Dear Sir,

Thank you for the notice.

I am concerned about the proposed structure and would like to oppose it. The proposed garden suite is grossly above the area permitted by the by-laws hence should not be allowed. The by-laws must be respected.

I am also concerned about the fact that this notice gives a very short period to respond. Enough time should be allowed so that the neighbors can consult each other and develop a consensus and harmony in views. I received the mailed notice only yesterday.

Note:

1. I authorize you to post my correspondence on agenda
2. Please notify me of Committee's decision

Regards,

Naqeeb Khalid
