15.1 Notice of Motion – Sheridan College International Students Summit and Charter

Moved by: Regional Councillor Santos

Seconded by: Mayor Brown

Whereas Brampton City Council has been working with various post-secondary and community agency partners to ensure international students residing and/or attending public and private post-secondary institutions in the City have access to the necessary support services to succeed and thrive; and

Whereas an International Students Summit was held in 2022 to address the issues facing international students in order to identify and implement meaningful solutions to assist and support the international student experience within our community; and

Whereas Sheridan College, in collaboration with community agency and government partners, has been working to improve the international student experience within the City, through establishing an International Student Experience Charter, and wishes to provide an update to City Council on progress to-date and improvements underway;

Therefore Be It Resolved That Council receive an update from Sheridan College and community agency partners at the February 8, 2023 City Council meeting and give further consideration to opportunities and options for the City to continue to support international students, and the post-secondary institutions they attend within the City.

See Item 7.1

**Date:** 2023-01-09

**Subject:** Subdivision Release and Assumption

**Secondary Title:** 2066650 Ontario Inc.; Registered Plan 43M-1876, (West of Hurontario Street, North of Bovaird Drive), Ward 2 - Planning References – C01W11.031 and 21T-07002B

**Contact:** Luciano Totino, Manager, Development Construction,  
Environment & Development Engineering Division - (905-874-2539)

**Report Number:** Planning, Bld & Growth Mgt-2023-060

**Recommendations:**

1. That the report titled: **Subdivision Release and Assumption; 2066650 Ontario Inc.; Registered Plan 43M-1876, (West of Hurontario Street, North of Bovaird Drive), Ward 2 - Planning References – C01W11.031 and 21T-07002B**, to the Council Meeting of February 8, 2023 be received;
2. That all works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1876 (the “Subdivision”) be accepted and assumed;
3. That the Treasurer be authorized to release the securities held by the City;
4. That a by-law be passed to assume the following streets as shown on the Registered Plan 43M-1876 as part of the public highway system:

Ironsides Drive, Utah Road

**Overview:**

- This report recommends that the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1876 be accepted and assumed.

**Background:**

City Council, at its meeting of March 9, 2022 approved Committee of Council recommendation CW087-2022, whereby the streets as shown on the subject Registered Plan are to be assumed by the City, once all departments have provided clearance for assumption by the City.

**Current Situation:**

City departments have now reviewed the Registered Plan for this subdivision and have provided clearance for assumption.

**Corporate Implications:**

All City Departments and the Region of Peel have provided clearances for assumption of the Subdivision to the Manager, Development Construction. This subdivision will now be included in the City's list of assets. The City of Brampton will now be fully responsible for on-going maintenance.

**Financial Implications:**

The annual operating impacts associated with the assumed infrastructure within this subdivision are estimated to be \$4,200. There is sufficient funding approved within the Public Works & Engineering operating budget to proceed with the recommendations in this report.

**Strategic Plan and Term of Council Priorities:**

This report accomplishes the Strategic Plan priorities by supporting the benefits of sustainable growth to build a pre-eminent city with vibrant and connected communities.

**Living the Mosaic – 2040 Vision**

This report directly aligns with the vision that Brampton will be a mosaic of complete neighbourhoods and sustainable urban places.

**Term of Council Priority**

This report achieves the Term of Council Priority by highlighting Brampton as a well-run City. We continuously improve the day-to-day operations of the corporation by streamlining service delivery, effectively managing municipal assets, and leveraging partnerships for collaboration and advocacy.

**Conclusion:**

With approval of this report, the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-1876 will be accepted and assumed.

**Recommendations:**

1. That the report titled: **Subdivision Release and Assumption; Dusty Rose Holdings Inc., Registered Plan 43M-2028 – (South of Mayfield Road, East of McVean Drive), Ward 10 - Planning References – C09E16.008 and 21T-12016B**, to the Council Meeting of February 8, 2023 be received;
2. That all works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-2028 (the “Subdivision”) be accepted and assumed;
3. That the Treasurer be authorized to release the securities held by the City; and
4. That a by-law be passed to assume the following streets and street widening block as shown on the Registered Plans 43M-2028 as part of the public highway system;

Avatar Crescent, John Carroll Drive, Cloncurry Street,  
Street Widening Block 36 to be part of McVean Drive

**Overview:**

- **This report recommends that the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-2028 be accepted and assumed.**

**Background:**

City Council, at its meeting of May 4, 2022 approved Committee of Council recommendation CW214-2022, whereby the streets and street widening block as shown on the subject Registered Plans are to be assumed by the City, once all departments have provided clearance for assumption by the City.

