Hello City clerk Office,

I would like to oppose this development due to very few parking spots vs residents. The accidents ratio is much higher in this area and less parking spots will have more street parking. There is parking shortage nearby school and we are struggling for community safety. Furthermore, if this development is granted than, we need more space for school as well because in current situation, kids are studying in Pods. The school is already over crowded.

Thanks,  
Arpan Shah
