Application #: A-2024-0182

Hello,

Our names are Rosanne and Doron Kernerman and we live right next door to the property in question. We are at 25 Coronation Circle.

We would like to comment on the application for Minor Variance of our neighbors, Bineet Pahwa and Gurleen Kaur, who reside at 23 Coronation Circle, Brampton.

We, 100%, agree with granting our neighbors their request to vary the width of their driveway. The intricate and eye-pleasing work that they did to beautify their entire property is a welcome contribution to our street.

We have no issue with this variance being granted and in fact look forward to it. Their driveway does not interfere with anyone's day to day activities in the least!

Sincerely,
Rosanne and Doron Kernerman

Yes, of course, you have my full authorization to post my email wherever you wish.
