law to be invalid or to be of no force and effect, it is the intention of Council in enacting this By-law that the remainder of this By-law shall continue in force and be applied and enforced in accordance with its terms to the fullest extent possible according to law.

PART II – DEFINITIONS

5. For the purpose of this By-law:

“Additional Residential Unit (ARU)” means a self-contained residential dwelling unit, with its own cooking facility, sanitary facility and sleeping area, and that it is located either within the principal dwelling (Second Unit), or within an accessory building or structure (Garden Suite) on the same lot as the principal dwelling;

“By-law” means this by-law, as amended from time to time;

“City” means The Corporation of the City of Brampton or the land within the municipal boundaries of the City of Brampton, as the context requires;

“Council” means the Council of The Corporation of the City of Brampton;

“Garden Suite” means an Additional Residential Unit (ARU) accessory to a single detached, semi-detached or street townhouse dwelling unit located in a building that is detached from the principal dwelling and is located in the rear or interior side yard, and which may be freestanding or attached to a private detached garage;

“Inspector” means any one of the following Persons appointed by the City:

- (a) Chief Building Official or inspector appointed pursuant to the *Building Code Act, 1992*;
- (b) Municipal Law Enforcement Officer; or
- (c) Fire and Emergency Services inspector;

“Owner” means a Person, who is:

- (a) the registered owner of a property containing Additional Residential Units;
- (b) agent for the registered owner of a property containing Additional Residential Units; or

- (c) managing or receiving the rent of from a property containing one or more Additional Residential Units whether on the Person's own account or as agent or trustee of any other Person who would receive the rent if the land or premises were let;

"Person" includes an individual, corporation, partnership or limited liability partnership;

"Registrar" means the City's Chief Building Official or his or her designate;

"Second Unit" means an Additional Residential Unit located within a single detached, semi-detached or townhouse dwelling resulting in a Two-Unit Dwelling;

"Two-Unit Dwelling" means a single detached dwelling, semi-detached dwelling or townhouse dwelling containing one Second Unit.

PART III – PROHIBITION

- 6. No Person shall have an Additional Residential Unit (ARU) unless it has been registered in accordance with the requirements of this By-law.

PART IV – REGISTRATION

- 7. Every Person who has an ARU shall register the Two-Unit Dwelling and/or a Garden Suite as required by this By-law. Where more than one ARU is located on the same property, every person shall register each ARU separately with the City.
- 8.
 - (1) The Registrar is authorized to administer this By-law in accordance with the requirements of this By-law, including the power to register, refuse to register or revoke the registration of any ARU.
 - (2) For the purpose of section 23.2(4) of the Municipal Act, 2001, Council considers the delegation of powers to the Registrar pursuant to this By-law, including the powers to register, refuse to register and revoke the registration of ARU, to be of a minor nature.
- 9. Prior to the registration of an ARU the owner shall:
 - (1) submit a complete application for registration, together with supporting plans, documents and drawings, to the Registrar in a form prescribed by the Registrar; and
 - (2) pay a non-refundable \$200.00 registration fee for each ARU.
- 10. The Owner bears the onus of proving that an ARU meets the requirements of this By-law and any other applicable law to the Registrar's satisfaction.

11. (1) The Registrar may deem an application abandoned if all requirements of registration pursuant to this By-law have not been fulfilled to the Registrar's satisfaction within eighteen (18) months from the date that the application is submitted.
- (2) An Owner may re-apply for registration where an application has been deemed abandoned subject to the requirements of this By-law including payment of all applicable fees.
12. (1) The Registrar shall establish and maintain a record of all ARU applications filed and a registry of all Two-Unit Dwellings and Garden Suites registered pursuant to this By-law.
- (2) An ARU once registered pursuant to this By-law remains registered without payment of any renewal or other fees unless registration is revoked pursuant to section 14 of this By-law.

PART V – REFUSAL AND REVOCATION

13. (1) The Registrar may refuse to register an ARU that is not in compliance with any one or more of the following:
 - (a) the Ontario Building Code;
 - (b) the Ontario Fire Code
 - (c) the Ontario Electrical Safety Code;
 - (d) the City's Zoning By-law;
 - (e) the City's Property Standards By-law;
 - (f) this By-law; or
 - (g) any other applicable law.
- (2) Where the Registrar refuses to register an ARU based on the criteria in subsection (1), the Registrar shall provide the Owner with a Notice of Refusal to Register, which shall include a brief written explanation of the reason for refusal.
14. (1) The Registrar may revoke the registration of an ARU if:
 - (a) it was registered in whole or in part based on false information;

- (b) the Owner requests that the Registrar revoke registration because they no longer have an ARU to the Registrar's satisfaction; or
 - (c) it is not in compliance with any one or more of the following:
 - (i) the Ontario Building Code;
 - (ii) the Ontario Fire Code;
 - (iii) the Ontario Electrical Safety Code;
 - (iv) the City's Zoning By-law;
 - (v) the City's Property Standards By-law;
 - (vi) this By-law; or
 - (vii) any other applicable law.
- (2) Where the Registrar intends to revoke registration of an ARU based on the criteria in either subsections (1)(a) or (c), the Registrar shall provide the Owner with a Notice of Intention to Revoke Registration which shall include a brief written explanation of the reasons for revocation.
15. (1) The Registrar's Notice of Intention to Revoke Registration as applicable, shall be sent:
- (a) by electronic mail to the Owner's e-mail address included in the application to register; and
 - (b) in accordance with the requirements for service in Part IX of this By-law.
- (2) The Owner shall have sixty (60) days from the date of the notice to resolve the Registrar's reasons for their Intention to Revoke.
- (3) Where the Owner fails to resolve the Registrar's reasons for their Intention to Revoke to the Registrar's satisfaction in compliance with subsection 15(2), the Registrar shall provide the Owner with written confirmation of the decision to revoke registration:
- (a) by electronic mail to the Owner's e-mail address included in the application to register; and
 - (b) in accordance with the requirements for service in Part IX of this By-law.

- (4) If the Registrar has confirmed the revocation of registration of an ARU, the Owner may re-apply to register subject to complying with the requirements of this By-law including payment of applicable fees.

PART VI – INSPECTION

16. (1) An Inspector acting pursuant to this By-law may, at any reasonable time, enter and inspect any property, for the purpose of carrying out an inspection to determine whether there is compliance with any one or all of the following:
 - (a) the requirements of this By-law;
 - (b) an order made pursuant to this By-law or the Municipal Act, 2001; or
 - (c) an order made pursuant to section 431 of the Municipal Act, 2001.
- (2) An Inspector may undertake an inspection pursuant to an order issued under section 438 of the Municipal Act, 2001.
17. For the purposes of conducting an inspection, an Inspector may, in accordance with the provisions in section 436 of the Municipal Act, 2001:
 - (1) Require the production for inspection of documents or things relevant to the inspection;
 - (2) Inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;
 - (3) Require information from any person concerning a matter related to the inspection; and
 - (4) Alone or in conjunction with a person possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purpose of the inspection.
18. An Inspector performing a duty under this By-law may be accompanied by a Person under his or her direction.
19. (1) No Person shall hinder or obstruct an inspector or attempt to hinder or obstruct an inspector who is performing a duty under this By-law; and
- (2) Any Person who provides false information to an inspector shall be deemed to have hindered or obstructed the inspector in the execution of his or her duties.

PART VII – ORDER

20. (1) Where an Inspector believes that a contravention of this By-law has occurred they may issue:
- (a) an order to discontinue the contravening activity;
 - (b) an order to correct the contravention; or,
 - (c) an order to discontinue the contravening activity and correct the contravention.
- (2) Orders issued pursuant to subsection 20(1) shall be in writing and set out:
- (a) the name of the Person who is believed to have contravened this By-law and the municipal address or the legal description of the land to which the contravention applies;
 - (b) reasonable particulars of the contravention;
 - (c) the date by which there must be compliance with the order;
 - (d) if applicable, the work to be done and the date by which the work must be done; and,
 - (e) if applicable, a statement that the City may have the work done at the expense of the owner of the property if the work is not done in compliance with the order.
- (3) An order issued under this By-law may be served personally or served by mail to the last known address of the Person and such other persons affected by it as determined by the Inspector and a copy of the order may be posted on any property to which the contravention applies.
- (4) If an order is served by registered mail, the service shall be deemed to have been made five (5) days after mailing.(5) Where service cannot be carried out in accordance with subsection 63. (3), the Inspector may place a placard containing the terms of the order in a conspicuous place on the property to which the contravention applies, and the placing of the placard shall be deemed to be sufficient service of the order on the Person or persons to whom the order is directed.
- (6) Every Person who fails to comply with an order made under this section is guilty of an offence.

PART VIII – PENALTY

21. (1) Every Person who contravenes any provision of this By-law, or fails to comply with an order issued pursuant to this By-law, and every director or officer of a corporation who concurs in such contravention by the corporation, is guilty of an offence and, upon conviction, is liable to a fine and such other penalties, as provided for in the *Provincial Offences Act*, S.O. 1990, c. P.33, and the *Municipal Act*, 2001, as both may be amended from time to time.
 - (2) In addition to subsection (1), any Person who is charged with an offence under this by-law in accordance with Part III of the *Provincial Offences Act* and is found guilty of the offence, is liable, in addition to any other penalties:
 - (a) if an individual, to a fine of not more than \$25,000; or
 - (b) if a corporation, to a fine of not more than \$50,000.
22. If a Person is convicted of an offence pursuant this By-law, the potential for receiving an economic advantage from an Additional Residential Unit that is not registered pursuant to this By-law may be considered an aggravating factor for sentencing purposes which may attract a special fine and the maximum amount of the special fine may exceed \$100,000 or such other maximum amount permitted by the *Municipal Act*, 2001.
23. If a Person is convicted of an offence under this By-law, in addition to any other remedy or any penalty imposed, the court in which the conviction has been entered, and any court of competent jurisdiction thereafter, may make an order:
 - (1) prohibiting the continuation or repetition of the offence by the Person convicted; and
 - (2) requiring the Person convicted to correct the contravention in the manner and within the period that the court considers appropriate.
24. Where a Person fails to pay any part of a fine for a contravention of this By-law and the fine is due and payable under Section 66 of the *Provincial Offences Act*, including any extension of time to pay the fine provided under that section, the City Treasurer, or the Treasurer's delegate may give the Person a written notice specifying the amount of the fine payable and the final date on which it is payable, which date shall not be less than twenty-one (21) days after the date of the notice.
25. If any part of a fine for a contravention of this By-law remains unpaid after the final date specified in the notice provided under Section 69, the outstanding fine is deemed to be unpaid taxes pursuant to Section 351 of the *Municipal Act*, 2001.

PART IX – SERVICE OF DOCUMENTS

26. Service of any document other than an order, including reasons for revocation or under this By-law, shall be given in writing and may be served in any of the following ways:
- (1) by being delivered personally to the Person to whom it is addressed;
 - (3) by registered mail to the Person's last known address, which is deemed to be served on the 5th day after a copy is sent by registered mail; or
 - (4) where service is unable to be done under subsections (1) or (2), notice may be given by placing a placard containing the terms of the document in a conspicuous place on the property to which the document relates and shall be deemed to be sufficient service on the Person.

PART X – ADMINISTRATIVE PENALTIES

27. Administrative Penalties (Non-Parking) By-law 218-2019, as amended, applies to this By-law.
28. Every Person who contravenes a provision of this By-law designated in Schedule A of the Administrative Penalties (Non-Parking) By-law 218-2019, as amended, shall upon issuance of a Penalty Notice be and is liable to pay to the City of Brampton an administrative penalty in the amount set out in the Administrative Penalties (Non-Parking) By-law 218-2019, as amended.

PART IX – EXEMPTION

29. (1) Two-Unit Dwellings previously registered pursuant to repealed City By-laws 92-96 and 87-2015, as amended, continue to be registered under this By-law.
- (2) Two-Unit Dwellings that are considered registered pursuant to sub-section (1), will be included on the registry and may be subject to revocation of registration and required to re-apply for registration for non-compliance with law.

PART X - SCHEDULES

30. All Schedules attached to this By-law shall form part of this By-law.

PART XI – REPEAL

31. By-law 87-2015, as amended, is hereby repealed.

Planning Analysis

Planning Act R.S.O, 1990

The City-Initiated Official Plan Amendment and Zoning By-law Amendment have been reviewed for consistency with matters of provincial interest as identified in the Planning Act R.S.O 1990 in terms of:

- the adequate provision and efficient use of communication, transportation, sewage and water services and waste management systems (Section 2.(f));
- the orderly development of safe and healthy communities (Section 2.(h));
- the adequate provision of a full range of housing, including affordable housing (Section 2.(j));
- the appropriate location of growth and development (Section 2.(p));
- the promotion of development that is designed to be sustainable, to support public transit and to be oriented to pedestrians (Section 2.(q)); and,
- the promotion of built form that is well-designed, encourages a sense of place and provides for high quality public spaces (Section 2.(r)).

Bill 108, the *More Homes, More Choice Act, 2019*, amended the *Planning Act*, and was introduced on May 2, 2019 and received Royal Assent on June 6, 2019. The changes to the *Planning Act* came into force on September 3, 2019, which included changes to the following section:

Additional Residential Unit Regulations

Section 16(3) Additional residential unit policies

16 (3) An official plan shall contain policies that authorize the use of additional residential units by authorizing,

- (a) the use of two residential units in a detached house, semi-detached house or rowhouse; and*
- (b) the use of a residential unit in a building or structure ancillary to a detached house, semi-detached house or rowhouse. 2019, c. 9, Sched. 12, s. 2 (1).*

The following provisions of the *Planning Act* also apply to the City's obligation to authorize additional residential units:

Section 35.1(1) By-laws to give effect to additional residential unit policies

35.1(1) The council of each local municipality shall ensure that the by-laws passed under section 34 give effect to the policies described in subsection 16 (3). 2011, c. 6, Sched. 2, s. 6.

Section 35.1(2) Regulations

- 35.1(2) The Minister may make regulations,*
 - (a) authorizing the use of residential units referred to in subsection 16 (3);*
 - (b) establishing requirements and standards with respect to residential units referred to in subsection 16 (3). 2011, c. 6, Sched. 2, s. 6.*

Section 35.1(3) Regulation applies as zoning by-law

35.1(3) A regulation under subsection (2) applies as though it is a by-law passed under section 34. 2011, c. 6, Sched. 2, s. 6.

Section 35.1(4) Regulation prevails

35.1(4) A regulation under subsection (2) prevails over a by-law passed under section 34 to the extent of any inconsistency, unless the regulation provides otherwise. 2011, c. 6, Sched. 2, s. 6.

Section 35.1(5) Exception

35.1(5) A regulation under subsection (2) may provide that a by-law passed under section 34 prevails over the regulation. 2011, c. 6, Sched. 2, s. 6.

Section 35.1(6) Regulation may be general or particular

35.1(6) A regulation under subsection (2) may be general or particular in its application and may be restricted to those municipalities or parts of municipalities set out in the regulation. 2011, c. 6, Sched. 2, s. 6.

The City-Initiated Official Plan Amendment (OPA) and Zoning By-law Amendment (ZBLA) are intended to conform to Sections 16(3) and 35.1(1) to 35.1(6) of the *Planning Act*, which mandate municipalities to have Official Plan policies and Zoning By-law regulations to authorize and regulate the use of additional residential units (garden suites) within an ancillary building or structure located on the same lot as a single detached, semi-detached or townhouse dwelling. The draft OPA conforms to Section 16(3) of the *Planning Act* because it proposes the following regulations:

1. A maximum of one garden suite is permitted per residential lot;
2. Garden suites are intended to be accessory in scale and function to the principal dwelling;
3. Garden suites are to be located on full municipal services, unless it can be demonstrated to the satisfaction of the Chief Building Official that the sewage system on private sanitary servicing has been upgraded to meet the regulations of the Ontario Building Code (OBC) for an additional residential unit.
4. Garden suites must be in compliance with the Ontario Building Code and/or Fire Code, Registration By-law and Property Standards By-Law, and other applicable approval requirements;
5. The exterior design of the garden suite must be consistent and compatible with the character of the principal dwelling, in terms of design, style and materials;
6. A garden suite shall not be permitted on a property located within a floodplain;
7. A garden suite shall have no negative impact on stormwater management and site drainage; and,
8. Adequate on-site parking is to be provided in accordance with the requirements of the Zoning By-law.

The proposed ZBLA conforms to S. 35.1(1) by prescribing the requirements and standards for garden suites. The proposed amendments include appropriate zoning

requirements for garden suites, such as unit size, height, setbacks, and parking. The zoning requirements will further inform building design standards to appropriately accommodate a residential unit within an accessory building or structure and ensure compliance with the Ontario Building Code.

Conformity to Provincial Regulations

Section 26(2.1) Provincial plan conformity exercise

26(2.1) For the purposes of subsection (2), a provincial plan conformity exercise is the process whereby the council amends the official plan, in accordance with another Act, to conform with a provincial plan. 2015, c. 26, s. 24 (2).

Section 27(2) Failure to make amendments

Section 27(2) If the official plan of an upper-tier municipality comes into effect as mentioned in subsection (1) and any official plan or zoning by-law is not amended as required by that subsection within one year from the day the plan comes into effect as the official plan, the council of the upper-tier municipality may amend the official plan of the lower-tier municipality or zoning by-law, as the case may be, in the like manner and subject to the same requirements and procedures as the council that failed to make the amendment within the one-year period as required. 2002, c. 17, Sched. B, s. 7.

The changes through *Bill 108* to the *Planning Act* came into force on September 3, 2019. The Provincial Policy Statement and the A Place to Grow: Growth Plan for the Greater Golden Horseshoe, were respectively amended in 2020 and 2019 (August 2020 Office Consolidation) to include regulations related to additional residential units.

Section 26(2.1) requires local municipalities to amend their Official Plans to ensure conformity with the Provincial plans, therefore the City of Brampton is mandated to implement additional residential unit provisions in the Official Plan and provide appropriate regulations through the Zoning By-law. Should the City of Brampton fail to comply with the regulations within one year from the date the Region of Peel adopts their new Regional Official Plan, the Region of Peel has authorization through Section 27(2) of the *Planning Act* to adopt regulations for the City. It is noted, that the Region of Peel is currently undertaking their Regional Official Plan Review, which is anticipated for completion in the Summer of 2022.

No appeal period

Section 17(24.1) No appeal re additional residential unit policies

(24.1) Despite subsection (24), there is no appeal in respect of the policies described in subsection 16 (3), including, for greater certainty, any requirements or standards that are part of such policies. 2011, c. 6, Sched. 2, s. 3 (1).

Section 17(24.1) of the *Planning Act* stipulates that the proposed amendments to authorize and implement additional residential units (garden suites) are not appealable under Section 17(24).

Provincial Policy Statement (PPS), 2020

The proposed amendments have been reviewed for consistency with the Provincial Policy Statement (PPS). The PPS policies that are applicable include, but are not limited to:

1.1.1 Healthy, liveable and safe communities are sustained by:

- *promoting efficient development and land use patterns which sustain the financial well-being of the Province and municipalities over the long term (Section 1.1.1 (a));*
- *accommodating an appropriate affordable and market-based range and mix of residential types (including single-detached, additional residential units, multi-unit housing, affordable housing and housing for older persons), employment (including industrial and commercial), institutional (including places of worship, cemeteries and long-term care homes), recreation, park and open space, and other uses to meet long-term needs (Section 1.1.1 (b));*
- *avoiding development and land use patterns which may cause environmental or public health and safety concerns (Section 1.1.1 (c));*
- *promoting the integration of land use planning, growth management, transit-supportive development, intensification and infrastructure planning to achieve cost-effective development patterns, optimization of transit investments, and standards to minimize land consumption and servicing costs; (Section 1.1.1 (e));*

The proposed amendments are consistent with the general intent of the policy that addresses that healthy, liveable and safe communities are to be sustained with efficient range of land use development and land use patterns supported by existing servicing and infrastructure. The amendment directly addresses Section 1.1.1(b) to provide a range and mix of affordable and market-based residential housing including additional residential units. The amendment provides opportunities for homeowners to better utilize their property to include a garden suite to provide additional rental housing options in the City. The draft amendments have proposed provisions to address potential environmental, public health or safety concerns that may arise with respect to stormwater management, site drainage, flood risks, and private servicing. In addition, the garden suites are required to comply with the Ontario Building Code, Fire Code, Registration By-law, and Property Standards By-law to ensure units are safe, legal and livable. The amendment encourages gentle densification across the City to achieve cost-effective development patterns that optimize public transportation services, servicing and infrastructure.

