Dear Ms. Myers,

Re: Planning Application No. **B-2022-0025 A 2022372/373 9893 Torbram Road,**
Brampton

This is to remind you that this is Dr. Harihar Behera, the Vice-President and one of the Directors of Shree Jagannath Temple Canada ("SJTC"), situated at 9893 Torbram Road, Brampton, ON.

This application is going to be put up to the committee of adjustment on May 30, 2023.

I wish to make the following submissions through this email to supplement my points that I had already put up in person before your committee at City Hall on March 28, 2023.

There is a dispute about the ownership issue, The property was pledged to be donated to SJTC by Mr. Mishra.

SJTC is there at the property with all its deities and assets there in, and its temple is still running in the property. SJTC has a plan to build a proto-type Jagannath Temple at Puri, India. A layout is planned where there is not an inch of land that can be spared for any other purposes. So, there is no question that the land can be severed from the existing property at 9893 Torbram Road which can be spared. Hence, this application cannot be considered by the committee, and should be dismissed.

A pledge letter given by Sradhananda Mishra affirms that SJTC' is the beneficial owner of the property 9893 Torbram Rd, Brampton.

The property is meant for religious purpose only and cannot be severed to be used as non-religious purpose as proposed.

I therefore submit that Mr. Mishra is not the beneficial owner of the property, and also due to my other submissions, this application cannot be considered by the committee, and must be dismissed.

Further this application must wait until such time as the ownership dispute is resolved by the Superior court of Justice.

With regards,
Harihar Behera
