Dear Neighbors,

I hope you are doing well. I am writing to inform you about a minor variance application I have submitted to the City of Brampton's Committee of Adjustment and to request your support.

I am seeking approval to maintain the extended the width of my driveway to 8.80 meters and to keep up 47.4 square meter pergola in my backyard. I have taken great care in planning these modifications to ensure they will not negatively impact the surrounding area. The extended driveway will improve access and parking for my family, while the pergola will provide a shaded outdoor space for relaxation and gatherings.

As part of the application process, the Committee of Adjustment considers the views of neighboring property owners. Your support is important to me, and I would greatly appreciate it if you could sign the attached petition to indicate your consent for these changes.

If you have any questions or concerns about the proposed changes, please feel free to reach out to me. I would be happy to discuss the details and address any issues you might have.

Thank you very much for your time and consideration. Your support means a lot to me and will help in ensuring a favorable outcome for my application.
Please sign below if you agree with the proposed changes:
