Hi,

My name is: Yugandhar Madhu

Mailing address: 121 Squire Ellis Dr, Brampton, ON

Application number: A-2024-0024

I received mail regarding the issue quoted in the subject line.

1. I am a bit concerned about permitting a Petro Canada and Car Wash facility within 60 meters of my residence (address - 121 Squire Ellis Dr, Brampton, ON).
2. I feel that it's an environmental hazard to have a gas station and a Car Wash facility within an unsafe distance (less than 100 meters).
3. Environmental concerns may also impact my house value in the future.

Considering these factors, I request not to permit the gas station and car wash facility within 100 meters of my home.

- I authorize the city of Brampton to post my correspondence on the agenda.

- I would like to participate in the meeting virtually via WebEx. Please register me.

- I would also like to be notified of the decision of Committee
