**Subject:** [EXTERNAL]218 McMurchy - opposition to requested variances

**Caution: This email originated from outside the organization. Do not click links or open attachments that you do not trust or are not expecting.**

Hello, My name is Michelle Gauthier and I live at 3 Chesterfield Road, Brampton, Ontario, L6W 1L1. It has come to my attention that 218 McMurchy has requested a number of variances. I am writing to express my strong opposition to this request. They are not appropriate for a mature neighborhood and will only result in further deterioration of the vibrant community surrounding this address. This would be a precedent setting variance and the entire community is mindful of this. Please do the right thing and maintain our mature neighborhoods. Regards Michelle
