My name is Peter and I am a landowner and resident at 2734 Embleton Road. I would like to formally protest Application A-2024-0065 regarding 2776 Embleton. There are a number of houses in the area and the proposed use as described in the Application for Minor Variance would further depreciate the values of the surrounding properties including my own. I plan to attend the council meeting on Tuesday to challenge this Application.

Also this Public Notice was only received in today's mail, as a result I was not able to get this letter to you earlier. Notices such as this should be sent out earlier to guarantee local residents and landowners a proper chance to reply.

Regards;

Peter Cutruzzola, P.Eng.
