> Hi there
> I am opposing this proposed building due to following reasons
> 1: traffic issues are too high in this area
> 2: the most nearby school to this proposed building is not enough for current number of kids. Adding high rise building may worsen this issue.
> 3: the opposite side of the proposed building is full of commercial sites which has added heavy vehicles on highway 50. Kindly please make survey on how many accidents occurred at intersection from castlemore Rd to fogal Rd on highway 50.
> 4: the size of clerckway road is not enough to accommodate this building due to nearby shopping centre.
> I have already showed my concern about proposed site of BARIC. This is same location as BARIC.

> Kindly please consider my request and update me on progress of process
