Hello,

I hope you're doing well. I'm reaching out to discuss my objection towards application no: A-2023-0308 regarding the property at 5 Affusion Road.

My name is Paresh Patel, and I live at 13 Affusion Road, Brampton, ON L7A 5G2. I'm particularly worried about the proposed construction of exterior stairways leading to a below-grade entrance in the side yard of 5 Affusion Road.

The proposed construction potential to affect the stability of the surrounding property. This raises concern about possible chances of foundations issue of neighbouring properties, which could potentially weaken their foundation and may not met city's law requirements.

As such, I do not support the proposed construction plan and I trust in the city's decision making process, which aims to protect the interests and safety of all residents within our community.

Thank you for your understanding and cooperation.

Best regards,

Paresh Patel
