Application #: A-2024-0204

Dear City of Brampton and the Committee of Adjustments,

Our names are Rosanne and Doron Kernerman and we live right across the street from the property in question. We are at 25 Coronation Circle.

We would like to comment on the application for Minor Variance of our neighbors, Stephane Lubin and Amanda Lubin, who reside at 20 Coronation Circle in Brampton.

We, 100%, agree with granting our neighbours their request to vary the width of their driveway. The intricate and eye-pleasing work that they did to beautify their entire property is a welcome contribution to our street and the thought of them having to break it or modify it in anyway is completely appalling to us.

We have no issue with this variance being granted and in fact look forward to it. Their driveway does not interfere with anyone's day to day activities in the least and only adds to the beauty of our street!

Sincerely,

Rosanne and Doron Kernerman
