To whom it may concern

My name is Iqbal Dhindsa and I am the owner of the Lot at 0 creditview road, Brampton. The lot is vacant at present. The Lot is shared by my very close family member and we are joint owners of the lot.

We are proposing two custom houses on the lot and we are here for your consideration to support our Minor Variance application for a few Zoning standards that we are not able to fulfill.

As closely grown up together, our families also share a close bond with each other and so do our kids. Since Creditview road is a very diverse neighborhood of Brampton, we would like to give our families the best exposure of the area.

We are committed to maintain the neighborhood calm and peaceful along with our commitment to maintain the lots with proper landscape buffers to merge with the surroundings.

Hoping for positive support from the neighborhood.

Thanks,

Iqbal Dhindsa
