**CW159-2024**

1. That the report from Heidi Dempster, General Manager, Transit, to the Committee of Council Meeting of April 24, 2024, re: **Brampton Zero Emission Bus Implementation Strategy & Rollout Plan**, be received;

2. That Council endorse the Brampton Transit Zero Emission Bus Implementation Strategy and Rollout Plan prepared by the Canadian Urban Transit Research & Innovation Consortium to help guide the City's transition to an environmentally sustainable transit service;
3. That Council adopt and commit to a net zero objective by transitioning to a zero emission bus fleet for Brampton Transit as early as 2040 with full fleet transition required no later than 2050, if possible;
4. That Council consider the capital and operating financial commitments outlined in the Brampton Transit Zero Emission Bus Implementation Strategy and Rollout Plan Summary Report corporate priorities during the City's annual budget process, noting that future capital and operating requests are subject to change and require approval through the annual budget process; and
5. That the General Manager, Transit, be directed to update the Brampton Transit Zero Emission Bus Implementation Strategy and Rollout Plan on a five-year cycle, subject to future funding approval during the annual budget process.

**CW160-2024**

Whereas the City of Brampton continues to demonstrate leadership in environmental actions, such as strategies and/or plans, that are commitments to take action against climate change by reducing greenhouse gas emissions (GHG);

Whereas the City of Brampton declared a climate change emergency in 2019, one of more than 2,300 governments worldwide to do so, and subsequently the City's Community Energy and Emissions Reduction Plan (CEERP) was developed;

Whereas in 2020 City of Brampton Council endorsed CEERP, which creates a roadmap that will improve energy efficiency, reduce greenhouse gas emissions, create economic advantage, ensure energy security, and increase Brampton's resilience to climate change;

Whereas the CEERP identified greenhouse gas emissions reductions, with the largest contributor to greenhouse gas emissions being the transportation sector;

Whereas to meet the goals identified in CEERP, Brampton Transit started to work on various feasibility studies exploring the possibility and roadmap to reduce its environmental impact by decarbonizing its fleet;

Whereas the City of Brampton launched its Electric Bus Demonstration & Integration Trial in 2021, at the time, the largest single global deployment of

standardized and fully interoperable battery electric buses and high-powered overhead on-route charging systems, which builds on Brampton's commitment to sustainability by greening its fleet;

Whereas in 2022, the City of Brampton engaged the Canada Infrastructure Bank and achieved financial close on an investment wherein the CIB will commit up to \$400 million to support Brampton Transit's purchase of up to 450 zero-emission buses, the CIB's largest zero emission bus financing commitment with a municipality to date, supporting one of the largest public transit fleet conversions in Canada;

Therefore, be it resolved that City staff be directed to:

1. Continue to advocate with all levels of governments on funding and extensions to current funding deadlines to align with industry electrification timelines;
2. Engage with Energy service providers as a Service partners to gain information on possible solutions to deliver on Transit's electrification strategy and implementation plan that is practical, cost efficient and focused on reducing greenhouse gas emissions (GHG) and report back to Council; and
3. Work with CUTRIC and Metrolinx on the integration of electrifications at GO stations.