**Current Situation:**

City departments have now reviewed the Registered Plans for this subdivision and have provided clearance for assumption.

**Corporate Implications:**

All City Departments and the Region of Peel have provided clearances for assumption of the Subdivision to the Manager, Development Construction. This subdivision will now be included in the City's list of assets. The City of Brampton will now be fully responsible for on-going maintenance.

**Financial Implications:**

The annual operating impacts associated with the assumed infrastructure within this subdivision is estimated to be \$2,800. There is sufficient funding approved within the Public Works & Engineering operating budget to proceed with the recommendations in this report.

**Strategic Plan and Term of Council Priorities:**

This report accomplishes the Strategic Plan priorities by supporting the benefits of sustainable growth to build a pre-eminent city with vibrant and connected communities.

**Living the Mosaic – 2040 Vision**

This report directly aligns with the vision that Brampton will be a mosaic of complete neighbourhoods and sustainable urban places.

**Term of Council Priority**

This report achieves the Term of Council Priority by highlighting Brampton as a well-run City. We continuously improve the day-to-day operations of the corporation by streamlining service delivery, effectively managing municipal assets, and leveraging partnerships for collaboration and advocacy.

**Conclusion:**

With approval of this report, the works constructed and installed in accordance with the subdivision agreement for Registered Plan 43M-2028 will be accepted and assumed.

**Report Number:** Planning, Bld & Growth Mgt-2023-070

**Recommendations:**

1. **THAT** the report titled “Budget Amendment Bill 23 – Task Force” dated January 10<sup>th</sup> 2023 to the Council meeting of February 8<sup>th</sup>, 2023 be received.
2. **THAT** Council approve the proposed Terms of Reference for the Bill 23 Task Force.
3. **THAT** to assist future advocacy by the City’s Task Force in connection with C354-2022, staff be directed to engage external consultants, as necessary, with respect to municipal planning and growth management and potentially other areas of service to be determined by the province.
4. **THAT** staff be directed to report back to Council on the progress of the Bill 23 Task Force at key milestones.
5. **THAT** a budget amendment be approved and a new capital project be established in the amount of \$570,000 for the consulting services of the municipal planning and growth management review and potentially other areas as determined by the provincially-appointed facilitator, with funding to be transferred from Reserve 4 – Asset Repair and Replacement.
6. **THAT** Council approve return of funds in the amount of \$572,042 from the Planning Vision Implementation Capital Projects #187001-001, 197001-001 and 207001-001, back to source which includes \$490,145 to Reserve #4 – Asset Repair and Replacement and \$81,897 to the General Rate Stabilization Reserve as the funds are no longer required.

**Overview:**

- On November 28<sup>th</sup>, 2022, City Council passed resolution C354-2022 to form a special task force to develop and deliver a plan of advocacy to the provincial government which focuses on the City's concerns related to Bill 23 and the need for significant investments to service the growth outlined in Bill 23.
- The task force is to engage and negotiate in a meaningful fashion with developers and key stakeholders.
- Recent announcements from the Province indicate that provincially-appointed facilitators will be tasked to assess and determine the appropriate roles and responsibilities for Regional governments and their local municipalities to ensure they meet the new housing targets.
- Staff will be procuring a management consulting firm through a pre-qualification process to look at service delivery for land use planning and growth management specific to Brampton's needs, and a broader service review that may be triggered once the provincial facilitator is announced.
- A budget amendment is required to undertake the consultant assignment associated with planning and growth management review. Excess funding from the Planning Vision Implementation projects #187001-001, #197001-001, #207001-001 will be returned to source resulting in a net zero budget impact.
- Pending the scope of work to be determined by the Facilitator, additional funding may be required. Council will be apprised at the appropriate time of any budgetary impacts.
- City staff met with the Region of Peel on January 24th and understand that the Region intends to consult with local municipalities and Conversation Authorities to develop a new matrix of local and regional planning responsibilities.