1.1.3.2 Land use patterns within settlement areas shall be based on densities and a mix of land uses which:

- *efficiently use land and resources (Section 1.1.3.2(a));*
- *are appropriate for, and efficiently use, the infrastructure and public service facilities which are planned or available, and avoid the need for their unjustified and/or uneconomical expansion (Section 1.1.3.2(b)); and,*

- are *transit-supportive*, where transit is planned, exists or may be developed (Section 1.1.3.2(f)).

The City is located within the Settlement Area Boundary, and the proposed amendments apply city-wide and particularly address the residential area. The proposed OPA and ZBLA will encourage gentle densification of residential lands to achieve cost-effective development patterns that optimize public transportation services, servicing and infrastructure. The proposed amendments support the Province's objectives by supporting modest population growth and achieving the creation of age friendly communities in our existing communities. Garden suites, as a housing option, will encourage the flexibility of housing needs for homeowners to provide additional rental housing options in the City or for the use of a family member, friend or relative. As a result, there will be more residents able to take advantage of public transportation services to maintain quality service delivery standards.

1.1.3.4 Appropriate development standards should be promoted which facilitate intensification, redevelopment and compact form, while avoiding or mitigating risks to public health and safety.

1.4.3 Planning authorities shall provide for an appropriate range and mix of housing options and densities to meet projected market-based and affordable housing needs of current and future residents of the regional market area by:

b) permitting and facilitating:

- 1. all housing options required to meet the social, health, economic and well-being requirements of current and future residents, including special needs requirements and needs arising from demographic changes and employment opportunities; and*
- 2. all types of residential intensification, including additional residential units, and redevelopment in accordance with policy 1.1.3.3;*

f) establishing development standards for residential intensification, redevelopment and new residential development which minimize the cost of housing and facilitate compact form, while maintaining appropriate levels of public health and safety.

The proposed amendments will broaden permissions for additional residential units, including garden suites, which will encourage the supply of this housing form. Additional residential units (garden suites) will provide an alternative rental and affordable housing option and increase the supply of affordable housing in the City. The OPA and ZBLA encourages gentle densification within the Residential area of the City, while appropriately addressing public health and safety concerns. Public health and safety concerns for garden suites will continue to be verified through the Ontario Building Code, Fire Code, Registration By-law, and Property Standards By-law. Planning Staff is of the opinion that the proposed amendments are consistent with the PPS.

A Place to Grow: Growth Plan for the Greater Golden Horseshoe, 2019 (August 2020 Office Consolidation)

The proposed amendments have been reviewed for compliance with the Growth Plan for the Greater Golden Horseshoe (Growth Plan). The Growth Plan sections applicable to these amendments include, but are not limited to:

2.2.1.4 Applying the policies of this Plan will support the achievement of complete communities that:

- improve social equity and overall quality of life, including human health, for people of all ages, abilities, and incomes (*Section 2.2.1.4 (b)*);
- *provide a diverse range and mix of housing options, including additional residential units and affordable housing, to accommodate people at all stages of life, and to accommodate the needs of all household sizes and incomes (Section 2.2.1.4 (c));*
- *provide for a more compact built form and a vibrant public realm, including public open spaces (Section 2.2.1.4 (e));*

2.2.6.1 Notwithstanding policy 1.4.1 of the PPS, 2020, in implementing policy 2.2.6.1, municipalities will support the achievement of complete communities by:

- *considering the range and mix of housing options and densities of the existing housing stock (Section 2.2.6.1(c));*
- *planning to diversify their overall housing stock across the municipality (Section 2.2.6.1(d)).*

The proposed OPA and ZBLA are consistent with the Growth Plan to support the achievement of complete and age-friendly communities by providing for an additional housing option that is affordable, can accommodate people at all stages of life and supports the needs of various household income thresholds. The proposed amendments aim to reduce housing barriers, increase housing opportunity and choice for all ages, abilities, and incomes, to address social inequalities. The City of Brampton is building communities that are inclusive to all households across the income spectrum. The proposed amendments are consistent with Policies 2.2.1.4(b,c,e) and 2.2.6.1(c,d). Planning Staff is of the opinion that the proposed amendments are consistent with the Growth Plan.

Region of Peel Official Plan (April 2022)

The proposed amendments have been reviewed for compliance with the recently Council approved Region of Peel Official Plan, Peel 2051 (ROP). The ROP sections that are applicable to this OPA and ZBLA include, but are not limited to:

- Encourage the local municipalities to develop policies in their official plans to support seniors to age in place within their communities, as provided for in the objectives of the Urban and Rural System sections of this Plan including the integration of community facilities and services with residential land uses (Section 6.4.5).
- In accordance with policies in Section 5.9 of this Plan, encourage the local municipalities to develop Official Plan policies to increase the supply of affordable, accessible, adequate and appropriate housing of all types, sizes, densities and tenures, to support seniors to age within their community (Section 6.4.9).
- To promote the development of compact, complete communities by supporting intensification and higher density forms of housing (Section 5.9.1).
- To make housing available for diverse populations, including the provision of accessible housing and appropriate support services (Section 5.9.5).
- Direct the local municipalities to include policies in local municipal official plans that permit additional residential units, including the use of two residential units in a detached house, semi-detached house, or rowhouse; and the use of a residential unit in a building or structure ancillary to a detached house, semi-detached house, or rowhouse (Section 5.9.14).
- Support the initiatives of local municipalities to promote additional residential units to achieve Regional and local housing objective (Section 5.9.15).
- Support a mix of multi-unit housing, including affordable housing, rental housing and additional residential units, as appropriate in MTSAs (Section 5.6.19.5).
- To ensure development in the Designated Greenfield Area supports a range and mix of housing options and densities, including additional residential units and affordable housing, to serve all sizes, incomes, and ages of households (Section 5.6.20.7).
- To ensure development in the 2051 New Urban Area supports a range and mix of housing options and densities, including additional residential units and affordable housing, to serve all sizes, incomes, and ages of households (Section 5.6.20.14.8).

The proposed amendments are in conformity with the ROP in terms of providing for a range and mix of housing types, sizes and tenure to support the housing needs of current and future residents, and support seniors to age in their communities. The proposed

amendments introduce garden suites as a form of housing that is affordable, rentable and flexible to the needs of its residents, and promotes the development of complete communities.

Region of Peel Official Plan (Council Adoption April)Waiting Provincial Approval

Planning Staff is of the opinion that the proposed amendments are in conformity with the ROP.

City of Brampton Official Plan, 2006 (Office Consolidation Sept. 2020)

The proposed OPA and ZBLA are consistent with the objectives of the Residential Area policies (Section 4.2 Residential) of the Official Plan (OP), with respect to:

- *Establish policies that provide opportunities for the development of a broad mix of housing in terms of dwelling types, densities, tenure and cost to meet the needs of Brampton's diverse community including persons with disabilities (Section 4.2(a));*
- *Accommodate residential growth by promoting and facilitating intensification throughout the built-up area and ensuring compact, complete greenfield neighbourhoods; (Section 4.2(c));*

4.2.1.12 The City shall encourage the maintenance of a minimum rental vacancy rate of two percent (2%). To this end, the City shall encourage the rehabilitation and provision of rental housing in appropriate forms and locations by practical and realistic means.

4.2.5.2 The City shall encourage a balanced distribution of affordable housing, including non-profit or assisted housing, within the City. To this end, the City may prioritize applications for affordable housing in areas where little or no such housing exists or otherwise attempt to influence the location of affordable housing in such areas through appropriate means.

The proposed amendments are consistent with Policies 4.2.1.12 and 4.2.5.2 with respect to encouraging various forms of rental and affordable housing in the City. The proposed OPA and ZBLA conform to the OP.

Brampton Plan

The City is currently undertaking its Official Plan Review. Brampton Plan sets out a strategic and comprehensive approach to guiding growth and development in a manner that reflects the unique context of Brampton and is targeted for Council adoption in June 2022.

The ARU policies proposed with these amendments are being replicated in Brampton Plan and will be contained within the Housing and Social Matters section of the Plan.

Brampton Plan will supersede the proposed ARU policies once adopted.

Through Brampton Plan, the City supports the creation of affordable housing and creative housing solutions that broaden the range of housing typologies and provide gentle intensification in Neighbourhoods to better utilize infrastructure and services. Additional Residential Units (ARUs), will be permitted city-wide in the Neighbourhoods, subject to the provisions of the Official Plan, Zoning By-law, and Registration By-law.

Dear Mr. Fay,

I am writing to communicate my interest in the vacant Brampton City Councillor position for Wards 7 and 8 due to the resignation of former City Councillor Charmaine Williams. I would appreciate being considered for the position during this interim period until the next municipal election, during which I do not have an intention to run.

I am a longtime resident of Brampton and very active member of the community, including currently participating on the Brampton Standards Committee. I would be honoured to be considered and have attached my resume for your reference. If you could kindly include this for discussion on an upcoming City Council meeting agenda, it would be appreciated. Please feel free to contact me if you have any questions.

Regards,

Harbhajan S. Dhillon

Subject: [EXTERNAL]Agenda item vacant seat ward 7 & 8

Good Morning!

I'm submitting my letter of interest in filling the vacant councilor position of wards 7 & 8

As a long term Brampton resident, I feel that the empty position should be staffed with a resident who wants to work with their community. Someone who will act as a voice between the city and it's residents

You can contact me through email here or by calling with any questions.

Regards,

Mike Dancy

Dear Mr. Fay:

Re:	10124 and 10244 Mississauga Road (the “Argo TFP Lands”) Application by Argo TFP City of Brampton File: OZS-2021-052
------------	--

Aird & Berlis LLP is counsel to Argo TFP Brampton Limited and Argo TFP Brampton II Limited (together, “Argo TFP”). We are in receipt of a letter dated June 6, 2022 addressed to your office from Bennett Jones LLP in respect of City of Brampton File OZS-2021-0051, which file concerns Argo TFP’s *Planning Act* applications affecting lands at 10124 and 10244 Mississauga Road in Brampton. Bennett Jones LLP wrote this letter on behalf of its client, Mattamy (Credit River) Limited (“Mattamy”), which owns lands at 10201 Mississauga Road and 0 Mississauga Road.

We can confirm, as indicated in the June 6 letter, that Argo TFP and Mattamy are engaged in cost sharing discussions in respect of (a) the private road as described by Bennett Jones LLP and (b) the extension of Lagerfeld Drive. At this time, we have no public updates to share with the City in respect of these private discussions.

However, the balance of the June 6 letter asserts a need for Brampton to first process and approve a site-specific OPA in order to facilitate the review and approval of a plan of subdivision for the Argo TFP lands. We write to express our disagreement with Bennett Jones LLP on this point.

As the City is aware, the Province has definitively expressed its intention to have the Argo TFP lands developed for new residential uses. This intention is settled in O. Reg. 248/22, which provides a Minister’s Zoning Order (“MZO”) in respect of the Argo TFP lands. The Argo TFP draft plan application seeks to implement the detailed requirements outlined in the MZO.

The MZO is, by its own terms, deemed to be a by-law of the City of Brampton. Pursuant to subsection 24(4) of the *Planning Act*, an in-force by-law of a municipality is deemed to conform with the municipal official plan. We accordingly submit that a draft plan that conforms with the MZO applicable to the Argo TFP lands is deemed to conform to the Brampton Official Plan.

Further, the test for draft plan approval under subsection 51(24) of the *Planning Act* is, first and foremost, a test of “having regard for” matters of health, safety, convenience, etc. of the present and future inhabitants of the municipality. Among the matters that the municipal authority must “have regard for” is (c): “*whether the plan conforms to the official plan and adjacent official plans, if any*”. As the City is aware, the test of “have regard for” is not one that requires strict conformity

or consistency with in-force policy or mapping. Further, where the Province has expressed its planning intentions for certain lands through the passage of an MZO, the health, safety, convenience, etc. of the present and future inhabitants of the municipality is to be determined with regard to the Minister's intentions as expressed through the MZO. Otherwise, subparagraph 51(24)(c) could be interpreted and applied in a manner that would thwart the intentions of the Province, which appears to be the interpretation being proffered by Bennett Jones LLP.

We accordingly submit that in the circumstances of the Argo TFP lands, the appropriate course of action on the part of the City is to process the Argo TFP draft plan application by having regard for the contents of the MZO, as well as any official plan policies that complement and are not contrary to the MZO. While the Brampton Official Plan can be updated to reflect the land uses permitted by the MZO at a later date, such update is not a statutory prerequisite to processing and approving the Argo TFP draft plan.

Finally, we submit that Bennett Jones LLP's request that the City delay the approval of both an Argo TFP-related site-specific OPA and the Argo TFP draft plan until a cost sharing agreement is concluded is not warranted or appropriate. Council cannot abdicate its responsibility to process and approve *Planning Act* applications to await the outcome of private negotiations wherein one private party could effectively stall the will of Council. Any requirements associated with a future cost sharing agreement can and should be addressed through appropriate draft plan approval conditions if the City believes such conditions to be warranted in the circumstances of Argo TFP's approval. We would also submit that any such approval conditions would equally need to be imposed upon Mattamy in respect of their lands.

Yours truly,

AIRD & BERLIS LLP

Dear Mayor and Members of Council,

I, Gobinder S Sandhu, as a resident within the Credit Valley area, which is being impacted by the above files, STRONGLY OBJECT to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. Incompatibility with the existing established neighborhood
2. Negative impact on the valuation of existing detached homes in our neighborhood
3. Overcrowding of Schools (Physical Space and Resources)
4. Safety Concerns for Residents related to crime
5. Traffic Congestion
6. Road Safety Concerns for Children and Seniors
7. General Pedestrian Safety Concerns
8. Environmental Constraints and Flooding Risks
9. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are

comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Note: Please add this letter to the public records for all pertinent planning files

Dear Mayor and Members of Council,

I, Owen Huang, as a resident within the Credit Valley area, which is being impacted by the above files, **STRONGLY OBJECT** to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. Incompatibility with the existing established neighborhood
2. Negative impact on the valuation of existing detached homes in our neighborhood
3. Overcrowding of Schools (Physical Space and Resources)
4. Safety Concerns for Residents related to crime
5. Traffic Congestion
6. Road Safety Concerns for Children and Seniors
7. General Pedestrian Safety Concerns
8. Environmental Constraints and Flooding Risks
9. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Note: Please add this letter to the public records for all pertinent planning files

Regards,

Owen Huang

Dear Mayor and Members of Council,

I, vinitha sivaram, as a resident within the Credit Valley area, which is being impacted by the above files, **STRONGLY OBJECT** to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. Incompatibility with the existing established neighborhood
2. Negative impact on the valuation of existing detached homes in our neighborhood
3. Overcrowding of Schools (Physical Space and Resources)
4. Safety Concerns for Residents related to crime
5. Traffic Congestion
6. Road Safety Concerns for Children and Seniors
7. General Pedestrian Safety Concerns
8. Environmental Constraints and Flooding Risks
9. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Note: Please add this letter to the public records for all pertinent planning files

Dear Mayor and Members of Council,

I, Jatinder Gill, as a resident within the Credit Valley area, which is being impacted by the above files, STRONGLY OBJECT to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan

and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. New multi-story development plan in this area do not consistent with city long term position and direction for the area
2. New multi-story development plan in this area do not follow provincial guidance on where, and how to select the multi-story development site
3. New multi-story development plan in this area do not consistent with city 2040 vision on where and how to select the multi-story development site.
4. New multi-story development plan in this area Incompatibility with the existing established neighborhood
5. Negative impact on the valuation of existing detached homes in our neighborhood
6. Overcrowding of Schools (Physical Space and Resources)
7. Safety Concerns for Residents related to crime
8. Traffic Congestion
9. Road Safety Concerns for Children and Seniors
10. General Pedestrian Safety Concerns
11. Environmental Constraints and Flooding Risks
12. Lack of comprehensive studies and analysis

Re: STRONG OBJECTION to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and Zoning By-law Amendments that propose to increase height and density that would permit multi-level buildings amongst low density areas of Credit Valley.

City Files #:

- City Initiated Official Plan Amendment to the Credit Valley Secondary Plan Area 45

Dear Mayor and Members of Council,

I, Sharon Zhang, living in west north in Brampton since 2005, as a resident within the Credit Valley area for many years, which is being impacted by the above files, **STRONGLY OBJECT** to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. New multi-story development plan in this area do not consistent with city long term position and direction for the area
2. New multi-story development plan in this area do not follow provincial guidance on where, and how to select the multi-story development site
3. New multi-story development plan in this area do not consistent with city 2040 vision on where and how to select the multi-story development site.
4. New multi-story development plan in this area Incompatibility with the existing established neighborhood
5. Negative impact on the valuation of existing detached homes in our neighborhood
6. Overcrowding of Schools (Physical Space and Resources)
7. Safety Concerns for Residents related to crime
8. Traffic Congestion
9. Road Safety Concerns for Children and Seniors
10. General Pedestrian Safety Concerns
11. Environmental Constraints and Flooding Risks
12. Lack of comprehensive studies and analysis

13. Privacy concerns as medium to high density building can lookover low density area easily

14. Mental health concerns

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Note: Please add this letter to the public records for all pertinent planning files

Sharon Zhang

I Raj Kancharla, as a resident within the Credit Valley area, which is being impacted by the above files, STRONGLY OBJECT to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. Incompatibility with the existing established neighborhood
2. Negative impact on the valuation of existing detached homes in our neighborhood
3. Overcrowding of Schools (Physical Space and Resources)
4. Safety Concerns for Residents related to crime
5. Traffic Congestion
6. Road Safety Concerns for Children and Seniors
7. General Pedestrian Safety Concerns
8. Environmental Constraints and Flooding Risks
9. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Yours truly,

9. General Pedestrian Safety Concerns
10. Environmental Constraints and Flooding Risks
11. Lack of comprehensive studies and analysis
12. Negative impact on the valuation of existing detached homes in our neighborhood

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical point where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Re: STRONG OBJECTION to the Proposed Official Plan Amendment

To the Credit Valley Secondary Plan and Zoning By-law Amendments that propose to increase height and density that would permit multi-level buildings amongst low density areas of Credit Valley

City Files #:

- City Initiated Official Plan Amendment to the Credit Valley Secondary Plan Area 45
- OZS-2021-0018 "1857 Queen Street West",
- OZS-2020-0036 "1879 Queen Street West",
- OZS-2020-0029, and
- any other future planning files pertinent to this matter.

I, Peter Harvey, living on Ward 4, as a resident within the Credit Valley area, which is being impacted by the above files, **STRONGLY OBJECT** to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. Incompatibility with the existing established neighborhood
2. Negative impact on the valuation of existing detached homes in our neighborhood
3. Overcrowding of Schools (Physical Space and Resources)
4. Safety Concerns for Residents related to crime
5. Traffic Congestion
6. Road Safety Concerns for Children and Seniors
7. General Pedestrian Safety Concerns
8. Environmental Constraints and Flooding Risks

9. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Yours truly,

Peter Harvey

Re: STRONG OBJECTION to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and Zoning By-law Amendments that propose to increase height and density that would permit multi-level buildings amongst low density areas of Credit Valley.

City Files #:

- City Initiated Official Plan Amendment to the Credit Valley Secondary Plan Area 45
- OZS-2021-0018 "1857 Queen Street West",
- OZS-2020-0036 "1879 Queen Street West",
- OZS-2020-0029, and
- any other future planning files pertinent to this matter.

Dear Mayor and Members of Council,

I, Manan Naik, living on, brampton, as a resident within the Credit Valley area, which is being impacted by the above files, STRONGLY OBJECT to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. New multi-story development plan in this area do not consistent with city long term position and direction for the area 2. New multi-story development plan in this area do not follow provincial guidance on where, and how to select the multi-story development site 3. New multi-story development plan in this area do not consistent with city 2040 vision on where and how to select the multi-story development site. 4. New multi-story development plan in this area Incompatibility with the existing established neighborhood 5. Negative impact on the valuation of existing detached homes in our neighborhood 6. Overcrowding of Schools (Physical Space and Resources) 7. Safety Concerns for Residents related to crime 8. Traffic Congestion 9. Road Safety Concerns for Children and Seniors 10. General Pedestrian Safety Concerns 11. Environmental Constraints and Flooding Risks 12. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Note: Please add this letter to the public records for all pertinent planning files

Regards,

Manan Naik

Re: STRONG OBJECTION to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and Zoning By-law Amendments that propose to increase height and density that would permit multi-level buildings amongst low-density areas of Credit Valley.

City Files #:

- City Initiated Official Plan Amendment to the Credit Valley Secondary Plan Area 45
- OZS-2021-0018 "1857 Queen Street West",
- OZS-2020-0036 "1879 Queen Street West",
- OZS-2020-0029, and
- any other future planning files pertinent to this matter.

