Dear Madam,

This is in reference to the above reference number, I would like to oppose the proposal of conversion of the property located 9893 Torbham Road Brampton on the following ground.

(1)The ownership Dispute : please be advised that there is an ongoing dispute on the ownership of the land in superior court of Justice.

(2)The discretion of the Temple Land: Lots of devotees are associated with the land through their faith to the lord Jagannath. If the application is allowed it will hurt the sentiments of devotees.

Thanking you again for kind consideration and stop it from conversion.

Regards
Anil Sahu
Devotee Jagannath Temple