**Background:**

On November 28th 2022, Council passed resolution C354-2022:

- *That City of Brampton Council form a special task force comprised of the Mayor (Patrick Brown), Chair of Planning (Councillor Palleschi), Deputy Mayor/Vice-Chair Planning (Councillor Singh), Chair of Community Services and FCM Board Member (Councillor Santos), Chair of Public Works and AMO Board Member (Councillor Vicente), and City Staff as determined by the CAO to develop and*

*deliver a plan of advocacy to the provincial government which focuses on the City's concerns related to Bill 23 and the need for significant investments to service the growth outlined in Bill 23;*

- The plan consider the work being done with municipal advocacy groups such as AMO, FCM, the Ontario Big City Mayors, to mitigate the fiscal impacts to municipalities, and address unintended consequences from Bill 23.*
- The task force engage in a meaningful fashion with developers and key stakeholders to identify the best approach to municipal planning and growth management as it relates to Brampton's existing plans, specific needs and challenges.*

Bill 23 accelerated the 2051 housing growth forecast to 2031. The City now has to absorb three times the average growth. In the decades leading up to Bill 23, reviews of land use planning, growth management and other service delivery lines within the Region of Peel have been undertaken (Appendix 1). The high-level chronology in Appendix 1 provides an overview that focuses primarily on the financial outcomes of the various studies. Drivers for these reviews include, but are not limited to:

- Appropriate representation at Regional Council based on the population/build-out of Peel's area municipalities;
- Tax subsidization of programs/services delivered by the Region of Peel; and
- Increased autonomy in local planning decisions.

While C354-2022 only references "municipal planning and growth management", any future study could entail a broader service delivery review as per recent announcements from the province.

### **Current Situation:**

In preparation for the City's response to the forthcoming provincial facilitator and scope of work, this report provides:

1. The proposed Terms of Reference for the City's Bill 23 Task Force; and
2. A recommendation on procurement of external consulting services to support the City with this undertaking.

### **Bill 23 Task Force – Proposed Terms of Reference**

Staff recommend that Council adopt the Terms of Reference set out below to assist determining the best outcome for the City through the provincial review process.

**Mandate:** To ensure the City of Brampton is strategically positioned to manage and implement Bill 23 in the areas of:

- Funding for key infrastructure required to deliver complete communities in Brampton in light of our new 10-year target of 113,000 households;
- Joint advocacy with the Ontario Big City Mayors, Association of Municipalities of Ontario, Federation of Canadian Municipalities focused on managing unintended fiscal, environmental and social consequences;
- Efficient and effective service delivery of municipal planning and growth management to deliver Bill 23 outcomes associated with streamlining development approvals and elimination of redundancy in the planning process; and
- Assessing all possible scenarios as per recent announcements from the province on service delivery between upper and lower tier municipalities.

**Outcomes:**

- Appropriate funding from provincial and federal government to support forecasted growth to 2031 and beyond.
- Enhanced collaboration with key stakeholders in support of joint advocacy.
- Higher degree of autonomy in land use planning decisions allowing for expeditious land use approvals aligned with Council priorities.

**Deliverables:**

1. Targeted advocacy for key infrastructure funding that supports Brampton as Canada's ninth largest city to:
  - a) support our fair share of transfer payments from the provincial and federal government;
  - b) ensure the expeditious delivery of infrastructure to align with implementation of development approvals to meet the Bill 23 housing target; and
  - c) minimize financial exposure of growth related costs on the City's tax base.
2. Partnership communication with municipal advocacy groups to support:
  - a) local decision making in municipal planning and growth management;
  - b) reducing duplication and red-tape associated with land use approvals; and
  - c) models for community service delivery that are cost effective and reliant.
3. A financial and service delivery review of land use planning and growth management within the Region of Peel and City of Brampton.

**Key Performance Indicators:**

- Number of joint advocacy efforts that result in funding from other levels of government; and
- Administrative costs savings and process efficiencies associated with models for local land use planning and growth management service delivery.

