**Subject:** Application # -2024-0128

In relation to application to widen driveway at 6 Pressed Brick Drive. The driveway is wide enough and I am against having it any wider. If this is done it opens up the whole neighbourhood to being able to do it. Already 4 cars in lot with nothing in garage. We do not need a wider parking lot here. I am against the application. Thank you. John Johnston. 13 Pressed Brick Drive, Brampton ON L6V 4K8