Dear Mayor and Members of Council,

I, Sandeep Kumar, living on _____ Brampton, as a resident within the Credit Valley area, which is being impacted by the above files, STRONGLY OBJECT to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. New multi-story development plan in this area do not consistent with city long term position and direction for the area
2. New multi-story development plan in this area do not follow provincial guidance on where, and how to select the multi-story development site

3. New multi-story development plan in this area do not consistent with city 2040 vision on where and how to select the multi-story development site.
4. New multi-story development plan in this area Incompatibility with the existing established neighborhood
5. Negative impact on the valuation of existing detached homes in our neighborhood
6. Overcrowding of Schools (Physical Space and Resources)
7. Safety Concerns for Residents related to crime
8. Traffic Congestion
9. Road Safety Concerns for Children and Seniors
10. General Pedestrian Safety Concerns
11. Environmental Constraints and Flooding Risks
12. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure considers the input of residents living within the area and respects taxpayers' money.

As a long-time taxpayer in Brampton, I, along with many residents in my community look forward to having a dialogue with the elected officials, developers and landowners with the hope that developments within our neighbourhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Note: Please add this letter to the public records for all pertinent planning files

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

- OZS-2020-0036 "1879 Queen Street West",
- OZS-2020-0029, and
- any other future planning files pertinent to this matter.

I, Catherine Salarda, living on Address, in Ward 4, 5 or 6, as a resident within the Credit Valley area, which is being impacted by the above files, STRONGLY OBJECT to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

My general concerns related to multi-level building development in this area includes:

1. Incompatibility with the existing established neighborhood
2. Negative impact on the valuation of existing detached homes in our neighborhood
3. Overcrowding of Schools (Physical Space and Resources)
4. Safety Concerns for Residents related to crime
5. Traffic Congestion
6. Road Safety Concerns for Children and Seniors
7. General Pedestrian Safety Concerns
8. Environmental Constraints and Flooding Risks
9. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure, considers the input of residents living within the area and respects taxpayers' money.

As a long-time tax payer in Brampton, I, along with many residents in my community look forward to having dialogue with the elected officials, developers and landowners with the hope that developments within our neighborhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. 8. Environmental Constraints and Flooding Risks
9. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be extra thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable in regards to the environment and existing infrastructure considers the input of residents living within the area and respects taxpayers' money.

As a long-time taxpayer in Brampton, I, along with many residents in my community look forward to having a dialogue with the elected officials, developers and landowners with the hope that developments within our neighbourhood are sensible and suitable.

As Brampton continues to grow, we are at a critical juncture where oversight related to poor planning decisions will have devastating effects on the City's future and its infrastructure. Intensification (such as the type being proposed within our area) should be prioritized in areas that can benefit from revitalization, are in close proximity to provincial highways, large transit hubs, shopping centers, hospitals or post-secondary institutions and where the surrounding infrastructure can be expanded to accommodate for growth.

I would like to request that the City Clerk and/or the City Planning Department send me any updates (including public meeting information and notices) related to the above files.

Note: Please add this letter to the public records for all pertinent planning files

Dear Mayor and Members of Council,

We, Stephen and Vicky Chin of Brampton, as residents within the Credit Valley area, which is being impacted by the above files, STRONGLY OBJECT to the proposed changes to the Proposed Official Plan Amendment to the Credit Valley Secondary Plan and/or re-zoning amendments that propose to increase height and density allowances thus permitting multi-level buildings within this area!

Our general concerns related to multi-level building development in this area include the following:

1. New multi-story development plan in this area are not consistent with city long term position and direction for the area
2. New multi-story development plan in this area do not follow provincial guidance on where, and how to select multi-story development sites
3. New multi-story development plan in this area are not consistent with the city's 2040 vision on where and how to select multi-story development sites.
4. New multi-story development plan in this area Incompatible with the existing established neighborhood
5. Negative impact on the valuation of existing detached homes in our neighborhood
6. Overcrowding of Schools (Physical Space and Resources)
7. Safety Concerns for Residents related to crime
8. Traffic Congestion

9. Road Safety Concerns for Children and Seniors
10. General Pedestrian Safety Concerns
11. Environmental Constraints and Flooding Risks
12. Lack of comprehensive studies and analysis

Council & the City Planners involved with application files relating to development in this area should be thorough and scrutinize the reports submitted by developers to ensure they are comprehensive, recent and support sustainable development in an environmentally sensitive area.

Council has an important role to play in ensuring planning is sustainable with respect to the environment and existing infrastructure. It should also consider the input of residents living within the area.

As taxpayers in Brampton, we, along with many residents in my community look forward to having dialogue with the elected officials, developers, and landowners with the hope that developments within our neighborhood are sensible and suitable.

To the Members of Brampton City Council,

I am emailing to voice my strong concerns regarding the proposed official plan amendment to the Credit Valley Secondary Plan and zoning by-law amendments. These changes are looking to introduce 8-12 story buildings among other townhouse structures within our communities.

Our community (along Queen Street West and Mississauga Road) has enjoyed a quaint lifestyle with houses as far as the eye can see. With the introduction of new construction projects, in an already highly populated area, we will see a dramatic increase in traffic, overcrowding in schools and an overall incompatibility with our already established communities.

I hope that my concerns are noted and represented during the next city council meeting as I know that the opposition to this zoning issue is shared by many of our community leaders.

Best Regards,
Shivam Patel

Subject: [EXTERNAL]RE: OZS-2022-0021 and City initiated amendment to the Credit Valley Secondary Plan (AREA 45)

To whom it may concern

I attended the public meeting on Monday June 20th/2022 to strongly oppose and condemn the proposed zoning by-law amendment and draft plan of subdivision City file # OZS-2022-0021. Also to strongly oppose the City initiated amendment to the Credit Valley Secondary Plan AREA 45.

-After attending the meeting, it was clear that the **City planners have a bias towards the builders and were actively enabling the builder, to make the process of approval of the subdivision as streamlined as possible for the builder.** The city planners had been working for years with the builders and planners giving them access to City documents and time, as stated by the planner's representative, Marc De Nardis. It seems very unfair and almost deceitful that the City only notified the residents a month and a half ago and gives us 5 mns to speak at the Public meeting. Mr. Marc even scoffed at the councillors when he was reminded his time was up for his presentation and continued to exceed the time limit anyways!

-**The City planners had up till then not even visited the site on the ground,** they had not even reviewed the arborist's plan which was part of the application by the builder.

- The residents were only informed of the City initiated amendment to the Credit Valley Secondary Plan AREA 45, through an ad in the Brampton Guardian, a form of media no one reads as was demonstrated by a show of hands by the some 100+ residents at the meeting on June 20th. No one was aware of this plan till a few days before the meeting. This again seems like a purposeful effort by the City of Brampton planners to deceive the residents.

-The **Planner from Gagnon Walker Domes, Marc De Nardis made inaccurate, false and misleading statements in his presentation,** especially when he mentioned that Walnut road is a two-lane road. This is incorrect and Marc can be heard saying this in the recording of the

meeting. If he can misrepresent and be wrong about such a basic fact, I am sure the rest of his research and studies presented are falsified and misleading as well.

I request the City of Brampton to please

- 1. Inform me/us the residents how it is responding to the objections we raised at the meeting on June 20th/2022 against this planned development.**
- 2. Keep me/us informed and updated on all developments and decisions related to this file.**
- 3. Inform me/us when this plan is going to Council for approval and how will we be part of this process?**
- 4. I would like to schedule a time to come and meet with the City Clerk/ Planner to review the developments and future processes for this file and outcomes. Please let me know a suitable time to meet.**

Sincerely
Dr. Tushar Mahendra

Hello Kelly / City Clerk,

I attended a public meeting for the Development Proposal File # OZS-2022-0021 on June 20th , 2022. I was a registered delegate and spoke about some genuine concerns we had as an area resident. We had quite a number of speakers, who highlighted different concerns. We could not wrap up everything in 5 minutes & also could not send some of the video files as they are too big for an email attachment.

I would kindly request you to provide me some time so that I can hand over those files to you. Also wanted to know and discuss how the city is planning to address those concerns ? What is the timeline ? How would I know that nothing is left out to address ? When is the next meeting or what is next to expect ? When is the council meeting to discuss this plan?

I would kindly request you to keep me posted about any progress that you make on the plan.

Thank you,

Manesh Patel.

Subject: [EXTERNAL]Re: June 20th meeting follow up

Hello Mayor P Brown, councillor J Bowman, regional councillor M Medeiros,

This email is on behalf of the residents of Eldorado Mills, specifically on behalf of the residents who spoke and gave input to the city council on June 20, 2022 at the Planning and Development Committee. These residents include Manish Patel, Meetu Mahendra, Sukhi Baidwan, Rohan Periana, Sally Fasulo, Sukhvir Hundal, Dhruvi Patel and Tushar Mahendra

ON June 20, 2022 there was the public meeting where the above mentioned agenda# 5.1 (City initiated amendment that would delete the requirement to amend the plan before approval to the builder in gaiven in the Eldorado Mills area) and agenda #5.4 (development application within 5.1 area - a builder application for approval of 30 houses and currently required to amend the plan) were discussed.

Questions still unanswered to date:

1.environmental impact study is done by the builder/planner and is biased towards the builder/planner ; setback from top of the river bank needs to be recalculated

A 10 m setback will destroy the current ecological system and natural features

2.arborist report has the same bias as above - shows over 95% trees to be cut - and they may not even be all replaced due to scope of construction - how is that justifiable towards maintaining current ecology

3. A. The current proposal is NOT in compliance of section 2(a) of the Planning Act

The council of a municipality carrying out their responsibilities under this act shall have regard to among other matters ,matters of provincial interest such as

- the protection of all ecological systems including natural areas features and functions

B the current proposal is not in compliance with section 6.1.4 of the Credit Valley Secondary Plan as applicable to Eddorado Mills Area-read in the section

Office Consolidation , Chapter 45 Credit Valley Secondary Plan section 6.1 , Special Policy area 1 Section 6.1.4

Considering that Eldorado Mills is historically a settlement area , limited development may be permitted (MEANS THE COUNCIL DOES NOT HAVE TO AGREE TO BUILD ANYTHING IN ELDORADO MILLS) in , and adjacent to , the areas designated Primary valleyland within Eldorado mills , provided it is demonstrated , through the preparation of an environmental implementation report that the ecological function and natural heritage features are not adversely impacted.

4. Some questions Re :past application # B19-029 January of 2019

It was approved and the land was severed from 8395 Creditview Road and we were informed verbally on that day a single dwelling was approved

The land was zoned for executive housing as per Credit valley secondary plan recently ,we noticed that the land is zoned as low density 1- why , when and how was this decision made ,when approval was given for only 1 single dwelling at the time of that severance

5. Current way of notice is not a true way of informing Residents. resident proposed change to current way the notice is given informing residents of changes to their neighbourhood by regular individual mail to each resident affected by the proposed changes

6. Clarification and explaining the proposed changes by the city staff to the residents - make this more transparent and clear -

When we are asking a specific q - pls give a clear and direct answer - highlighting the concerned item and bookmarking the relevant pages would be appreciated

7. Amendment to credit valley secondary plan - this plan was made with many consultations and use of resources - amending it to suit builders interest's should not be supported by the city - as it's not in the best interests of the residents

8. City staff is paid using municipal tax dollars paid by the residents and city councillors are elected by the city residents - they need to prove to the residents that they are working for the residents' best interests

To this effect - we the residents of Eldorado Mills ask the city staff and councillors to answer all our questions , satisfy our concerns and planners share the recommendations with the residents - primary stake holders prior to taking it to councillors for voting on this matter and passing something that the residents find out after the fact it's finalized

Thank you

Manish Patel, Meetu Mahendra , Sukhi Baidwan, Rohan Periana, Sally Fasulo, Sukhvir Hundal, Dhruvi Patel and Tushar Mahendra

DESCRIPTION-OZS-2022-0021 PROPOSAL	TAB
Approx. 300 residents signed petition to the city, councilors	1
93% mature trees cut in exiting unique ecological system	2
Lack of compatibility with existing special policy area settlement	3
Breach of privacy interest of the current residents with new proposal	4
Outdated traffic study, total absence of safety consideration of pedestrians, cyclist, motorist, no walkway, no street lights, no shoulders etc	5
Sustainability issues, a suspect report with lowest score	6

RESIDENTS PETITION(S) TO THE CITY

The residents have collectively signed the two petitions and oppose the current development OZS-2022-0021.

The signed petitions are attached in these materials.

We recognize the importance of development in this area. The current proposal does not fit into the category of good development as per the legal requirements. The residents want to make sure any development in this area is in accordance with the provisions of the law and the Credit Valley Secondary Plan as applicable to Eldorado Mills area, including and not limiting to the following:

1. The city must preserve the existing ecological systems in place.
2. There is clear evidence that there is a well-established ecological system and habitat in place, that includes different species, and these species are not found in other development areas.
3. As per CVSP Plan section 6.1.4, an Environmental Implementation Report must be prepared to establish that the ecological function and natural heritage features are not adversely impacted due to development.
4. No tree or minimal tress should be allowed to removed/cut. The numbers are summarized as per builder arborist report.
 - Total there are 244 mature, tall and dense trees on the footprint.
 - 227 need to be cut (93%).
 - 107 Walnut Trees are there.
 - 103 Walnut Trees need to be cut (96%)
 - 56 Spruce trees there
 - 51 spruce trees to be cut (91%)
5. Proper set back calculation should be done.
6. Any new development must be compatible in scale to the current houses. Section 6.1.3 of the CVSP requires that any new development shall be compatible with the scale and character of the historic.

7. There is a heritage listed property on the lot. The residents' position is that the property is intentionally being allowed to be destroyed and the city has failed to discharge its obligation to preserve the heritage listed property. Even the builder report recommends that monthly inspection of the property must be done to ensure the status quo. There is no monthly inspection currently being done to preserve the property by anyone.
8. Section 6.1.4 of CVSP considers Eldorado Mills as historical a settlement area.
9. There is no input or recommendation from Brampton heritage Board as required under by law under section 9.4 of the CVSP, whether house should be retained, removed, or can be demolished.
10. The privacy issues of current houses were raised need to be addressed.
11. The city should conduct its own sustainability study. The current builder sustainability report is a suspect.
12. A new traffic study needs to be done from independent traffic expert.

EXISTING ECOLOGICAL SYSTEMS, 93% trees REMOVED?.

1. **Residents** require the city to protect the existing of ecological systems, including natural areas, features, and functions.
2. The city planners/ councils/ builders are required to follow the legal requirements of Planning Act and the CVSP.
3. The law requires protection of ecological systems, including natural areas, features, and functions.
4. The CVSP policy consider this as a special settlement area for valid reasons.
5. There is clear evidence that there is a well-established ecological system and habitat in place, that includes different species, and these species are not found in other development area.
6. As per arborist report, there are 244 trees in the footprint of proposed construction. 227 out of 244 trees are required to be removed. That means **93% of the trees are to be removed**. Q: How could the ecological systems sustain when the proposal requires 93% trees to be cut?
7. Approx. 103 Walnut trees in the footprint area out of total 107 (**97%**) walnut mature trees are required to be cut.
8. This specific area has rare to find **unique distinguishable features and issues** that are not present in other subdivisions/ developments and these features are required to be protected by law.
9. The city must ensure that species like frog, owls, turtles, snake, woodpecker, eagle etc. are protected. The city should have the proper study done on all the species present at the property.
10. Under the CVSP, the City is not obligated give any approval. It is not necessary to give any approval at all by the City.
11. Do NOT abdicate the responsibility to comply with the law in the name of development
12. **Residents' Future action:** The residents shall fight/ appeal this matter according to the law.

COMPATIBILITY ISSUES

Concerns

- 1) The proposed development area is a part of Eldorado Mills Special policy area, with rural setting, Executive homes (big lots). The proposed lots are very small and does not match surrounding settings. (See attached pic A), How city / developer addressing this?

Note: Lot sizes varies from 121 ft to 252 ft in width, these are very large lots as compared to new proposed 38 – 40 feet lots.

- 2) Surrounding properties are already established with big homes with higher market valuation. Bringing small homes will affect and decrease their valuation. How will city address this issue?
- 3) If development goes ahead with same proposal, will city compensate for loss valuation and reduce property taxes of existing neighbours?
- 4) On Churchville rd. house no.5254 is facing 5 homes in the front, how is this compatible? (Pic A yellow Highlighted)

OFFICE CONSOLIDATION, CHAPTER 45, CREDIT VALLEY SECONDARY PLAN

Section 6.1 Special Policy Area 1

6.1.1

“Land designated as Special Policy Area 1 on Schedule SP45(a), is comprised of the historic settlement area of **Eldorado Mills**, which was associated with Credit Valley Secondary Plan Office Consolidation the development of mills along the Credit River in addition to the agricultural settlement of the area.”

Section 6.1.3

“Development proposals within Special Policy Area 1 shall be in accordance with the Low Density 1 Residential provisions of this Chapter except in the portion of Special Policy Area 1 that is designated Primary Valleyland. New development shall (means the builder or the City has no choice) be compatible with the scale and character of the historic settlement area and in order to avoid incompatibility, appropriate buffering such as setbacks, berming, fencing, and landscaping planting may be required, and will be specifically determined prior to final approval of plans of subdivision or development applications.”

Section 6.1.4

“Considering that **Eldorado Mills** is historically a settlement area, limited development may be permitted (means the City is does not have to agree to any development in the Edorado Mills area) in, and adjacent to, the areas designated Primary Valleyland within Eldorado Mills, provided it is demonstrated, through the preparation of an Environmental Implementation Report, that the ecological function and natural heritage features are not adversely impacted.”

PRIVACY

CONCERNS

Reasonable Privacy: It is a charted right in Canada. Residents are not asking that no one can see them rather wants to be sure that one can see their personal moments, wants to feel safe and confident in their own house. Want surety that their right of reasonable privacy will be upheld.

- 1) All Fairmont close house (4 to 22) will be watched by 8 -12 new houses at their back. See diagram below. Red lines indicate viewing opportunities. How will city Address this issue?

- 2) Further to enhance viewing or line of sight, Fairmont close house are setting on higher ground v/s new development. So, the new houses have natural viewing advantage. How will City address this issue? See Pic as attached.

- 3) Any Security systems and cameras installed on new development will be facing bedrooms, backyard & upper floors of houses on Fairmont close. What concrete and sustainable assurance city is providing that nothing will ever get recorded? (Please reference previous two pictures).
- 4) What assurance city can provide that no person with malicious intention will ever record, share, or view any objectional material using cell phone camera?

All houses on Fairmont close are designed with big windows, most cover almost 80% of wall size, as they were constructed with ravine at the back in scenario.

- 5) With all the above said concerns in mind, if the proposed development goes ahead as is then, who is responsible for any future incidents? Will City take Responsibility?

TRAFFIC – Vehicle – Pedestrians – Cyclist

Concerns

- 1) The developer relies on TIS report done in 2008. They heavily relied old study, when 95 % of current Subdivisions did not exist. Has city done any recent assessment of traffic?
- 2) This TIS does not show any involvement, comments or concerns from Region of Peel's VISION ZERO SAFETY STRATEGIC PLAN? Why?
- 3) How city is planning to address safety of Pedestrians, Cyclist and Walkers, when there are no Provision of Sidewalk, Shoulders in TIS or Proposed development design?
- 4) Property of 8254 Churchville rd. will be facing 5 homes, how safely they will drive in & out of their own property? If some one from across property parks on road this situation gets difficult to drive in & out. What is city plans to address this?
- 5) Churchville rd. is a single lane road, with no possibility of widening it. So, if there is a street parking on both sides of the road how safe it is to drive? What about any emergency?
- 6) Can you please make sure TIS compliance with Planning Act ?

PLANNING ACT COMPLIANCE =

- Para 2 F States
- The **adequate provision** and efficient use of communication, **Transportation**, sewage and water services and waste management system

– Missing, Side walks, narrow & conjusted roads, No Shoulders, NO street lights

- Para 2 H & H.1 Staes
- The orderly development of safe and healthy community.
- The accessibility for **person with Disability** to all facilities, services and matters to which the act applies – Difficult and unsafe for perfectly normal person to walk on road due to lack of side walks & shoulders due to which we are forced to walk on road.
- Para 2 M states
- **The Co-ordination of planning activities** of public bodies - we are missing out input from Vision zero road safety task force
- This are just the points from act which applies to traffic & Safety.

SUSTAINABILITY

CONCERNS

NOTE: After doing various studies and designs, this development only achieved 30 % - BRONZE standard.

- 1) Sustainability application should be independently verified as with this low score any mis representation or mis information, the score may drop further below. Has city checked out?
- 2) How city will ensure sustainability for all those involved in Ecological function, as this is a special policy area?
- 3) The report highlights concern for motorists, pedestrians, and cyclist. How will City ensure safety all those?