## NEXT STEPS

To deliver the above noted scope of work, staff are taking pro-active steps building on existing resources such as recently completed reviews of internal development review processes (Planning, Bld & Growth Mgt-2023-036) and background position papers to participate in the broader exercise once the provincial facilitator's scope of work is released. In addition, staff recommend procuring a management consulting firm through a pre-qualification process to assist with this work.

While the Bill 23 direction from Council is to look at service delivery for land use planning and growth management specific to Brampton's needs, the successful consultant may also be retained to undertake a broader service review that may be triggered once the provincial facilitator is announced. This procurement method allows for the most agility in the ever shifting provincial landscape.

At a January 24 meeting with the Region of Peel, staff understand the Region is commencing a review on the future role of Regional Planning after full implementation of Bill 23. Staff understand the Region intends to consult with local municipalities and Conservation Authorities and develop a new matrix of local and regional planning responsibilities. To this end, the recommendations set out in this report will prepare the City to engage in this Regional exercise.

### **Corporate Implications:**

#### Financial Implications:

The recommendations in this report require a budget amendment and establishment of a new capital project in the amount of \$570,000, for municipal planning and growth management consulting services, with funding to be transferred from Reserve 4 – Asset Repair and Replacement.

In order to offset the impact of this requirement, staff are recommending that funding the following projects are returned to source, resulting in a net zero impact to the budget and to the City's reserves overall:

Project	Funding Source	Amount to be returned
Planning Vision Implementation - 187001 – 001	General Rate Stabilization Reserve	\$81,897
Planning Vision Implementation - 197001 – 001	Reserve 4 - Asset Repair and Replacement	\$310,145
Planning Vision Implementation - 207001 – 001	Reserve 4 - Asset Repair and Replacement	\$180,000
	<b>Total</b>	<b>\$572,042</b>

Any additional funds required will be put forward in future reports to Council, pending Council approval.

Other Implications:

**Term of Council Priorities:**

This report complies with the 2019-2022 Term of Council Priority “A Well-Run City” and a “City of Opportunities”. The Bill 23 Task Force will improve the operations of the City by identifying the best approach to municipal planning and growth management as it relates to Brampton’s existing plans, specific needs and challenges.

**Conclusion:**

This task force as directed by Council, enables the City of Brampton to respond to Bill 23 to support the accelerated growth. Staff will continue to apprise Council on the progress of the Bill 23 Task Force at key milestones, and bring forward future reports once the scope of work is determined by the provincial facilitator.

- The provincial government also announced \$143 million to municipalities at this time, to improve service delivery processes for residents.
- Findings under **amalgamation** include:
  - The increase in operational spending is greater than the increase in operating balance, reducing the operating balance to operational spending ratio relative to the status quo.
  - Increased non-tax revenues are offset by increases in operating expenditure, resulting in a decrease to non-tax revenues as a percent of operating expenditures.
  - Growth in non-tax revenue is much greater under amalgamation than the growth of non-tax revenue under dissolution, strengthening the operating balance overall.
  - The modelled newly amalgamated entity's long-term debt to operational spending is similar to the combined financials of each municipality under the status quo scenario, with slightly higher operating expenditure, resulting in a lower ratio of long-term debt to operating expenditure.
- Findings under **dissolution** include:
  - An increase in operating spending offsets the increase in operating balance, reducing the operating balance to operational spending ratio relative to the status quo.
  - The higher cost scenario reduced operating balance relative to the operational spending, largely driven by changes in wage harmonization costs.
  - Given the Region's relatively large balance of tangible capital assets and long-term debt, each respective municipality's long-term debt to operating expenditures increase upon receipt of its allocated share of the Region's long-term debt.
- Financial Impacts of service delivery lines under **dissolution** are noted below:

	<b>Brampton</b>	<b>Mississauga</b>	<b>Caledon</b>
<i>Net cost of Service (\$ million)</i>			
Status Quo	\$5,229	\$5,630	\$806

**Subject:** **Budget Amendment – Bramalea Tennis Club Expansion – Ward 7**

**Contact:** Mitsa Montaser, Manager, Building Design and Construction

**Report Number:** Public Works & Engineering-2023-163

**Recommendations:**

1. That the report from Mitsa Montaser, Manager, Building Design and Construction to the Council Meeting of February 8, 2023, re: **Budget Amendment – Bramalea Tennis Club Expansion – Ward 7**, be received;
2. That a budget amendment be approved for project #205951-003 – Bramalea Tennis Club Expansion-Construction, to increase the project fund by \$690,000, with the \$207,000 transferred from Reserve #4 Asset Repair and Replacement, and \$483,000 from Reserve #134 - Recreation DC Development Charges.

