Dear City Clerk Chinoye Sunny,

I am writing to formally express my opposition to the proposed development project in Brampton east area, City File #: OZS-2024-0039 (1000158200 : Ontario Inc - Blackthorn Development Corp.). As a concerned resident, I would like to highlight several key issues that I believe warrant serious consideration.

Firstly, the proposed development is likely to significantly increase traffic in our area. Given the current congestion and limited road capacity, this increase could exacerbate existing traffic problems and lead to more frequent accidents.

Additionally, the area is home to several schools that are already facing challenges related to traffic safety and congestion. The development could further impede access for students and parents, complicating drop-off and pick-up routines and potentially compromising safety.

I urge you to consider these concerns seriously and evaluate the potential impacts of the development on our community's safety and quality of life.

Thank you for your attention to this matter. I look forward to your response.

Sincerely,  
Aniruddha Patel
