4. **Delegations/Presentations**

4.1. Presentation by Andrew McNeill, Strategic Leader, Policy Planning, re: **Age-Friendly Committee – Brampton 2040 Plan**

Andrew McNeill, Strategic Leader, Policy Planning, provided a presentation regarding the City of Brampton Official Plan Review – Brampton 2040 Plan, highlighting the following:

- Brampton 2040 Vision Implementation
- Project Lead – City of Brampton
 - WSP Project Management Team
 - Land Use Planning Policy and Planning Urban Design
 - Community and stakeholders
 - Sustainability subject matter experts
- Project timelines
- Work Plan and Phases
- Discussion Papers – Policy Directions
- Project Deliverables
 - Project Deliverables – Phases and Major Deliverables

Minutes
Age-Friendly Brampton Advisory Committee

- City Initiatives include
 - Master Plans, Comprehensive Zoning By-law, Sustainable Community Development Guidelines, Affordable Housing Strategy, LRT Extension Study
- Project engagement include
 - Public, indigenous communities, community leaders, advisory groups
- Brampton 2040 Plan Branding

Staff responded to questions with respect to the Official Plan review process.

Discussion and comments from Committee and staff included the following:

- Indication that the policies developed for Age-Friendly Committee will be reflected in the new Official Plan
- Flexibility of the Official plan regarding the eight Age-Friendly domains and opportunities for feedback from the Committee as the review progresses
- Relevance of the discussion papers and how the focus on the seven core areas will translate to policy recommendations
- Reference to the City of Toronto's Official Plan as being the closest to a 'model' municipality that includes the Age-Friendly domains
- Public consultation and several engagement opportunities will be undertaken during the course of the review including presentations to all Citizen Committees
- The review will also provide the opportunity to simplify the language in the Official Plan for developers, and residents to understand
- The Plan will be available on the City's website
- Suggestion that a summary of the plan be posted on the City's website and available to the public
- The review is funded from an Official Plan reserve fund
- Further updates regarding the Official Plan review may be provided by staff if required

Mr. McNeill encouraged members to attend the Brampton 2040 Speakers Series noting that the series was intended to create more awareness of City planning. He explained that City staff was leading the review with the assistance of a consultant. It was anticipated to be presented to Council for approval at the end of 2021 and for Regional approval in 2022.

The following motion was considered:

AFC002-2020 That the presentation by Andrew McNeill, Strategic Leader, Policy Planning, to the Brampton Sports Hall of Fame Committee meeting of January 21, 2020, re: **Age-Friendly Committee – Brampton 2040 Plan** be received.

4.2. Presentation by Stavroula Kassaris, Policy Planner, Environment and Development, re: **Measuring the Sustainability of New Development**

Stavroula Kassaris, Policy Planner, Environment and Development, advised that the City has developed Sustainability Community Development Guidelines (SCDGs) which provides the tools to guide and measure the sustainability of new development in Brampton. The following was highlighted:

- Phased Approach
- Sustainable Community Development Guidelines (SCDGs)
 - built environment
 - mobility
 - natural environment
 - green infrastructure and building
- Sustainability and Age-Friendly Synergies
- Guideline example – Plan of Subdivision or Site Plan
 - ensuring that streets are designed with shorter block links to encourage active transportation to neighborhood centres
- Measuring Sustainability of New Development
 - program developed with City of Vaughan and Richmond Hill
 - sustainability thresholds: Bronze Silver and Gold
- Metric example
 - land use mix density – walking distance to basic amenities
 - accessibility – entrances and exits are designed to universally accessible standards
 - sidewalk provisions – continuous sidewalks on both sides of the streets
- Sustainability metrics update project include
 - updating metrics with changes to legislation and policies
 - adding new metrics
 - highlighting co-benefits, such as age-friendly

Ms. Kassaris responded to questions of clarification from Committee. Discussion followed and included the following:

- Sustainability metrics with new development and how they align with the Leadership in Energy and Environmental Design (Leeds) designation
- Whether the City of Brampton may expect to be considered a leader in sustainability and an indication from staff that the development industry would have to be encouraged and eased into the process
- Additional metrics to assist with the reduction of greenhouse gas emissions
- Efforts to increase development applications to achieve a Silver Sustainability score by offering incentives such as an expedited review process
- Outline of the sustainability score review process beginning from the pre-application stage

Minutes

Media Release

City to recognize first ever Seniors Appreciation Day during June is Seniors Month in Brampton

Tuesday, Jun 16 2020

BRAMPTON, ON (June 16, 2020) – On May 27, Brampton City Council passed a motion to recognize the many contributions of Brampton’s seniors through a dedicated day. This year, with guidance from the Brampton Senior Citizens Council, June 19 is proclaimed as Seniors Appreciation Day in Brampton, as part of Seniors Month celebrations in June.

A special Seniors Appreciation Day Tele Town Hall will be held on June 19, from 11 am to noon. The program will feature welcome remarks from Mayor Patrick Brown, a pre-recorded performance from the Chinguacousy Concert Band, and a motivational presentation from Paralympian and World Champion Jeff Adams. As we continue to navigate through the challenges of the COVID-19 pandemic, this will also be an opportunity for seniors to speak with Peel Public Health and Regional Councillors Pat Fortini and Gurpreet Dhillon, co-leads of the COVID-19 Seniors Support Task Force.

Age-Friendly Committee Call To Action - Short List of Potential Action Items, 2020

1	Support businesses that wish to retrofit buildings to provide accessibility features and accessible public washrooms through funding assistance. This funding assistance could be provided by informing and marketing the City's Central Area Community Improvement Plan (CIP, 2010) and the existing opportunity under the Downtown Brampton Building Improvement Program. Consideration could also be given to expand/or develop a new CIP Project Area to other parts of the City.	Action 1.5
2	Explore the feasibility of providing social activities and events with no cost to seniors.	Action 4.1
3	Explore opportunities for intergenerational activities from different cultural backgrounds to impart knowledge and experience, including visiting programs, buddy programs and reading programs, skills programs, between local schools, seniors residences, and cultural organizations. These opportunities could include programmed events in parks throughout the City and in other public spaces.	Action 5.1
4	Engage the community early in the planning and preparation of City-led studies, including land development projects.	Action 5.4
5	Identify community ambassadors to combat social isolation.	Action 5.5
6	Develop and distribute a fridge magnet listing key emergency phone numbers in large print (e.g. City, 211, 911). Phone numbers for health services and what each provide should be included (e.g. Telehealth, Civic Hospital, William Osler Health System).	Action 6.4
7	Create an age positive culture by equipping managers with knowledge and skills to manage age-friendly practices; ensure an open and supportive framework including the management of health at work through employee access to health services.	Action 7.1
8	Ensure career development at all ages to ensure that development, training and progression is available equally to all ages. Provide career guidance at mid-life and beyond, including retirement plans.	Action 7.2
9	Create a central Directory of information regarding employment and volunteer opportunities within the City	Action 7.6
10	Recognize the value of volunteer work and build public awareness about the benefits of being active in the community.	Action 7.8
11	Improve communication methods to promote awareness of age-friendly services, programs and information offered through a variety of communication methods.	Action 8.5