**Overview:**

- The project funds for the Bramalea Tennis Club Expansion were approved by Council in 2020. In August 2022, Council passed a resolution that the Purchasing Agent be authorized to commence the procurement to hire a General Contractor for the project.
- The project has been tendered, and all bids exceed available funds. The originally approved funds were \$1,600,000, and a top-up of \$690,000 is required to proceed with the construction phase.
- The cost escalations are due to market conditions experienced since the original project estimate was established in 2020. Of the 43% increase in the project cost, 31% is attributable to market escalations experienced since the original project estimate was first established, and 12% is for the increase in contingency due to overall project value increase.

- **The funding of this project is tied to a Federal Grant of up to \$750,000, which mandates the project be substantially complete by December 31, 2023.**
- **Given the limited construction window specified by the grant requirement and to avoid any impact on programming, it is necessary to award this tender in a timely manner to complete construction by December 1, 2023. Staff recommends budget amendment approval to meet the necessary timeline.**

### **Background:**

Bramalea Tennis Club is located at 9050 Bramalea Road. The project consists of adding approximately 86 sq. m. (925 sq. ft.) to the existing Bramalea Tennis Club. The addition will provide the tennis club with a dedicated space for their members from May to September. From October through April, the additional space would be used for other City programs.

The expansion will include a lounge, kitchenette, court viewing areas, a rooftop viewing deck and a dedicated storage room accessible from the exterior of the building. The existing barrier free washroom will be converted to a new universal washroom for the exclusive use of the tennis club. The existing men's public change room will be renovated to accommodate two barrier free washrooms with showers as well as a dry area for private changing.

### **Current Situation:**

The Bramalea Tennis Club Expansion project was tendered through a public procurement process in November 2022. All eighteen bids received exceeded the available funding.

The currently approved project funding is \$1,600,000, and this report is seeking additional funds in the amount of \$690,000 to allow for the project to be awarded to the lowest compliant bid. With the approval of the budget amendment report, the total project budget will be \$2,290,000. The increased project costs are a result of current market conditions and cost escalation experienced since the original project estimate was first established in 2020. Of the 43% increase in the project cost, 31% is attributable to market escalations experienced since the original project estimate was first established, and 12% is for the increase in contingency due to the overall project value increase.

Moreover, the funding of this project is tied to a Federal Grant of up to \$750,000, which mandates the project be substantially completed by December 31, 2023.

Staff recommends proceeding with the construction phase of the project to avoid any interruptions to the operation of the indoor programs. This would require the project to be completed by December 1, 2023.

## **Corporate Implications:**

### Financial Implications:

A budget amendment is required to increase the project #205951-003 – Bramalea Tennis Club Expansion-Construction by \$690,000, with \$207,000 transferred from Reserve #4 Asset Repair and Replacement, and \$483,000 from Reserve #134 - Recreation DC Development Charges, subject to Council approval. The City was approved for a Federal Grant of \$750,000 for this project. The grant funding adjustment will be reported to Council as part of the Capital Status report, and will reduce the currently funded City contribution of \$1,600,000 by \$750,000.

<b>Funding Source</b>	<b>Approved Funding</b>	<b>Federal Grant Adjustment</b>	<b>Budget Amendment</b>	<b>Total Funding</b>
<b>Project 205951-002-Design</b>				
601084 - Res#4-Asset R&R	72,000			72,000
601386 - Res#78-10% Dev. Chg. Contribution	17,000			17,000
645134 - Recreation (Dev. Chg. Reserves)	151,000			151,000
<b>Sub-Total</b>	<b>240,000</b>	<b>-</b>	<b>-</b>	<b>240,000</b>
<b>Project 205951-003-Construction</b>				
601084 - Res#4-Asset R&R	408,000	-408,000	207,000	207,000
645134 - Recreation (Dev. Chg. Reserves)	952,000	-342,000	483,000	1,093,000
601029 - Federal Grants		750,000		750,000
<b>Sub-Total</b>	<b>1,360,000</b>	<b>-</b>	<b>690,000</b>	<b>2,050,000</b>
<b>Total Project</b>	<b>\$1,600,000</b>	<b>\$ -</b>	<b>\$ 690,000</b>	<b>\$2,290,000</b>

