Dear Sir,

I strongly oppose the application of development of a secondary residence at 218 Mcmurchy.

This being a mature neighbourhood, compounded by 4 schools in a 1 km radius, plus the ongoing speedsters on this street, a secondary structure housing unknown amount of tenants will negatively affect the neighbourhood.

An approval will only encourage others to follow suit and further add properties to their lots with no regard to quality of life in this hood.

Thank you

Jon Diniz
