**SCHEDULE "B" TO BY-LAW**

**SHORT STATEMENT OF THE REASON FOR THE DESIGNATION OF 860 NORTH PARK DRIVE:**

The property at 860 North Park Drive as described as Part 1 in Reference Plan 43R-38931 is worthy of designation under Part IV of the *Ontario Heritage Act* for its cultural heritage value. The property meets the criteria for designation prescribed by the Province of Ontario under the three categories of design/physical value, historical/associative value and contextual value.

**Design/Physical Value:**

The property has design and physical value as a representative example of the materials and construction method used in constructing nineteenth century building foundations. The property's design and physical value is based on the below-ground presence of the stone foundations of the Mount Olivet Church, a Gothic Revival brick church that was built in 1869 and demolished in 1950.

**Historical/Associative Value:**

The property is valued for its association with the hamlet of Mount Olivet and the Mount Olivet Cemetery. Structural remains of the 1869-1950 Mount Olivet Church were uncovered within the property. This church serviced the Methodist community in the area and contributes to the understanding of the local Methodist community, as well as the community of Mount Olivet.

**Contextual Value:**

While the foundations and structural remains of the 1869-1950 Mount Olivet Church are below-ground, their presence provides a historical and physical link to their surroundings, particularly to the adjacent Mount Olivet Cemetery.

**DESCRIPTION OF THE HERITAGE ATTRIBUTES OF THE PROPERTY:**

The heritage attributes comprise all construction materials, construction methods and associated building techniques, as well as significant landscape elements and important vistas. The detailed heritage attributes/character defining elements include, but are not limited to:

- The remnant below-ground foundations of the Mount Olivet Church consisting of field stone rubble with a clay trench.
- The site and footprint of the Mount Olivet Church.
- The physical and historical link between the Mount Olivet Church and the Mount Olivet Cemetery.
- The vestige of the hamlet of Mount Olivet.
- The rural character of the site in juxtaposition to its immediate developed surroundings.