The 2022 Budget included approval of a 3-year capital program and funding plan, which maximized the allocation of anticipated funding availability across planned projects. The approval of this amendment will require reprioritization of capital projects forecasted to be funded against Reserve # 4 Asset R&R and Reserve #134 Recreation DC Development Charges.

### Other Implications:

Legal Implications - Aside from making a decision on whether to cancel this project or approve a budget amendment based on the current project requirements and market pricing, as outlined in this Staff Report, because this is an active procurement section 3.1 of the Purchasing By-law otherwise applies and provides that Council shall have no involvement in specific procurements until a contract has been entered into.

Purchasing Implications - See Legal Implications.

**Term of Council Priorities:**

Brampton is a Safe & Healthy City: this project encourages healthy physical activity through tennis programming at the site.

Brampton is a City of Opportunities: the project will maintain services and programs for the neighborhood and City.

Brampton is a Well-Run City: this project reinforces collaboration and advocacy in the community by leveraging the City's relationship with the Bramalea Tennis Club.

**Conclusion:**

This report seeks Council approval for a budget amendment of \$690,000 to award the contract for construction services for the Bramalea Tennis Club Expansion.

**Subject:** **Budget Amendment – Rosalea Brampton Tennis Clubhouse – Ward 1**

**Contact:** Jose Quintela, Manager, Building Design and Construction

**Report Number:** Public Works & Engineering-2023-164

**Recommendations:**

1. That the report from Jose Quintela, Manager, Building Design and Construction to Council Meeting of February 8, 2023, re: **Budget Amendment – Rosalea Brampton Tennis Clubhouse – Ward 1**, be received;
2. That a budget amendment be approved for project #201518-002 – Rosalea Brampton Tennis Clubhouse to increase the project fund by \$365,000, with the funding transferred from Reserve #4 Asset Repair and Replacement.

**Overview:**

- The Rosalea Brampton Tennis Club is located at 38 Union Street at Rosalea Park, and is owned by the City of Brampton and operated by the Brampton Tennis Club organization. This project includes the demolition of the existing building, construction of a new modular clubhouse, relocation of one tennis court and site work.
- This site may be impacted by a number of projects in the area, including the Riverwalk project, the Ken Whillans Drive extension, and the Rosalea Park development. As such, this modular building has been designed and constructed so it can be relocated to a new property in the future.
- This project is in the final stages of construction. The current budget for this project is \$1,700,000 and a top-up of \$365,000 is required to complete construction by April 2023, in time for the new tennis season.
- The cost increase relates to poor soil conditions, scope improvements, and adverse schedule impacts due to long lead times for the delivery of the modular unit.

**Background:**

The Brampton Tennis Club located at 38 Union Street, is over 40 years old and at the end of its life span. The City owns the Brampton Tennis Club facility and property. The Club offers tennis lessons, organizes tournaments, has a tennis league, and is an active organization in the community.

In the 2020 Capital Budget, Council approved the reconstruction of the existing tennis club facility. The scope of this project includes the demolition of the existing building, construction of a new modular clubhouse, relocation of one tennis court and various site works.

Subsequently, a consulting firm was retained in October 2020 to prepare the project design and contract administration. The consultant has since completed the design to facilitate a fully accessible clubhouse with engagement from the Brampton Tennis Club, the City's Accessibility staff along with Planning and Urban Design staff.

The tender was issued in September 2021, closed in October, and the construction contract was awarded in December of the same year.

Given that the site may be impacted by a number of future projects in the area, including the Riverwalk project, Ken Whillans Drive extension and the Rosalea Park development, the building has been designed and constructed as a modular unit so it can be relocated to a new location, should it be required.

