Subject: [EXTERNAL]Application #A-2024-0182 Meeting Participation re: Minor Variance application

Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.

To Whom it may concern,

My name is Amanda Lubin and my family lives directly across the street from 23 Coronation Circle, Brampton.

We would like to lend support to Bineet Pahwa and Gurleen Kaur, our very pleasant neighbours, regarding their Minor Variance application.

The work that was done to their driveway and landscaping is beautiful and enriches our neighbourhood. We have no issues with their request to maintain their widened driveway.

We hope that their application will be approved and that they can maintain their driveway as it currently stands.

You have my consent to post my correspondence to the revised agenda.

Sincerely,

Amanda Lubin
