RE: APPLICATION NUMBER: A-2024-0137, 78 Giraffe Avenue.

To Whom it May Concern,

Hello, my name is Antonietta Barrett, and I authorize you to post my correspondence on the agenda. I am sending this letter regarding application number A-2024-0137, at 78 Giraffe Avenue.

I have been a resident at 89 Giraffe Avenue since October 2002 and my husband and I raised our child here. Over the past almost 22 years there has been a downgrade regarding the integrity of our neighbourhood. Families are moving out due to the uptick of rental properties on our street. These are supposed to be single-family dwelling homes, and not to be used as rental units and businesses. This has caused struggle toward people trying to drive out of their own driveways or trying to drive back in once they returned due to being blocked in. This has also caused a rise in speeding down our street, which has now created a risk toward the neighbourhood children playing on the street.

Toward 78 Giraffe Avenue however, there seems to be neglect toward maintaining their own property, specifically maintaining their lawn. Since this is the case, they have clearly shown to be irresponsible not only toward this, but illegally building a basement apartment. This is unacceptable. This is supposed to be a residential unit in a quaterplex, and the residents had chosen to break City of Brampton By-laws.

I am absolutely against this, and I hope this will be settled accordingly. Remember a by-law is a by-law and it's time for the City of Brampton to enforce them. Thank you for taking our considerations seriously and please do not hesitate to contact me with anymore information.

Sincerely,

Antonietta Barrett.
