RE: Minor Variance application for 34 Lost Canyon Way, Brampton ON

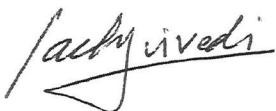

Dear Secretary - Treasurer and members of Committee of Adjustment,

I am an authorized agent on behalf of the owners of the property at 34 Lost Canyon Way, Brampton. They live there with their family.

It's a detached house with an unfinished walk-up basement. The owners want to finish the basement, keeping it partially for their own use as a Recreation area. The existing door in the basement to the backyard will be under this part. The remaining partial basement will be ARU (Additional Residential unit). Access to this unit can be provided from the side yard. Per the zoning laws, a below grade stair can be built as there is more than 1.2m setback on the other side. But there will not be a required 0.3m setback between the proposed below grade stair and the property line.

It is our kind request to consider this application for allowing a below grade stair from the side yard.

Sincerely,

Sachin Trivedi
