**re: Application for Minor Variance #A-2023-0123  
Concerning Municipal Property 69 Main Street South**

---

We recently received a Public Notice from the Committee of Adjustment concerning an Application related to the municipal property at 69 Main Street South: Application for Minor Variance for relief from By-law 270-2004.

We are owners of the adjacent property to the northwest of 69 Main Street South (formerly 67 Main Street South), and have spoken with the property owners about the proposal for an attached 1-storey addition to the existing dwelling, including an attached garage and garden suite located above the garage. We understand why the variances are being requested for the addition and accessory structure (cabana). We also understand that, as this property is designated under Parts IV and V of the Ontario Heritage Act, the property owners will need to obtain a Heritage Permit, should this application be approved.

We request to be notified of any future Committee of Adjustment meetings, should the application be deferred, and of any decisions with respect to this Application.

Respectfully submitted,

*Allen and Carol McClelland*
