**RE:      Application No. A-2024-0025**

This email is to express our strong opposition to allowing the approval of Application No. A-2024-0025.

As residents/property owners residing at 10 Lucinda court, our concerns with this application is due to the overall height of the structure that is proposed to be built. A 4-Storey single family home does fit in with the rest of the houses in the neighborhood. The proposed height of the proposed structure goes far beyond the existing by-laws that have long been observed and respected by the residents of Lucinda Court.

This email is our formal opposition to Application No. A-2024-0025.

Michele and Teresa Caruso

Residents & Property Owners,

10 Lucinda Court, Brampton
