Dear Chinoye Sunny,

I am writing to strongly oppose the proposed development at 9379 Clarkway Drive. As a resident, I am deeply concerned about the negative impact this project will have on our community.

**Traffic and Safety:** Our neighborhood already struggles with traffic during peak hours. Adding 346 residential units will worsen the situation, increasing the risk of accidents and endangering pedestrians, cyclists, and school children.

**Strain on Schools:** Our local schools are already at full capacity. This development would overwhelm our education system, leading to overcrowded classrooms and a decline in educational quality.

**Privacy Concerns:** The 8, 9, and 10-storey buildings would invade the privacy of residents by overlooking our backyards, compromising the personal space we currently enjoy. This development is not suitable for our neighborhood due to increased traffic, noise, and density. I urge you to reject this proposal for the sake of our community's safety, well-being, and quality of life.

Thank you for your attention to this matter.

Regards,  
Sandip Makwana
