Good morning,
In regards to mail received for:
City file# OZS-2023-0035
10362 Mclaughlin Road

For application to amend the official plan and zoning by-law, we hereby submit our objection since this housing plan is just coming up behind our house ([REDACTED]).

This new scheme will not only cause congestion to the busy Mclaughlin road, but will also disturb the privacy of the whole row of houses situated from [REDACTED] Tianalee Cres till [REDACTED] Tianalee Cres.

These houses are a ravine lot and new development behind ravine lots cannot be allowed. This results in compromising privacy, noise pollution, traffic congestion and many more issues for existing houses.

We strongly object to this new development and will get together with people in all the houses to take legal action if this proposed development is not cancelled.

Thank you,
Tejas Patel