**Current Situation:**

This project is in the final stages of construction. It is scheduled for completion in April 2023, and requires \$365,000 in funding to cover additional costs. This budget amendment request represents a 21.5% change in the overall project cost and is a result of the following:

- Unforeseen site conditions due to poor soil;
- Scope improvements to existing court facility due to ongoing construction, removal of trees and vegetation overgrowth, court curb repairs, and fence repairs; and,
- Extended project schedule due to long lead times for the delivery of the modular unit.

To note, the funding of this project is also tied to a Federal Grant of \$750,000, which mandates the project achieve substantial completion by December 31, 2023. The project is expected to be substantially complete by end of April, thus meeting the Federal Grant timeline.

If a budget amendment is not approved, the contract will go into default with the potential for legal implications. In addition, the current programming for the Brampton Tennis Club will be significantly impacted for the 2023 tennis season.

## **Corporate Implications:**

### Financial Implications:

A budget amendment is required to increase the project fund #201518-002 – Rosalea Brampton Tennis Clubhouse by \$365,000, with the funding transferred from Reserve #4 Asset Repair and Replacement, subject to Council's approval. The City was approved for Federal Grant of \$750,000 for this project. The grant funding adjustment will be reported to Council as part of the Capital Status report, and will reduce the currently funded City contribution of \$1,700,000 by \$750,000.

<b>Funding Source</b>	<b>Approved Funding</b>	<b>Federal Grant Adjustment</b>	<b>Budget Amendment</b>	<b>Total Funding</b>
<b>Project 201518-002</b>				
601084-Res #4 - R&R	70,000	-70,000	365,000	365,000
601411-Res # 91 CCBF	1,360,000	-680,000		680,000
601029 - Federal Grants		750,000		750,000
<b>Sub-Total</b>	<b>1,430,000</b>	<b>-</b>	<b>365,000</b>	<b>1,795,000</b>
<b>Project 161650-315</b>				
601084-Res #4 - R&R	270,000			270,000
<b>Sub-Total</b>	<b>270,000</b>	<b>-</b>	<b>-</b>	<b>270,000</b>
<b>Project Total</b>	<b>\$ 1,700,000</b>	<b>\$ -</b>	<b>\$ 365,000</b>	<b>\$ 2,065,000</b>

The 2022 Budget included approval of a 3-year capital program and funding plan, which maximized the allocation of anticipated funding availability across planned projects. The approval of this amendment will require reprioritization of capital projects forecasted to be funded against Reserve # 4 Asset R&R.

### Legal Implications:

This procurement activity was undertaken in 2021, City tender (T2021-211). The Vendor executed the CCDC2 version 2008 dated December 17, 2021. CCDC2 is a stipulated price contract. The total cost as outlined in the Agreement was \$1,440,375.

The amounts are subject to adjustments. As part of the Agreement, there are provisions for Change Orders (Part 6) and Allowances (Part 4). Under GC.4, for concealed and unknown conditions, the Consultant can investigate and then bring forth a Change Order for the City's review and agreement. Any associated delays under GC.5 would be compensated by the City. Under GC.6.6, there is a provision for Claims for a Change to the Contract Price.

All these form the basis for the Agreement between the parties, and entitles the Contractor to seek extra payments for work done for situations that were not anticipated which created delays. Not paying for additional costs which were provided under the Agreement, could be considered breach and potentially increase the risk to the City.

**Term of Council Priorities:**

This report supports the Term of Council Priorities and the 2040 Vision.

Brampton is a Safe & Healthy City: this project encourages healthy physical activity through tennis programming at the site.

Brampton is a Well-Run City: this project reinforces collaboration and advocacy in the community by leveraging the City's relationship with the Brampton Tennis Club.

**Recommendation:**

This report seeks Council approval of a \$365,000 budget amendment to complete the construction contracts of the Brampton Tennis Club in April 2023 and ensure the new tennis season begins on schedule.

[meagan.guerra@brampton.ca](mailto:meagan.guerra@brampton.ca) | 416.570.6595

**Report Number:** Corporate Support Services-2023-106

**Recommendations:**

1. That, the report from Meagan Guerra, Acting Supervisor, Corporate Events & Protocol dated: February 1, 2023; re: Important and Commemoratives Dates 2023, be received; and
2. That Council approve the proposed 2023 Commemorative Dates Listing and recommended tactics (Appendix A).

