Submitted Supporting Studies

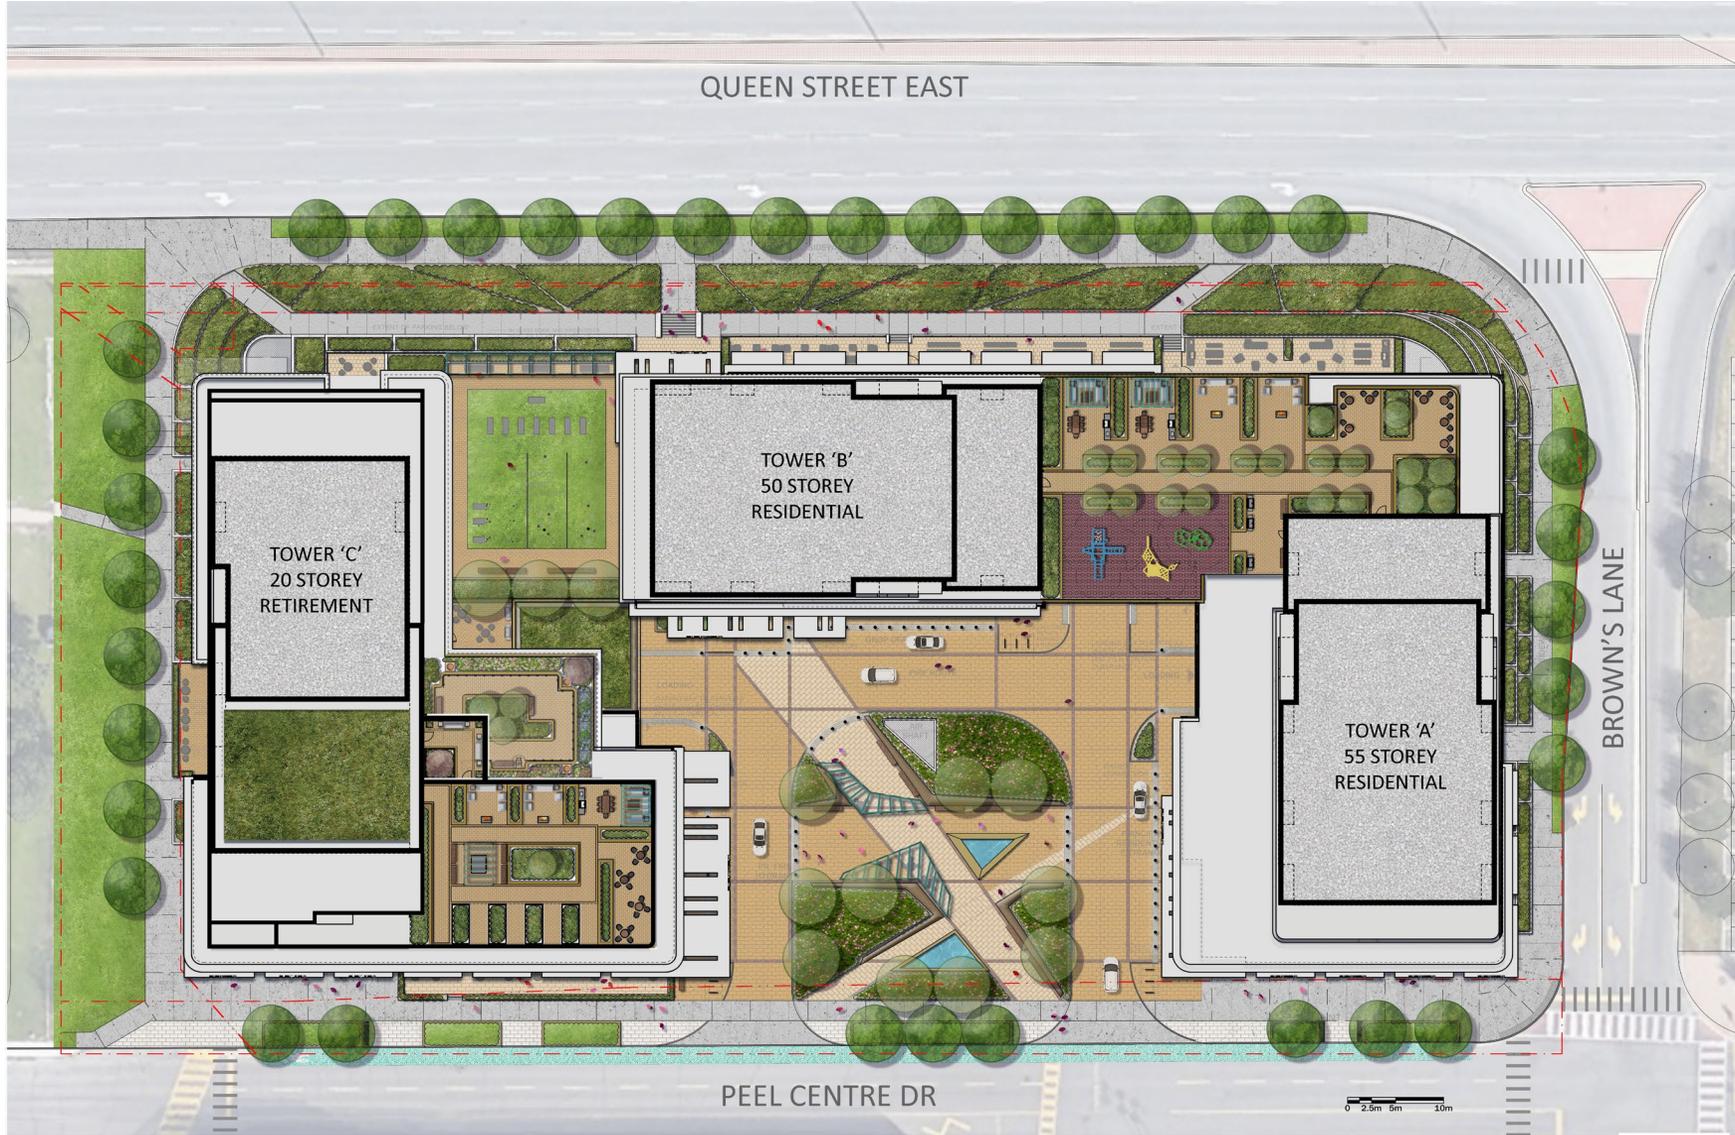

- Urban Design Brief;
- Comprehensive Development Plan;
- Noise and Vibration Study;
- Functional Servicing and Stormwater Management Report;
- Planning Justification Report;
- Arborist Report and Tree Protection Plan;
- Phase 1 & 2 Environmental Site Assessment;
- Transportation Impact Study;
- Shadow Study;
- Wind Study.

Conclusions and Next Steps

- Proposal meets the policies of the Official Plan, Brampton Plan 2023 and the Queen Street Corridor Secondary Plan (Area 36)
- Supports two MTSA Areas (Dixie and Central Park MTSA)
- Supports aging in place by increasing the proposed residential home care units and including additional residential units including family friendly units
- Animates key pedestrian corridors with commercial and public uses– Peel Centre Drive and Queen Street East
- Supports the 2040 BramPlan Vision for the new Bramalea City Centre

Next Steps

- Following the Statutory Public Meeting, enacting by-law will be refined, and the application proceed to Council with a staff recommendation report.
- If approved, anticipated submission of a Site Plan Application is to occur early 2025.

Thank You