Creditview Road is identified as a Class III (on road) pathway in the City's Pathways Master Plan where roads are signed to encourage bicycle use. Sidewalks and boulevards are not currently envisioned for Churchville Road or this segment of Creditview Road. Motorists, pedestrians, and cyclists will therefore need to exercise caution and diligence when travelling on area roads.

- 4) How city is planning to ensure drainage issues specially in case of heavy down pour? This development will have significant effect on houses on credit view rd. Also we have recently seen severe flooding in lower Churchville neighbour hood (spring 2022).

Post-development drainage is meant to mimic pre-development conditions to the extent possible. Two drainage outlets will be preserved and the catchment area to each is similar. Due to the proposed changes in land use, some increase in runoff potential is expected. Stormwater runoff will be managed in a manner similar to the adjacent subdivision to the east which relies on bio-retention for water quality treatment and infiltration. Some underground storage is necessary to ensure that flood events are controlled to predevelopment levels.

Dear City Officials,

Following up on the request sent on June 21st: Could you please send us the requested information at the earliest possible so that we can start the process at our end.

1. Why are the decisions based upon old studies?
2. Why do city officials feel like new studies are not needed? (Traffic, environmental, school etc)?
3. Why was the project approved in such a short span of time? This kind of motivation is missing in handling community concerns (It takes 6 months to handle water leakage on the street etc etc)?
4. Please send this request to all the city and regional councillors (Brampton) and ask for their rationale for approval. Project approval should be based upon scientific temperament. What information do they have that inspired them to vote for the project?
5. What is the process of appeal and timelines for the same.

Thanks,

Bonnie Braes Community

Dear Brampton City Official,

This is to inform Brampton City officials and Public Representatives that Bonnie Bares Community is deeply disappointed and concerned. A beautiful Flower city is being transformed into a concrete cactus city. Every single Brampton community has the same concern (specially Brampton West) but it seems like City officials have chosen to ignore the voice of the people.

It is evident that due diligence is not done in the approval process. Approval process was unnecessarily escalated and the project was approved in 3 months whereas we were told that city officials take 9-12 months to analyse all the details.

Are the upcoming city elections affecting/influencing the decision made? Why are the decisions based upon old studies?

We as Bonnie Braes community members want to challenge the project approval and need to know the next steps for the same. We were expecting more from public representatives. Letter signed by 264 people (310 online signs) is ignored like scrap pieces of paper.

At the end we thank you for uniting us.

Sincerely,
Bonnie Braes Community and Neighbourhood

Planning and Development Services, Brampton

Ref: File: OZS-2021-0044 – Application for and official plan Amendment and Zoning By-law Amendment 8680 Chinguacousy Road

Dear City Officials,

We are residents residing in the subdivision concerning planning reference OZS-2021-0044, as we have received the notification letter referring to the public meeting organized by Brampton City officials on March 7th, 2022. We have a few proposal concerns, requests, and objections with regards to the plan - OZS-2021-0044.

Request to please move the meeting to a later date and In-Person

1. **Delay in Notice Received:** Notice of the public meeting was received by some residences on February 15, 2022, for a meeting scheduled on March 7, 2022. Residents should be given a minimum of 30 days to prepare a response after the delivery of notice.

2. In Person meeting request: Many residents in this neighbourhood are not tech savvy. Video/Virtual meeting is not the appropriate choice for them. Every citizen of this neighbourhood should have the right to put forward their view on the new development. In the event an in-person meeting cannot be scheduled at this time, please postpone this meeting to the later date when COVID protocol will be lifted. Every citizen has the right to voice their concern that can't be taken away in the name of COVID protocols.

We truly believe that our request will be considered as these are unprecedented times, and regular protocol can't be applied here.

Objections to the new Development/Plan: Residents of the neighbourhood have raised the following objections. Please note that they are not in the order of any priority.

1. School: Churchville PS is the only school that serves this neighbourhood. The school is already struggling with infrastructure issues and there is no more space for portables. Kids in this neighbourhood are already being denied admission. Bringing in an additional 108 families will cause further strain on school admission in the neighbourhood.

2. Safety in the School zone: School is already struggling with safety concerns due to the traffic situation. There is usually a 400m traffic jam in the mornings and afternoons during school hours on each side of Bonnie Braes Dr and James Potter Rd. There is already a safety risk to kids and parents due to this high traffic situation. Kiss and Ride service is not allowed in the afternoons due to traffic situations.

3. Traffic: Plan is talking about 162 Car parking spaces and an additional 22 visitor parking space with the only entrance from Elmcrest Dr. This is not a 2 lane (each side) street. We are inviting an accident situation by moving these many cars from Elmcrest to Bonnie Bares Dr. West/East and North/South traffic from Elmcrest will block traffic on all sides, as Elmcrest is not planned to handle this kind of traffic flow (Ref: Master Plan).

4. Noise pollution: Adding 108 units in 1.85 Acres of land is definitely going to create huge noise. It is a silent neighbourhood and the plan is to convert it into a noisy city. Homes backing onto 8680 Chinguacousy Road are concerned with excessive noise during construction and pollution/dirt during construction resulting in them not being able to use their backyards.

5. Community Centre/Library: There are no community centre or Library in the neighbourhood. Instead of adding amenities to support the neighbourhood, the plan is trying to add more concrete.

6. Aesthetics of Neighborhood – The beauty of the neighbourhood will be completely ruined with these types of buildings in the subdivision area. Aesthetics of Neighborhood should be intact and considered when creating a new sub-division. A perfect example is from Allerego Dr (Street branching off Bonnie Braes Dr), as the recent addition of semi-detached homes has caused the street to become an eye sore.

7. **Other Technical Issues** – Drainage, Flooding, Resources etc

Proposal: We would like to put forth the following proposal for the land use.

1. **Community Center:** City should use the land and convert it into a community center. There is no community centre in the vicinity of this neighbourhood.

2. **Low Density Detached Homes:** We as neighbourhood welcome a plan which can include 2 story detached homes. The area is currently designated for Low Density housing and should remain as such. Majority of the current homeowners in close proximity to 8680 Chinguacousy Road purchased their homes based on the initial plan for this area (Place of Worship or Low-Density housing). This neighbourhood currently has detached homes and we propose that this area be used for the same to keep the aesthetics of the neighbourhood and sub-division consistent.

We sincerely hope that the interest of citizens of this area will be considered as priority over profit of the corporations (Builder) and City's revenue collection.

Sincerely,
Bonnie Braes Community and Neighbourhood

**Re: Springbrook Tertiary Plan
Credit Valley Secondary Plan Area
Official Plan Amendment No. 45
Request for Notice on Behalf of Crystal Homes (Wildflowers) Corporation**

We are counsel to Crystal Homes (Wildflowers) Corporation, the owner of 1626, 1646, 1654 Queen Street West.

Crystal Homes is the applicant in File Nos. OZS-2020-0029, a combined Official Plan, Zoning and Subdivision Application for 2 single detached homes, 61 townhomes, a mid-rise building and parkette on its lands. Crystal Homes is also the applicant in File No. SPA-2022-0079, a Site Plan Application for the mid-rise building, which fronts onto Queen Street West.

Despite having lands and active planning applications within the Springbrook Tertiary Plan (the “**Tertiary Plan**”), our client did not receive direct notice of the potential changes proposed to that plan. Fortunately, by happenstance, our client became aware that the City is pursuing modifications to the Tertiary Plan. Our client has a direct interest in modification to the Tertiary Plan as some of its land holdings are within the area covered by same.

As a result, we hereby request that you add us to the circulation list and provide us with notice of all procedural steps, including meetings, including open house, public, Council and committee meetings.

Our client is actively engaged in assessing the Tertiary Plan and we anticipate it will deliver substantive comments in due course.

Should you have any questions, please do not hesitate to contact the undersigned directly.

Dear Mr. Mayor and Members of Council

**RE: BRAMPTON COUNCIL AGENDA JULY 6, 2022, ITEM 10.4.1
DRAFT BRAMPTON OFFICIAL PLAN
BRAMALEA CITY CENTRE & 410 / STEELES LANDS
MHBC FILE: 9519Y**

MacNaughton Hermsen Britton Clarkson Planning Limited ("MHBC") is retained by Morguard Corporation ("Morguard") with respect to the Bramalea City Centre ("BCC") located at 25 Peel Centre Drive and a group of commercial / employment properties ("410 / Steeles Lands") that are generally bound by Kennedy Road, Steeles Avenue East, Rutherford Road South and existing employment lands as shown below.

Bramalea City Centre

410 / Steeles Lands

We would like to commend staff on the preparation of a progressive and forward looking draft Official Plan (“**OP**”) document. The OP contains many salient objectives and policies. However, there are a number of concerns with respect to certain proposed policies as well as with the overall review and approval process as it relates to timing.

We have provided written comments to staff on behalf of Morguard (see attached letter) expressing concerns with respect to the draft OP. Since that time we have had a constructive discussion with staff about our concerns and we would like to continue working with staff to resolve these concerns in the interest of ensuring that the OP provides a forward looking and flexible approach to managing growth and development on Morguard’s lands. As these lands are designated for further growth and intensification in the draft OP, it is important to recognize that these lands are occupied by existing successful commercial centres which provide important services, jobs, amenities and shopping opportunities to the community. It is thus critical to ensure that any new policies offer the necessary flexibility for these commercial centres to continue operating and responding to market changes while the overall goal of intensification and redevelopment is achieved in the long term.

To this end we support extending the timeline for approval of the draft OP to allow for a sufficient amount of time to work with staff on these policies. An OP is the City’s most important land use document and endures over many years. It is therefore necessary that sufficient time be allotted to ensuring that proper review, assessment and improvements to the draft policy framework can take place before the plan is adopted by Council.

We appreciate your consideration of these comments. If you require any additional information, please do not hesitate to contact us.

Yours Truly,

MHBC

A Site Plan Control application is currently being processed by the City to permit a residential development at BCC in accordance with existing zoning permissions.

Bramalea City Centre

410 / Steeles Lands

We would like to commend staff on the preparation of a progressive and forward looking draft Official Plan (“OP”) document. The OP contains many salient objectives and policies. However, there are a number of concerns with respect to certain policies (as described below) as well as with the overall review and approval process as it relates to timing.

A comment submission deadline of June 3, 2022 and a target for a recommendation meeting on June 29, 2022 is not a sufficient amount of time for proper consideration of feedback received from the public, performing the necessary revisions to the OP document and again releasing the updated draft OP for public review ahead of the June 29, 2022 meeting with sufficient time for public review. An OP is the City's most important land use document and thus should not be rushed. The upcoming July 1, 2022 deadline for conformity to Provincial policy is for upper-tier OP documents (i.e. the Region of Peel Official Plan), not lower-tier OPs like the Brampton OP. Therefore, there is no imperative need for a shortened review period with a goal of a June 29, 2022 recommendation meeting for adoption. The OP review period can be reasonably extended into the summer months to ensure thorough review and consultation occurs.

The following comments and concerns with respect to specific policies in the OP should be considered for the next version of the draft OP:

- 1) Policy 2.2.7.b indicates that mixed use buildings are encouraged. Although the word “encouraged” is used, having this policy under the “Permitted Uses” section may create confusion and result in an interpretation that only mixed use buildings are permitted within Urban Centres given that single use buildings are not also listed as a permitted use. Note that Policy 2.2.26.b for Primary Urban Boulevards has similar language but specifically clarifies that single use buildings are permitted. We request clarification that single use buildings are permitted in Urban Centres and that Policy 2.2.7.b be updated to reflected same.

Policies 2.2.26.b and 2.2.27.d indicate that single use buildings are not permitted along Primary and Secondary Urban Boulevards within Urban Centres. BCC has a number of single use out-parcel buildings along Queen Street and Dixie Road which are identified as Primary and Secondary Urban Boulevards (respectively). These uses serve an important commercial function and are expected to operate for the foreseeable future. To ensure these uses can be reconfigured, upgraded and expanded, as needed we request that these policies be modified to be applicable to “new” single use buildings. It should also be clarified that, for large land holdings, only the portions of the property abutting the Boulevards are subject to the mixed use requirement. BCC is a 33 ha contiguous property. Only the portions of the property abutting the Boulevards should be subject to this policy as opposed to the entirety of the land holding.

- 2) Policy 2.2.7.c indicates that new surface accessory parking lots and surface commercial lots are not permitted. Although the general reduction in the amount of surface parking in areas designated for intensification is common, there needs to be some flexibility in this policy to accommodate small accessory surface lots for new uses and to ensure existing operators of surface parking lots, such as BCC, can continue to operate and modify their sites as needed while they transition into more intensified areas over the long term.

Small accessory surface lots serve an important function for commercial, office and residential development by providing convenient areas for short term customer parking and visitor parking. Although most parking for such uses can be located below grade or in a parking structure over time in order to use land efficiently, small surface lots provide an important function as short term parking.

More specifically, BCC also requires the flexibility to modify, relocate and replace buildings and parking areas on site. The BCC lands are approximately 33 ha in area with over 1.5 million square feet of commercial and office space. Flexibility is required to ensure that these uses can continue to function appropriately as the area redevelops into an intensified urban centre over the long term. Provision of sufficient and convenient parking is a critical consideration of bricks and mortar commercial and office tenants and thus the OP needs to ensure that surface parking at BCC can be configured as needed over time. The following policy should be added for BCC:

“Notwithstanding Policy 2.2.7.c, on lands known as the Bramalea City Centre, bound by Queen Street East, Team Canada Way, Clark Boulevard and Dixie Road, new surface parking lots shall be permitted where they are the result of new development that requires the relocation, modification or re-configuration of existing surface parking areas.”

- 3) Policy 2.2.10 indicates that the evaluation of building height and form in Urban Centres will consider, among other things, visual impacts on lower scale Neighbourhoods. It is unclear what a visual impact on a lower scale Neighbourhood would constitute and whether this is indeed a relevant planning goal when considering a designation that is planned to achieve the highest level of density in the City. Policy 2.2.10 already lists relevant height and form-related criteria like access to sunlight, wind impacts and impacts on public spaces and heritage properties. Therefore, visual impact on a lower scale Neighbourhood should be removed as a criteria in the evaluation of building height and form.
- 4) Policy 2.2.23 indicates that new automobile-oriented uses are prohibited in Urban Centres. The term “automobile-oriented uses” should be clarified. This term should not include uses that require a significant amounts of parking like large-format commercial uses such the BCC shopping centre and its various out-parcel buildings. If the City intends to consider such uses as “automobile-oriented uses”, we request that an exception be added for BCC lands. BCC is a successful and thriving commercial centre and it is imperative that the OP provides a flexible policy framework so that BCC can continue to evolve with changes in commercial real estate and shopping trends. This is an especially important consideration given the impact of covid-19 on bricks and mortar shopping as well as the broader proliferation of online shopping.
- 5) Policy 2.2.24 indicates that structured parking in new development will be located underground or in above grade structured parking that doesn’t face the street. Additionally, standalone above grade parking structures will be prohibited. BCC currently contains two above grade parking structures which form an important part of the parking supply. Above grade parking structures will form an even more important part of the parking supply as BCC intensifies over the long term and there becomes an ever greater need to balance parking requirements for existing commercial uses with the redevelopment of existing surface lots for higher density uses. Public transit will play an increasingly important role in moving people to and from BCC over time. However, the automobile will continue to be an important transportation mode for people accessing BCC from the surrounding neighbourhoods and beyond and thus we request that BCC be exempt from this prohibition in order to facilitate its long term redevelopment. Should the City not provide such exemption, Policy 2.2.24 should be amended to prohibit “new” standalone parking structures which would allow existing structures to be reconfigured, upgraded and expanded as needed.
- 6) The OP appears to use the terms “Tall / Tall Plus” and “High-Rise / High-Rise Plus” interchangeably whereas only “Tall / Tall Plus” is defined in the document. We would like clarification that these

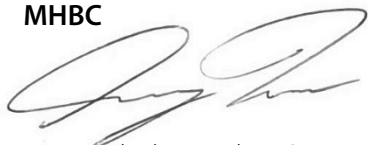

terms are referring to the same thing. If so, the OP should be revised to only include one set of terms to maintain consistency.

- 7) Policy 2.2.9 indicates that “High-Rise / High-Rise Plus” are only permitted in the Urban Centres where they achieve a high level of design excellence and conformity with Urban Design policies. Table 4 indicates that “Tall / Tall Plus” may be permitted in Urban Centres subject to a “Precinct Plan study”. We understand that the effect of Policy 2.2.9 and Table 4 is to prohibit any building greater than 12 storeys in Urban Centres until a Precinct Plan study has been completed. This is an overly restrictive policy for development within an intensification area. The OP should be revised to permit buildings greater than 12 storeys within Urban Centres with accompanying policies regarding a high standard of design and general conformity with urban design principles.
- 8) Policy 2.2.123 indicates that new retail developments that include one or more stores totaling 3,000 square metres or more of retail gross floor or 1,000 square metres for individual units may only be permitted in the Mixed-Use Employment designation through an amendment to the OP and subject to certain criteria. The 410 / Steeles Lands contain an existing shopping centre which is almost fully built out. A policy should be added that recognizes existing shopping centres and ensures their ability to expand and develop over time without being subject to Policy 2.2.123.
- 9) Policy 3.1.130 requires that Area-Specific Urban Design Guidelines be submitted as part of a complete site plan application for any sites that area greater than 1 hectare or if the site is located in a Centre, Boulevard, Corridor or Hub. Good urban design is an important component of the development process. However, Policy 3.1.130 is a mandatory policy and does not allow room for consideration of a site’s physical or policy context or the type of development being proposed in the determination of whether an Area Specific Urban Design Guideline must be prepared as part of the site plan process. This would suggest that such guidelines are required even when there is sufficient urban design policy in the existing OP, secondary plan, precinct plan or the city-wide guidelines. Policy 3.1.130 should be modified to state that and Area-Specific Urban Design Guidelines “may” be required to allow the flexibility and discretion in circumstances where there is sufficient urban design guidance.
- 10) Policies 2.1.33.c, 2.1.49 and 2.2.4 state that a Major Transit Station Area (“MTSA”) study, Secondary Plan and Precinct Plan may be required for MTSA’s and Urban Centres prior to a major rezoning taking place and should such studies not already be in place prior to a development application being submitted, the applicant would be responsible for the completion of such studies. The orderly development of growth areas is an important planning consideration. However, this policy should be revised to state that applications for single developments should be permitted to proceed without an MTSA study, Secondary Plan and Precinct plan to ensure that development opportunities that are not area-wide can be realized without delay.

Further to the email below, I wish to thank Councillor Palleschi's office for acknowledging receipt of my email below.

I see from an article penned by **Alexandra Heck in The Brampton Guardian of June 30th** that a decision has not been made with regard to the replace of the former Councillor Williams position now that she has officially been elected MPP in the recent provincial elections.

I stand with Mayor Brown, Paul Vicente, Rowena Santos, Harkirat Singh and Michael Palleschi that this position should not have been declared prior to the provincial elections' outcome. Further, as my email noted below, the process should be transparent, and that former councillor should have been canvassed to gauge their interest in the position and proper procedures developed to fill the position. Toronto was faced with the same issue and have dealt with it in a more transparent manner.

I suggest the same for Brampton.

Please note that others in the community share my opinion, so this should not be looked upon as City Council matters only, but one in which the wider Brampton community is watching very closely. Transparency, diversity and inclusion are watchwords that Council should take very seriously in its deliberations.

Sincerely,

Subject: Council Decision to fill council position now vacated by Councillor Charmaine Williams - Concern stated below

It was brought to my attention this past Saturday that Council approved a motion to appoint retired Councillor Elaine Moore to fill the now vacant position of Councillor Williams until the conclusion of the Municipal Elections in October.

I have also now read the below article (see link below) and agree that this action would be **unprecedented** and does not, in my opinion, pass the "**transparency lens**".

<https://www.insauga.com/brampton-city-council-votes-to-appoint-new-councillor-before-old-one-quits/>

If an appointment is to be made (rather than a by-election due to shortness of time between now and the upcoming provincial elections), then **all** retired/past councillors should be informed and their interest in applying for the position sought. In this way, there might be some reasonable competition and a vote could then be taken by council members. I also believe that the residents of Brampton should be made aware of this process and proposed action, **It is**

important that an unbiased and transparent process be developed and executed for any filling of this vacancy.

Respectfully sharing my opinion as a resident of this City of Brampton.

Reference: City File #: OZS-2021-0018 & City File OZS-2020-0036 - Unconstitutional and Unenforceable decision by the Planning Committee

This letter is in follow-up to an earlier notice regarding the above-mentioned planning applications.

The Credit Valley Residents Association (CVRA) submitted our objections on June 20, 2022.

The Ontario Superior Court's ruling on Monday July 11, 2022 also recognized that the composition of Council earlier this month was in-fact improper and thus any decisions made by that Council would have been unconstitutional and unenforceable.

