Dear Sir/Madam,

Meeting June 17, 2024, 7:00pm. City File#: OZS-2003-0045. I am against this building expansion; this expansion is not good for the existing community. Existing infrastructure (parks, roads, schools) cannot handle this expansion. There is no land to expand parks. Traffic will be nightmare due to this expansion (lots of accidents and loss of life's highly possible). This expansion is having extremely worse (physical, emotional and mental) effect on me and my family.

I am living in Brampton for more then 24 years. This building expansion has direct physical and mental impact on my four children (7years old, 6 years old, 2 years old and 5 months old).

I strongly oppose the expansion. Please dismiss this expansion application.

I am willing to stop this expansion, please let me what do I have to do next.

Sincerely,

Muhammad Ilyas
