Subject: Re: A-2024-0279 Objection to Minor Variance

To: Gail Handfield

Dear Committee chair, Members and City Staff.

We noticed that one of our submitted videos did not get posted with the other documents regarding our objection to this requested minor variance.

Possibly due to email space did not come through to you.

Please kindly include this as well as part of our objection documentation as it illustrates the lack of permeable surface between side lot line for 20 Merlin Drive property.

Thank you

Gail Handfield