The fact that Brampton Councillors violated the Municipal Act due to either incompetence or intentionally, calls into question the validity of other decisions made by this entire Council. We still believe there are biased planning decisions being made for numerous reasons by Council and Senior Planning staff in relation to the subject applications, which we will address in detail in the future.

At this time, prior to Council voting on the subject applications or any applications related to multi-level buildings along Queen St West, we request that the following should occur:

- 1) Objections that were put forward by the residents of the area related to the various multi-level buildings need to be considered with seriousness, added to public record and not dismissed without details in the relevant Recommendation Reports.
- 2) The study reports submitted by the developers should be reviewed again for comprehensiveness. The impact of all of the medium-high density projects within the area of Queen St West should be considered - many of the

reports submitted by developers related to the subject applications did not reflect that all projects in the area were considered.

3) Council and Senior Planning Staff should seek clarification from the Province regarding the Provincial Growth Plan and where the Province is actually recommending Municipalities to prioritize growth & intensification. Queen St West should not be prioritized for intensification prior to other areas of Brampton where medium-high density development will be beneficial and can be accommodated by the local infrastructure.

4) The BRT project related to stops along Queen St West should be reviewed to ensure financial viability, that projected utilization rates will justify the costs of the project and to confirm whether the City has money budgeted for the project (for stops along Queen St West). Re-zoning changes for multi-level buildings in the area should not be approved pre-emptively based on the idea that at some point in the future there will be BRT stops along Queen St West.

As residents have already expressed, development of multi-level buildings along Queen St West is bad planning and will have disastrous effects on the surrounding area.

Please confirm by July 21, 2022 with an email whether decisions on the subject applications will be delayed until the above has been completed. If so, please provide us with a timeline of when the above will be completed. If Council will not be delaying any voting decisions related to the subject applications, please confirm.

We look forward to hearing from you regarding next steps and would appreciate your co-operation.

Thank you.

SUPERIOR COURT OF JUSTICE - ONTARIO

RE: Harkirat Singh, Applicant

AND:

The Corporation of the City of Brampton, Respondent

BEFORE: Doi J.

COUNSEL: Thomas A. Richardson and Andrea Mannell, for the Applicant

Charles M. Loopstra Q.C. and Jenelle Westworth, for the Respondent

HEARD: June 30, 2022

ENDORSEMENT

Overview

[1] At a Special Meeting held on May 31, 2022, Brampton City Council (“Council”) passed Resolution C168-2022, confirmed by By-law 129A-2022, to conditionally appoint a member to Council to fill a potential vacancy which arose shortly thereafter. The Applicant brought this urgent application to quash the Resolution and By-law for illegality by asserting that both were passed without jurisdiction.

[2] For the reasons that follow, the application is granted.

Background

[3] The background facts are not in dispute.

[4] The City of Brampton (“City”) is governed by Council which is comprised of eleven (11) members. On May 31, 2022, the following members were serving on Council:

- a. Mayor Patrick Brown;
- b. Regional Councillor Rowena Santos, Wards 1 and 5;

- c. Regional Councillor Paul Vicente, Wards 1 and 5;
- d. City Councillor Doug Whillans, Wards 2 and 6;
- e. Regional Councillor Michael Palleschi, Wards 2 and 6;
- f. City Councillor Jeff Bowman, Wards 3 and 4;
- g. Regional Councillor Martin Mederios, Wards 3 and 4;
- h. City Councillor Charmaine Williams, Wards 7 and 8;
- i. Regional Councillor Pat Fortini, Wards 7 and 8;
- j. City Councillor Harkirat Singh, Wards 9 and 10; and
- k. Regional Councillor Gurpreet Dhillon, Wards 9 and 10.

[5] One of the members of Council at the time, City Councillor Williams, was the Progressive Conservative Party of Ontario candidate for the riding of Brampton Centre in the 2022 Ontario general election. The election started on May 4, 2022 and ended with voting day on June 2, 2022 (“Election”).

[6] On May 31 2022 (i.e., prior to voting day), Council held a Special Meeting. The meeting agenda included, among other things, Item 5.2 (*Potential Councillor replacement due to provincial election*) to address a potential vacancy on Council that would arise if City Councillor Williams was elected to the Legislative Assembly of Ontario as the Member of Provincial Parliament for Brampton Centre. In advance of the meeting, three individuals sent correspondence to Council to express their willingness to fill a potential vacancy on Council for the remainder of the term if City Councillor Williams was elected to the Legislative Assembly.

[7] During the Special Meeting, Council debated the following motion (C168-2022), as amended, moved by Regional Councillor Fortini and seconded by City Councillor Bowman:

Whereas Brampton taxpayers elect a city and a regional councillor in their Wards;

Whereas representative continuity is important and expected to ensure responsible oversight and stewardship from the beginning to the end of the elected term of office;

Whereas there exists the potential for a city councillor seat vacancy prior to the end of the 2018-2022 term of office for Wards 7&8;

Therefore be it resolved that, in the event the Wards 7&8 City Councillor position becomes vacant, that former City and Regional Councillor Elaine Moore, subject to her declaration of consent being provided to the City Clerk, be appointed to fill the position until the end of the term of office, and that such appointment be effective upon the declaration of vacancy of the said seat.

[8] After the motion was introduced, Council debated the legality of the motion that sought to conditionally appoint a member to Council before a vacancy was declared and whether the motion complied with the *Municipal Act*. The City Solicitor and the City Clerk advised, in open session, that the motion did not comply with the statutory requirements for filling a Council vacancy.

[9] Following debate, Council proceeded to consider the motion. City Councillor Williams participated in the vote on the motion which carried by a recorded vote of 6-5 as follows:

Yea (6): City Councillor Whillans, City Councillor Bowman, Regional Councillor Medeiros, City Councillor Williams, Regional Councillor Fortini, and Regional Councillor Dhillon.

Nay (5): Mayor Brown, Regional Councillor Santos, Regional Councillor Vicente, Regional Councillor Palleschi, and City Councillor Singh.

Before the Special Meeting concluded, Council passed By-law 129A-2022 (“By-law”) to confirm the proceedings at the meeting including the resolution for the motion, being Resolution C168-2022 (“Resolution”).

[10] On June 2, 2022, City Councillor Williams won her riding in the Election and was declared the Member of Provincial Parliament-elect for Brampton Centre.

[11] On June 6, 2022, the City Clerk received a consent from Elaine Moore in which she advised of her agreement to assume the role of city councillor upon a declaration of vacancy by Council.

[12] By letter dated June 7, 2022, City Councillor Williams resigned from her position on Council effective 11:59 pm on June 8, 2022.

[13] Following City Councillor William's resignation, a fourth individual submitted written correspondence to Council to express an interest in filling the vacancy created by the resignation.

[14] On June 18, 2022, the Return of Members was published in The Ontario Gazette, Vol. 155-25, which gave Parliamentary notice of Ms. Williams' election to the Legislative Assembly.

[15] After City Councillor Williams' resignation took effect, the next Council meeting was to take place on June 15, 2022. Item 10.2.1 to the revised agenda for that meeting was a Staff Report entitled "*Declaration of Vacant Council Office under Section 262(1) of the Municipal Act, 2001*" dated June 8, 2022 which made the following recommendations:

1. That the report re: Declaration of Vacant Council Office under Section 262(1) of the Municipal Act, 2001, to the City Council Meeting of June 15, 2022 be received; [and]
2. That as a result of City Councillor Charmaine Williams being elected to the provincial assembly as a Member of Provincial Parliament on June 2, 2022, and her resignation filed with the Clerk (effective June 8, 2022, at 11:59 pm), Brampton City Council, in accordance with Section 262(1) of the Municipal Act, 2001, declare the office of City Councillor, Wards 7 and 8, to be vacant.

[16] The Council meeting scheduled for June 15, 2022 did not proceed due to a lack of quorum. As Council consisted of eleven members, quorum for a meeting required six members to attend. The meeting was rescheduled to June 17, 2022 and a revised agenda listed Item 5.3 "*Declaration of Vacant Council Office*" along with the same staff report dated June 8, 2022. The meeting that was scheduled for June 17, 2022 also failed due to a lack of quorum. Council has not had quorum at any of its meetings since City Councillor Williams' resignation took effect on June 8, 2002.

Issue

[17] The key issue on this application is whether the Resolution and the By-law comply with the requirements under the *Municipal Act* for filling a vacancy on Council.

Application and Standard of Review

[18] On application, the Court may quash a municipal resolution or by-law for illegality under s. 273 of the *Municipal Act*, which states in part:

Application to quash by-law

273 (1) Upon the application of any person, the Superior Court of Justice may quash a by-law of a municipality in whole or in part for illegality.

Definition

(2) In this section,
“by-law” includes an order or resolution.

[...]

Timing

(5) An application to quash a by-law in whole or in part, subject to section 415, shall be made within one year after the passing of the by-law.

[19] The term “illegality” under ss. 273(1) of the *Municipal Act* is a broad generic term that encompasses any non-compliance with the law: *London (City) v. RSJ Holdings Inc.*, 2007 SCC 29 at para 35.

[20] In *Friends of Lansdowne Inc. v. Ottawa (City)*, 2012 ONCA 273 at para 12, Lang J.A. writing for the Court of Appeal considered the standard of review on an application brought under ss. 273(1) of the *Municipal Act*:

[12] Since municipalities are creatures of statute, their jurisdiction is limited to the powers provided by the legislature. Accordingly, a city does not have jurisdiction to pass a by-law that authorizes acts prohibited by its governing legislation. Since a city has no particular expertise in jurisdictional issues, a court will review the legality of a municipal by-law on the standard of correctness: see *London (City) v. RSJ Holdings Inc.*, [2007] 2 S.C.R. 588, [2007] S.C.J. No. 29, 2007 SCC 29, at para. 39. Section 273(1) of the Act gives the Superior Court the discretion to "quash a by-law . . . for illegality".

[13] Absent illegality, municipal by-laws are well insulated from judicial review. Section 272 of the Act prohibits a review of a by-law passed in good faith "in whole or in part by any court because of the unreasonableness or supposed unreasonableness of the by-law". Thus, a court cannot interfere with a by-law that is unreasonable, but a court may quash one that is illegal.

[14] ... While generally the appropriate standard of review on questions of law is correctness, courts are cautioned in cases involving municipal challenges to require "clear demonstration" before concluding that a municipality's decision is made without jurisdiction: see *Nanaimo (City) v. Rascal Trucking Ltd.*, [2000] 1 S.C.R. 342, [2000] S.C.J. No. 14, 2000 SCC 13, at para. 36, citing *Shell*

Canada Products Ltd. v. Vancouver (City), 1994 CanLII 115 (SCC), [1994] 1 S.C.R. 231, [1994] S.C.J. No. 15, at p. 244 S.C.R.

[15] Courts reviewing decisions made within jurisdiction must apply a deferential standard: see *Nanaimo*, at para. 35. As the application judge explained, provided they act with jurisdiction, municipalities are accountable to their constituents and not to the courts. [Emphasis added]

[21] The test on jurisdictional issues is correctness: *RSJ Holdings* at para 37; *Nanaimo (City) v. Rascal Trucking Ltd.*, 2000 SCC 13 at para 29. That being said, a decision to quash a by-law for illegality under ss. 273(1) of the *Municipal Act* calls for a discretionary decision which is informed by such factors as the nature of the by-law, the seriousness of the illegality, its consequences, delay and mootness, among others: *RSJ Holdings* at para 39. A by-law that is clearly shown to have been made without jurisdiction may be quashed by a court acting judicially.

Analysis

[22] Municipalities are creatures of provincial legislation: *Toronto (City) v. Ontario (Attorney General)*, 2021 SCC 34 at para 2. Given that a municipality’s law-making authority is limited to the powers conferred by the provincial legislature, the issue of whether a by-law is passed within a municipality’s jurisdiction is a matter of statutory interpretation: *Clublink Corporation ULC v. Oakville (Town)*, 2019 ONCA 827 at para 34. In keeping with the modern approach to statutory interpretation, “the words of an Act are to be read in their entire context and in their grammatical and ordinary sense harmoniously with the scheme of the Act, the object of the Act, and the intention of [the legislator]”: *Bell ExpressVu Limited Partnership v. Rex*, 2002 SCC 42 at para 26. In construing a municipal by-law, a court should take a broad and purposive approach to the construction and interpretation of municipal powers: *Cash Converters Canada Inc. v. Oshawa (City)*, 2007 ONCA 502 at para 20.

[23] Section 2 of the *Municipal Act, 2001*, SO 2001, c. 25 (“*Municipal Act*”) sets out the purpose of the statute in the following terms:

Purposes

2. Municipalities are created by the Province of Ontario to be responsible and accountable governments with respect to matters within their jurisdiction and each municipality is given powers and duties under this Act and many other

Acts for the purpose of providing good government with respect to those matters. [Emphasis added]

[24] As the Court of Appeal explained in *Croplife Canada v. Toronto (City)*, 2005 CanLII 15709 (ONCA) at paras 34 and 37, leave to appeal denied [2005] SCCA No 329, the *Municipal Act* is intended to give Ontario municipalities “the tools they need to tackle the challenges of governing in the 21st century” and therefore municipal powers are to be interpreted broadly and generously within their context and statutory limits, to achieve the legitimate interests of the municipality ... The provincial legislator has made clear that it intends for municipal powers to be interpreted broadly by expressly stating as much at s. 8 of the *Municipal Act*.” [Emphasis added] More recently, the Court of Appeal affirmed this reasoning in *Clublink* at para 35.

[25] As noted in *Croplife* at para 34, a municipality’s authority is set out in broad terms under s. 8 of the *Municipal Act* which provides, in part:

Scope of Powers

8 (1) The powers of a municipality under this or any other Act shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality’s ability to respond to municipal issues.

Ambiguity

(2) In the event of ambiguity in whether or not a municipality has the authority under this or any other Act to pass a by-law or to take any other action, the ambiguity shall be resolved so as to include, rather than exclude, powers the municipality had on the day before this Act came into force. [Emphasis added]

[26] A municipality’s authority under s. 8 is supplemented by ss. 9, 10 and 11 of the *Municipal Act* which provide, in part:

Powers of a natural person

9 A municipality has the capacity, rights, powers and privileges of a natural person for the purpose of exercising its authority under this or any other Act

Broad authority, single-tier municipalities

10 (1) A single-tier municipality may provide any service or thing that the municipality considers necessary or desirable for the public.

By-laws

(2) A single-tier municipality may pass by-laws respecting the following matters:

1. Governance structure of the municipality and its local board

[...]

Broad authority, lower-tier and upper-tier municipalities

11 (1) A lower-tier municipality and an upper-tier municipality may provide any service or thing that the municipality considers necessary or desirable for the public, subject to the rules set out in subsection (4).

By-laws

(2) A lower-tier municipality and an upper-tier municipality may pass by-laws, subject to the rules set out in subsection (4), respecting the following matters:

1. Governance structure of the municipality and its local boards.

As the City is a lower-tier municipality, its authority to pass by-laws regarding governance matters is found at ss. 11(2)(1.) of the *Municipal Act*.

[27] Although ss. 8, 9 and 11 of the *Municipal Act* confer broad authority on a municipality, including the authority to pass by-laws with respect to its governance structure, these provisions are limited by ss. 14 and 15 of the *Municipal Act* as follows:

Conflict between by-law and statutes, etc.

14 (1) A by-law is without effect to the extent of any conflict with,

- (a) a provincial or federal Act or a regulation made under such an Act; or
- (b) an instrument of a legislative nature, including an order, licence or approval, made or issued under a provincial or federal Act or regulation.

Same

(2) Without restricting the generality of subsection (1), there is a conflict between a by-law of a municipality and an Act, regulation or instrument described in that subsection if the by-law frustrates the purpose of the Act, regulation or instrument.

Specific powers, by-laws under general powers

15 (1) If a municipality has power to pass a by-law under section 9, 10 or 11 and also under a specific provision of this or any other Act, the power

conferred by section 9, 10 or 11 is subject to any procedural requirements, including conditions, approvals and appeals, that apply to the power and any limits on the power contained in the specific provision.

Interpretation

(1.1) For the purpose of subsection (1) and, unless the context otherwise requires, the fact that a specific provision is silent on whether or not a municipality has a particular power shall not be interpreted as a limit on the power contained in the specific provision. [Emphasis added]

[28] Writing for a majority of the Court of Appeal in *Clublink* at para 38, Harvison Young J.A. explained the limits of a municipality's powers as follows:

[M]unicipal powers find their source in statutes that are interpreted purposively applying the modern approach. Where the legislator has evidenced its intention to set limits on otherwise expansive municipal authority, municipalities cannot rely on broad grants of power to escape these constraints. [Emphasis added]

It follows that the City's exercise of authority, through the actions of Council, must comply with applicable limits on its otherwise broad authority. To this end, ss. 14 and 15 of the *Municipal Act* plainly require that Council adhere to any limits on its powers under legislation.

[29] As set out below, the *Municipal Act* clearly prescribes mandatory requirements for filling a vacancy to an office of a council of a local municipality.

[30] Subsection 259(1) of the *Municipal Act* sets out the following situations in which a vacancy on a local municipal council may arise:

Vacant seat

259 (1) The office of a member of council of a municipality becomes vacant if the member,

- (a) becomes disqualified from holding the office of a member of council under section 256, 257 or 258;
- (b) fails to make the declaration of office before the deadline in section 232;
- (c) is absent from the meetings of council for three successive months without being authorized to do so by a resolution of council;

- (d) resigns from his or her office and the resignation is effective under section 260;
- (e) is appointed or elected to fill any vacancy in any other office on the same council;
- (f) has his or her office declared vacant in any judicial proceeding;
- (g) forfeits his or her office under this or any other Act; or
- (h) dies, whether before or after accepting office and making the prescribed declarations. [Emphasis added]

[31] Pursuant to ss. 258(1)(3) of the *Municipal Act* and ss. 9(1) of the *Legislative Assembly Act*, RSO 1990, c.L.10 (the “*Legislative Assembly Act*”), respectively, a member of the Assembly is not eligible to hold office as a member of council:

Ineligible

258 (1) The following are not eligible to be elected as a member of a council or to hold office as a member of a council: [...]

- 3. A member of the Assembly as provided in the *Legislative Assembly Act* or of the Senate or House of Commons of Canada

Not eligible to hold municipal office

9 (1) Subject to subsection (2), a member of the Assembly is not eligible to hold office as a member of the council of a municipality or as a member of a local board, as defined in the *Municipal Affairs Act*, of a municipality.

Further, ss. 9(2) of the *Legislative Assembly Act* provides that a person elected to the Assembly while holding office as municipal council member may continue to hold that office until the return of the election to the Assembly is published in The Ontario Gazette:

Member deemed to have resigned municipal office when election to Assembly published

(2) Every person who is elected a member of the Assembly while holding an office referred to in subsection (1) may continue to hold such office, despite any other Act, until the end of the day on which the return of the election of such person to the Assembly is published in *The Ontario Gazette* under section 83 of the *Election Act*, at which time the member shall be deemed to have resigned such office. [Emphasis added]

[32] The resignation of a member of a municipal council is governed by s. 260 of the *Municipal Act*, which provides:

Resignation as member

260 (1) A member of council of a municipality may resign from office by notice in writing filed with the clerk of the municipality.

Restriction

(2) Despite subsection (1), a resignation is not effective if it would reduce the number of members of the council to less than a quorum and, if the member resigning from office is a member of the councils of both a local municipality and its upper-tier municipality, the resignation is not effective if it would reduce the number of members of either council to less than a quorum.

[33] By letter dated June 7, 2022, City Councillor Williams resigned her office as a member of Council effective 11:59 pm on June 8, 2022. The parties agree that her resignation did not reduce the number of Council members to less than a quorum. Pursuant to ss. 260(1) of the *Municipal Act*, the City Clerk accepted the resignation. As a result of the resignation, a vacancy on Council arose after 11:59 pm on June 8, 2022 pursuant to ss. 259(1)(d) of the *Municipal Act*.¹ Importantly, however, there was no vacancy on Council when the Special Meeting was held on May 31, 2022 as City Councillor Williams then: a) was still a Council member; b) was not disqualified from being a Council member under ss. 259(1) of the *Municipal Act* (i.e., as she was not yet elected to the Assembly); c) had not resigned from Council; and d) had not otherwise triggered a vacancy on Council under ss. 259(1) of the *Municipal Act* by that time.

