My name is Kalpana Bulsara. I am writing in regards to City File #: OZS-2024-0039, Application to Amend the Official Plan and the Zoning By-law in Ward 10. I live [REDACTED] just few minutes away from the area in concern.

There are already more than plenty buildings along highway 50, and overcrowded streets on Clarkway drive from Ebenzer to Castlemore. Adding 350 or so residential units is ridiculous!

We already face difficulties with traffic and noise and jay walking and rough driving in the neighbourhood, we do not need more cars, more people, more noise and more chaos in our neighbourhood.

Please, stop this!
