# Making learning equitable and education accessible.

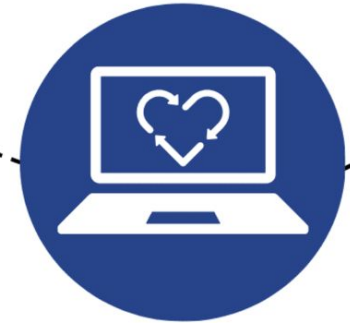

**#LGTTechCollect  
Green Planet**

**#LGTTechandMe  
Digital Skills**

**#LGTTech4AllYouth  
Life Skills**

**#LGTTech4All  
Tech Equity**

# #LGTTechCollect

- Redirected over **110K lbs e-waste** from the landfill
- **Refurbished over 600 computers** for the community
- Provide Linux system computers w/ Chrome browser
- Connect clients to more affordable internet via [Rogers Connected for Success](#)
- Promote Environmental Stewardship

# #LGTTech&Me

- **Promote** importance of lifelong learning, digital responsibility & citizenship
- **Provide** relevant digital literacy workshops in various languages
- **Level up** everyone's tech knowledge & skills while increase comfort with tech starting with hands-on "Computer Anatomy Workshop"

# #Tech4AllYouth

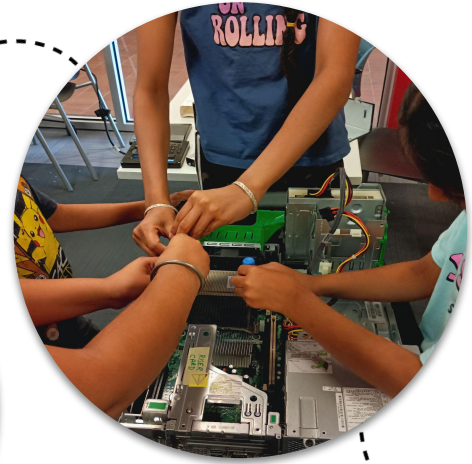

- **Provide** volunteer opportunities
- **Encourage** ownership of their own learning
- **Provide** a platform to unify youth's voice to better protect earth & create healthier communities
- **Connect** youth to community partners and resources that will support them in their pursuits

# #LGTTech4All

- **Proactively** address the digital divide & shows it's solvable
- **Builds** community through individual & group empowerment
- **Innovate** through education
- **Sustainable** program that addresses e-waste management & tech equity through collaboration

# The impact

Tuesday, March 21, 2023

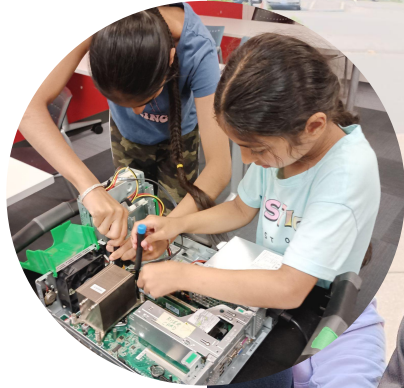

- 1:49pm - application came in.
- Job Developer helped them connect to **Rogers Connected for Success** with LGT code to receive discounted internet access.
- Client also got help doing **taxes**.
- 3:05pm - client given **computer to take home**.

Note: refurbisher is not in IT

# The impact

- Host Computer Anatomy Workshop
- Children, youth & women
- **Within 1 hour** was able to understand main internal parts of the computer, how they work and the impact of e-waste
- Step outside comfort zone, **level up tech skills/knowledge**, develop team/communication skills, gained self-confidence

# Promote & Donate

## The Challenge

How many lbs of e-waste can the City of Brampton redirect from the landfill Spring 2024?

From events?  
From corporations?  
From community?

# TECH COLLECT & e-waste DRIVE

Hosted by City of Brampton Parks  
#LGTTechCollect

- Saturday, April 20, 10 am to 2 pm - Gore Meadow Community Park, 10100 Gore Rd
- Saturday, April 27, 10 am to 1 pm - Duggan Park, 73 Vodden Street East
- Saturday, May 4, 10 am to 1 pm - Creditview Sandeewood Park, 10510 Creditview Rd
- Saturday, May 11, 10 am to 1 pm - Earnscliffe Park, 44 Eastbourne Drive
- Saturday, May 25, 10 am to 1 pm - Fletcher's Green Community Park, 450 Ray Lawson Blvd

Let's bridge the digital divide together by **donating used, broken, and unwanted computers** to refurbish and circulate back to those in need in the Brampton community.

Come check out our **Computer Anatomy Table display of internal computer hardware**. Try one of our fun learning activities and level up your tech knowledge and skills!

**Brampton Parks Clean Up**  
Help keep Brampton clean and green. Residents can register for a self-led or the organized clean up & BBQ at [brampton.ca/cleanup](http://brampton.ca/cleanup)