[34] Notably, under ss. 262(1) of the *Municipal Act*, council must declare the office of a member of council to be vacant “at its next meeting” after the vacancy arises:

Declaration

262 (1) If the office of a member of a council becomes vacant under section 259, the council shall at its next meeting declare the office to be vacant, except if a vacancy occurs as a result of the death of a member, the declaration may be made at either of its next two meetings. [Emphasis added]

[35] The word “shall” as used in ss. 262(1) of the *Municipal Act* reveals a mandatory obligation imposed by the Legislature that is imperative and gives Council no discretion: R. Sullivan, *Sullivan on the Construction of Statutes* (6th ed. 2014) at p. 91; *Canada (Attorney General) v. Collins Family*

Trust, 2022 SCC 26 at para 25. On a plain and obvious reading, ss. 262(1) clearly required Council to declare the vacancy “at its next meeting” following City Councillor Williams resignation effective 11:59 pm on June 8, 2022, which is when the Council vacancy arose under ss. 259(1)(d) and s. 260(1) of the *Municipal Act*, respectively.

[36] Section 263 of the *Municipal Act* further prescribes the following mandatory requirements for filling a vacancy on a municipal council:

Filling vacancies

263 (1) If a vacancy occurs in the office of a member of council, the municipality shall, subject to this section,

- (a) fill the vacancy by appointing a person who has consented to accept the office if appointed; or
- (b) require a by-election to be held to fill the vacancy in accordance with the *Municipal Elections Act, 1996*. 2001, c. 25, s. 263 (1).

Dual vacancies

(2) If the offices of a person who is a member of council of both a local municipality and its upper-tier municipality become vacant, the local municipality and not the upper-tier municipality shall fill the vacancy in accordance with subsection (1).

Court-ordered election

(3) If an order is made in any judicial proceeding requiring a by-election be held to fill a vacancy on a council, the clerk shall hold the by-election in accordance with the *Municipal Elections Act, 1996*.

Vacancy, head of council

(4) Despite subsections (1) to (3), if the head of council of an upper-tier municipality is required to be appointed by the members of the upper-tier council, the upper-tier municipality shall fill a vacancy in the office of head of council by appointment in the same manner as the head was originally appointed.

Rules applying to filling vacancies

(5) The following rules apply to filling vacancies:

- 1. Within 60 days after the day a declaration of vacancy is made with respect to the vacancy under section 262, the municipality shall,

- i. appoint a person to fill the vacancy under subsection (1) or (4), or
 - ii. pass a by-law requiring a by-election be held to fill the vacancy under subsection (1).
2. Despite paragraph 1, if a court declares an office to be vacant, the council shall act under subsection (1) or (4) within 60 days after the day the court makes its declaration.
3. Despite subsections (1) to (4), if a vacancy occurs within 90 days before voting day of a regular election, the municipality is not required to fill the vacancy.

[37] The conduct of municipal by-elections is governed by the *Municipal Elections Act, 1996*, SO 1996, c. 32, Sched. (“*Municipal Elections Act*”) which provides at ss. 4(1), 5 and 65(2), in part, as follows:

Regular elections

4 (1) A regular election to fill offices shall be held in 2006 and in every fourth year thereafter.

Voting day

5 Voting day in a regular election is the fourth Monday in October ...

[...]

No by-election after March 31 in year of regular election

(2) Despite any Act, no by-election shall be held to fill an office that becomes vacant after March 31 in the year of a regular election and no by-election shall be held with respect to a question or by-law after March 31 in the year of a regular election unless it is held in conjunction with a by-election for an office. [Emphasis added]

[38] By operation of ss. 4(1) and 5 of the *Municipal Elections Act*, a regular election is scheduled for 2022 and voting day will be on October 24, 2022. As the vacancy on Council created by City Councillor Williams’s resignation arose on June 8, 2022 and a regular election is scheduled for 2022, there is no dispute that the City is barred under ss. 65(2) of the *Municipal Elections Act* from holding a by-election to fill the Council vacancy and, therefore, must fill the vacancy pursuant to ss. 263(1) of the *Municipal Act* by appointing a person who has consented to accept the office.

[39] From the clear and specific language in ss. 262(1) and 263(5)(1) of the *Municipal Act* for filling vacancies, and applying the modern approach to statutory interpretation, I am satisfied that municipal council can only proceed to appoint a person to fill a vacant office *after* it has declared the vacancy at its next meeting after the vacancy has occurred. From the clear and unambiguous language used in these provisions, I find that the Legislature designed this mechanism to require two (2) mandatory pre-conditions for filling a vacancy on council, namely a) the vacancy must first exist under ss. 259(1) of the *Municipal Act*, after which b) council must declare the office vacant as required by ss. 262(1) and 263(5)(1) of the *Municipal Act*, respectively. Only then can council make an appointment under ss. 263(1)(a) and 263(5)(1)(i) to appoint a person to fill the vacancy within 60 days after the vacancy is declared. The design of this statutory mechanism wisely ensures that the incumbent member of council whose departure creates the vacancy will not participate in the process for determining who will be appointed to fill a vacancy on Council under ss. 263(1) and 263(5)(1)(i) of the *Municipal Act*, respectively. Given the collective interplay between all of these provisions, the design of the mechanism is clearly intended to maintain the integrity of the process for replacing members on Council by excluding departing incumbents from the process to avoid any potential for mischief or the appearance of impropriety. I hasten to add that neither party is alleging any bad faith by anyone in this matter, and I am making no findings of any deliberate misconduct.

[40] The mandatory and prescriptive nature of the mechanism under ss. 262(1) and 263(5)(1) of the *Municipal Act* for appointing a person to fill a council vacancy is reinforced by the language of ss. 15(1) of the *Municipal Act* which expressly affirms that a municipality's power to pass a by-law under any provision of the statute is "*subject to any procedural requirements, including conditions ... that apply to the power and any limits on the power contained in the specific provision.*" Council was obliged to comply with the mandatory process under ss. 259 to 263 of the *Municipal Act* and, therefore, was required to first declare the vacancy before appointing a person to fill the vacancy. Council's failure to comply with these mandatory requirements, as expressly required by ss. 15(1) of the *Municipal Act*, led to a total absence of jurisdiction and an illegality that is clearly demonstrated. Given the express nature of these statutory requirements, I am satisfied that Council cannot rely on its broad grants of power to escape these constraints: *Clublink* at para 38.

[41] In able submissions, counsel for the Respondent countered that the *Municipal Act* contains no express restrictions against passing by-laws that may take effect on a future date or occurrence, and that legislative silence is not a limit on a power under the statute: ss. 15(1.1) of the *Municipal Act*. Taking a broad and generous view of the City's statutory powers, he argued that Council's decision to pass the impugned Resolution and By-law on a contingent basis (i.e., conditional on a future declaration of the vacancy after it arose) was an efficient, sensible and reasonable way to deliver good government pursuant to s. 2 of the *Municipal Act* by arranging to fill the vacancy once it was declared to minimize the time when affected constituents would be under-represented. While I applaud efforts to promote efficient government and generally accept that a municipality might pass conditional by-laws in other situations, Council in this case did not follow the clear and mandatory requirements under ss. 259 to 263 of the *Municipal Act*, as explained earlier. In light of this, I do not see a basis on which Council can be found to have lawfully acted. By passing the impugned Resolution and By-law on May 31, 2002, Council did not comply with clear statutory requirements for filling the vacancy and acted with a total absence of jurisdiction.

[42] Furthermore, in light of the clear intent and design of the statutory scheme to effectively exclude a departing Council member from the decision-making process for filling the vacancy caused by their departure, as set out above, I am satisfied that the Resolution passed at the Special Meeting on May 31, 2022 conflicted with the purpose of the mechanism under the *Municipal Act* for filling a Council vacancy by having the departing incumbent participate in the process for appointing her successor. Given this conflict, I find that the Resolution and By-law are rendered without effect by operation of ss. 14(1)(a) and (2) of the *Municipal Act*, respectively.

[43] Taking all of this into account, I am satisfied that the Resolution and By-law were passed without lawful jurisdiction and should be quashed in their entirety for illegality.

Outcome

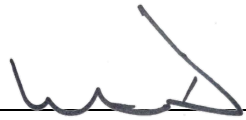

[44] Accordingly, the Application is granted.

[45] Following the hearing, the parties advised of their agreement for the successful party to have their costs of the Application fixed at \$20,000.00, inclusive of taxes and disbursements.

[46] Based on the foregoing, I make the following orders:

- a. Resolution C168-2022 passed by Council for the City of Brampton at the Special Meeting of Council held on May 31, 2022 to appoint Elaine Moore to fill an anticipated vacancy on Council is hereby quashed;
- b. By-law 129A-2002, being the by-law to confirm the proceedings of Council for the City of Brampton at the Special Meeting of Council held on May 31, 2022 is hereby quashed; and
- c. The Respondent shall pay the Applicant his costs for the Application fixed at \$20,000.00, inclusive of taxes and disbursements.

[47] I wish to express my appreciation to counsel on both sides for the high quality of their written and oral submissions.

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number _____ - 2022

To Appoint Officers to Enforce Parking on Private
Property and to Repeal By-law 118-2022

WHEREAS subsection 8(1) of the *Municipal Act, 2001*, S.O. - 2001, c. 25, as amended, provides that the powers of a municipality under the *Municipal Act, 2001* or any other Act shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality's ability to respond to municipal issues;

WHEREAS section 15 of the *Police Services Act*, R.S.O. 1990, c.P.15, authorizes the appointment of Municipal Law Enforcement Officers who shall be peace officers for the purposes of enforcing the by-laws of The Corporation of the City of Brampton;

NOW THEREFORE the Council of The Corporation of the City of Brampton ENACTS as follows:

1. The persons named in Column 1 of Schedule A to this By-law are hereby appointed as Municipal Law Enforcement Officers for the purpose of By-law 93-93, as amended, but only in respect of the corresponding properties named and identified in Column 2 of Schedule A to this By-law. Where no municipal address is set out in Column 2 the said officers may enforce By-law 93-93, as amended in respect of all the properties located upon the streets listed in Column 2.
2. In enforcing By-law 93-93, as amended, a Municipal Law Enforcement Officer appointed under this By-law may only take the actions authorized by sections 46, 47, 48 and 55 but not including subsection 55(1) of By-law 93-93, as amended.
3. A municipal law enforcement officer appointed by this By-law may enter on the land identified in Column 2 of Schedule A to this By-law at any reasonable time for the purpose of carrying out an inspection to determine whether or not sections 46, 47, 48 and 55 but not including subsection 55(1) of By-law 93-93 of The Corporation of the City of Brampton is being complied with.

- 4. Subject to section 5, this By-law prevails to the extent of any conflict between this By-law and any other by-law of The Corporation of the City of Brampton.
- 5. This by-law does not restrict any rights conferred by the *Municipal Act, 2001* or any other Act or regulation, respecting entry to land.
- 6. By-law 118-2022 is hereby repealed.

AMENDMENT NUMBER OP 2006 -
to the Official Plan of the
City of Brampton Planning Area

AMENDMENT NUMBER OP 2006 -
TO THE OFFICIAL PLAN OF THE
CITY OF BRAMPTON PLANNING AREA

1.0 Purpose:

The purpose of this amendment is to implement policies in the Official Plan to permit additional residential units (ARUs), in conformity with changes to the *Planning Act* made by *Bill 108 More Homes, More Choice Act, 2019*. Bill 108 requires municipalities to permit additional residential units within accessory structures (to be identified as 'garden suites'), in addition to the already permitted second units. The existing policies for Second Units will be moved to the Residential section of the Official Plan under a new heading for ARUs.

2.0 Location:

This amendment affects all lands within the City of Brampton.

3.0 Amendments and Policies Relative Thereto:

3.1 The document known as the Official Plan of the City of Brampton Planning Area is hereby amended:

- (1) by deleting Subsection 3.2.8.2 Second Units in its entirety and renumbering the subsequent sections.
- (2) by adding 4.2.5.6 Additional Residential Units (ARUs) as a subheading, and the following new policies:

"4.2.5.6 Additional Residential Units (ARUs)

The City supports the creation of affordable housing and creative housing solutions that broaden the range of housing typologies and provide gentle intensification in the Residential designation to better utilize infrastructure and services. Second units and garden suites, are a form of Additional Residential Units (ARUs), permitted City-wide subject to the provisions of this Plan, the Zoning By-law, and the Registration By-law.

ARUs aim to support the overall planning objectives of this Plan, including:

- Supporting modest population growth and densification;
- Providing a variety of housing choice;
- Supporting the supply and range of rental housing options across the City;
- Supporting changing demographics through opportunities for multi-generational living, aging in place and age friendly communities;
- Utilizing efficiencies in City and Regional infrastructure including roads, public transportation, water/wastewater and community services; and,
- Providing flexibility for homeowners to enhance the use of their property.

Additional Residential Units (ARUs), are self-contained residential dwelling units, with its own cooking facility, sanitary facility and sleeping area, and that are located either within the principal dwelling (second unit), or within an accessory building or structure (garden suite) on the same lot as a single detached, semi-detached, or townhouse dwelling. ARUs are also known as second(ary) units, garden suites, granny-flats, in-law suites, laneway suites, and/or coach houses.

- 4.2.5.6.1 Additional Residential Units (ARUs) shall only be permitted on properties where a single detached, semi-detached or townhouse dwelling is situated; and shall be subject to the following criteria:
- i. A maximum of two ARUs are permitted per residential lot, one located within the principal dwelling, known as a second unit, and one within an accessory structure or building, known as a garden suite;
 - ii. ARUs are intended to be accessory in scale and function to the principal dwelling;
 - iii. ARUs are to be located on full municipal services, unless it can be demonstrated to the satisfaction of the Chief Building Official that the sewage system on private sanitary servicing has been upgraded to meet the regulations of the Ontario Building Code (OBC) for an additional residential unit;
 - iv. ARUs must be in compliance with the Ontario Building Code and/or Fire Code, Registration By-law, Property Standards By-law, the applicable regulation approved under the Conservation Authorities Act, and other applicable approval requirements;
 - v. An ARU shall not be permitted within natural heritage or natural hazard areas regulated by the applicable Conservation Authority, or the Downtown Floodplain Special Policy Area;
 - vi. An ARU shall have no negative impact on stormwater management and site drainage;
 - vii. The exterior design of a garden suite must be compatible with the character of the principal dwelling, in terms of design, style and materials; and,
 - viii. Adequate on-site parking is to be provided in accordance with the requirements of the Zoning By-law.
- 4.2.5.6.2 The City encourages the creation of ARUs through new construction and the subdivision approval process, subject to the policies of this Plan.
- 4.2.5.6.3 Garden suites will be subject to a Custom Home review process, which includes a design and engineering review that may consider the following:
- i. Privacy and shadow impacts on adjacent properties
 - ii. Building design, style and materiality
 - iii. Accessible design features
 - iv. Sustainable building materials and technologies
 - v. Grading, servicing and site drainage
 - vi. Preservation of trees and mature vegetation
 - vii. Maintenance of an adequate open amenity space in the rear and side yards, and maximizing contiguous soft landscaping.
- 4.2.5.6.4 A deviation from the prescriptive requirements for ARUs as set out in the Zoning By-law, may be considered subject to a minor variance application under Section 45 of the Planning Act, as amended, subject to the following:
- i. Meets the intent and purpose of policies of Section 4.2.5.6.1;

- ii. It is demonstrated that the privacy of the adjacent properties is maintained; and,
- iii. Meets the intent and purpose of the requirements and restrictions of the Zoning Bylaw.

4.2.5.6.5 The severance of a garden suite from the lot where the principal dwelling is located shall not be permitted.”

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number _____ - 2022

To amend Zoning By-law 270-2004, as amended

The Council of The Corporation of the City of Brampton, in accordance with the provisions of the Planning Act, R.S.O. 1990, c.P. 13, hereby ENACTS as follows:

(1) By-law 270-2004, as amended, is hereby further amended:

1. by amending Section 5.0 Definitions, as follows:

a) by adding the following defined terms and definitions:

“ADDITIONAL RESIDENTIAL UNIT (ARU)” shall mean a self-contained residential dwelling unit, with its own cooking facility, sanitary facility and sleeping area, and that it is located either within the principal dwelling (Second Unit), or within an accessory building or structure (Garden Suite) on the same lot as the principal dwelling;

“GARDEN SUITE shall mean an Additional Residential Unit (ARU) accessory to a single detached, semi-detached or street townhouse dwelling unit located in a building that is detached from the principal dwelling and is located in the rear or interior side yard, and which may be freestanding or attached to a private detached garage;

b) by deleting the definition for “SECOND UNIT” in its entirety and replacing it with the following:

“SECOND UNIT shall mean an Additional Residential Unit (ARU) located within a single detached, semi-detached or townhouse dwelling resulting in a two-unit dwelling.”

c) by re-organizing the definitions in alphabetical order accordingly.

2. by deleting Section 6.27 One Dwelling Per Lot in its entirety and replacing it with the following:

“6.27 Dwellings Per Lot

Where a single detached, semi-detached, or townhouse dwelling is permitted, a second unit and/or a garden suite may also be permitted subject to the requirements and restrictions of Section 10.16 of the Bylaw.”

3. by adding to Section 10.2 One Dwelling Per Lot, the phrase “or garden suite” following the text “second unit”.

4. by adding to Section 10.27(c) Older, Mature Neighbourhoods, the text “except for a garden suite” immediately following the text “excluding permitted accessory structures”.
5. by deleting Section 10.16 Provisions for Two Unit Dwellings in its entirety and replacing it with the following:

“10.16 Provisions for Additional Residential Units (ARUs)

The following requirements and restrictions shall apply to all ARUs:

- (a) An ARU shall only be permitted on the same lot as a single detached dwelling, a semi-detached dwelling, or townhouse dwelling;
- (b) An ARU shall not be permitted within or on the same lot as a lodging house or supporting housing residence;
- (c) A maximum of one second unit and one garden suite is permitted per residential lot;
- (d) An ARU shall not be permitted on properties located within a Floodplain Zone or Open Space Zone, or on lands identified in Schedule B-6: Downtown Floodplain Regulations area;
- (e) Lots containing both a second unit and a garden suite are required to provide one additional parking space in addition to the parking required under Section 10.9 for the principal dwelling unit located on the same lot. All required parking spaces shall be located entirely within the boundaries of the subject lot;
- (f) Notwithstanding Section 6.17, each parking space on a residential lot containing both a second unit and a garden suite shall be not less than 2.6 metres in width and 5.4 metres in length. Tandem parking spaces shall be permitted and, the maximum width for a driveway shall not exceed the permitted width as specified in Section 10.9 of this By-law. For the purposes of this section, tandem parking shall mean a parking space that can only be accessed by passing through another parking space from a street, lane or driveway; and,
- (g) Shall be subject to the applicable Registration By-law.

10.16.1 Provisions for Two-Unit Dwellings

The following requirements and restrictions shall apply for a second unit within a two-unit dwelling:

- (a) The gross floor area of a second unit shall not exceed the gross floor area of the principal dwelling unit;
- (b) Where the principal entrance to a second unit is provided through a door located in the side yard or rear yard, an unobstructed pedestrian path of travel having a minimum width of 1.2 metres shall be provided along any portion of the yard extending from the front wall of the building to the door used as the principal entrance to a second unit, unless the principal entrance to the second unit has direct unobstructed access having a minimum width of 1.2 metres from a public street or private laneway at the rear of the property;
- (c) An above grade side door meeting the minimum 1.2 metre path of travel requirement of Section 10.24 and used as the principal entrance to a second unit may be accessed by a landing less than 0.6 metres above ground level having a maximum length and width of 0.9 metres. Steps shall

be provided at both the front and rear of the landing as may be necessary to provide pedestrian access from the front yard to the rear yard;

- (d) Except as required by Section 10.16(e), no additional parking space is required for a second unit; and,
- (e) A maximum of one second unit shall be permitted in a two-unit dwelling.