**Overview:**

- The Events and Protocol Office developed the Community Recognition Program in 2019 as a framework to celebrate the City of Brampton's cultural mosaic.
- Annually, staff undertake a review of the current Community Recognition Program, conduct research on Brampton's demographics and review international, and federal heritage days, commemorations and holy days to acknowledge for the following year.

**Background:**

The Community Recognition Program framework celebrates Brampton's diversity through recognition of cultures and commemorative dates with consistent and equal resources.

The Community Recognition Program was created in March 2019 to formalize existing and new tools for the City to be proactive in recognizing dates of importance as well as facilitate opportunities for the community requests for recognition.

## 2022 Community Recognition Program YTD

Proclamations	Flag Raisings	Clock Tower Lightings	Half Masts	Brampton Remembers	Award Recipients	Centenarian Birthday Certificates
76	45	16 (Clock Tower under construction as of April 2022)	24	1	29 Individuals 2 Teams	24

### Current Situation:

On an annual basis, the Events and Protocol Office recommend dates of importance for the City of Brampton to be celebrated through the Community Recognition Program. This list does not include statutory holidays. These dates align with the Term of Council Priorities.

Commemorative Dates are supported by various degrees of recognition including but not limited to: Transit and Recreation digital signage, social media, corporate calendar, proclamations, clock tower lightings, flag raisings, half-masts, or receptions.

The Community Recognition Program includes two key components:

1. Corporate-led initiatives:

Commemorative Date Listing and Communications Tactics

- Government of Canada Dates of Importance
- Major Holy Days (recognized by the top 5 religions in Brampton)
- Departmental Awareness Days

2. Community-initiated activities: The community may request recognition through the Protocol Office in the form of:

Flag Raisings Requests

- Flag raising requests can be submitted directly to the [Flag Raising and Half-masting](#) webpage on Brampton.ca. The City of Brampton's Community Recognition Program prioritizes empowering the community to recognize dates of importance.
- Proclamations and Clock Tower Lightings
  - Proclamations are ceremonial documents issued and signed by the Mayor on behalf of Brampton City Council that officially recognize the importance of an event, a campaign, or an organization of

significance, interest or benefit to the citizens of Brampton for a particular day, week or month.

- The City Hall clock tower is an opportunity for the City of Brampton to recognize and celebrate special occasions and events that celebrate Brampton's diverse community and foster a spirit of community. Lightings will occur for one evening and will take place on the approved date.

Proclamations and clock tower lightings do not constitute a personal or civic endorsement.

Year-to-date flag raisings and proclamations are found on the City of Brampton website, under the Protocol Office page.

The Important and Commemorative days, Major Holy Days and City recognized awareness days indicated in this report are recognized through social media content which will be posted on City of Brampton platforms. Community Recognition Programs, which include proclamations, flag raisings and clock tower lightings, are community led initiatives, where requested by community organizations, the days of significance listed in this report will be further recognized through these programs.

To celebrate the strength of Brampton's diversity, equality and inclusivity the City prioritizes community requests for commemorative dates.

#### New Requests for Commemorative Dates

Staff propose the annual report as the best opportunity to add dates. Council may elect to add to the list throughout the year with discretionary authority given to the Director, Strategic Communications, Culture and Events. New requests must be submitted two months in advance of the date to optimize digital assets.

Strategic Communications will determine which communication tools are most appropriate to acknowledge/commemorate new dates. Departmental operational requirements and availability will be taken into consideration. References included below for Council information include other commemorative dates including religious dates, health promotion days, and heritage months:

## **Corporate Implications:**

### Financial Implications:

There are no financial implications associated with this report.

## **Term of Council Priorities:**

This report and recommendation supports Brampton is a Mosaic celebrating its diversity by more effectively engaging and communicating with diverse groups, supporting cultural events, and developing a holistic framework to embed diversity across the city.

## **Conclusion:**

Annually, staff undertake a review of the previous year's commemorative dates listing, conduct research on Brampton's demographics and review federally and provincially recognized heritage months and dates of significance to present the following year's list of commemorative dates. Abovementioned are the proposed Important and Commemorative Dates for 2023.
