BRAMPTON

A world map with a light gray background and white country borders. Numerous green location pins are placed across the map, indicating the presence of the studied species. The pins are concentrated in North America (USA and Canada), Europe (primarily Western and Central Europe), North Africa, the Middle East, and South America (primarily Brazil and Chile). There are also a few pins in Asia (Japan, Philippines, Indonesia) and Oceania (Australia, New Zealand). Country names are labeled in black text across the map.