10.16.2 Provisions for Garden Suites

The following requirements and restrictions shall apply for a garden suite:

- (a) A garden suite shall only be permitted in the rear yard or interior side yard of a lot containing a single detached dwelling, a semi-detached dwelling, or townhouse dwelling;
- (b) Notwithstanding Section 10.27(c), a garden suite shall be subject to the lot coverage requirements of the site-specific zone or Section 10.27 Older, Mature Neighbourhoods, where applicable, whichever is most restrictive;
- (c) The maximum gross floor area shall not exceed:
 - i. 80 square metres on a lot in a Residential Hamlet, Residential Estate or Agricultural zone;
 - ii. 35 square metres on a lot in all other Residential zones; or,
 - iii. Notwithstanding 10.16.2(c)(i) and (c)(ii) above or Section 10.4.1(g), a garden suite located above a detached garage shall be permitted provided that the maximum gross residential floor does not exceed 48 square metres or the gross floor area of the detached garage, whichever is less. The combined gross floor area for a detached garage with a garden suite above shall not exceed 96 square metres or twice the area of the garage, whichever is less.
- (d) Minimum Rear Yard Depth: 2.5 metres;
- (e) Minimum Interior Side Yard Width: 1.8 metres;
- (f) Minimum separation distance from the principal dwelling: 3 metres;
- (g) Encroachments into the minimum required rear yard depth set out in 10.16.2(d) or into the building separation distance set out in 10.16.2(f) shall be permitted as follows:
 - i. Maximum 0.6 metres for a window bay with or without foundation
 - ii. Maximum 0.5 metres for eaves, cornices, gutters, chimneys, pilasters or parapets
 - iii. Maximum 0.9 metres for an open sided, roofed porch or deck.
- (h) The maximum building height shall not exceed:
 - i. 7.5 metres or the height of the principal building, whichever is less, on a lot in a Residential Hamlet, Residential Estate or Agricultural zone;
 - ii. 4.5 metres or the height of the principal building, whichever is less, on a lot in all other Residential zones; or,
 - iii. Notwithstanding 10.16.2(h)(i) and 10.16.2(h)(ii) above, and Section 10.4(h), a garden suite shall be permitted above a detached garage provided the overall height of the building does not exceed 7.5 metres or the height of the principal dwelling, whichever is less.
- (i) Balconies and roof top patios shall not be permitted;

- (j) A minimum 1.2 metre wide unobstructed pedestrian path of travel shall be provided along any portion of the yard extending from the front wall of the principal dwelling to the main entrance of the garden suite, unless the garden suite has direct unobstructed access having a minimum width of 1.2 metres from a public street or private laneway at the rear of the property;
- (k) Except as required by Section 10.16(e), no additional parking space is required for a garden suite; and,
- (l) Notwithstanding Section 10.3(i) or 10.4(i), a garden suite is permitted within a converted intermodal shipping container.”

THE CORPORATION OF THE CITY OF BRAMPTON

BY-LAW

Number _____ - 2022

**A By-law to require the registration of Additional Residential Units (ARUs)
in the City of Brampton, and to repeal By-law 87-2015, as amended**

RECITALS

Section 16(3) of the *Planning Act*, S.O., 1990, c. P.13, as amended, requires municipalities to implement official plan policies authorizing the use of additional residential units;

Section 35.1(1) of the *Planning Act*, S.O., 1990, c. P.13, as amended, requires that bylaws passed under section 34 give effect to the policies described in subsection 16(3) of that Act;

The City of Brampton has added policies to the City's Official Plan and Comprehensive Zoning By-law in order to comply with these *Planning Act* requirements;

Section 8(1) of the *Municipal Act*, 2001, S.O. 2001, c. 25, as amended, (Municipal Act, 2001) provides that the powers of a municipality under any Act shall be interpreted broadly so as to confer broad authority on municipalities to enable them to govern their affairs as they consider appropriate, and to enhance their ability to respond to municipal issues;

Section 11(2) (6) of the *Municipal Act*, 2001, authorizes municipalities to pass by-laws respecting the health, safety and well-being of persons and the protection of persons and property;

Subsection 391(1) of the *Municipal Act, 2001*, provides that a municipality may impose fees and charges on persons for services or activities provided or done by or on behalf of it;

Subsection 429(1) of the *Municipal Act, 2001*, provides that a municipality may establish a system of fines for a by-law passed under the Act;

Subsection 434.1 (1) of the *Municipal Act, 2001* provides that a municipality may require a person, subject to such conditions as the municipality considers appropriate, to pay an administrative penalty if the municipality is satisfied that the person has failed to comply with a by-law of the municipality passed under that Act.

Subsection 436(1) of the *Municipal Act, 2001*, provides that a municipality may pass bylaws providing for the entry onto land at any reasonable time for the purpose of carrying out an inspection to determine compliance with a by-law;

Section 444 of the *Municipal Act, 2001*, provides that a municipality may make an order to require a Person to discontinue contravening a by-law and to do the work required to correct the contravention;

The Council of The Corporation of the City of Brampton considers it important to enact a by-law to require the registration of additional residential units in the City of Brampton in order to protect persons, property and the health, safety and well-being of Brampton residents;

NOW THEREFORE, the Council of The Corporation of the City of Brampton ENACTS as follows:

PART I – TITLE, INTERPRETATION AND SEVERABILITY

1. This By-law may be referred to as the “Additional Residential Unit (ARU) Registration By-law”.
2. This By-law applies to all property within the City of Brampton.
3.
 - (1) Wherever a word is used in this By-law with its first letter capitalized, the term is being used as it is defined in Part II of this By-law. Where any word appears in ordinary case, the commonly applied English language meaning is intended.
 - (2) Wherever a word defined in Part II of this By-law is used in the form of a noun, verb, adverb or adjective, it shall be interpreted as having a corresponding defined meaning even if it is in ordinary case;

- (3) All words in this By-law importing the singular shall include the plural, and words imparting the masculine gender shall include the feminine, and the converse of the foregoing also applies, unless the context of the By-law requires otherwise.
4. If a court of competent jurisdiction declares any provision or part of a provision of this By-law to be invalid or to be of no force and effect, it is the intention of Council in enacting this By-law that the remainder of this By-law shall continue in force and be applied and enforced in accordance with its terms to the fullest extent possible according to law.

PART II – DEFINITIONS

5. For the purpose of this By-law:

“Additional Residential Unit (ARU)” means a self-contained residential dwelling unit, with its own cooking facility, sanitary facility and sleeping area, and that it is located either within the principal dwelling (Second Unit), or within an accessory building or structure (Garden Suite) on the same lot as the principal dwelling;

“By-law” means this by-law, as amended from time to time;

“City” means The Corporation of the City of Brampton or the land within the municipal boundaries of the City of Brampton, as the context requires;

“Council” means the Council of The Corporation of the City of Brampton;

“Garden Suite” means an Additional Residential Unit (ARU) accessory to a single detached, semi-detached or street townhouse dwelling unit located in a building that is detached from the principal dwelling and is located in the rear or interior side yard, and which may be freestanding or attached to a private detached garage;

- (a) Chief Building Official or inspector appointed pursuant to the *Building Code Act, 1992*;
- (b) Municipal Law Enforcement Officer; or
- (c) Fire and Emergency Services inspector;

“Owner” means a Person, who is:

- (a) the registered owner of a property containing Additional Residential Units;

- (b) agent for the registered owner of a property containing Additional Residential Units; or
- (c) managing or receiving the rent of from a property containing one or more Additional Residential Units whether on the Person's own account or as agent or trustee of any other Person who would receive the rent if the land or premises were let;

"Person" includes an individual, corporation, partnership or limited liability partnership;

"Registrar" means the City's Chief Building Official or his or her designate;

"Second Unit" means an Additional Residential Unit located within a single detached, semi-detached or townhouse dwelling resulting in a Two-Unit Dwelling;

"Two-Unit Dwelling" means a single detached dwelling, semi-detached dwelling or townhouse dwelling containing one Second Unit.

PART III – PROHIBITION

- 6. No Person shall have an Additional Residential Unit (ARU) unless it has been registered in accordance with the requirements of this By-law.

PART IV – REGISTRATION

- 7. Every Person who has an ARU shall register the Two-Unit Dwelling and/or a Garden Suite as required by this By-law. Where more than one ARU is located on the same property, every person shall register each ARU separately with the City.
- 8.
 - (1) The Registrar is authorized to administer this By-law in accordance with the requirements of this By-law, including the power to register, refuse to register or revoke the registration of any ARU.
 - (2) For the purpose of section 23.2(4) of the Municipal Act, 2001, Council considers the delegation of powers to the Registrar pursuant to this By-law, including the powers to register, refuse to register and revoke the registration of ARU, to be of a minor nature.
- 9. Prior to the registration of an ARU the owner shall:
 - (1) submit a complete application for registration, together with supporting plans, documents and drawings, to the Registrar in a form prescribed by the Registrar; and

- (2) pay a non-refundable \$200.00 registration fee for each ARU.
- 10. The Owner bears the onus of proving that an ARU meets the requirements of this By-law and any other applicable law to the Registrar's satisfaction.
- 11. (1) The Registrar may deem an application abandoned if all requirements of registration pursuant to this By-law have not been fulfilled to the Registrar's satisfaction within eighteen (18) months from the date that the application is submitted.

(2) An Owner may re-apply for registration where an application has been deemed abandoned subject to the requirements of this By-law including payment of all applicable fees.
- 12. (1) The Registrar shall establish and maintain a record of all ARU applications filed and a registry of all Two-Unit Dwellings and Garden Suites registered pursuant to this By-law.

(2) An ARU once registered pursuant to this By-law remains registered without payment of any renewal or other fees unless registration is revoked pursuant to section 14 of this By-law.

PART V – REFUSAL AND REVOCATION

- 13. (1) The Registrar may refuse to register an ARU that is not in compliance with any one or more of the following:
 - (a) the Ontario Building Code;
 - (b) the Ontario Fire Code;
 - (c) the Ontario Electrical Safety Code;
 - (d) the City's Zoning By-law;
 - (e) the City's Property Standards By-law;
 - (f) this By-law; or
 - (g) any other applicable law.
- (2) Where the Registrar refuses to register an ARU based on the criteria in subsection (1), the Registrar shall provide the Owner with a Notice of Refusal to Register, which shall include a brief written explanation of the reason for refusal.

14. (1) The Registrar may revoke the registration of an ARU if:
- (a) it was registered in whole or in part based on false information;
 - (b) the Owner requests that the Registrar revoke registration because they no longer have an ARU to the Registrar's satisfaction; or
 - (c) it is not in compliance with any one or more of the following:
 - (i) the Ontario Building Code;
 - (ii) the Ontario Fire Code;
 - (iii) the Ontario Electrical Safety Code;
 - (iv) the City's Zoning By-law;
 - (v) the City's Property Standards By-law;
 - (vi) this By-law; or
 - (vii) any other applicable law.
- (2) Where the Registrar intends to revoke registration of an ARU based on the criteria in either subsections (1)(a) or (c), the Registrar shall provide the Owner with a Notice of Intention to Revoke Registration which shall include a brief written explanation of the reasons for revocation.
15. (1) The Registrar's Notice of Intention to Revoke Registration as applicable, shall be sent:
- (a) by electronic mail to the Owner's e-mail address included in the application to register; and
 - (b) in accordance with the requirements for service in Part IX of this By-law.
- (2) The Owner shall have sixty (60) days from the date of the notice to resolve the Registrar's reasons for their Intention to Revoke.
- (3) Where the Owner fails to resolve the Registrar's reasons for their Intention to Revoke to the Registrar's satisfaction in compliance with subsection 15(2), the Registrar shall provide the Owner with written confirmation of the decision to revoke registration:
- (a) by electronic mail to the Owner's e-mail address included in the application to register; and

- (b) in accordance with the requirements for service in Part IX of this By-law.
- (4) If the Registrar has confirmed the revocation of registration of an ARU, the Owner may re-apply to register subject to complying with the requirements of this By-law including payment of applicable fees.

PART VI – INSPECTION

- 16. (1) An Inspector acting pursuant to this By-law may, at any reasonable time, enter and inspect any property, for the purpose of carrying out an inspection to determine whether there is compliance with any one or all of the following:
 - (a) the requirements of this By-law;
 - (b) an order made pursuant to this By-law or the Municipal Act, 2001; or
 - (c) an order made pursuant to section 431 of the Municipal Act, 2001.
- (2) An Inspector may undertake an inspection pursuant to an order issued under section 438 of the Municipal Act, 2001.
- 17. For the purposes of conducting an inspection, an Inspector may, in accordance with the provisions in section 436 of the Municipal Act, 2001:
 - (1) Require the production for inspection of documents or things relevant to the inspection;
 - (2) Inspect and remove documents or things relevant to the inspection for the purpose of making copies or extracts;
 - (3) Require information from any person concerning a matter related to the inspection; and
 - (4) Alone or in conjunction with a person possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purpose of the inspection.
- 18. An Inspector performing a duty under this By-law may be accompanied by a Person under his or her direction.
- 19. (1) No Person shall hinder or obstruct an inspector or attempt to hinder or obstruct an inspector who is performing a duty under this By-law; and
- (2) Any Person who provides false information to an inspector shall be deemed to have hindered or obstructed the inspector in the execution of his or her duties.

PART VII – ORDER

20. (1) Where an Inspector believes that a contravention of this By-law has occurred they may issue:
- (a) an order to discontinue the contravening activity;
 - (b) an order to correct the contravention; or,
 - (c) an order to discontinue the contravening activity and correct the contravention.
- (2) Orders issued pursuant to subsection 20(1) shall be in writing and set out:
- (a) the name of the Person who is believed to have contravened this By-law and the municipal address or the legal description of the land to which the contravention applies;
 - (b) reasonable particulars of the contravention;
 - (c) the date by which there must be compliance with the order;
 - (d) if applicable, the work to be done and the date by which the work must be done; and,
 - (e) if applicable, a statement that the City may have the work done at the expense of the owner of the property if the work is not done in compliance with the order.
- (3) An order issued under this By-law may be served personally or served by mail to the last known address of the Person and such other persons affected by it as determined by the Inspector and a copy of the order may be posted on any property to which the contravention applies.
- (4) If an order is served by registered mail, the service shall be deemed to have been made five (5) days after mailing.(5) Where service cannot be carried out in accordance with subsection 63. (3), the Inspector may place a placard containing the terms of the order in a conspicuous place on the property to which the contravention applies, and the placing of the placard shall be deemed to be sufficient service of the order on the Person or persons to whom the order is directed.
- (5) Every Person who fails to comply with an order made under this section is guilty of an offence.

PART VIII – PENALTY

21. (1) Every Person who contravenes any provision of this By-law, or fails to comply with an order issued pursuant to this By-law, and every director or officer of a corporation who concurs in such contravention by the corporation, is guilty of an offence and, upon conviction, is liable to a fine and such other penalties, as provided for in the *Provincial Offences Act*, S.O. 1990, c. P.33, and the *Municipal Act*, 2001, as both may be amended from time to time.
- (2) In addition to subsection (1), any Person who is charged with an offence under this by-law in accordance with Part III of the *Provincial Offences Act* and is found guilty of the offence, is liable, in addition to any other penalties:
- (a) if an individual, to a fine of not more than \$25,000; or
- (b) if a corporation, to a fine of not more than \$50,000.
22. If a Person is convicted of an offence pursuant this By-law, the potential for receiving an economic advantage from an Additional Residential Unit that is not registered pursuant to this By-law may be considered an aggravating factor for sentencing purposes which may attract a special fine and the maximum amount of the special fine may exceed \$100,000 or such other maximum amount permitted by the *Municipal Act*, 2001.
23. If a Person is convicted of an offence under this By-law, in addition to any other remedy or any penalty imposed, the court in which the conviction has been entered, and any court of competent jurisdiction thereafter, may make an order:
- (1) prohibiting the continuation or repetition of the offence by the Person convicted; and
- (2) requiring the Person convicted to correct the contravention in the manner and within the period that the court considers appropriate.
24. Where a Person fails to pay any part of a fine for a contravention of this By-law and the fine is due and payable under Section 66 of the *Provincial Offences Act*, including any extension of time to pay the fine provided under that section, the City Treasurer, or the Treasurer's delegate may give the Person a written notice specifying the amount of the fine payable and the final date on which it is payable, which date shall not be less than twenty-one (21) days after the date of the notice.
25. If any part of a fine for a contravention of this By-law remains unpaid after the final date specified in the notice provided under Section 69, the outstanding fine is deemed to be unpaid taxes pursuant to Section 351 of the *Municipal Act*, 2001.

PART IX – SERVICE OF DOCUMENTS

26. Service of any document other than an order, including reasons for revocation or under this By-law, shall be given in writing and may be served in any of the following ways:
- (1) by being delivered personally to the Person to whom it is addressed;
 - (3) by registered mail to the Person's last known address, which is deemed to be served on the 5th day after a copy is sent by registered mail; or
 - (4) where service is unable to be done under subsections (1) or (2), notice may be given by placing a placard containing the terms of the document in a conspicuous place on the property to which the document relates and shall be deemed to be sufficient service on the Person.

PART X – ADMINISTRATIVE PENALTIES

27. Administrative Penalties (Non-Parking) By-law 218-2019, as amended, applies to this By-law.
28. Every Person who contravenes a provision of this By-law designated in Schedule A of the Administrative Penalties (Non-Parking) By-law 218-2019, as amended, shall upon issuance of a Penalty Notice be and is liable to pay to the City of Brampton an administrative penalty in the amount set out in the Administrative Penalties (Non-Parking) By-law 218-2019, as amended.

PART XI – EXEMPTION

29. (1) Two-Unit Dwellings previously registered pursuant to repealed City By-laws 92-96 and 87-2015, as amended, continue to be registered under this By-law.
- (2) Two-Unit Dwellings that are considered registered pursuant to sub-section (1), will be included on the registry and may be subject to revocation of registration and required to re-apply for registration for non-compliance with law.

PART XII - SCHEDULES

30. All Schedules attached to this By-law shall form part of this By-law.

PART XIII – REPEAL

31. By-law 87-2015, as amended, is hereby repealed.

AMENDMENT NUMBER OP2006-_____
To the Official Plan of the
City of Brampton Planning Area

AMENDMENT NUMBER OP2006-_____

To the Official Plan of the
City of Brampton Planning Area

1.0 Purpose:

The purpose of this amendment is to amend the Secondary Plan Area 45, the Credit Valley Secondary Plan and Land Use Schedule, to permit the future development of lands known municipally as 1857 Queen Street West with high density residential uses.

2.0 Location:

The lands subject to this amendment are known municipally as 1857 Queen Street West. The lands are located approximately 370.22 metres (1,214.57 feet) west of Mississauga Road, 931.60 metres (3,056.43 feet) east of Creditview Road, having a frontage of approximately 68.0 metres (223.09 feet) on the south side of Queen Street West. The lands are legal described as Part of Lot 5, Concession 4, W.H.S., in the City of Brampton.

3.0 Amendments and Polices Relative Thereto:

- 3.1 The document known as the Official Plan of the City of Brampton Planning Area is hereby amended:
1. by adding to the list of amendments pertaining to Secondary Plan Area Number 45: Credit Valley as set out in Part Two: Secondary Plans thereof, Amendment Number OP 2006-_____
- 3.2 The portions of the document known as the 1993 Official Plan of the City of Brampton Planning Area, which remains in force, as they relate to the Credit Valley Secondary Plan, being Chapter 45, of Part II of the City of Brampton Official Plan, as amended, are hereby further amended:
1. By changing on Schedule 45(a) , the land use designations of the lands shown outlined on Schedule 'A' to this amendment from 'Low Density 1 Residential' to 'High Density Residential', and by adding a High Density Residential designation to the legend;
 2. By deleting policy 6.2.2 in its entirety and replacing it with the following section as 6.2.1:

“6.2.1 Special Policy Area 2 recognizes the long term development potential of these lands for urban uses, in accordance with the residential designations of this Chapter. Due to various access and land use constraints, Special Policy Area 2 shall be developed as an integrated entity, generally in accordance with the Council approved Tertiary Plan dated June 20th, 2022, attached as Appendix 1.”
 3. By deleting policy 6.2.3 in its entirety and replacing it with the following as section 6.2.2:

“6.2.2 The Lands municipally known as 1857 Queen Street West shall be subject to the following:

 - i. Notwithstanding Section 4.6.13 of the Official Plan, the limit of development, and any buffer from natural features shall be in accordance with the Scoped Environmental Impact Study, 1857

Queen Street West, City of Brampton” prepared by Beacon Environmental and dated June 2022.

- ii. Notwithstanding the provisions of section ‘5.2.11 High Density’ designation of this Plan, the subject lands shall be developed in accordance with the following principles:
 - a. A maximum Gross Floor Area of 21,050m²
 - b. To minimize the impact upon abutting residential uses, appropriate property line setbacks shall be established in the zoning by-law relative to the height of the building. For clarity, rear and side yard setbacks shall increase as the height of the building increases.
 - c. Building facades are to have a high degree of architectural articulation to break up the massing of the façade.
 - d. Buildings are to be constructed with high life-cycle and aesthetic quality materials. Extensive use of EIFS (i.e. stucco) finish is strongly discouraged and the use of EIFS should be limited for architectural features and accents.
 - e. Development shall demonstrate a high level of design, high quality building materials, well-articulated facades, and the incorporate of a building and site elements that contribute to a strong pedestrian streetscape.
 - f. An open space buffer shall be provided at the southern portion of the subject site abutting the Natural Heritage System.
 - iii. Notwithstanding the lands being designated on Schedule A1 – Upscale Executive Housing Special Policy Areas of the Official Plan, the lands are not designated Executive Residential on Schedule SPA 45(A) of the Credit Valley Secondary Plan. However, the development of the lands shall implement the Upscale Executive Housing design principles and standards through the approved Community Design Guidelines.
4. By adding to Section 5.2 (Residential), a new subsection titled ‘High Density Residential’ as follows:

“5.2.11 High Density Residential

5.2.11.1 On lands designated High Density Residential, as shown on SPA45(a) the following shall apply, subject to section 5.2.1 of this Chapter:

- i. Permitted uses shall include an apartment building; and
- ii. A maximum Floor Space Index of 3.0 shall be permitted (exclusive of underground parking garage).”

