Hello

Good afternoon

Regarding the minor variation application from house no.

18 bachelor street, Brampton, on

My name is Chandresh Chavda

House no. 12 Agosto street, Brampton,

I am totally against for this proposal of garden suit construction.

The house no. 18 bachelor street, is a rooming rental house, like a student hostel,

And city is knows that how mess up are been taking place by international students,

I have seen those tenants residing in that house,

Drinking alcohol in backyard, making loud noises, seven cars are being parked in driveway looks like a parking lot,

And garden suit will spoil the backyard view, will block natural light to my house, therefore i am not agreed, please do not approve this application.

Also I will participate in person meeting on 17th September, 2024,

9:30 Am

If you have any concerns please contact me.

Thanks
