1. Background

Alcohol and other controlled legal substances are key components of the social and leisure activities of many people. However, there can be negative social, legal and health impacts from uncontrolled or high-risk consumption. The consumption of alcohol is permitted in the Province of Ontario in accordance with regulations and reasonable controls.

2. Purpose

The purpose of this policy is to reduce problems associated with alcohol consumption such as injury, violence and liability. This policy establishes a series of reasonable conditions, which all persons will be required to follow where the consumption of alcohol is permitted on or in City properties, premises, places, spaces and/or events. The Corporation of the City of Brampton (“City”) implemented its first Municipal Alcohol Policy in 2016 to manage the usage and consumption of alcohol on municipally-owned premises.

3. Application and Scope

This Council Policy applies to organizers of events held on City-owned property at which alcohol will be served (including City-sponsored events) whether the organizers are City staff, elected officials, or member of the public.

This Council Policy is to be applied whenever the consumption and/or serving of alcohol occurs on or in a City-owned property including events that involve alcohol through Special Occasion Permits and/or liquor licensed events under a Caterer’s Endorsement, as applicable.

3.1 Exceptions
