Good morning,

As a resident of Leone Lane, I would like to share my thoughts to the city regarding 20 Evergreen Ave. I strongly disagree the splitting of 2 lots. This will affect the beauty of our neighborhood as it defeats the purpose of buying large lots in the first place. The splitting of the lots will worsen the traffic problem that we already struggle with as well as it ruins the exclusivity of the neighbourhood. Please take my thoughts into consideration. Thank you.

Sincerely,

Mantaj Dhugga
