Subject: [EXTERNAL]A-2023-0351 Minor variance request for 51 Cavendish Cresc Plan 688, Lot 311, Ward 7

Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.

To whom it may concern

We are neighbors & fully support this request.

We value Luis & Iaim as neighbors & the good work that went into their backyard.

They are good neighbors & pleasant to have in our community

Certainly when you have so many others who are not abiding by much more serious issues, we can only hope you see this as a very "minor" situation that can be approved.

Permission to share this granted

Thank you

Steve Laidlaw & Brenda Moffatt