PART II

ADMINISTRATION

2 Application

- 2.1 This By-law prescribes standards for the maintenance and occupancy of Property within the City of Brampton.
- 2.2 This By-law requires Property that does not conform to the prescribed standards be repaired and maintained or cleared of all Buildings, structures, debris or Refuse and left in graded and levelled condition.

3 Property Standards Committee

- 3.1 A Property Standards Committee shall be established and shall function as set out in Section 15.6 of the [Building Code Act](#), to hear and rule on appeals against an Order of a Property Standards Officer.
- (1) The Committee shall be composed of not less than three (3) residents of the City appointed by Council;
 - (2) The term of the appointment shall be for the term of Council;
 - (3) A member shall serve for the term for which the member is appointed or until a successor is appointed by City Council;
 - (4) In the event of a vacancy in the membership of the Committee, Council shall forthwith fill the vacancy;
 - (5) A member of Council or an employee of the City or a local board thereof is not eligible to be a member of the Committee, but a teacher employed by a board of education or school board is not deemed to be an "employee" for the purpose of this subsection; and,
 - (6) A member shall be deemed to have resigned if they fail to attend three (3) consecutive regular meetings.
- 3.2 On an appeal, the Committee has all the powers and functions of the Officer who made the Order and may do any of the following things if, in the Committee's opinion, doing so would maintain the general intent and purpose of the by-law and of the official plan or policy statement:
- (1) Confirm, modify, or rescind the Order to demolish or Repair; or
 - (2) Extend the time for complying with the Order.

PART III

ENFORCEMENT

4 General Provisions

- 4.1 Council shall appoint Officers to carry out the administrative functions of this by-law, including the enforcement thereof.
- 4.2 An Officer may, upon producing proper identification, enter upon any Property at any reasonable time without a warrant for the purpose of inspecting the Property to determine:
- (1) whether the Property conforms to the standards prescribed in this by-law; or,
 - (2) whether an Order made under this by-law has been complied with.
- 4.3 An officer who finds that a property does not conform to any of the standards prescribed in a by-law passed under section 15.1 may make an Order:
- (a) stating the municipal address or the legal description of the property;
 - (b) giving reasonable particulars of the repairs to be made or stating that the site is to be cleared of all buildings, structures, debris or refuse and left in a graded and levelled condition;
 - (c) indicating the time for complying with the terms and conditions of the order and giving notice that, if the repair or clearance is not carried out within that time, the municipality may carry out the repair or clearance at the owner's expense; and
 - (d) indicating the final date for giving notice of appeal from the Order.
- 4.4 An Order may be registered in the proper land registry office and, upon such registration, any Person acquiring any interest in the land subsequent to the registration of the Order shall be deemed to have been served with the Order.
- 4.5 For the purposes of an inspection, an Officer may:
- (1) require the production for inspection of documents or things, including drawings or specifications, that may be relevant to the Property or any part thereof;
 - (2) inspect and remove documents or things relevant to the Property or part thereof for the purpose of making copies or extracts;
 - (3) require information from any Person concerning a matter related to a Property or part thereof;
 - (4) be accompanied by a Person who has special or expert knowledge in relation to a Property or part thereof;
 - (5) alone or in conjunction with a Person possessing special or expert knowledge, make examinations or take tests, samples or photographs necessary for the purposes of the inspection; and
 - (6) Order the Owner of the Property to take and supply at the Owner's expense such tests and samples as are specified in the Order.

PART IV

GENERAL PROVISIONS

5 Duties

- 5.1 Every Owner shall maintain their Property in accordance with the provisions of this By-law.
- 5.2 Every Person to whom an Order or Notice is issued under this by-law shall comply with such Order or Notice as required.
- 5.3 No Person shall hinder or obstruct, or attempt to hinder or obstruct, an Officer or a Person authorized by a registered code agency in the exercise of a power or the performance of a duty under this By-law.
- 5.4 Where applicable, every Owner shall obtain a Building permit prior to making Repairs.

6 Manner of Making Repairs

- 6.1 All Repairs shall be made in a good and workmanlike manner, using only materials that are suitable for the purpose and free from defects. Without limiting the foregoing, this shall include:
 - (1) ensuring the component repaired can perform its intended function;
 - (2) finishing the Repair in a manner that is reasonably compatible in design colour with the adjoining finishing materials; and
 - (3) maintaining an aesthetically pleasing appearance that is consistent with the surrounding environment.

PART V

EXTERIOR MAINTENANCE STANDARDS - YARDS

7 General Maintenance and Storage

- 7.1 Every Yard shall be kept clean and free from:
- (1) Hazardous or potentially Hazardous objects, materials, or conditions;
 - (2) domestic animal excrement;
 - (3) Refuse, or organic waste not contained within a Proper Receptacle (except where compost heaps are permitted and reasonably maintained);

- 42.4 All vacant land shall be kept free from the storage of equipment, Trailers, Vehicles, or materials that are not actively engaged with the maintenance or development of the Property.
- 42.5 Except on land used for agricultural purposes, Vacant Land shall be graded, filled, or otherwise drained so as to prevent the ponding of stormwater.

PART IX

DAMAGED AND VACANT BUILDINGS

43 General Provisions

- 43.1 Every vacant, unoccupied or damaged Building and Accessory Building shall be protected against the risk of fire, accident, or other peril, by effectively securing the Building or Accessory Building to prevent the entrance of unauthorized Persons.
- 43.2 Where a Building is damaged by fire, storm, or other causes, immediate steps shall be taken to prevent danger to Persons, or to remove any conditions which might endanger Persons on or near the Property.
- 43.3 Where a Building is damaged by fire, storm, or other causes, immediate steps shall be taken to Repair or cause the Repair of the damaged Building components with the applicable Building permits.
- 43.4 Every Building which is damaged, shall be properly supported, secured, and barricaded until the necessary Repair or demolition can be carried out.
- 43.5 Where entry to a Building cannot be sufficiently prevented by the locking of doors, windows, and other openings, the entry shall be prevented as follows:
- (1) All windows, doors, and other openings that provide a means of entry shall be covered with weather-resistant plywood sheathing or an equivalent material that shall be securely fastened and tight-fitting;
 - (2) Coverings shall have a thickness of not less than 1.59 centimetres (5/8 inches) and shall be secured with nails or screws which are not less than 7.62 centimetres (3 inches) in length and which are spaced at intervals of not more than 5.08 centimetres (2 inches); and
 - (3) Coverings shall be painted or otherwise treated so that the colour is compatible with the exterior of the Building.

PART X

HERITAGE BUILDINGS

44 General Provisions

- 44.1 In addition to the standards for the maintenance and security of Property set out in this by-law, the following minimum standards listed in Part X apply to the maintenance and security of all Buildings and structures on properties that are:
- (3) designated under Section 29 or 34.5 of the [Ontario Heritage Act](#); or
 - (4) situated within a heritage conservation district, designated under Section 41 of the [Ontario Heritage Act](#).

45 Vacant Heritage Property

- 45.1 The Owner of a Vacant Heritage Property shall protect the Heritage Attributes of the Property against the risk of fire, storm, neglect, intentional damage, or damage by other causes by effectively preventing the entrance of the elements, unauthorized Persons, or the infestation of pests by boarding up and securing any openings to the Building of the Vacant Heritage Property. Securing heritage resources shall comply with the following requirements:
- (1) All boarding must be ½ inch S.P.F. exterior grade plywood (not particleboard, fiberboard, or other forms of board sheathing);
 - (2) Boarding must be cut to completely and securely fit within all exterior structural openings;
 - (3) All boarding shall be maintained in Good Repair;
 - (4) All boarding shall be installed from the exterior;
 - (5) All boarding shall be fastened using wood screws only. Screws must be at least #8 gauge, countersunk, and not less than 3 inches in length. Each screw shall be spaced not more than 3 inches on centre around the entire perimeter of each plywood board
 - (6) All boarding shall be fitted securely and in a watertight manner to fit within the side jambs, the head jamb, and the exterior bottom sill of the door or window opening so the exterior trim and cladding remains uncovered and undamaged by the boarding, and so as not to be easily detached by hand;
 - (7) All boarding used on windows and door openings shall be painted using exterior grade paint in a matt black;
 - (8) All other boarding shall be painted using exterior grade paint in a colour that blends with the exterior of the Building or structure;
 - (9) Interior doors, except those in fire separations, should be fixed ajar at least 4 inches to allow air to circulate throughout in Order to help prevent interior deterioration through excess humidity;
 - (10) Where a structural opening is irregular in shape or unusually large, alternate security measures shall be required to adequately secure these openings, such as steel mesh screening, grills, security bars, or cross-bracing over plywood;
 - (11) If the aforementioned measures prove insufficient to secure openings, additional augmentation measures shall be required, consisting of the installation of steel mesh enclosures or steel panels overall boarded ground floor openings; and

- (12) The exterior shall be maintained in Order to prevent moisture penetration and damage from the elements that may have an adverse impact on the Heritage Attributes.
- 45.2 The Owner of a Vacant Heritage Property shall ensure that all utilities serving the Building are properly disconnected, terminated, or capped unless such utilities are necessary for the safety and security of the Property, or unless such utilities are otherwise required by law to remain connected.
- 45.3 The Owner of a Vacant Heritage Property shall ensure that the following security measures are taken with respect to the Building or structure:
- (1) lock all doors and windows and ensure ongoing maintenance;
 - (2) close all Basement hatches, openings, Walkways, and windows;
 - (3) remove ladders, tools, equipment, and other materials that might be used to gain interior access;
 - (4) remove rubbish, garbage, parts of Vehicles and other equipment, discarded furniture, appliances, machinery, and debris from inside Buildings and structures and from around the Property;
 - (5) all floors above the first floor must be rendered inaccessible to entry by raising fire escapes and ladders to a height of at least four meters, and by removing or cladding towers that may be used to access the Vacant Heritage Property;
 - (6) significant trees, plantings, grass, lawns, flower beds, hedgerows, bushes, vines, and other vegetation on grounds surrounding vacant heritage Buildings, structures, and other resources shall be maintained and protected at all times in accordance with all relevant City by-laws;
 - (7) chain-off Driveways and all other direct means of vehicular access to the Property, while still permitting authorized vehicular and emergency vehicular access when necessary; chains should be no greater than 10mm (3/8 inch) in diameter and of a grade 30 or comparable;
 - (8) temporary metal security fencing may be required around the perimeter of a Vacant Heritage Property. The fence shall be 2 metres in height above grade, equipped with a horizontal top rail. The temporary fence shall be erected and securely anchored and maintained at all times with all gates locked with appropriate high-security padlocks. Barbed wire (minimum of two strands) shall be installed along the perimeter of each fence, projecting inward toward the area that is enclosed by the fence.
- 45.4 The Owner of a Vacant Heritage Property shall:
- (1) post "No Trespassing" signs on all exterior elevations, including all points of access to the Property, and on gates and Property fencing; and
 - (2) post a heritage Notice that complies with City planning application graphics and signage standards and states:

HERITAGE NOTICE

The structure on this Property is a designated heritage resource protected under the [Ontario Heritage Act](#) and applicable municipal law.

Please help us conserve our heritage.

For more information contact City Heritage staff at 905-874-3825 or 905-874-3744.

46 Heritage Attributes

- 46.1 In addition to all of the requirements and minimum standards for the maintenance, and security of Property set out in this Part IX and elsewhere in this By-law, the Owner of a Heritage Property shall:
- (1) maintain, preserve and protect the Heritage Attributes to maintain the heritage character, visual and structural heritage integrity of the Building or structure; and
 - (2) maintain the Property in a manner that will ensure the ongoing protection and preservation of the existing Heritage Attributes.

47 Alterations of Heritage Attributes

- 47.1 Despite any other provisions of this by-law, in the case of Buildings and structures located on properties that have been designated under section 29, 34.5, or 41 of the [Ontario Heritage Act](#), no Owner shall alter the Property or permit the alteration of the Property if the alteration is likely to affect the Property's Heritage Attributes unless the Owner has acquired a heritage permit or other form of written consent from the City of Brampton.
- 47.2 Despite any other provisions of this by-law, in the case of Buildings and structures located on properties that have been designated under section 29, 34.5, or 41 of the [Ontario Heritage Act](#), no Owner shall alter the Property or permit the alteration of the Property if the alteration is likely to affect the Property's Heritage Attributes unless the Owner has acquired a heritage permit or other form of written consent from the City of Brampton.

48 Repair or Replacement of Heritage Attributes

- 48.1 In Order to maintain, preserve and protect the Heritage Attributes of a Heritage Property, the Repair is always preferable to removal or replacement. the Heritage Attributes shall be repaired in a manner that:
- (1) minimizes damage to Heritage Attributes;
 - (2) maintains the design, finishes, form, physical appearance, colour, texture, grain, and other distinctive features and qualities of the Heritage Attributes; and
 - (3) is consistent with recognized conservation standards, best practices, and processes for the conservation of built heritage resources.
- 48.2 Despite any other provisions of this by-law, where it can be demonstrated that the Heritage Attributes of a Property cannot be repaired, the Heritage Attributes shall be replaced:
- (1) using the same types of materials, design, finishes, form, physical appearance, colour, texture, grain, and other distinctive features and qualities of the Heritage Attribute(s) being replaced; and
 - (2) where the same types of materials as the original are no longer readily available, alternative or substitute materials and finishes that generally replicate the design, finishes, form, physical appearance, colour, texture, grain, and other distinctive features and qualities of the Heritage Attributes may be used.

49 Demolition

- 49.1 Despite any other provision of this chapter, or the [Ontario Building Code Act](#), no Building or structure located on Property that has been designated under Section 29, 34.5, or 41 of the [Ontario Heritage Act](#) may be altered or cleared, including but not limited to removed, demolished or relocated except by the [Ontario Heritage Act](#).

- 49.2 Upon completion of demolitions and removals of structures, the affected site shall be cleared and cleaned of debris, graded, left free from holes or excavations, and provided and maintained with a suitable ground cover.

50 Conflict

- 50.1 If there is a conflict between this Part IX and any other provision in this by-law or any other City by-laws, the provision that establishes the highest standard for the protection of Heritage Attributes shall prevail.

PART XI

PENALTIES

51 Fines

- 51.1 Every Owner who fails to comply with an Order that is final and binding is guilty of an offence and on conviction is liable to a fine of not more than \$50,000.00 for a first offence and a fine of not more than \$100,000.00 for any subsequent offence.
- 51.2 Despite 51.1, if a corporation is convicted of an offence, the maximum penalty that may be imposed upon the corporation is \$500,000 for a first offence and \$1,500,000 for any subsequent offence.

52 Administrative Penalties

- 52.1 An Officer may require a Person, subject to the conditions set out within the Administrative Penalties (Non-Parking) By-law 218-2019, as amended, or successor by-law, to pay an administrative penalty if the Officer is satisfied that the Person has failed to comply with:
- (1) a provision within this by-law; or
 - (2) an Order of an Officer as deemed confirmed or as confirmed or modified by the Committee or a judge.
- 52.2 Every Person who is served a penalty Notice pursuant to section 52.1 is liable to pay to the City of Brampton an administrative penalty in the amount set out in the Administrative Penalties (Non-Parking) By-law 218-2019, as amended.

53 Demolition or Repair by the City

- 53.1 Employees or agents of the City may enter the Property at any reasonable time without a warrant in Order to effect the Repairs or demolish a Building where an Order to do so made under this by-law has been confirmed and has not been complied with, or where an emergency Order has been issued and the danger has not been immediately terminated.

54 Repeal

- 54.1 By-law 104-96 as amended is hereby repealed.

BY-LAW

Number _____ - 2022

A by-law to designate Municipal Law Enforcement Officers, to amend Administrative Authority By-law 216-2017, as amended, and to repeal By-laws 136-2022, 146-2022 and 147-2022

WHEREAS Subsection 8(1) of the *Municipal Act, 2001*, S.O. 2001, c. 25, as amended, provides that the powers of a municipality under the *Municipal Act, 2001* or any other Act shall be interpreted broadly so as to confer broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality's ability to respond to municipal issues;

AND WHEREAS Subsection 1(1) of the *Provincial Offences Act*, R.S.O. 1980, c. P.33 provides that provincial offences officers include by-law enforcement officers of a municipality while in the discharge of their duties and an officer, employee or agent of any municipality whose responsibilities include enforcement of a by-law, an Act or a regulation under an Act, while in the discharge of their duties;

AND WHEREAS Subsection 1(3) of the *Provincial Offences Act* provides that a Minister of the Crown may designate in writing any person or class of persons as a provincial offences officer for the purposes of all or any class of offences;

AND WHEREAS by communication dated July 30, 1984, the Solicitor General designated municipal by-law enforcement officers as provincial offences officers;

AND WHEREAS Subsection 15(1) of the *Police Services Act*, R.S.O. 1990, c. P.15 permits a municipal council to appoint persons to enforce the by-laws of the municipality;

AND WHEREAS Subsection 3(2) of the *Building Code Act, 1992*, S.O. 1992, c. 23 permits a municipal council to appoint such inspectors as are necessary for the enforcement of the *Building Code Act*;

AND WHEREAS the *Building Code Act, 1992* provides that an officer means a property standards officer who has been assigned the responsibility of administering and enforcing by-laws passed under section 15.1;

AND WHEREAS Subsection 7.1(4) of the *Fire Protection and Prevention Act, 1997*, S.O. 1997, c. 4 provides that a municipality may appoint an officer to enter upon land and into structures at any reasonable time to inspect the land and structures to determine whether by-laws enacted in accordance with this section are being complied with;

AND WHEREAS Subsection 38(1) of the *Ontario Heritage Act*, R.S.O. 1990, c. O.18 permits any person authorized by the council of a municipality to inspect property designated or property proposed to be designated;

AND WHEREAS Clause 23.2(1)(c) of the *Municipal Act, 2001* permits a municipality to delegate certain legislative and quasi-judicial powers to an individual who is an officer, employee or agent of the municipality;

NOW THEREFORE the Council of The Corporation of the City of Brampton
ENACTS AS FOLLOWS:

1. That any person employed by The Corporation of the City of Brampton, whose responsibilities include the enforcement of a by-law, an Act or a regulation of an Act, while in the discharge of his or her duties, is hereby designated as a municipal law enforcement officer.
2. That the designation of a person as a municipal law enforcement officer shall cease immediately upon such person ceasing to be an employee of The Corporation of the City of Brampton.
3. That Schedule A of By-law 216-2017, as amended, The Administrative Authority By-law, be further amended by adding the following delegation of authority:

Enforcement & By-law Services			
#	Delegation	Delegate	Limitation
112	To appoint or rescind the appointment of municipal law enforcement officers for the purposes of enforcing parking on private property contrary to the by-laws of The Corporation of the City of Brampton.	Director	

4. That By-law 146-2022 to appoint Municipal Law Enforcement Officers, By-law 136-2022 to appoint Municipal By-law Enforcement Officers (Summer Students) and By-law 147-2022 to appoint officers to enforce parking on private property are hereby repealed.

READ A FIRST, SECOND AND THIRD TIME AND PASSED IN OPEN COUNCIL THIS 6th day of July, 2022.

BY-LAW

Number _____ - 2022

To confirm the proceedings of Council
at its Special Meeting held on August 5, 2022

The Council of The Corporation of the City of Brampton ENACTS as follows:

1. THAT the action of the Council at its Special Meeting of August 5, 2022 in respect to each report, motion, resolution or other action passed and taken by the Council at its meeting, is hereby adopted, ratified and confirmed, as if each resolution or other action was adopted, ratified and confirmed by its separate by-law; and
2. THAT the Mayor and the proper officers of the city are hereby authorized and directed to do all things necessary to give effect to the said action, or to obtain approvals where required, and except where otherwise provided, the Mayor and the Clerk are hereby directed to execute all documents necessary in that behalf and to affix the corporate seal of the City to all such documents. Where the subject matter of any such action is within a sphere or jurisdiction assigned to The Corporation of the City of Brampton pursuant to section 11 of the Municipal Act, 2001, the authority granted by this section includes the use of natural person powers under section 8 of the Municipal Act, 2001; and
3. THAT this by-law, to the extent to which it provides authority for or constitutes the exercise by the Council of its powers to proceed with, or to provide any money for, any undertaking, work, project, scheme, act, matter or thing which requires an approval in addition to the approval of the Council, shall not take effect until the additional approval has been obtained.

Dated at the City of Brampton this 5th day of August, 2022.

Patrick Brown, Mayor

Peter Fay, City Clerk
