Dear Ms. Myers,  
Committee of Adjustment, City of Brampton

I am a member of SJTC (Shree Jagannath Temple Canada) who opposes Mr. Mishra's application for zoning of the property 9893 Torbram Road, Brampton.  
It relates to the matter of Application #A-2022-0373 for 9398 Torbram Road, Brampton.

The land is that of our temple and ownership of the land is in dispute, which is ongoing in the Superior Court of Justice.  
Mr. Mishra's request is unreasonable based on the existing size, use, and location of the land.

I hereby oppose the above mentioned application for zoning.  
I hope my voice amongst many others is heard as a devotee of the temple and for community benefit.

Sincerely,  
Bidyutprava Behera
