Good Morning,

I am writing to voice opposition against Applicant A-2024-0041.

Introducing a triplex into our cherished neighborhood in Brampton will alter its authentic charm and disrupt the peaceful living environment we have enjoyed for decades.

The construction will pose inconveniences and disturbances and jeopardize the essence of our longstanding single family dwelling community.

It will bring with it many problems including parking, and safety concerns to the area due to location and lack of sidewalks among many other issues.

Name: Robert Smith
Address 17 Kingsview Blvd. Brampton ON L6Y 1C5
Applicant : A-2024-0041 4 Alderway

I give authorization to post my Correspondence on the Agenda
