**Subject:** [EXTERNAL]Application for Minor Variance. Application Number A-2024-0257, 2 Menoke Court, Brampton

**Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.**

My name is Debbie McLaughlin and I live at 5 Sutter Avenue in Brampton, ON (L6Z1G1). I am sending this email in support of the application of Patrick Kelly and Sharon Hume- Kelly of 2 Menoke Court, in Brampton.

(Application Number A-2024-0257)

and this email is my authorization to be posted on the agenda for Tuesday, August 20, 2024 at 9.30 a.m.

I have lived across the street from the Kelly's for the past 40 years, and have always appreciated the support of all our neighbours, especially Pat and Sharon. They are good neighbours who keep their property well groomed, even as more and more residents have let their properties' maintenance slide. I previously lived at 18 Menoke Court from 1977 to 1984, so I can empathize and appreciate how narrow those front lots can be on that particular Court.

I am completely in support of their decision to apply for permission for 0.0 meters of permeable landscaping abutting the side lot line, and can only hope those involved with considering this case can appreciate the reality of the situation, and have all parties best interests in mind when making their judgements.

Thank you for your consideration and understanding in this matter.

Debbie McLaughlin

5 Sutter Avenue, Brampton
