Dear Committee

Thanks for giving me an opportunity to speak on the matter of the property 18 Bachelor St, Brampton.

I am not in favour of construction of garden suite for the following reasons.

- 1) This a rooming house, there are lots of individuals living in the house.
- 2) There are already so many cars parked on the street, as there are so many living in house and in their basement which is why there are so many cars on the street, adding another unit would cause even more issue with parking on street.
- 2) There is lots of nuisance and disruptive activities from individuals living in the house, this will further increase nuisance on the street..

Note:

- 1) I authorize you to post my correspondence on this matter.
- 2) Please notify me of Committee's decision.

Thanks
